2021-01-15	<p>Check Anzar Road for utility covers. Office: check messages. Met with Mrs. Edwards at Ridgemark regarding case number#122. Contacted Yolanda Torres regarding possible violation at her business. Yolanda pointed out JJ's Burgers were doing the same thing (allowing customers to sit and wait in the sitting area). I checked on JJ's Burger and did not observe any violations at the time and spoke with a staff member. During my contact with the staff member I was interrupted by Courtney Evans who was not wearing a face covering and informed me she wanted a citation. I left JJ's Burgers and returned to Yolanda where Courtney Evans had relocated. Before I could talk with Yolanda Courtney Evans again interrupted by telling Yolanda to tell me to leave and that I was trespassing. I observed three people inside the bar. Courtney Evans, and two unidentified males one short and stocky wearing a beard. Once again Courtney Evans was not wearing a face as well as the male with the beard. the other male's back was facing me briefly and can only say he was approximately 509/200+. I requested assistance from the Sheriff's Office. Prior to the arrival of the Deputies I observed the male with the beard consuming a bottle of what appeared to be beer. Upon the arrival of the Deputies I requested they attempt to enter and if refused to walk away and file a misdemeanor charge of refusing access to a Bar by peace officers. My was request was denied and I left the scene. I contacted Captain Taylor later who validated the actions of the Deputies. Monitored the ZOOM meeting for the Urgency Ordinance.</p>	Rich Brown
