Books & Materials: We have expended all the FY22 CSLA Zip books funds! While we didn't completely use the entire \$4,000 awarded with the grant, we did spend the entire \$3,600 that was dispersed to us by asking each patron that participated to also accept delivery of a book that diversified and/or expanded on our existing collection. In the end our very last purchase needed just 61 cents more to fulfill the patron's book request. We also accepted a large donation of Young Adult titles most of which ended up being added to our collection. We are actively keeping our "donated materials" shelves as empty as possible in anticipation of books bequeathed to us by local resident and Native Daughters of the Golden West Parlor 179 Sister.

Outreach: The Library Auxiliary hosted an Ice Cream Social on August 27 featuring CHP, Engine 14 of the San Juan Bautista/Hollister Fire Department and the local EMS ambulance. Thank you to all that attended, to our first responders and to Windmill Market for donating the Ice Cream.

MOBAC/PLP: I attended, via Zoom, the SPLAMBA meeting on August 19. We will be working on a hybrid format workshop with each of us presenting on a topic we are familiar with that supports an overall theme that is to be determined.
