

City Manager's Report

City Commission meeting: Monday, October 23, 2023

DONATIONS

- A donation of \$2,306.97 for the K9 account was received from Dr. Robert Johnson of Peds on Wheels. The donation will be used to purchase ballistic vests for K9 Viggo and K9 Chase. Thank you, Dr. Johnson, for your generous donation.

NEW & OLD BUSINESS

FINANCE

- The next Finance Committee meeting will be on Friday November 3, 2023 at 8:00 am at City Hall.
- The Customer Accounting Office will begin assessing a credit card convenience fee on November 1, 2023. The convenience fee will be 2.5% of the transaction total, with a minimum of a \$2.00 fee. These are the same fees that are already assessed to the customers in the Building, Code, Community Development and Recreation departments. The convenience fees are collected by the credit card processing company to cover their expenses, the City does not receive any revenue from these fees.

PUBLIC WORKS

- Erie County Health Department will begin construction of a southbound right turn lane on Superior Street. Plans were approved by staff and will be inspected by the Engineering Division. Formal acceptance of this infrastructure will be presented at a future City Commission meeting once complete.
- Phase 1 of the Justice Center is nearing completion. SPD will be relocating to the new side of the building with slight changes to public access. At the same time, the Municipal Court will be relocating to the Service Center for the remainder of the project. Once dates are finalized, this information will be presented to the public via various outlets.
- The Butler Street Reconstruction project is set to begin the week of October 23, 2023, local traffic will be maintained along Butler Street, along with the Butler Street Ramp will remain open. A full closure is expected to go into place Monday, October 30th, through the remainder of reconstruction. Detour routes will be set up directing traffic to use alternate routes.
- Various divisions will begin routine winterization, including closure of restrooms and other facilities, saving any facility in-use for business or recreation until last, unless temperatures dictate otherwise.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- The drop-off area for bagged leaves is now open and located near the Marquette Drive entrance to the City Service Center. For questions about the City's curbside Leaf Collection Program, visit our website or call 419.627.5884.
- Work on the Monroe Street paving and Healthy Hayes safety projects were completed last week. Additionally, crews completed pavement repairs on Campbell St., funded by Norfolk Southern, over two days last week. This was done because Campbell received excessive wear and tear as a detour route during the Columbus Ave underpass closure.

COMMUNITY DEVELOPMENT

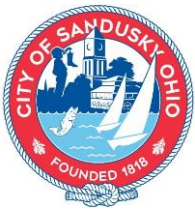

- The Department of Community Development will be seeking a RFP for the 2024-2029 Consolidated Plan Update and 2024 One Year Action Plan. Additional information will be available online on the city's website starting October 30th, 2023-November 20th, 2023.
- City of Sandusky has submitted a pre-application to the Ohio Department of Natural Resources – Coastal Management Assistance Program for improvements to accessibility of the Meigs Street Pier. Proposed scope includes sidewalk repair, regrading, fence removal and wayfinding. If invited to submit a full application, City staff will seek authorization from Commission. Full applications are likely due at the end of 2023.

PLANNING

The Lange Trust in coordination with the Public Arts & Culture Commission and Sandusky Recreation staff has placed new sculptures around the city as part of the ongoing Midwest Sculpture Initiative. This annual program brings large scale sculptures by various artists into parks across the city for the public to enjoy. The locations and descriptions of each sculpture will be highlighted on an upcoming map which will be available at the Sandusky Library.

RECREATION

- Sandusky Recreation would like to ask the city commission for permission to accept a \$1,000 grant from Sam's Club. This is a quality-of-life community grant for Improving access to recreation, arts or cultural experiences for Out of School at Mills Rec.

PUBLIC WORKS

DONATIONS

NEW BUSINESS

- Welcome to Samantha Spayd who has joined Public Works as an administrative assistant.
- Erie County Health Department will begin construction of a southbound right turn lane on Superior Street. Plans were approved by staff and will be inspected by the Engineering Division. Formal acceptance of this infrastructure will be presented at a future City Commission meeting once complete.
- Phase 1 of the Justice Center is nearing completion. SPD will be relocating to the new side of the building with slight changes to public access. At the same time, the Municipal Court will be relocating to the Service Center for the remainder of the project. Once dates are finalized, this information will be presented to the public via various outlets.

OLD BUSINESS

- The Butler Street Reconstruction project is set to begin the week of October 23, 2023, local traffic will be maintained along Butler Street, along with the Butler Street Ramp will remain open. A full closure is expected to go into place Monday, October 30th, through the remainder of reconstruction. Detour routes will be set up directing traffic to use alternate routes.
- Various divisions will begin routine winterization, including closure of restrooms and other facilities, saving any facility in-use for business or recreation until last, unless temperatures dictate otherwise.
- The drop-off area for bagged leaves is now open and located near the Marquette Drive entrance to the City Service Center. For questions about the City's curbside Leaf Collection Program, visit our website or call 419.627.5884.
- Pavement repairs were completed in 2 days along Campbell Street, North of the RR tracks, as NS agreed to pay for the "collateral" damage caused by this being the formal detour of Columbus Ave. during the derailment repair work.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- **Monroe Street pavement work wraps up with striping, traffic loop replacements and MH adjustments happening the week of 10-16.**
- **“Healthy” Hayes Avenue work wraps up, as the final touches of electrical work are being completed for the new pedestrian and vehicular signals, as they were installed the week of 10-9.**

COMPLETED PROJECTS

CONSTRUCTION PROJECTS

- **Butler Street Reconstruction Project**
 - Contractor: Great Lakes Demolition Company
 - **Contract Amount: \$890,530.50**
 - Construction Completion: June 1, 2024
 - Construction Start: October 23, 2023
 - Work will include reducing most of Butler Street from 3 lanes to 2 between Milan and Cleveland Rd. Replacing concrete with asphalt pavement, adding new curbing. Pavement section repairs beyond Milan Rd. will be added.
 - **Construction is set to begin the week of October 23, 2023, local traffic will be maintained along Butler Street, along with the Butler Street Ramp will remain open. A full closure is expected to go into place Monday, October 30th, through the remainder of reconstruction. Detour routes will be set up directing traffic to use alternate routes.**
- **2023 CDBG Street Paving Project**
 - Contractor: Erie Blacktop Inc.
 - Construction Cost: \$263,211.15
 - Completion Date: November 17, 2023
 - Resurfacing of 10 street sections within the eligible portions of the city.
 - Paving complete week of 9/5. Manhole and Catch Basin adjustments and striping remains.
 - Traffic loop work began 10/4.

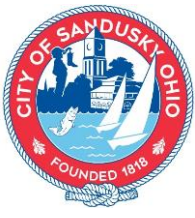

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- Cleveland Rd. Waterline Project
 - Contractor: Ed Burdue Co.
 - Contract Amount: \$298,699.92
 - Construction Completion: December 5, 2023
 - Project to replace 50- to 80-year-old water main lines within the intersection of Cleveland and Cedar Point Dr. To better align with the proposed roundabout.
 - In midst of acquisition of property to keep this utility line out of the new roadway for maintenance purposes.

- Columbus Lift Station Improvements
 - Contractor: All Phase
 - Contract Amount: \$312,895.00
 - Construction Completion: December 16, 2022 (39 weeks, Derailment Dependent).
 - Project to replace existing generator including electrical SCADA and VFD upgrades. Project will involve running city owned fiber from the Sandusky Amtrak/Transit building at North Depot Street to the station.
 - Due to the train derailment, Mosser is working on construction plans for rebuilding the upper level of the station. This work will not be charged to the All Phase contract with the city, but the City's contract will be adjusted to accommodate crossover work.

- East Water Street Reconstruction
 - Contractor: Great Lakes Demolition
 - Contract Amount: \$952,053
 - Construction Completion: May 17, 2024
 - Inspection: K.E. McCartney & Associates
 - Inspection Amount: \$99,999.00
 - This project includes extension of the Sandusky Bay Pathway between Franklin and Meigs Streets, as well as new curbs, bump outs, drainage, and roadway reconstruction.
 - Work is expected to occur February through May of 2024.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- 2023 Generator Control Project at BIWW
 - Contractor: TBD
 - Contract amount: \$TBD (EST: \$200,000)
 - Completion date: TBD
 - Replacement of the controls of the main and backup generator at the Water Plant
 - Have had a few instances of inconsistent power regulation upon power outages. Actual generators themselves have been tested to ensure they are mechanically sound.
 - Control units (\$489,416) have been ordered, the delivery time is anticipated to be 50+ weeks, arriving June of 2024.

