2024 WORK PLAN BRAINSTORM — SANDUSKY WHEELS PARK SURVEY RESULTS FROM OCTOBER 2023 RETREAT

SANDUSKY WHEELS PARK PUBLIC ART IS . . .

Over the Horizon of Lake Erie Five Balancing Sculptures

A little birdie shared some great news this week! I'm happy to report that we have successfully finished our fundraising efforts and commissioned Polish artist Jerzy Kedziosa to create five of his wonderful Balancing Sculptures for Sandusky.

Thank you again for your letters of support, grants and donations for the project! Please mark your calendar for the first week of May when we expect Mr. Kedziosa to be here to install the artwork. We hope that the artist will have time that week to meet with our donors and supporters to celebrate. You will receive an invitation when the date and time are confirmed.

We surveyed the community as to their favorite sculptures and have selected the top five most popular. The Rower at Shoreline Park was the number one favorite. Can you guess which other sculptures will be coming here?

On behalf of our committee members Arin Blair and Sarah Prout, I sincerely thank you for making this project possible. It was a lot of fun and we all look forward to welcoming our five new "residents" to Sandusky's urban parks.

Barb Hanck, Sandusky Education Foundation

Many thanks to our Public Art Exhibit Donors for their generous support!
