**3. OLD BUSINESS – NEW UPDATES**

**A. EAST WATER STREET CONSTRUCTION** MR. Klein reported that construction was beginning and that there will be lane closures and work will encompass the driving lanes and the bike lanes. Work should be completed by the end of April. Mr. Miller inquired if any railroad tracks will be encountered and Mr. Klein told him that tracks and electrical lines should not be an issue. Mr. Klein also mentioned that the pedestrian walkway from the splashpad will extend down Warren Street to the water.

**4. OLD BUSINESS – No updates since last meeting.**

**G. COLUMBUS AVENUE STREETScape**

Mr. Harrington inquired about the progress of the work and Mr. Klein reported that the bids would go to the Commission at the next meeting.

Mr. Miller commented on the nice article in the Sandusky Register about the Wheels Park and Mr. Klein also reported that bids for that item will be submitted to the Commission at the next meeting.

Arin Blair was asked about the request made by Danielle Murray at our last meeting for a letter of support and she advised that the City Manager's Office issued the letter of support.

Mr. Zuilhof inquired of Mr. Klein about the potential for a beach at Lion's Park. Mr. Klein reported that the issue of a beach at Lion's Park has come up before, but it was not a priority concern due to other ongoing projects and the difficulty in creating a beach due to water and erosion.

Mr. Miller reported that he had walked the break wall at Lion's Park after the recent seiche occurrence and advised that it was wide enough to have two cars on it at the same time. Mr. Miller will share the photos he took of the event.

## 5. COMMUNITY INPUT
