RESOLUTION NO. 22-21
 RESOLUTION AUTHORIZING EXECUTION OF WAYNE COUNTY PERMIT
 FOR ANNUAL PAVEMENT RESTORATION, ANNUAL MAINTENANCE
 WORK IN RIGHT-OF-WAYS AND SPECIAL EVENTS

At the Regular Meeting of the Riverview City Council on 19th day of December, 2022, the following resolution was offered:

WHEREAS, the City of Riverview, (hereinafter the “Community”) periodically applies to the County of Wayne Department of Public Services, Engineering Division Permit Office (hereinafter the “County”) for permits to conduct emergency repairs, annual maintenance work, and for other purposes on local and County roads located entirely within the boundaries of the Community, as needed from time to time to maintain the roads in a condition reasonably safe and convenient for public travel; and

WHEREAS, pursuant to Act 51 of 1951, being MCL 247,651 et seq.} the County permits and regulates such activities noted above and related temporary road closures.

NOW, THEREFORE, BE IT RESOLVED, in consideration of the County granting such permit (hereinafter the “Permit”), the Community agrees and resolves that:

Any work performed for the Community by a contractor or subcontractor will be solely as a contractor for the Community and not as a contractor or agent of the County. Any claims by any contractor or subcontractor will be the sole responsibility of the Community. The County shall not be subject to any obligations or liabilities by vendors and contractors of the Community, or their subcontractors.

The Community shall take no unlawful action or conduct, which arises either directly or indirectly out of its obligations, responsibilities, and duties under the Permit which results in claims being asserted against or judgment being imposed against the County, and all officers, agents and employees thereof pursuant to a maintenance contract. In the event that same occurs, for the purposes of the Permit, it will be considered a breach of the Permit thereby giving the County a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

With respect to any activities authorized by Permit, when the Community requires insurance on its own or its contractor's behalf, it shall also require that such policy include as named insured the County of Wayne and all officers, agents and employees thereof.

The incorporation by the County of this Resolution as part of a permit does not prevent the County from requiring additional performance security or insurance before issuance of a Permit.

This Resolution stipulates that the requesting Community shall, at no expense to Wayne County, provide necessary police supervision, establish detours and post all necessary signs and other traffic control devices in accordance with the Michigan Manual of Uniform Traffic Control Devices.

This Resolution stipulates that the requesting Community shall assume full responsibility for the cost of repairing damage done to the County road during the period of road closure or partial closure.

This Resolution shall continue in force from the date of execution until cancelled by the Community or the County with no less than thirty (30) days prior written notice to the other party. It will not be cancelled or otherwise terminated by the Community with regard to any Permit which has already been issued or activity which has already been undertaken.

The Community stipulates that it agrees to the terms of the County of Wayne permit at the time a permit is signed by the Community's authorized representative.

BE IT FURTHER RESOLVED that the following individuals are authorized in their official capacity as the Community's authorized representative to sign and so bind the Community to the provisions of any and all permits applied for to the County of Wayne, Department of Public Services Engineering Division Permit Office for necessary permits from time to time to work within County road right-of-way or local roads on behalf of the Community.

1. Each party to this Agreement shall remain responsible for any claims arising out of their own acts and/or omissions during the performance of this Agreement, as provided by law. This Agreement is not intended to increase either party's liability for, or immunity from, tort claims, nor shall it be interpreted, as giving either party hereto a right of indemnification, either by Agreement or at law, for claims arising out of the performance of this Agreement.

In the event that the same occurs, for the purposes of the PERMIT, it will be considered as a

breach of the PERMIT thereby giving the State of Michigan, the DEPARTMENT, and/or the Michigan Transportation Commission a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

- 5. The GOVERNMENTAL AGENCY will, by its own volition and/or request by the DEPARTMENT, promptly restore and/or correct physical or operating damages to any State Highway Right of Way resulting from the installation construction, operation and/or maintenance of the GOVERNMENTAL AGENCY'S facilities according to a PERMIT issued by the DEPARTMENT.

- 7. The incorporation by the DEPARTMENT of this resolution as part of a PERMIT does not prevent the DEPARTMENT from requiring additional performance security or insurance before issuance of a PERMIT.
- 8. This resolution shall continue in force from this date until cancelled by the GOVERNMENTAL AGENCY or the DEPARTMENT with no less than thirty (30) days prior written notice provided to the other party. It will not be cancelled or otherwise terminated by the GOVERNMENTAL AGENCY with regard to any PERMIT which has already been issued or activity which has already been undertaken.