- Hayes Avenue Corridor Safety Project
 - Contractor: Miller Cable Co.
 - Contract Amount: \$809,400.00
 - Construction Completion Date: March 29, 2024
 - Inspection: K.E. McCartney & Associates
 - Inspection Amount: \$80,912.00
 - LPA Project PID 109523, ERI-SR4-10.66 Hayes Ave
 - This project includes signal and intersection upgrades between Perkins Ave. and Columbus Ave. Project also includes select curb ramp replacements, pedestrian signals and possible restriping at specific locations.
 - Outstanding items include pedestrian and vehicular signal **wiring**. All poles and mounting are in place.

- Jaycee and West Washington Park Concrete Work
 - Contractor: RMH Concrete & Foundations, Inc.
 - Contract Amount: \$44,048.20
 - Construction Completion: December 1, 2023.
 - Construction Start: 2 – 3 Weeks
 - Grant funding has been obtained by the Parks and Recreation Department to install a shelter and concrete walkway at Jaycee Park near the basketball courts and an oversized concrete chess board at West Washington Park near the Popcorn Wagon.
 - **Pre-construction meeting has been held with the contractor, work is expected to begin in the coming weeks.**

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- Justice Center
 - Contractor: Mosser Construction
 - Contract Amount: \$10,623,800
 - Construction Completion Date: September 2024
 - Inspection Consultant: Richard L. Bowen & Associates, LLC
 - Inspection Contract Amount: \$547,072
 - Reconstruction of the 222 Meigs Street facility into the Justice Center to house Sandusky Police Department and Sandusky Municipal Court
 - Furniture Supplier: OSupplies
 - Furniture Contract Amount: \$334,675.83
 - City will be working with OSupplies to supply furniture for the facility where existing furniture cannot be reused.
- Meadowood Subdivision Sidewalk Project
 - Consultant: In-house design
 - Design Completion: Stage 2 comments received from ODOT 5/2/23, final PS&E package due to ODOT 11/6/23
 - Total Project estimate: \$193,253
 - LPA Project PID-117271
 - This project involves installing sidewalk in areas of the Meadow Subdivision that currently don't have sidewalk. Various locations along East Oldgate Rd, Heritage Dr, Fallen Timber Dr and Foxborough Circle
 - Construction anticipated in spring of 2024
- Mills Street High-Rate Treatment
 - Contractor: Great Lakes Construction
 - Contract Amount: \$33,570,075.00
 - Completion Date: October 2024 (substantial completion), May 2024 (final completion)
 - Inspection: City staff & Stantec
 - Inspection Amount: \$1,642,466.88
 - As the final project included in the City's NPDES permit as part of the 2015 negotiations with Ohio EPA, the City will be designing and installing a 16 MGD high-rate treatment (HRT) system with a goal of dramatically reducing overflows that result during large rain events when the capacity of the wastewater treatment plant cannot handle the flow. The project will include diversion of wastewater from the west side interceptor, expansion of the existing bar screen process, HRT equipment evaluation, possible replacement and expansion of the ultraviolet disinfection system, and possible relocation of ballfields from Sprau to Amvets Parks. Staff has worked with local youth baseball league to relocate the ball field to a desired alignment and size on the former Amvets site as well as improvements to the buildings.

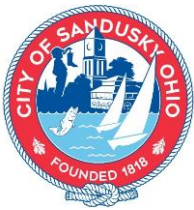

City Manager's Report City Commission meeting: Monday, October 23, 2023

- Monroe Street Reconstruction (Decatur Street to Meigs)
 - Contractor: Erie Blacktop Inc
 - Contract Amount: \$749,134.27
 - Completion Date: October 31, 2023
 - Inspection: K.E. McCartney & Associates
 - Inspection Amount: \$76,996.00
 - LPA Project PID 110322 ERI-CR-0504-00.49 (Monroe St)
 - This project involves ADA complaint curb ramps, pavement repair, base repair and resurfacing from Decatur Street to Meigs Street along Monroe Street.
 - Paving complete, manholes and catch basins are being **completed**. Striping and traffic loops **nearly complete**.

