Next Public Art & Culture Commission meeting is November 16, at 5:15pm, at City Hall.

The Chairman called the meeting to order at 5:15PM

Members present: Chairman Brian Stanley, Marsha Carrington, Robin Lloyd, Adam Ramsdell, Jordan Sternberg, Shawn Daley (arrived during brainstorming session)

Ex-Officio Members present: Chief Planner Arin Blair, Michelle Newell (arrived during brainstorming session)

Minutes:

Upon a motion of Adam and a second of Arin, the minutes of the July 20, 2021 meeting were approved. Jordan abstained from the vote since he was not at the July 20th meeting. All other voting members were in favor of the motion.

Current Business:

- **2022 Public Art Work Plan Brainstorming Session at OH Taco**

Arin asked the members to participate in a couple of activities for the brainstorming session.

Activity 1: Brainstorm. In the first activity, members were asked to consider two questions while brainstorming the commission's 2022 work plan in order to align it with the strategic objectives of the city: 1) What public art will ensure Sandusky is vibrant, celebrated, connected, and livable? And 2) How can the arts commission help make it happen? A timer was set and each member wrote as many ideas as possible, one per page of sticky note. Next, each member read all their ideas to the group and Arin placed them on a poster board. Ideas that were the same or very similar were grouped together.

Activity 2: Impact Evaluation. In the second activity, the commission evaluated ideas and placed them on a second board, depending on how much impact those ideas would have and how easy they would be to implement.

*See the attached photos of the activity boards for ideas discussed

Adjournment:

