3.1 CONDUCT PUBLIC HEARING ON CREATION OF 2024 PROPOSED POLICE PROTECTION/PUBLIC SAFETY SPECIAL ASSESSMENT LEVY ROLL, AS ALLOWED UNDER PUBLIC ACT 33 OF 1951, AMENDED – CITY MANAGER.

COMMUNITY IMPACT/BACKGROUND: On January 22, 2024, City Council authorized and directed the City Manager to prepare cost estimates for the 2024 Police Protection/Public Safety special assessment for the Riverview Police Department. These cost estimates have been prepared and shared with City Council and filed with the City Clerk. The cost estimate of \$772,000, which equals 2 mills is to be used for the purchasing of police motor vehicles, apparatus, and equipment and to defray the costs of maintenance and operations, including personnel, of the Police Department for a period of one (1) year.

For purposes of funding these costs and expenses, the City Council has created a special assessment district pursuant to Michigan Public Act 33 of 1951, as amended, against which the estimated costs and expenses will be assessed. The special assessment district will encompass all the lots and parcels of land located within the City of Riverview.

A public hearing must be held to allow comments on the proposed police protection public safety special assessment levy roll. Notice of the public hearing was published in the News-Herald on April 10, 2024 and April, 14 2024. In addition, notices of the public hearing were mailed to all property owners located within the proposed special assessment district.

All parcels of land situated in the City of Riverview, County of Wayne, and State of Michigan are subject to the proposed community wide ad valorem special assessments in a column provided on the regular tax roll. The City Council has declared its intention to undertake ad valorem special assessments to be used for the purchasing of police motor vehicles, apparatus, and equipment and to defray the costs of maintenance and operations, including personnel, of the police department for a period of one (1) year in the amount of \$772,000, which is equal to 2 mills.

ACTION REQUESTED: City Council is requested to conduct a public hearing to allow comments on the proposed police protection/public safety special assessment levy roll, in accordance with Public Act 33 of 1951, as amended.