- Monroe Street Outfall Extension Project (Decatur Street to Meigs)
 - Contractor: Great Lakes Demolition Company LLC
 - Contract Amount: \$553,951.00
 - Completion Date: April 1, 2024
 - Inspection: In-House
 - This project involves installation of a 36" storm sewer from Broadway Street to Mills Creek to relieve the soon-to-be installed storm sewer coming from Camp Street. This takes significant storm flows off Broadway Street, which goes to the WWTP.
 - **Award legislation forthcoming.**

- Perkins Avenue & 52nd St. Waterline replacement and Roadway Improvement Project
 - Contractor: Speer Bros. Inc.
 - Contract Amount: \$5,411,227.34
 - Inspection: In-House
 - Construction Completion: December 1, 2023
 - Construction anticipated to begin: April 1, 2023
 - Project planned to replace bad 6" water main with 8", resurface the North half of roadway from the old YMCA to 52nd. Replacing bad sidewalks and curbs along this segment also.
 - Waterline work is progressing with some curb and sidewalk replacement and restoration complete West of Hayes Ave.
 - Emergent (storm and sanitary) sewer line repair work has been performed as necessary when encountered.
 - **Columbus intersection planned waterline work and unplanned repair work as well as RR track and tie removal taking place. Paving will be installed upon completion of this work, anticipated opening the remaining section East of Columbus by end of November. 52nd Street paving will be just behind Perkins Ave.**

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- 2023 Sidewalk Program
 - Contractor: Hula Construction
 - Contract amount: \$153,628.70 (EST. \$184,000)
 - Completion date: Fall 2023
 - Includes \$100,000 of the City's most displaced sidewalks, deemed as "worst trips".
 - \$60,000 of sidewalk at Shoreline Park (from approved Capital Plan)
 - \$24,000 of concrete work at Fire Station 7 (from approved Capital Plan)
 - **Concrete replacement and/or installation at all project locations have been completed, staff is doing a final walk thru at all locations.**
 - **Staff is coordinating with the Contractor to get pricing on adding three additional sidewalk locations that were damaged by trees during the summer storms. There is money remaining on the contract that will cover the cost.**

- Underpass Rehabilitation Project
 - Contractor: Schirmer Construction
 - Contract Amount: \$527,785
 - Completion Date: Mid-2024
 - Inspection: In-House
 - This project involves addressing the worst areas of cracks, spalling and paint coating failing along Columbus Ave. Underpass. Since the train derailment, these deficiencies are more noticeable. Removal of the worst areas of walls and preparation for a detailed filling, leveling and coating system have been specified. Said project also replaces the remaining steel hand railing and lighting beneath the Columbus Ave underpass. **Contractor intends on beginning this work in the spring of 2024 due to temperature-sensitive coatings.**

- UV Project
 - Contractor: The Great Lakes Construction Co.
 - Contract Amount: \$2,630,156.00
 - Completion Date: Substantial Completion Date March 1, 2024 with Final Completion May 30, 2024
 - Due to the manufacturer no longer making some parts, this project is just a replacement of the existing ultraviolet disinfection system at the wastewater pollution control plant with a few alterations to the channel to accommodate the new equipment.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- 2022 VFD Project at BIWW
 - Contractor: All Phase
 - Contract amount: \$271,920.00
 - Completion date: March 24, 2023-will require a time extension-TBD
 - Replacement of five existing variable frequency drives
 - Contractor has replaced 1 of the 5 VFDs before water demand increases for the summer. **The remaining 4 VFDs are having issues with availability. Staff is coordinating deliveries with electricians and the system integrators.**

