To: Eric Wobser, City Manager
From: Jeffrey Meinert, WWTP Superintendent
Date: May 9, 2017
Subject: **Commission Agenda Item – Wastewater Treatment Plant Centrifuge Emergency Repairs**

ITEM FOR CONSIDERATION: Legislation approving the emergency repair work to the centrifuge at the Wastewater Treatment Plant (WWTP).

BACKGROUND INFORMATION: The centrifuge at the WWTP is used to dewater sludge material, which is subsequently disposed of at the Erie County Landfill. The current centrifuge contains many moving parts, including the rotating assembly that spins very fast separating the liquid from the solids. The machine was placed into operation in 2011, but maintenance is very time consuming because there are so many moving parts. Staff is currently analyzing options to provide redundancy within the treatment process to ensure flexibility during potential catastrophic failure.

Recently, the centrifuge experienced processing issues, causing the equipment to activate a shut down of that process due to excessive vibration, which could result in additional failure to other parts on the centrifuge. This did not allow sludge to be processed and staff had to turn away all outside haulers, including the county. Andritz Separation, the manufacturer of the equipment and only company that can perform the repairs at their shop in Texas, deployed a service technician to determine the extent of damage. The plan is to order parts while continuing operations, then send the equipment to Texas for the necessary repairs. This will minimize downtime of the equipment

BUDGETARY INFORMATION: The cost of \$19,832.60 for the repairs will be paid from the Sewer Fund.

ACTION REQUESTED: It is recommended that legislation be approved for the emergency repair work for the centrifuge at the Wastewater Treatment Plant (WWTP) under suspension of the rules and in accordance with Section 14 of the City Charter to ensure timely repairs that will minimize down time; also because there is no redundancy for this equipment and the City could endure significant problems if the equipment fails.

I concur with this recommendation:

Subject: Commission Agenda Item – Permission to bid the Venice Road 30” Sanitary Sewer Cleaning Project

ITEM FOR CONSIDERATION: Requesting legislation authorizing the City to accept bids for the Venice Road 30” Sanitary Sewer Cleaning Project.

BACKGROUND INFORMATION: The existing 30” sanitary sewer is located along the south side of Venice Road at the Thorpe Drive intersection extending east to Edgewater Drive. As part of the Bay View Project, Erie County cleaned approximately 500 linear feet of the existing 30” sanitary sewer from Thorpe Drive to the manhole in front of #4304 Venice Road to allow video inspection to determine the location of sanitary service laterals along Venice Road before this section of pipe was slip lined under their contract. This project will clean the remainder of that sewer approximately 3,100 feet to gain full capacity in the existing 30” sanitary sewer. This project isn’t being completed by the City’s sewer maintenance department due to the fact that contractors have larger equipment that will allow them to more efficiently clean this size sewer and the volume of debris that needs to be removed.

BUDGETARY INFORMATION: The estimated cost of the project, including engineering, inspection, advertising, and miscellaneous costs is \$30,000.00 and will be paid Sewer Funds from the O&M budget.

ACTION REQUESTED: It is recommended that the proposed Venice Road 30” Sanitary Sewer Cleaning Project be approved and that the necessary legislation be passed under suspension of the rules and in accordance with Section 14 of the City Charter in order to bid the project, receive competitive prices and complete the project prior to October when wet weather issues may prove to be cumbersome to the contractor.

Subject: Commission Agenda Item – Grant Agreements between City of Sandusky and Bait House Brewery, LLC.

Items for Consideration: Legislation approving Grant Agreements to be entered into between the City of Sandusky (“the City”) and Bait House Brewery, LLC (“Bait House”), an Ohio Limited Liability Company, for the purposes of furthering economic development efforts in the City.

Background Information: Dan McGookey, owner of Bait House Brewery, LLC, has practiced law in the City of Sandusky for thirty seven years and out of his current location at 225 Meigs Street for almost nine years. Mr. McGookey has developed the property that houses his law firm and the adjoining properties, branding the corner “Picket Village”.

Mr. McGookey purchased 223 Meigs Street, which at the time housed dilapidated apartments. Mr. McGookey is in the process of converting the property into a small brewery tap room with a “shack by the sea” aesthetic. Work has already begun on this endeavor and the brewery is expected to open in 2017. The project includes complete renovation of the interior, including an upstairs “laboratory” and a comprehensive façade overhaul, complete with signage and also including a new copper-colored metal roof, a wrap-around covered deck, and landscaping. According to the applicant, this project will result in approximately three (3) new jobs in the City of Sandusky.

