## *Message from Chief John Orzech*

---

Hello friends and crazy cousins! The launch into Social Media took place in the early months of 2014. The Facebook page for the Sandusky Police Department has a strong following. We will continue to keep the public informed about current events taking place, promoting good things happening in the city, and building relationships. This page is intended for positive interaction and focusing on the great community in which we serve.

The officers of the department were very active in community events this year. The National Night Out – Touch A Truck event co-sponsored by our recreation department was very successful. Children and adults were able to touch, climb in, and ask questions about vehicles from many different professions. The interaction was incredible and we look forward to improving the event in 2015. Coffee with a Cop events were started in different restaurant locations throughout the community. An opportunity to meet with an officer, have a cup of coffee and ask questions in a one on one setting. The “Pop with a Cop” weeklong popcorn challenge at The Red Wagon was very successful. The popping competition was fierce as each shift, detective bureau, and administration team worked at The Red Wagon and sold over 1,700 boxes of popcorn for the United Way. The “Sub-Zero with a Hero” at Toft’s Ice cream and Dairy was a joint event with the Sandusky Fire Department. Officers and firefighters served ice cream and mingled with our citizens. Officer Ritterbach put together quite an event, “Fishing for the Future”, as officers took students from Sandusky City Schools on a fishing charter event. Each student received a fishing pole and their catch for the day. There were many other events that we attended or participated throughout the community as we understand and recognize that building relationships in our community is crucial to the success of the department and city in which we serve.

**SANDUSKY POLICE DEPARTMENT**

The successful passage of the income tax levy, commonly referred to as “Issue 8” will enable our safety services to continue to provide professional service to our community and keep staffing levels in place. The vote by the citizens entrusts us with enhancing services, fixing roads, removing blight, and focusing on economic development. We thank the citizens for their support on Issue 8!

Through generous donations and community support, we were able to raise funds to add a new K9 to our department. A contest was held with each classroom in the Sandusky City Schools and Sandusky Central Catholic Schools in grades 1-6 submitting potential names. The names were narrowed down by a committee. We then turned to our Facebook page to get votes. The winning name was K9 “Gunner”. K9 Gunner has been trained and added to our staff. We look forward to many years of excellent service from K9 Gunner and his handler Officer Evan Estep.

We appreciate your support of the department and our officers in 2014 and we will continue to strive towards achieving ***P**ride, **P**rofessionalism, **A**ccountability, and **R**espect* in all of our actions and encounters that we have in the community.

Respectfully Submitted,

John Orzech, Chief of Police

### **K9 Fund Donors,**

On behalf of K9 Gunner and myself, we would like to thank you for all of your generous donations. Not only have your donations provided us with K9 Gunner himself, but also with all of the equipment necessary for us to conduct our patrols and community interactions. Your donations have purchased K9 Gunner's tracking harness, leashes, water and food dishes, collars, toys, treats, and many other pieces of equipment vital to our success. K9 Gunner has been an extremely happy dog and a true joy to work with since he came into the country in July. Gunner looks forward to coming to work as he immediately gets excited and runs to my front door when he sees my uniform come out of my closet. He thrives to work and has showed excellent promise to be a police working dog for our department for many years to come.

Gunner's favorite thing to do at work is to train because he knows at the end of certain training aspects, he will get to play with his toy. His favorite toy is a tennis ball tied to a rope as he also loves to play tug of war after he is rewarded with his toy. At home, Gunner loves to take naps and play outside with my

other dog Bernie. A big “ **Thank You** “ to all of the donors from K9 Gunner and myself as without your donations our partnership would not have been possible!
