Assumptions Used on Monthly and YTD Budget Amounts:

To calculate the YTD budget amount, we determined what percentage of revenue/expense by line item was received / expended cumulatively through April compared with what was received / expended in total for the 2017 year. This percentage was then applied to the total 2018 budget amount to generate the estimated “YTD Budget” amount.

Similarly, to calculate the Monthly Budget Amount, we determined what percentage of revenue/expense by line item was received / expended just in the month of April compared with what was received / expended in total for the 2017 year. This percentage was then applied to the total 2018 budget amount to generate an estimated “Monthly Budget” amount.
