

City Manager's Report

City Commission meeting: Monday, July 25, 2022

DONATIONS

- A \$100 donation was received from the Sandusky Memorial Day Association for the Sandusky Police Department in appreciation of their participation in the annual Memorial Day parade.

NEW & OLD BUSINESS

FIRE

- Last week Sandusky Police Department and Sandusky Fire Department coordinated with Sandusky City Schools for three days to train all city officers and firefighters how to respond to an active shooter event. The training consisted of five scenarios which mimicked real world events. This training was a great opportunity to work together, prepare and fine tune procedures for responding to these tragic events that unfortunately have become all too commonplace in today's society. A big thank you goes out to officers Lillo, Allen and Desalle for coordinating this training.

PUBLIC WORKS

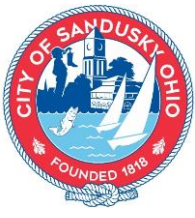

- E. Water Parking Lot Update – Currently being re-bid with a revised completion date in hopes of attracting contractors. Staff understands that the previous completion date set forth was unattainable by contractors.
- The emergency generator at the wastewater treatment plant has been re-installed and will likely be back online within the next two weeks. Thank you to Mosser and their team for their hard work to move as quickly as possible.

PLANNING DEPARTMENT

- Planning staff and the design consultant team are seeking public feedback on the Columbus Avenue Streetscape Design project. They will have draft concepts and components of the streetscape design on display at two locations this week for your review and feedback. You can find them at the Jackson Street Pier before the Rumours concert this Thursday, July 28th from 6pm until the band starts, and in front of City Hall during the Farmer's Market this Saturday, July 30th from 9am – 10:30am. An online survey will also be available and shared on the city's website and facebook page.

RECREATION

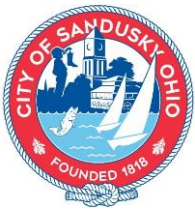

- The 8th Annual Touch-A-Truck National Night Out Event is scheduled for Tuesday, August 2 from 4-7 p.m. at the Paper District Marina. The event will feature over 50 agencies/groups including area law enforcement, fire departments, municipal vehicles, local organizations and private companies for a family-friendly event. This year's event will end with a showing of the movie Cars 2 at 7 p.m. at the Jackson Street Pier, sponsored by the Wightman-Wieber Celebration Safety Fair & Kids Fun Festival Committee.

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- Yesterday, the citizens of Sandusky, Erie and Sandusky counties welcomed over 2,000 athletes and their families to the Shores & Islands Ohio region. The city's neighborhoods were lined with thousands of people, including local volunteers, and businesses were busy showcasing what Sandusky has to offer. The Sandusky Recreation Department would like to thank the IRONMAN Triathlon planning team, Shores & Islands and all of the individuals and agencies who supported the event. A special thank you to the city commission for their approval of bringing the event to Sandusky. The date for next year's event is Sunday, July 23, 2023 and registration is now open.

City Manager's Report
City Commission meeting: Monday, July 25, 2022

PUBLIC WORKS

DONATIONS

NEW BUSINESS

- We are pleased to welcome Ronald Shine as a Maintenance II in Water Distribution and Gerry Fantozzi as a Maintenance II in Sewer Maintenance.

OLD BUSINESS

- E. Water Parking Lot Update – Currently being re-bid with a revised completion date in hopes of attracting contractors. Staff understands that the previous completion date set forth was unattainable by contractors.
- The emergency generator at the wastewater treatment plant has been re-installed and will likely be back online within the next two weeks. Thank you to Mosser and their team for their hard work to move as quickly as possible.

COMPLETED PROJECTS

- 2022 Sewer lining project wrapped up last week and a final Change Order legislation is forthcoming.

CONSTRUCTION PROJECTS

- Columbus Lift Station Improvements
 - Contractor: All Phase
 - Contract Amount: \$312,895.00
 - Construction Completion: December 16, 2022, due to long lead times on delivery of generator (39 weeks).
 - Project to replace existing generator including electrical SCADA and VFD upgrades. Project will involve running city owned fiber from the Sandusky Amtrak/Transit building at North Depot Street to the station.
 - Ohio Edison has set a new pole & transformers for proposed electrical upgrades
 - **Revised delivery date of generator is January of 2023**

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- **Emergency Generator at WWTP**
 - Contractor: Mosser Construction
 - Contract Amount: \$485,000
 - Construction Completion: Fall 2022
 - The existing 750 KW generator that operates the ultraviolet disinfection system, two effluent pumps, a 120-volt control panel, and a process gate the wastewater treatment plant failed on September 1, 2021. This project consists of rebuilding the failed engine along with disconnecting, hauling, reconnecting, testing, and potential temporary rental are all included in this project.