Total project costs are estimated at over \$260,000. I recommend that the City Commission approve two (2) grants for a total of \$31,852.50 to assist with the façade / signage renovations and interior buildout / equipment costs. Grant amounts are as follows:

- Façade / Signage Grant:
 - Complete Renovation = \$16,852.50
- Small Business Assistance grant:
 - Buildout / Equipment = \$15,000.00
- Total = \$31,852.50

The above grants are conditioned upon the applicant complying with all Planning and Zoning codes and other applicable codes and regulations of the City and displaying signage noting the City of Sandusky's support. The project is expected to be complete by December 31, 2017. This application and grant amount were approved at the May 9, 2017 Economic Development Incentive Committee meeting, in accordance with the Sandusky City Economic Development Programs.

Budgetary Information: The City will be responsible for providing a total of \$31,852.50 in grant proceeds from the Economic Development Capital Projects Fund on a reimbursable basis at the completion of the project.

Action Requested: It is requested that the proper legislation be prepared to allow the City to enter into Grant Agreements with Bait House. It is further requested that this legislation be passed in accordance with Section 14 of the City Charter in order to immediately execute the grant agreement to allow Bait House to move forward with budgetary planning and facilitate rehabilitation.

The renovation will transform 142 Columbus Avenue into a space usable to house a modern Mexican restaurant, including buildout of the first floor, equipment installation, new signage, and the purchase of furniture and fixtures. According to the applicant, this project will result in at least four (4) new full-time equivalent jobs in the City of Sandusky.

Total project costs are estimated at almost \$300,000 (excluding acquisition). I recommend that the City Commission approve two (2) grants for a total of \$21,993.75 to assist with the new signage and the interior buildout / equipment costs. Grant amounts are as follows:

- Signage Grant:
 - Window Sign and Blade Sign = \$6,993.75
- Small Business Assistance grant:
 - Buildout / Equipment = \$15,000.00
- Total = \$21,993.75

The above grants are conditioned upon the applicant complying with all Planning and Zoning codes and other applicable codes and regulations of the City and displaying signage noting the City of Sandusky's support. The project is expected to be complete by December 31, 2017. This application and grant amount were approved at the April 11, 2017 Economic Development Incentive Committee meeting, in accordance with the Sandusky City Economic Development Programs.

Budgetary Information: The City will be responsible for providing \$21,993.75 in grant proceeds from the Economic Development Capital Projects Fund on a reimbursable basis at the completion of the project.

Subject: Commission Agenda Item – Community Reinvestment Area (CRA) Tax Abatement Agreement.

Items for Consideration: Legislation approving a Community Reinvestment Area Tax Abatement Agreement between the City of Sandusky and Zeller Gaming Enterprises, LLC, an Ohio limited liability company, for the purposes of furthering economic development efforts within the City.

Background Information: Gregg Winnestaffer and Gabriel Zeller, owners of Zeller Gaming Enterprises, LLC, both have restaurant experience. In July of 2016, Zeller purchased 142 Columbus Avenue, which was vacant at the time, with the intent to completely renovate the property into a commercial restaurant.

The renovation will transform 142 Columbus Avenue into a space usable to house a modern Mexican restaurant, including buildout of the first floor, equipment installation, new signage, and the purchase of furniture and fixtures. According to the applicant, this project will result in at least four (4) new full-time equivalent jobs in the City of Sandusky.

The requested real estate tax abatement is on the increase in value for the building/project for a period of five (5) years with a 75% abatement. This abatement ultimately will be for the appraised value of the physical improvements to the building currently estimated at \$225,000.

The Board of Education of the Sandusky City Schools approved the proposed tax exemption by formal resolution at its May 8, 2017 Board meeting.

Budgetary Information: The project will have an ongoing positive impact on the general fund, as 25% of the increase in value will be subject to real estate taxes during the abatement period. The project will also help sustain construction jobs in the local economy and will create an estimated four (4) full-time equivalent employment positions that will be subject to City income tax.

Action Requested: It is requested that the proper legislation be prepared to allow the City to enter into an Community Reinvestment Area Agreement with Zeller Gaming Enterprises, LLC. It is further requested that this legislation be passed in accordance with Section 14 of the City Charter to expedite passage in order for the project to commence construction so as to be completed by the end of 2017.

Furniture, fixtures and inventory at the Project will be paid for by the lessee and will amount to approximately \$5,000. Due to the uncertainty inherent in the renovation of an old building the City of Sandusky elects not to further define the financial parameters of the Project.

