SANDUSKY POLICE DEPARTMENT

Message from Chief John Orzech

Greeting Friends !

“The value of things is not the time they last, but the intensity with which they occur. That is why there are unforgettable moments and unique people.” Fernando Pessoa

With a sense of some anxiety, it has come time for me to write the ending of this chapter of my life. I have been blessed beyond measure to serve the citizens of Sandusky with some of the finest law enforcement men and women for over 22 years. Former, retired, and current officers having served or still serving with the agency have all impacted my life in a positive way.

In April of 2013, I was selected to be the Chief of Police to lead our department. Since that day, I have worked tirelessly alongside each member of the department, to bring forth a commitment to achieve PPAR (Pride, Professionalism, Accountability, and Respect). There have been many great days, some challenging ones but as I depart as the Chief, I know that each of the officers and I care deeply in honoring the motto, “To Serve and Protect”.

As I try to put words and context to the ending chapter, I don't know how I can express my true feelings of humility and gratitude for each person that I have met along this journey. Many of you have supported the department and I with kind words, prayers, and lasting memories that I will cherish for the rest of my life. You have been a source of inspiration during my most challenging days.

However, “Today is the start of a new adventure, new challenges to face, new memories to make, and new obstacles to overcome.” Nishan Panwar

So.....I will be departing as the Chief of Police at some point in 2020 and have accepted an offer by the City Manager, Eric Wobser, to begin anew within the organization. I will become the Assistant City Manager for the City of Sandusky, transitioning to that role in early 2020. I will remain as Police Chief, until your new Chief is selected and named. A search committee will be formed and begin the process in early 2020. I am looking forward to working with Mr. Wobser, police, fire and city staff in this new role and take on the duties and responsibilities that he assigns to me; new challenges and experiences that come along the way.

I will still be around, if and when you need me, just in a different capacity.

“At the end of life, what really matters is not what we bought but what we built; not what we got but what we shared; not our competence but our character; and not our success, but our significance.” Unknown

Thanks to each of you for your continued support of the Sandusky Police Department...stay safe!

Respectfully,

John Orzech

Chief of Police