- **Interceptor (sewer) Cleaning Project**
 - Contractor: C & K Industrial Cleaning
 - Contract Amount: \$594,930.85
 - This project includes video recording, water-jet cleaning and includes debris removal of over 3 miles of sewer "Interceptor" line that feeds the Wastewater Treatment Plant. The last time this work was done was 2011, and 620 tons of debris and sediment was removed.
 - The recent years of high lake and bay levels have constricted flow out of this piped system, resulting in heavier solids settling out within these pipes.
 - **Project is 90% complete. Cost underrun due to less debris removal than anticipated.**

- **Justice Center**
 - **Contractor: TBD**
 - **Contract Amount: TBD (Engineer's Estimate: \$13,257,301)**
 - **Construction Completion Date: TBD**
 - **Inspection Consultant: Richard L. Bowen & Associates, LLC**
 - **Inspection Contract Amount: \$547,072**
 - **Reconstruction of the 222 Meigs Street facility into the Justice Center to house Sandusky Police Department and Sandusky Municipal Court**
 - **Furniture Supplier: oSupplies**
 - **Furniture Contract Amount: TBD**
 - **City will be working with OSupplies to supply furniture for the facility where existing furniture cannot be reused.**

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- 2022 Local Street Resurfacing
 - Contractor: Precision Paving
 - Contract Amount: \$1,794,328.35
 - Construction Completion: September 5, 2022
 - The project will include over 7 miles of local streets and approximately 78 blocks throughout most neighborhoods.
 - **Project is 95% complete.**

- Meigs Street Reconstruction
 - Contractor: Underground Utilities Inc.
 - Contract Amount: \$1,808,344.80
 - Construction Completion: October 28, 2022
 - Inspection Services: K.E. McCartney
 - Inspection Contract Amount: \$180,587.00
 - This project includes a multi-use path, roadway reconstruction from East Water Street to East Washington Street and roadway resurfacing from East Washington to Sycamore Line. A waterline segment and sewer separation were added between Washington and Water Streets.
 - Work begins on the Waterline, located on the West side of Meigs between Washington and Water Streets on 6/8.
 - Hard bedrock in this area is making the excavation challenging and slower than anticipated.
 - **Water main and services completed, new sanitary sewer line being installed and connected.**

- Pelee Islander Stop Piles Project
 - Contractor: Toledo Caisson Corp
 - Contract Amount: \$163,000
 - Completion Date: August 30, 2022
 - Installation of two stop piles and a rubber bumper (provided by ferry operator) in the slip on the west side of the Jackson Street Pier to accommodate the Pelee Islander. This is needed for safety when loading and unloading vehicles.

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- Perkins Avenue Waterline replacement and Roadway Improvement Project
 - Contractor: TBD
 - Contract Amount: TBD, Engineers Est. \$3,100,000
 - Inspection: In-House
 - Contract Amount: TBD
 - Construction Completion
 - Construction anticipated to begin September 2022
 - Project planned to replace bad 6" water main with 8", resurface the North half of roadway from the old YMCA to 52nd. Replacing bad sidewalks and curbs along this segment also.
 - **Out to bid 7-19-2022.**

- Service Center Roof, Gutters, Downspouts, Façade, & Masonry
 - Contractor: Garland Inc.
 - Contract Amount: \$530,000
 - Completion Date: Summer of 2022
 - Sealing and coating of roof at service center, install gutters and downspouts, upgrade roof hatch and safety rails.
 - Roof work begins in July.
 - Gutters, downspouts, safety rails and roof hatch are complete.
 - **Roof sealing beginning next week.**

- 2022 Shoreline Park and Marina Walkway Project
 - Contractor: Smith Paving and Excavating, Inc.
 - Contract Amount: \$115,037.00
 - Completion Date: November 19, 2022
 - This project will add walkway and erosion protection behind the sheet pile wall on the East side of Shoreline Park's West "finger". Said walkway will connect the end of the pier to the existing walkway bridges spanning the openings. This project will also repair and reinforce the South Walkway at the Paper District Marina.
 - Work slated to begin 8-1-22.

