WHEREAS, the proposed Shoreline Park Erosion Control and Paper District Marina Walkway Rehabilitation Project consists of shaping the subgrade stone material at Shoreline Park and capping with a durable concrete surface allowing greater access to the benches and fishing areas with an ADA accessible walkway onto the concrete perimeter and similar concrete repair work at the “innermost” section of the south walkway at the Paper District Marina to tie-in the existing sections to a new section with steel “J-hook” bars to effectively make the entire concrete walkway one integral slab of concrete; and

WHEREAS, the total estimated cost for this project, including engineering, inspection, advertising, construction, and miscellaneous costs, is \$114,991.25 and will be paid with Capital Park and Recreation Funds; and

WHEREAS, this Resolution should be passed as an emergency measure under suspension of the rules in accordance with Section 14 of the City Charter in order to bid the project quickly, receive competitive prices and award a contract so the project can be completed as soon as possible to prevent further erosion and also allow the concrete ample time to cure before exposure to freezing temperatures and ice; and

WHEREAS, in that it is deemed necessary in order to provide for the immediate preservation of the public peace, property, health, and safety of the City of Sandusky, Ohio, and its citizens, and to provide for the efficient daily operation of the Municipal Departments, including the Department of Public Works, of the City of Sandusky, Ohio, the City Commission of the City of Sandusky, Ohio, finds that an emergency exists regarding the aforesaid, and that it is advisable that this **Resolution** be declared an emergency measure which will take immediate effect in accordance with Section 14 of the City Charter upon its adoption; and NOW, THEREFORE