- Warren Street Reconstruction
 - Contractor: Speer Bros., Inc.
 - Contract Amount: \$3,032,220.00
 - Completion Date: June 1, 2024.
 - This project includes reconstruction of Warren between Water and Monroe Streets, except for the new portion between Market and Washington. Includes new pavement, curbs, drainage system, sidewalk and multi-use path.
 - Work began at the North End, near Water Street on 8/14. Underground utility work is involved currently.
 - New water main and storm sewer installed from Water St. to Market St. Bike path between Water and Market to be complete. **Concrete curb was delayed due to rain, slated for week of 10/23.**

DESIGN PROJECTS

- Cleveland Road Safety Project
 - Consultant: American Structurepoint
 - Feasibility Study & Preliminary Design: \$263,615.00
 - Detail Design, Environmental & Right of Way: \$914,871.00 (Acquisition fees are not included in this cost but are included as part of the funding from ODOT)
 - Design Completion: November 2023
 - Construction proposed for CY 2024
 - ODOT Safety funding will pay for 95% of project. Includes traffic signal and striping upgrades, sidewalks, turn-lane extensions and intersection improvements between Remington Avenue and Sycamore Line.
 - Property Acquisition in progress for additional right of way for the project.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- Cleveland Rd. (E.) Drainage and Sidewalk Project
 - Consultant: CVE (Chagrin Valley Engineering)
 - Preliminary & Detail design: \$139,757
 - Construction: planned for 2026, after the larger Cleveland Rd. Safety project is complete.
 - Address 80-year-old drainage and lack of sidewalks on the South side of Cleveland Rd. East of Harbour Parkway to E. Shoreway Dr.

- East Perkins Avenue Improvement Project (Milan Rd to Remington Ave) PID 113959
 - Consultant: Bramhall Engineering & Surveying Company
 - Contract Amount: \$171,160
 - Design Completion: August 5, 2024
 - Total Project estimate: \$561,275
 - LPA Project PID 113959 ERI-CR-0005 02.85 E. Perkins
 - This project involves installing sidewalk on the north side of Perkins from Milan Road to Remington Avenue. Perkins Avenue will be resurfaced from the end of ODOT's east to Remington Avenue. Bramhall has notified property owners of survey work that will begin shortly.
 - Construction anticipated in spring of 2025.

- East Perkins Avenue Waterline Replacement Project Pipe Creek Bridge to Remington Avenue
 - Consultant: Bramhall Engineering & Surveying Company
 - Contract Amount: \$18,900
 - Design Completion: December 2023
 - This project involves installing replacing the 8-inch waterline from the Pipe Creek Bridge to Remington Avenue. This section has experienced several breaks over the past few winters.
 - Construction anticipated in 2024 and to be completed prior to the LPA Project PID 113959

- Follett Street and Mills Street Elevated Water Tank Inspection & TTHM Removal System Project
 - Consultant: Arcadis US Inc.
 - Engineer's Estimate: \$49,000.00
 - Completion date: Early Summer 2023 including EPA submittal and approval
 - Complete EPA required 5yr interior & exterior inspections on both tanks. Replace ventilation units and active mixers, 3" conduit piping system and spray nozzles on both tanks.
 - Bidding of work is awaiting EPA approvals.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- The Landing – Final Design & Permitting
 - Consultant: Environmental Design Group
 - Contract Amount: \$2,057,845.73
 - Design Completion Date: April 2024
 - This project includes development of final design documents including permitting, acquisition and all other aspects required to prepare construction documents as detailed in the Landing Park conceptual plan approved by City Commission in December 2017. This includes the Sandusky Bay Pathway from the East Corporation Limit through Sports Force Park to Cedar Point Drive. The project will provide direct access to the East Sandusky Bay (the Back Bay) and the easternmost terminus of the Pathway within city limits. Funding for the design of the project is made possible with Tax Incentive Financing on nearby parcels.
 - Federal funding has been allocated for the pathway between Hemminger Ditch and Cedar Point Drive. The Hemminger Ditch crossing and The Landing will be funding by the City.