- 2022 Sewer Slip Lining Project
 - Contractor: United Survey Inc.
 - Contract Amount: \$316,615
 - Completion Date: July 8, 2022
 - This will be the third consecutive year for multi-street sewer lining, again addressing recurring problem areas for the sewer maintenance staff. Most notably, areas with historic backups, root cutting work required, and general infiltration will be selected.
 - All cleaning and video inspection is complete for the planned street segments.
 - **Field work is complete. Legislation is forthcoming.**

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- **2022 Sidewalk Project**
 - **Contractor: Kreimes Company**
 - **Construction Cost: \$121,116.33**
 - **Completion Date: 10-20-22**
 - This will resume the recent residential and City sidewalk program where there is a backlog of safety-priority areas. Locations are being finalized.

- **West Side Utility and Connectivity**
 - Contractor: Speer Bros., Inc.
 - Contract Amount: \$4,407,163.00
 - Inspection Services: K.E. McCartney
 - Inspection Contract Amount: \$484,751.00
 - **Contractor has one punch list item on sewer conduit to complete**

- **Emergency Purchase & Installation of new VFD for 8 MGD High Service Pump #5 at BIWW**
 - Contractors: Rexel and Fresch Electric
 - Contract amount: \$75,903.00
 - Completion date: **Summer 2022**
 - Emergency legislation has been prepared for purchase of VFD for High Service Pump #5 which has failed-power outage occurred at BIWW plant on Friday, December 17th and the VFW is not operable.
 - **VFD was delivered and installed in June, contractor is working on programing and integration between the new VFD and pump.**

- **2022 VFD Project at BIWW**
 - Contractor: All Phase
 - Contract amount: \$271,920.00
 - **Completion date: March 24, 2023**
 - Replacement of five existing VFDs

- **2022 Water Slip Lining Project**
 - **Contractor: TBD**
 - **Engineer's Estimate: \$370,000**
 - **Bid Date: Bids due July 25th**
 - Completion date: 2023
 - Project Description: proposed slip lining 12" DIP waterline on the east side of Tiffin Avenue north of Venice Road intersection to just south of Broadway Street.

City Manager's Report City Commission meeting: Monday, July 25, 2022

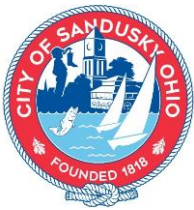

- 2022 CDBG Street Rehabilitation
 - Contractor: **Precision Paving Inc.**
 - Contract Amount: TBD (EST. \$190,000)
 - Completion Date: November 19, 2022
 - This project will resurface eleven blocks totaling over three quarters of a mile (10 segments) of roadway throughout the CDBG-eligible areas within the City. Cannot be awarded until July 1, due to the State Fiscal Year (SFY) calendar.

- 2022 CDBG Parking Lot Paving
 - Contractor: TBD
 - Contract Amount: TBD (EST. **\$105,939.43**)
 - Completion Date: **June 1, 2023**
 - This project will resurface Daly's parking lot and add landscaped islands. Overall project potential to add 6 parking spaces.
 - **Out for re-bid on 7/19/22.**

DESIGN PROJECTS

- Cleveland Road Safety Project
 - Consultant: American Structurepoint
 - Feasibility Study & Preliminary Design: \$263,615.00
 - Detail Design, Environmental & Right of Way: \$914,871.00 (Acquisition fees are not included in this cost but are included as part of the funding from ODOT)
 - Design Completion: November 2023
 - Construction proposed for CY 2024
 - ODOT Safety funding will pay for 95% of project. Includes traffic signal and striping upgrades, sidewalks, turn-lane extensions and intersection improvements between Remington Avenue and Sycamore Line.
 - Staff has been reaching out to stakeholders to discuss this project

- East Perkins Avenue Improvement Project (Milan Rd to Remington Ave)
 - Consultant: Bramhall Engineering & Surveying Company
 - Contract Amount: TBD (staff will be working with the consultant to determine contract scope and amount)
 - Design Completion: August 5, 2024
 - Total Project estimate: \$561,275
 - LPA Project PID 113959 ERI-CR-0005 02.85 E. Perkins
 - This project involves installing sidewalk on the north side of Perkins from Milan Road to Remington Avenue. Perkins Avenue will be resurfaced from the end of ODOT's
 - Construction anticipated in spring of 2025

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- East Water Street Reconstruction
 - Consultant: EDG
 - Contract Amount: \$85,856.00 (Amendment #1 to Sandusky Bay Pathway)
 - Design Completion Date: April 2023
 - This project includes extension of the Sandusky Bay Pathway between Franklin and Meigs Streets, as well as new curbs, bump outs, drainage, and roadway reconstruction. Construction is expected in July of 2023.

