9.3 AUTHORIZE SOLICITATION OF PROPOSALS FOR FIRE HOUSE BAY DOORS – FIRE DEPARTMENT.

COMMUNITY IMPACT/BACKGROUND: The Riverview Fire Chief is requesting authorization to bid for the purchase and installation of (3) three bay doors at the Fire Department building. The current bay doors are believed to be around 20 years old and are in need of replacement.

A solicitation for bids of fire house bay doors and openers was opened on 3/4/2022. Ultimately, it was decided by the Ad Hoc Public Safety Committee and approved by City Council to just award the door openers portion of the bid. They went with this decision because there was potentially a safety issue, the project was unbudgeted in that fiscal year, and that actual door replacement would be budgeted in future years.

When contact was made with the previous low bidder, they stated they could not hold prior bid pricing due to commodity price increases and supply shortages.

ACTION REQUESTED: The City Council is requested to consider authorization to the solicit proposals for the purchase and installation of (3) three bay doors for the fire department building.

9.4 AWARD COOPERATIVE BID PURCHASE FOR ONE (1) 2022 FORD EXPLORER FROM GORNO FORD FOR A TOTAL COST OF \$36,895.00 – POLICE.

COMMUNITY IMPACT/ BACKGROUND: The City of Riverview Purchasing Manual, Section 10.2 A, authorizes the City’s participation in cooperative purchases to take advantage of volume buying. The State of Michigan through its MiDeal program, formerly known as Extended Purchasing, has awarded a contract for police vehicles to Gorno Ford of Woodhaven, Michigan. The Vehicle and Equipment Officer is requesting the purchase of one (1) 2022 Ford AWD Utility Patrol Car, with a total price of \$36,895.00.

The Riverview Police Department has adopted a personalized platform for vehicle retirement/replacement that is managed by an active City Lieutenant, since there were no predetermined national or state criteria regarding this due to differences amongst departments and too many influences and variables to be considered. This platform allows for current police vehicles to be evaluated and rated as to when future replacement will be required, thus allowing for the ability to “spread out” vehicle acquisitions to approximately one or two per year.

The vehicle recommended to be replaced is #14-0, a 2015 Ford Escape with approximately 82,000 miles which is not yet recommended for decommissioning, but to be utilized on a limited basis for officers when commuting to schools/training. The replacement of the patrol car is consistent with the City’s fleet rotation and replacement schedule.

ACTION REQUESTED: The City Council is requested to consider the cooperative bid award for one (1) 2022 Ford Explorer from Gorno Ford, with a total cost of \$36,895.00.

10. RESOLUTIONS.

10.1 ADOPT RESOLUTION ELECTING TO COMPLY WITH THE PROVISIONS OF PUBLIC ACT 152 OF 2011 – FINANCE/HUMAN RESOURCES.

COMMUNITY IMPACT/BACKGROUND: In September 2011, the State of Michigan passed Public Act 152, titled “Publicly Funded Health Insurance Contribution Act”, which limits a public employer’s expenditures for employee medical benefit plans. Under this Act, the default option for the public employer would be a hard-cap whereby the amount they could contribute would be limited by a fixed annual amount as determined by the state treasurer. A second option, requiring a majority vote of its governing body, would limit the public employer’s contributions to 80% of the total annual costs. The third option, requiring a 2/3 vote of its governing body, would allow the public employer to opt-out of this Public Act altogether.

In previous years, the City Council has adopted a resolution electing to comply with the second option, limiting the public employers share to 80% of the total

annual costs for medical benefit plans. Under this option, the City would not pay more than 80% of the total annual costs of all of the medical benefit plans it offers to its employees. The remaining 20% would be contributed by the employees covered under the medical benefit plan.

ACTION REQUESTED: City Council is requested to consider the adoption of a resolution electing to comply with the provisions of Public Act 152 of 2011 by adopting the 80/20 cost sharing model as set forth in Section 4 of Public Act 152.

COMMUNITY IMPACT/BACKGROUND: The City of Riverview zoning ordinance sets a maximum height of three (3) feet for a pool deck. The community development and building department receives requests for a four (4) foot tall deck as above ground pools often have four foot height. The first reading occurred on August 8, 2022.
