Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subject to civil fines.

Signature:	Date:
-------------------	--------------

Mechanical work shall not be started until the application for the permit has been filed, approved, fees assessed and paid for. All installations shall be in conformance with the 2009 State Mechanical code. No work shall be concealed until it has been inspected. **Work commencing prior to issuance of a permit shall be subject to a double permit fee and/or citation(s), fines and/or penalties.**

A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced or no inspections requested within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time work of commencing the work. **CLOSED PERMITS ARE NOT REFUNDABLE AND WILL NOT BE REINSTATED.**

Minimum permit fee if total is less than \$50.00
All permits will include a \$20.00 administration fee
Special Inspections: Hard to access (attic, crawl space, roof), off day inspections and hourly inspections
