**Old Business:**

**Tree Stats July 12- September 20, 2022:**

86 Removed  
25 Stumps Removed  
36 Limb-Up  
24 Complete Trims  
3 Young Tree Training  
61 Inspections  
32 Storm Clean-Up

Forestry completes young tree training and complete trims in the winter. Watering processes was discussed as well as survival of young trees and the process for choosing locations for the previous tree planting project. Several ideas for boosting young tree health are currently under consideration for future tree plantings. Additionally, species of trees located on W. Water Street were discussed because they are both low hanging and messy in a high-traffic pedestrian area.

**New Business:**

No new business was discussed.
