Marketing Grant Policy and Application Guidelines

Rutherford County Tourism Development Authority

The mission of the Rutherford County Tourism Development Authority (TDA) is to promote travel and tourism in Rutherford County through state, regional, national and international advertising and promotions. The TDA was created in 1991 by Senate Bill 585, which also mandates the Board structure and the proper use of its tax revenues. It is funded through a 6% room occupancy tax (effective January 1st 2018) collected and administered by the County Government. The ability to fund the grant program, is a result of occupancy tax collected and generated from overnight stays in lodging facilities within Rutherford County.

Grant Purpose

The TDA Marketing Grant Program provides funds to organizations and agencies, which produce events to bring visitors from more than 50 miles outside of Rutherford County and generates overnight stays, through the placement of media or other promotional exposure. Creative marketing should focus on cities/towns more than 50 miles away. Funds may be used for promotional activities, including, but not limited to; printing of posters, fliers and brochures, the purchase and production of print and other media advertising, web based marketing and direct marketing.