- **MacArthur/Churchwell Park Improvements**
 - **Consultants: Strand Associates, Inc.**
 - **Contract Amount: \$110,000.00**
 - **Design Completion: September 30, 2024**
 - **Total Project Est: TBD**
 - **This project is the next step in the design process, building on the adopted concept we created in partnership with Commission and the community in the South Side Plan.**

- Monroe Street (West) Improvement Project (Camp Street to Broadway Street)
 - Consultants: Mott MacDonald
 - Contract Amount: \$150,500
 - Design Completion: October 1, 2024
 - LPA Project PID 113957; ERI-CR-0500-01.37
 - Total Project Const. Est: \$1,589,298.64
 - This project addresses roadway and drainage from Camp Street to Broadway Street. Project has already received ODOT funding for FY 2025. Specifically entails roadway resurfacing, installation of a new storm sewer line and limited sidewalk and curb repairs.
 - Alignment selected for general routing of new storm sewer. Storm sewer to be sized to accommodate future connections to neighborhoods with a history of flooding near Fulton and Decatur.
 - Stage 2 Plans sent to ODOT for comments.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- Monroe Street (West) Improvement Project (Decatur St. to Camp St.)
 - Consultants: TBD
 - Contract Amount: TBD (Est. \$210,462.00)
 - Design Completion: 11/1/2025
 - LPA Project PID: 118505
 - Total Project Est: \$1,134,328.00
 - This project addresses roadway and drainage from Camp Street to Decatur Street. Project was awarded ODOT funding for FY 2026. Specifically entails roadway resurfacing, installation of a new storm sewer line and limited sidewalk and curb repairs.
 - Recently awarded ODOT funds, via the MPO for this project.
 - Scope of Services prepared for ODOT which is a precursor to selecting a design firm.

- Safe Streets Action Plan
 - Consultant: TBD
 - Contract Amount: TBD (total project funding is \$250,000)
 - Completion Date: TBD
 - The City was awarded \$200,000 from the USDOT FHWA through the Safe Streets for All grant program. The city-wide plan will evaluate safe passage for motorists and non-motorists alike for all demographics throughout the City. The goal of the plan will be to develop a prioritized list of projects through public collaboration that will systematically be implemented to ensure safe coexistence of all modes of transportation.

- Sandusky Bay Pathway Acquisition and Partial Design
 - Consultant: Environmental Design Group
 - Contract amount: \$2,092,513.00
 - Completion date: Spring 2025
 - A Conceptual Master Plan adopted in June 2018 detailed a multi-use coastal trail that stretches along the waterfront from the east corporation limit to the west corporation limit.
 - This project includes acquisition of needed properties, encroachments and easements along First Street, Pier Track, Water Street and anything needed between King Street and Venice Road.
 - Final design of the sections from Cedar Point Drive to Meigs Street and from King Street to Venice Road is included.
 - Wayfinding and branding of the Sandusky Bay Pathway has been finalized.
 - The railroad agreement has been approved and the crossings at Monroe and Edgewater are being designed.

City Manager's Report

City Commission meeting: Monday, October 23, 2023

- Water Model Update
 - Consultant: Stantec
 - Design Contract Amount: \$180,031.00
 - Completion date: October 20, 2023
 - Our last citywide model was completed in 2006. The new model will reflect system improvements since the last model was completed. Said model is a helpful tool in predicting flows, pressures at virtually any given point within the distribution system. Ultimately this data is of value to Contractors, Builders, and Developers and can be a tool to guide future capital design projects where there may be deficiencies within the system.
 - **Staff reviewing final report.**

ADDITIONAL INFORMATION

Vacancies and budgeted positions:

- BIWW
- Engineering
- Streets & Utilities
 - Cemetery (1)
 - Forestry
- Sewer Maintenance
- Streets & Traffic (1)
- Water Distribution (1)
- WWTP (2)

Congratulations to the following new hires and staff for receiving promotions:

- **Welcome to Samantha Spayd who has joined Public Works as an administrative assistant.**

STATUS OF GRANT & LOAN APPLICATIONS

- Applications for annual OPWC projects (Downtown Paving, Camp Street Paving) have been submitted to the Erie County MPO, as they funnel submittals to the OPWC District scoring committee. Applicants will be notified of award in December 2023. LTIP projects out of the county area and will be forwarded to the District for review.