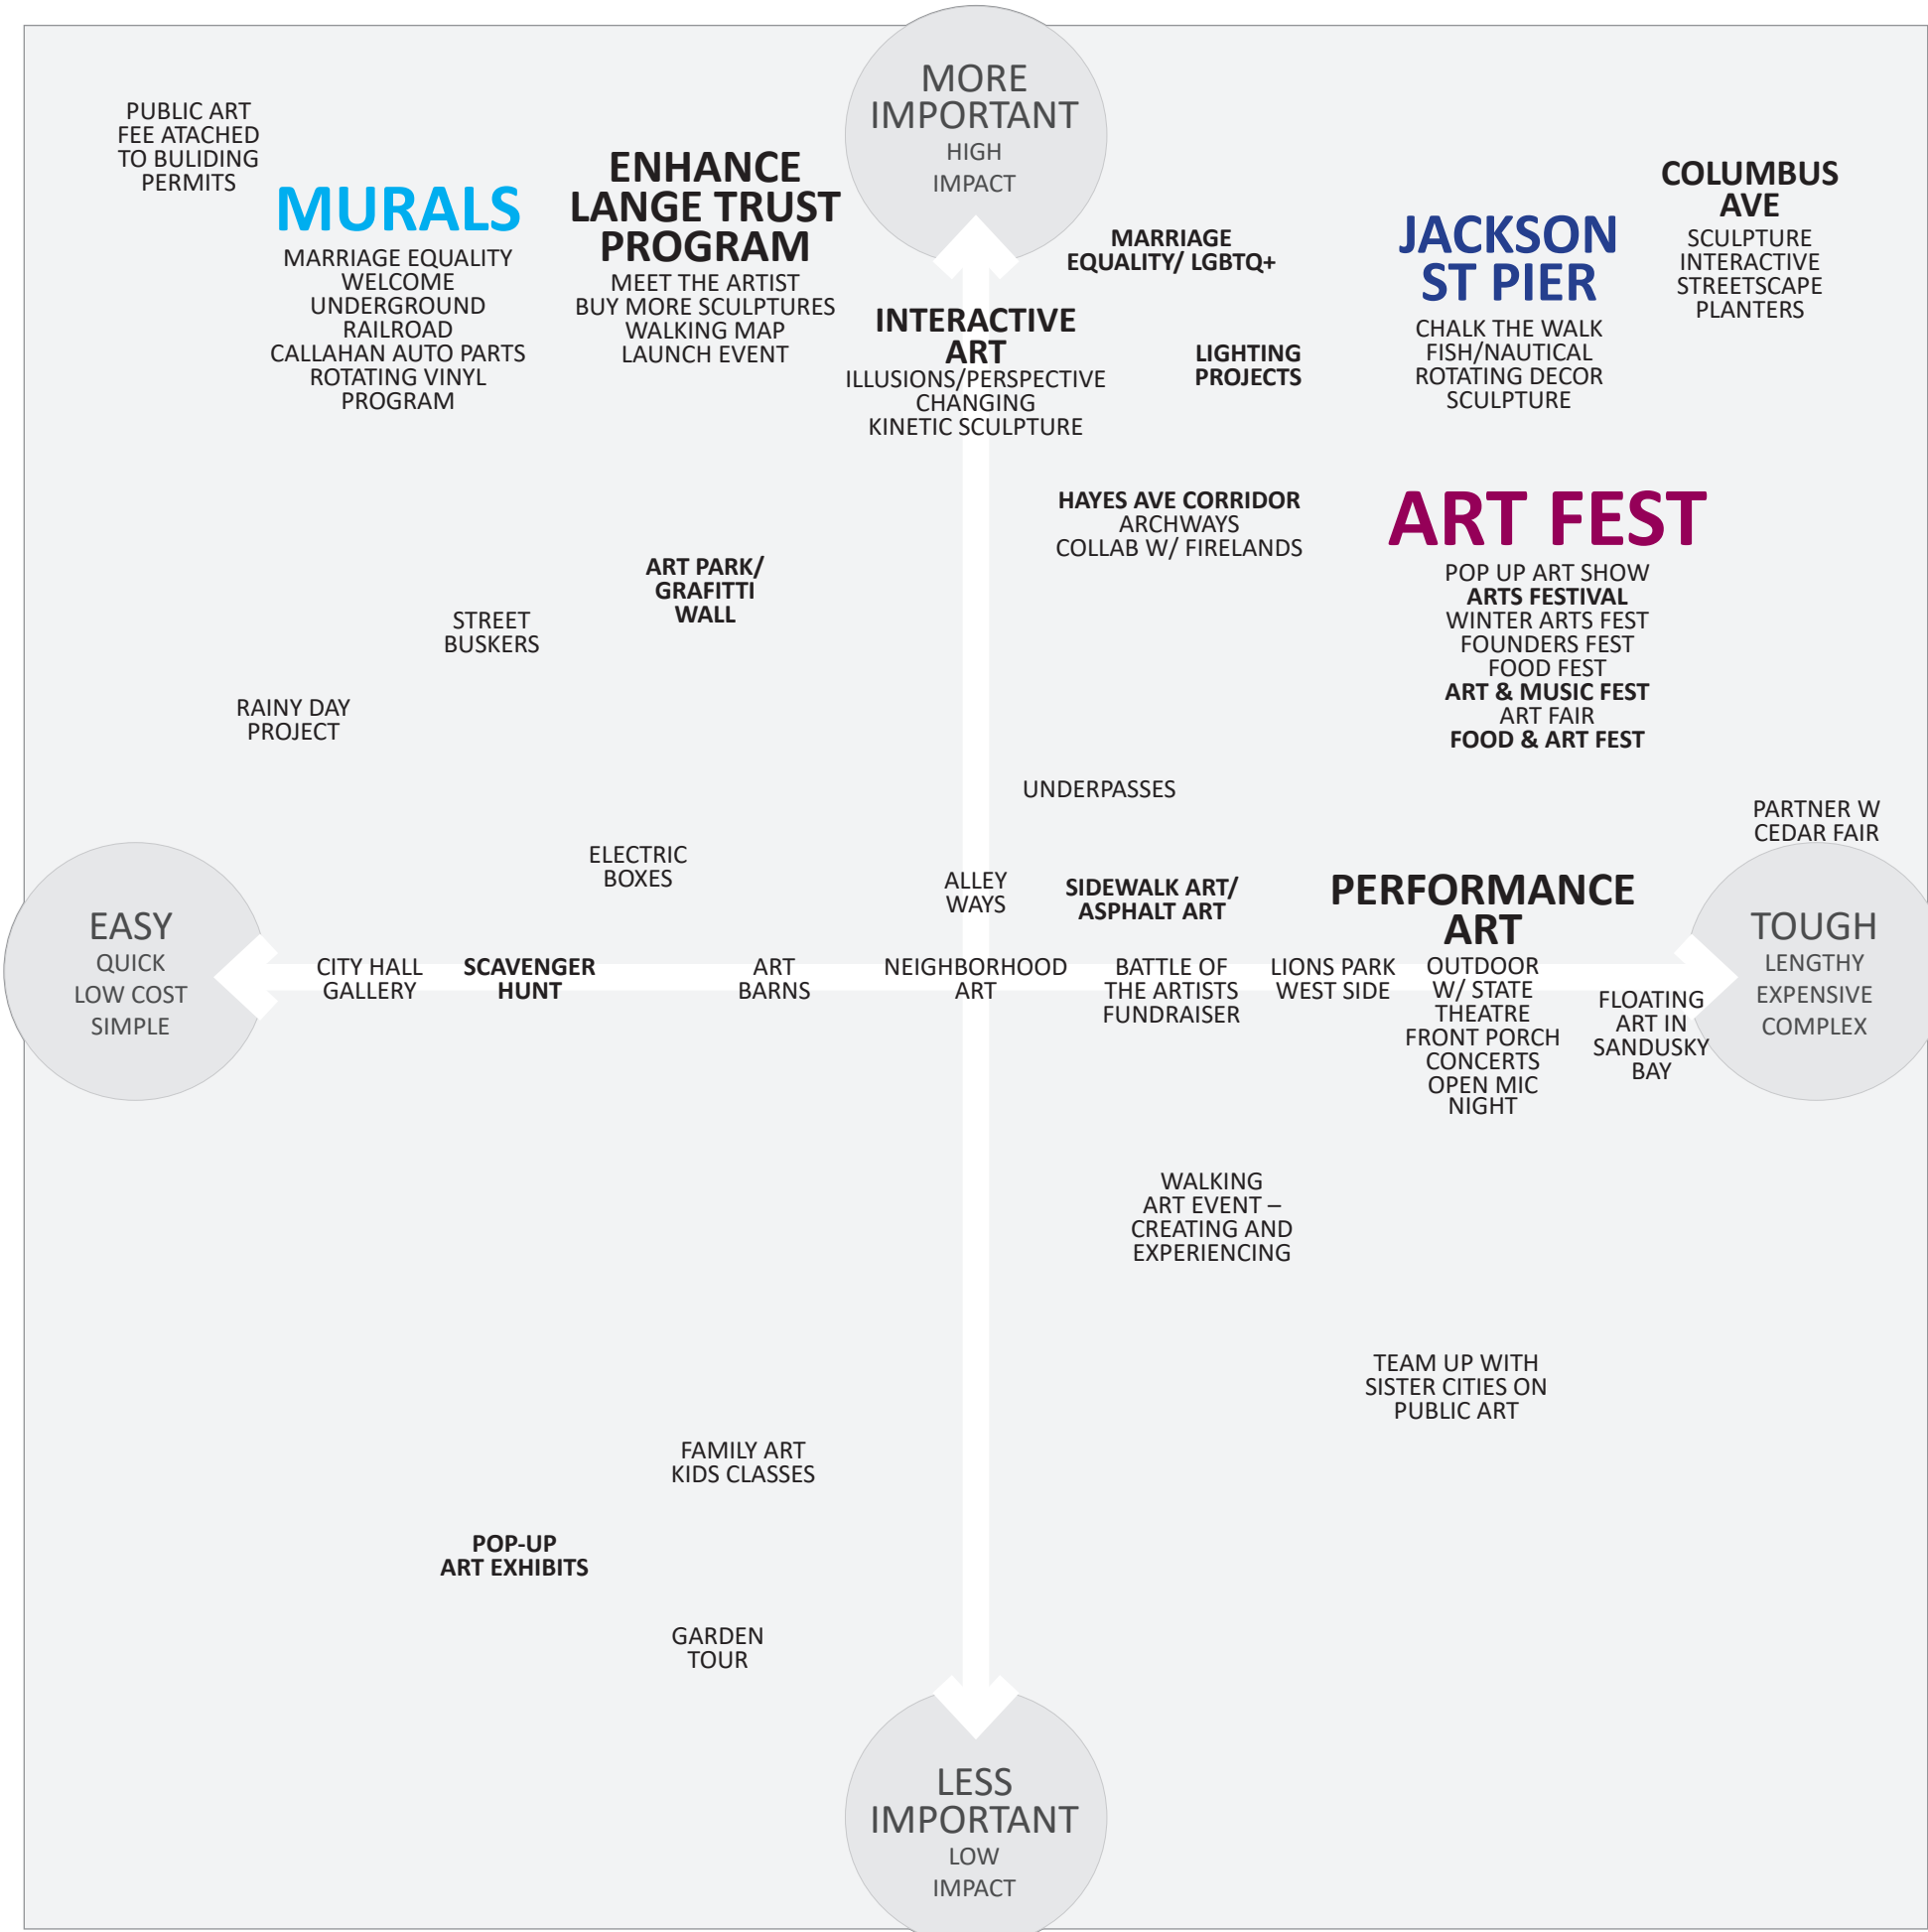

Upon a motion by Brian and a second by Robin, the meeting adjourned at 6:29pm.
