PRESS RELEASE

October 25, 2019

ABANDONED VEHICLE PROJECT

To Who It May Concern;

Starting in mid-October, the City initiated an abandoned vehicle enforcement program. In the past few weeks, more than 15 vehicles have received green warning tags stating that the vehicle may be towed if not moved.

By November 2, if the vehicles have not been moved, the warnings may be replaced with citations. The City will begin towing these properly noticed vehicles the week of November 11.

If anyone has a question about this program, or other code enforcement efforts in San Juan Bautista, please contact the City Manager at (831) 623-4661 x14.
