Books & Materials: As people do their end of the year cleaning we are expecting an influx of donated material. This often creates an issue with us having to sort the material, find places to donate what we cannot use, catalog what we can and recycle/toss what we must. Please discourage people from donating soiled books as they can infect our collection if mold is present. We prefer gently used new releases whenever possible. Outdated non-fiction and well loved fiction or children's material is not appropriate material to donate due to our small facility.

Outreach: Thanks to local resident Kurt Kurasaki we are looking forward to a visit by DJ Lance Rock from Nickelodeon's Yo Gabba Gabba program at the beginning of January.

MOBAC/PLP: Thank you to City Manager Don Reynolds for participating in the PLP meeting we hosted here at the library on December 9. Rochelle attended the December 16th quarterly MOBAC Admin meeting via Zoom.

Staff: We are recruiting for a part time position. Our other two part time team members, Rochelle and Dilia, are covering until we are able to fill the third part time position.

** Please note that we are available for appointment outside of our listed hours. We often open early for patrons needing to Zoom before 11 am. This is a service we have provided quietly for over 2 years to provide for our patrons without incurring regular staff hours.