- Hayes Avenue Corridor Safety Project
 - Consultant: Carpenter Marty
 - Contract Amount: \$306,833.27
 - This project includes signal and intersection upgrades between Perkins Ave. and Columbus Ave. Project also includes select curb ramp replacements, pedestrian signals and possible restriping at specific locations. All work will be based on traffic analysis as approved by ODOT. Carpenter Marty is reviewing signal warrants at Hayes & Osborne intersection.
 - Construction is estimated to begin April 2023

- The Landing – Final Design & Permitting
 - Consultant: Environmental Design Group
 - Contract Amount: \$2,057,845.73
 - Completion Date: December 2021
 - This project includes development of final design documents including permitting, acquisition and all other aspects required to prepare construction documents as detailed in the Landing Park conceptual plan approved by City Commission in December 2017. This includes the Sandusky Bay Pathway from the East Corporation Limit through Sports Force Park to Cedar Point Drive. The project will provide direct access to the East Sandusky Bay (the Back Bay) and the easternmost terminus of the Pathway within city limits. Funding for the design of the project is made possible with Tax Incentive Financing on nearby parcels.
 - As part of the land acquisition process for the Sandusky Bay Pathway located within the project limits, appraisal letters have been delivered to the affected property owners. Appraisals are being finalized and acquisition negotiations are ongoing.

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- Meadowwood Subdivision Sidewalk Project
 - Consultant: In-house design
 - Contract Amount: TBD
 - Design Completion: TBD
 - Total Project estimate: \$193,253
 - LPA Project PID-117271
 - This project involves installing sidewalk in areas of the Meadow Subdivision that currently don't have sidewalk. Various locations along East Oldgate Rd, Heritage Dr, Fallen Timber Dr and Foxborough Circle
 - Construction anticipated in spring of 2024

- Mills Street High-Rate Treatment
 - Consultant: Stantec
 - Total Design & Evaluation Cost: \$2,031,311.84
 - Design Completion: **October 2022**
 - Construction anticipated for **January 2023** – October 2024
 - Total construction cost anticipated to be around **\$30M**.
 - As the final project included in the City's NPDES permit as part of the 2015 negotiations with Ohio EPA, the City will be designing and installing a 16 MGD high-rate treatment (HRT) system with a goal of dramatically reducing overflows that result during large rain events when the capacity of the wastewater treatment plant cannot handle the flow. The project will include diversion of wastewater from the west side interceptor, expansion of the existing bar screen process, HRT equipment evaluation, possible replacement and expansion of the ultraviolet disinfection system, and possible relocation of ballfields from Sprau to Amvets Parks. Staff has worked with the local youth baseball league to relocate the ball field to a desired alignment and size on the former Amvets site.

- Monroe Street Reconstruction (Decatur Street to Meigs)
 - Consultant (Survey only): Bramhall Engineering, Avon, Ohio
 - Design Consultant: In-house design
 - Construction estimate: \$949,283.47, total project cost \$1,044,212.1
 - LPA Project PID 110322 ERI-CR-0504-00.49 (Monroe St)
 - This project involves ADA compliant curb ramps, pavement repair, base repair and resurfacing from Decatur Street to Meigs Street along Monroe Street.
 - Construction anticipated in spring of 2023

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- Monroe Street (West) Improvement Project (Camp Street to Broadway Street)
 - Consultants: Mott MacDonald
 - Contract Amount: 150,500
 - Design Completion: October 1, 2024
 - LPA Project PID 113957; ERI-CR-0500-01.37
 - Total Project Est: \$837,844
 - This project addresses roadway and drainage from Camp Street to Broadway Street. Project has already received ODOT funding for FY 2025. Specifically entails roadway resurfacing, installation of a new storm sewer line and limited sidewalk and curb repairs.
 - Alignment selected for general routing of new storm sewer. Storm sewer to be sized to accommodate future connections to neighborhoods with a history of flooding near Fulton and Decatur.

- Sandusky Bay Pathway Acquisition and Partial Design
 - Consultant: Environmental Design Group
 - Contract amount: \$2,092,513.00
 - Completion date: Spring 2023
 - A Conceptual Master Plan adopted in June 2018 detailed a multi-use coastal trail that stretches along the waterfront from the east corporation limit to the west corporation limit.
 - This project includes acquisition of needed properties, encroachments and easements along First Street, Pier Track, Water Street and anything needed between King Street and Venice Road.
 - Final design of the sections from Cedar Point Drive to Meigs Street and from King Street to Venice Road is included.
 - Wayfinding and branding of the Sandusky Bay Pathway has been finalized.
 - The railroad agreement has been approved and the crossings at Monroe and Edgewater are being designed.

