OLD BUSINESS

303 E. Washington Street Mural Update: Arin commented that the mural has been completed and grant funding has been dispersed. Arin stated there has been a lot of good feedback. Brian stated this is the type of project that we really want with public participation.

Artbox Project Update: The project near Firelands Hospital is underway and should be completed shortly. It is really looking nice.

NEW BUSINESS

2024 City Hall Gallery Theme: Arin has updated the call for artists. This is ready to be publicized, with a deadline of 10.08.23. The submissions will be brought to next month's meeting for selection. Hopefully we can get the new artwork installed prior to December. Brian suggested something to do with Time. Discussion entailed the broadness of the theme – it would be good for all types of artwork and artists for their interpretation. **Brian Stanley made motion, second by Chris Parthemore to approve the theme as Time. Roll call – all, Motion carried.**

October Work Plan Brainstorming Meeting: Shawn offered Halo Live as the location, it will be held on 10.17.23. Everyone approved of the location. Brian suggested maybe we should look again at the focus and realign some of the structure. Adam suggested some of the bigger projects should be discussed that evening as well i.e.: Wheels Park and the Columbus Avenue Streetscape.

Members with expiring terms: Members that have expiring terms have been contacted to respond prior to December. Jordan has informed us that he is stepping down.

Lange Trust Sculptures: Monies have been raised to purchase several hanging sculptures. The rotating sculptures will be announced shortly. Arin, Marsha, & Robin met to select choices.