No abatement shall be granted for the appraised value of the existing building nor is any abatement granted for the value of machinery, equipment, furniture and fixtures or inventory whether currently owned or hereinafter acquired.

The Project shall begin on or before May 2017 with all acquisition, construction and installation completed by December 31, 2017, or such later date as may be extended by the City in writing.

<u>Hired By Date</u>	<u>New Full-Time Equivalent Positions</u>
12/31/17	4

The above full-time equivalent job positions must be sustained throughout the duration of this Agreement. The increase in the number of employees will result in approximately \$100,000 of new annual payrolls at the Project.

The Property Owner will employ an average of eight (8) full-time equivalent construction workers at the Project Site during the 2017 construction period. Total construction payroll is estimated at \$160,000.

There are currently –0- employees and –0- existing payroll at the Project.

Section 3: Construction work involved in the project must involve a good faith effort by the Property Owner to hire local (Erie County) construction workers at an equitable wage. The Property Owner is also encouraged to utilize local vendors and suppliers when feasible.

Section 4: Property Owner shall provide to the proper Tax Incentive Review Council any information reasonably required by the Council to evaluate the Property Owner's compliance with the Agreement, including returns filed pursuant to section 5711.02 of the Ohio Revised Code, or any other records that may be reasonably requested by the Council or its designated representative(s).

Section 5: Subject to compliance by the Property Owner in all material respects with its obligations under this Agreement the City hereby grants to Property Owner a tax exemption for eligible real property improvements made to the Project pursuant Section 3735.67 of the Ohio Revised Code for the increased appraised valuation of property improved as a result of construction and completion of the Project as follows:

<u>Year of Tax Exemption</u>	<u>Percentage of Appraised Valuation of Real Property Improvements Exempted</u>
1	75%
2	75%
3	75%
4	75%
5	75%

The exemption commences the first year for which the real property would first be taxable were that property not exempted from taxation. Each identified project improvement will receive a five (5) year exemption period.

No real property tax exemption for the Project shall commence before January 1, 2018 nor extend beyond December 31, 2023.

Section 6: It is the responsibility of the Property Owner to file, any form(s), including but not limited to, tax form DTE 24 (if required) with the Erie County Auditor to effect and maintain the tax exemption granted under this agreement.

Section 7: Property Owner hereby agrees to pay the City of Sandusky an annual monitoring fee of \$200.

The fee shall be payable to the City, once per year for each year this agreement is effective and is payable as follows: The fee is to be paid in cash or by check to the City of Sandusky by April 15 following each year the Agreement is in effect or at such later date as may be approved in writing by the City of Sandusky. The fee is to be paid to the Director of Finance in a check made payable to the City of Sandusky.

This fee shall be deposited in a special fund created for such purpose and shall be used exclusively for the purpose of complying with Section 3735.671(D) of the Revised Code and by the Tax Incentive Review Council created under Section 5709.85 of the Revised Code

exclusively for the purposes of performing the duties prescribed under that section.

Section 8: Property Owner shall pay such real and tangible personal property taxes as are not exempted under this agreement and are charged against such property and shall file all tax reports and returns as required by law. If Property Owner fails to pay such taxes or file such returns, all incentives granted under this agreement are rescinded beginning with the year for which such unpaid taxes are charged or such reports or returns are required to be filed and thereafter.

Section 9: The City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain exemptions from taxation granted under this agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 10: If for any reason the Community Reinvestment Area designation expires, the Director of the Ohio Development Services Agency revokes certification of the zone, or the City Commission revokes the designation of the zone, entitlement granted under this agreement shall continue for the number of years specified under this agreement, unless Property Owner materially fails to fulfill its obligations under this agreement.

Section 11: If Property Owner materially fails to fulfill its obligations under this agreement or if the City determines that the certification as to delinquent taxes required by this agreement is fraudulent the City may terminate or modify the exemptions from taxation granted under this agreement.

Section 12: Property Owner hereby certifies that, at the time this agreement is executed, it does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State of Ohio, and does not owe delinquent taxes for which it is liable under Chapters 5733, 5735, 5739, 5741, 5743, 5747, or 5753 of the Revised Code, or, if such delinquent taxes are owed, that Property Owner is currently paying the delinquent taxes pursuant to an undertaking enforceable by the State of Ohio or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or such petition has been filed against Property Owner. For the purpose of the certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Revised Code governing payment of those taxes.