- Warren Street Reconstruction
 - Consultant: LJB, Inc. & Redbarn
 - Contract Amount: \$302,122
 - Design Completion Date: June 2022
 - This project includes reconstruction of Warren between Water and Monroe Streets, except for the new portion between Market and Washington. Includes new pavement, curbs, drainage system, sidewalk and multi-use path.
 - Design should be finalized by early July 2022, in time for bidding and award of the OPWC grant agreement. Construction estimated to begin September 2022.
 - **Held internal plan review, designer is making revisions.**

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- Water Model Update
 - Consultant: Stantec
 - Design Contract Amount: \$180,031.00
 - Completion date: August 5, 2022
 - Our last citywide model was completed in 2006. The new model will reflect system improvements since the last model was completed. Said model is a helpful tool in predicting flows, pressures at virtually any given point within the distribution system. Ultimately this data is of value to Contractors, Builders, and Developers and can be a tool to guide future capital design projects where there may be deficiencies within the system.

ADDITIONAL INFORMATION

Vacancies and budgeted positions:

- BIWW
- Building Maintenance
- Cemetery
- Engineering
- Forestry (1)
- Greenhouse
- Grounds Maintenance
- Public Works
- Sewer Maintenance (2)
- Streets & Traffic
- Water Distribution (1)
- WWTP

Congratulations to the following new hires and staff for receiving promotions:

- Ronald Shine, Maintenance II, Water Distribution
- Gerry Fantozzi, Maintenance II, Sewer Maintenance

STATUS OF GRANT AND LOAN APPLICATIONS

- Staff submitted 2 applications for MPO (ODOT Surface Transportation Project (STP)) funds. Two projects are on West Monroe (from Camp to Decatur and Broadway to Venice Rd. via Edgewater) If awarded, project(s) would take place in SFY 2026/27.
- RAISE Applications:
 - The portion of the Sandusky Bay Pathway between Cedar Point Drive and Hemminger Ditch will be included in a federal RAISE grant application that will be submitted by ODOT as part of a SR-6 corridor improvement project between Rye Beach Road and Cedar Point Drive.
 - A second federal RAISE grant application was submitted for the Sandusky Bay Pathway between Cedar Point Drive and the western terminus at Venice Road. It was a similar application to the one that was submitted in 2021 that did not receive funding. During the debriefing, the US DOT representative recommended resubmitting the same application with a few suggested alterations. He also mentioned that sometimes it takes several submittals to get the application precise for funding reviews.
 - It is anticipated that awards will be released in November 2022.

City Manager's Report

City Commission meeting: Monday, July 25, 2022

- Yesterday, the citizens of Sandusky, Erie and Sandusky counties welcomed over 2,000 athletes and their families to the Shores & Islands Ohio region. The city's neighborhoods were lined with thousands of people, including local volunteers, and businesses were busy showcasing what Sandusky has to offer. The Sandusky Recreation Department would like to thank the IRONMAN Triathlon planning team of Regional Director Eric Atnip, Operations Manager Alyssa Updegrave and Race Director Casey Gilvin for their professionalism and flexibility in the planning of the inaugural IRONMAN 70.3 Ohio event this year. Thanks also to Chris Lewis and Larry Fletcher of Shores & Islands for seeing the city as an ideal location for the event and partnering with the City of Sandusky in making the event possible.

The IRONMAN 70.3 Ohio 2022 event would not have been possible without the support of the following people and agencies...

- Volunteer Director Crystal Michel
- Donnie Huntley with the Kelleys Island Ferry Service and James Kennedy with Tow Boat U.S.
- Chief Jared Oliver and Lt. Dawn Allen of the Sandusky Police Department
- Chief Mario D'Amico and Fire Marshal Steve Rucker with Sandusky Fire Department
- The City's Streets & Traffic, Building & Facilities, Grounds/Property Maintenance Divisions
- Brian Potts of the Department of Homeland Security
- Tim Janovich of Erie County Emergency Management and Erie County Sheriff Paul Sigsworth
- The Erie County Health Department
- Dr. Matthew Widmer and Elisabeth Moore of Firelands Health
- Margaretta Fire Chief Tom Johnson
- Sandusky County EMS and Sandusky County Engineers Offices
- Sandusky County Sheriff Chris Hilton and Chief Deputy Ed Hastings
- North Central EMS, ODNR Division of Watercraft, ODOT, Perkins Police, Fire and Recreation Departments, Townsend Township Fire Department, U.S. Coast Guard.

The date for next year's event is Sunday, July 23, 2023 and registration is now open. A special thank you to the city commission and city manager for their approval of bringing the event to Sandusky.
