City Clerk

Vacant

City Treasurer

Michelle Sabathia

Fire Chief

Bob Martin Del Campo

The majority of activities during the month of May was dedicated to preparation and providing services to include parking enforcement for the Rib Cook Off and Fiesta Fun Run. One enforcement action was started for a Pop Up on the Valero Gas Station property. Kysmet Officers issued 0 green tags and 14 parking citations. I issued 1 green tag, and 11 parking citations. No vehicles were towed during the month. Kysmet continues to perform foot patrols during which time there were 0 unlocked doors discovered.

There was a barking dog complaint on Fourth Street.

Focus for the month of June will continue to be patrol activities. Parking enforcement had experienced an increase in May do to the special events and I do not anticipate a similar increase in June due to the limited special events.

I have been receiving compliments from the public as to the presence of the San Juan Deputy both in his patrol car as well as being seen walking the streets

The trapper continues to remove the feral chickens and roosters and estimates there are only approximately five problem roosters remaining to be addressed.

In preparation for the Fourth of July, we have secured video camera trailers, security fencing for same, one additional message trailer, and banners to post on each of the video camera trailers. Kysmet will be increasing the number of Officers working during the event in an attempt to suppress illegal firework activities.