AN ORDINANCE TO AMEND THE CODE OF ORDINANCES FOR THE CITY OF RIVERVIEW BY THE REPEAL OF ARTICLE XIV, "PROHIBITION OF MARIHUANA BUSINESSES AND ESTABLISHMENTS", OF CHAPTER 14, "BUSINESSES", AND THE ADOPTION OF A NEW ARTICLE XIV, "CANNABIS BUSINESSES", TO PROVIDE FOR THE LICENSING AND REGULATION BY THE CITY OF CERTAIN ADULT-USE CANNABIS BUSINESSES OPERATED IN ACCORDANCE WITH STATE LAW AND SUBJECT TO RESTRICTIONS ON LOCATION PURSUANT TO CERTAIN DISTANCE REQUIREMENTS AND TO THE CITY'S ZONING DISTRICT REQUIREMENTS.

THE CITY OF RIVERVIEW ORDAINS:

ARTICLE I. Amendment: That Article XIV, Prohibition of Marihuana Businesses and Establishments, of Chapter 14, Businesses, is hereby repealed and a new Article XIV, Cannabis Businesses, is adopted to hereafter read as follows:

Chapter 14 Businesses
Article XIV Cannabis Businesses

DIVISION 1. - IN GENERAL

Sec. 14-661. - Title.

This article is known and may be cited as the "Riverview Cannabis Business Ordinance."

Sec. 14-662. - Purpose and intent.

The purpose of this article is to exercise the police regulatory, zoning, and licensing powers of the City of Riverview by establishing a licensing and regulatory process for adult-use cannabis businesses to the extent permissible under the Michigan Regulation and Taxation of Marihuana Act (Initiated Law 1 of 2018) in order to protect the public health, safety, and welfare of the residents of the City of Riverview.

Further, the purpose of this article is to:

- (a) Impose regulations that are necessary to prevent crime, protect the city's retail trade, maintain property values, and generally protect and preserve the quality of the city's neighborhoods and commercial districts, and the quality of urban life.
- (b) Protect public health and safety through reasonable limitations on cannabis commercial entity operations as they relate to noise, air and water quality, neighborhood and resident safety, security for the location and its personnel, and other health and safety concerns;
- (c) Protect residential zoned properties and neighborhoods by limiting the location of cannabis businesses to specific areas of the city, and to further regulate the same business concentration of marijuana business establishments to a minimum of 300 feet apart based on studies that have shown the tendency of same-business concentrations to produce negative secondary effects such as increased crime, decreased property values, and reduced shopping and commercial activities. As applied, zoning regulations may, therefore, be used to prohibit a cannabis business from operating within a specified distance of another cannabis business in order to avoid the undesirable impacts associated with concentration of such uses;
- (d) Impose fees to defray and recover the cost to the city of the administrative and enforcement costs associated with cannabis businesses;
- (e) Coordinate with laws and regulations that may be enacted by the State of Michigan addressing cannabis businesses; and
- (f) To restrict the issuance of cannabis business licenses only to individuals and entities that demonstrate an intent and ability to fully comply with this article and the laws of the State of Michigan.

Sec. 14-663. - Conflicts.

(a) *Federal law*. As of the effective date of the ordinance codified in this article, marijuana is classified as a Schedule 1 controlled substance under federal law which makes it unlawful to manufacture, distribute, cultivate, provide, possess, dispense or transport marijuana. Nothing in this article is intended to grant immunity from any criminal prosecution under federal law.

(b) *State law*. Nothing in this article is intended to grant immunity from criminal or civil prosecution, penalty or sanction for the cultivation, manufacture, possession, use, sale, distribution or transport of marijuana, in any form, that is not in strict compliance with the state and local laws, and all applicable rules promulgated by the State of Michigan regarding marihuana. Strict compliance with any applicable state law or regulation shall be deemed a requirement for the issuance or renewal of any license issued under this article, and noncompliance at any time with any applicable state or local law or regulation shall be grounds for revocation or nonrenewal of any license issued under the terms of this article.

Sec. 14-664. - Definitions.

As used herein, the following terms have the following meanings:

Only the named licensee may operate the cannabis business at the location approved by the city.

For purposes of this subsection, marijuana products, including edible marijuana products, are not food.

(g) *Operators.* Only a cannabis business licensee may operate a cannabis business within the City of Riverview. The licensee must conspicuously display its state license and city license in the cannabis business where it is easily open to public view and inspection.

(h) *State law violations.* Any violation of any state marijuana law shall be deemed a violation of this article.

(i) *No tax incentives.* A cannabis business shall not be entitled to any tax-incentive program offered by the city, including, but not limited to, any incentive created pursuant to the Brownfield Redevelopment Financing Act, PA 381 of 1996, or the Recodified Tax Increment Financing Act, PA 57 of 2018.

Sec. 14-667. - Violations.
