COMMUNITY IMPACT/BACKGROUND: The Interim City Manager and Director of the Riverview Land Preserve forwarded a request to the Purchasing Director to initiate the bid process for a three-year contract for Security Services for the Riverview Land Preserve. The guards patrol the grounds of the land preserve during non-operational hours, ensuring that buildings, gates, and grounds are secure. The current vendor has indicated that they cannot extend the current contract pricing.

The Ad Hoc Landfill Committee concurred with this request at their 09/12/22 meeting.

Funds have been budgeted in account # 596-526-817.000 for the 2022/23 fiscal year.

9.3 AWARD BID 2516 AND AUTHORIZE EXECUTION OF ONE YEAR AGREEMENT WITH KSM SOLUTIONS AND ATMOS TECHNOLOGIES FOR ODOR CONTROL SUPPLIES AND EQUIPMENT – LAND PRESERVE.

COMMUNITY IMPACT/BACKGROUND: On 07/18/22, City Council authorized the procurement process to secure odor control supplies and equipment for use at the Land Preserve. On 08/11/22, two companies responded to our invitation to bid.

The Interim City Manager and Land Preserve Director have recommended that both vendors be awarded. In past experience with one vendor, we had long delays due to unavailable parts and supplies. Awarding both vendors will provide the flexibility to use the vendor who can complete the project or get supplies in a timely manner.

The Ad Hoc Land Preserve Committee concurred with this request at their 09/12/2022 meeting.

ACTION REQUESTED: City Council is requested to consider bid award and authorize execution of a one year agreement to KSM Solutions and ATMOS Technologies for odor control supplies and equipment.

11. ADMINISTRATION.

11.1 AWARD COOPERATIVE BID PURCHASE FOR ONE (1) REPLACEMENT BACKHOE: CATERPILLAR 2022 MODEL 420XE BACKHOE LOADER FOR THE SOURCEWELL CONTRACT PRICE OF \$132,409.97, AND AUTHORIZE THE TRADE IN OF USED BACKHOE FOR A TRADE IN ALLOWANCE OF \$22,000.00, FOR A TOTAL NET PURCHASE PRICE OF \$110,409.97 – DPW / WATER & SEWER.

COMMUNITY IMPACT/BACKGROUND: The City of Riverview Purchasing Manual, Section 10.2 A, authorizes the City’s participation in cooperative purchases to take advantage of volume buying. Through the SourceWell program, which has awarded a contract for heavy equipment to Caterpillar, Inc., the Director of the DPW requests the City Council to consider authorizing the purchase of one (1) replacement backhoe. The DPW has two

backhoes, of which the older 2007 model needs a complete front bucket replacement (with an estimated cost of \$25,000.00), plus other needed repairs. The DPW Director is recommending replacement of this machine with a new one while there is still some trade-in value left. These backhoes are used daily on many different jobs around town such as special pickups, water main breaks, street repairs, snow removal, loading and unloading material, etc.

ACTION REQUESTED: Award the purchase of one (1) new replacement backhoe: Caterpillar 2022 Model 420XE AMPRI Backhoe Loader for the SourceWell Contract Price of \$132,409.97, less trade-in allowance of \$22,000.00, for a total net purchase price of \$110,409.97.

12. ORDINANCES.

12.1 AUTHORIZE FIRST READING, BY TITLE ONLY, OF PROPOSED ORDINANCE NO. 736, TO AMEND THE CODE OF ORDINANCES FOR TRAFFIC CONTROL ORDERS 424 AND 426 TO RATIFY AND APPROVE THE TRAFFIC CONTROL ORDERS AND ADOPT SECTION 66-36 ACCORDINGLY – CITY ATTORNEY.

COMMUNITY IMPACT/BACKGROUND: Traffic Control Order 424
 Background: An improved roadway exists at the Riverview Land Preserve. As such, in order to reduce the frequency of speeding of semi-tractor trailers, noise reduction, and to increase the public safety of all vehicles traversing the roadway, speed limit signs are to be placed along the road titled “Haul Road”. In addition to speed, all other traffic laws are enforceable while vehicles are utilizing “Haul Road”.

Traffic Control Order 426 Background: Riverview Street was redeveloped and paved approximately 2 years ago. The street was moved several feet west of its previous location, allowing wider parking on the east side in front of the residents’ homes. As a result, the widest side gravel parking area is no longer large enough to accommodate vehicles. This forces drivers to park halfway into the roadway creating a traffic hazard. Additionally, parking on the west side of Riverview Street may cause long term damage to underground infrastructure and fire hydrant connections.

In consultation with the Fire Chief, it is our joint recommendation to make the western portion of Riverview Street a fire lane.

ACTION REQUESTED: Request the Council to ratify and approve traffic control orders 424 and 426.

ATTACHMENTS: Proposed Ordinance to amend the code of ordinances for Traffic Control Orders 424 and 426.
