Tuesday – Friday 11 am – 5 pm

Saturday 11 am – 2 pm

Books & Materials: We successfully ordered the remaining \$400 worth of CSLA funded Zip Books and will be submitting the report to get reimbursed for those purchases. Some of the new titles have already been returned and checked out again by other patrons. We are currently using one of our LULAC laptops as a regular patron computer after the tower on the second desktop station failed. We have a request for two new desktop computers (one for the patron station and one for the circulation desk) for FY24. We received the pieces to complete the Library Auxiliary Lego kits so that two (of the seven) can be checked out by patrons for at home use. We also brought in a “Base 10” Learning Resources kit, donated by our Library Tech Lead, for use by our IEP students that utilize either the main reading room or the back meeting room, depending on their needs that day, for their school course work.

Outreach: Huge Thanks to local resident Kurt Kurasaki for coordinating DJ Lance Rock from Nickelodeon’s Yo Gabba Gabba program at the beginning of January. He was “AWESOME!!”

MOBAC/PLP: The January PLP meeting was conducted via Zoom due to the weather. The next meeting is on Feb. 10 in Oakland. SPLAMBA is meeting via Zoom February 17.

Staff: We are recruiting for a part time position. Our other two part time team members, Rochelle and Dilia, are covering until we are able to fill the third part time position.

** Please note that we are available for appointment outside of our listed hours. We often open early for patrons needing to Zoom before 11 am. This is a service we have provided quietly for over 2 years to provide for our patrons without incurring regular staff hours.
