REMOVAL OF PARKLETS REQUIRED

On or Before Friday, April 28, 2023

On February 28, 2023, Governor Newsom issued a Proclamation terminating the COVID-19 statewide state of emergency. On March 21, 2023, the City Council approved Resolution No. 2023-18, terminating the Local COVID-19 Emergency.

NOTICE IS HEREBY GIVEN

The City Council has approved Resolution No. 2023-21 ordering the removal of all parklets located within the Third Street Public Right of Way authorized under the COVID-19 related “Transformation of Third Street” program.

Parklets must be removed no later than Friday, April 28, 2023

The City Council has authorized a one-time grant to reimburse parklet owners for the cost of removal, up to \$5.00 per square foot (actual reimbursement amounts may be less).

IMPORTANT:

Certain materials used for SJB parklets require specific disposal handling.
and

Building Dept and Public Works Dept. inspections are required prior to parklet removal.

Information regarding 1) inspections, 2) materials disposal, 3) reimbursement, contact:
