City Manager

Don Reynolds

City Clerk

Shawna Freels

City Treasurer

Michelle Sabathia

Fire Chief

Bob Martin Del Campo

The majority of activities during the month of November was again centered around parking enforcement. During the Thanksgiving weekend I worked and increased vehicle patrol between the hours when Kysmet Officers were off. I received another barking dog complaint from the previous case. The violator was given a final opportunity to correct the dog's behavior to avoid being issued a third Administrative Citation.

Kysmet Officers issued 10 green tags and 23 parking citations. Kysmet continues to perform foot patrols during which time they discovered four (4) businesses with unsecured doors. The Sheriff's Office was contacted and the businesses secured. I issued no green tags, six parking citation and 53 Administrative Citations (30 to one violator and 23 to another).

The trapper continues to remove the feral chickens and roosters. I did not send the Mission a Compliance Order requiring the removal of all roosters on the Mission property as of the date of this report but will do so. The majority of political signage has been removed throughout the City, a complete check will be conducted this week.

Focus for the month of December will be on parking enforcement. In addition, I will continue surveying and identifying areas where modifications or installation of red curbs. Continue issuance of Administrative Citations for continued violations.

Coordination with Kysmet will continue especially through the Holiday seasons.
