Evacuation Updates

LAS VEGAS – The communities of Ojo Feliz, Apache Lake, Los Hueros, Los Lefebres, Ocate and Naranjos have been placed into GO STATUS. Set Status means you should prepare yourself and your home for the possibility of evacuation BEFORE wildfire arrives. We want to remind all residents of San Miguel and Mora counties, as evacuation levels change and your resident becomes deemed an area of evacuation, we encourage you to take immediate action. This is a long-term event, and we do not anticipate having ‘control’ of this fire any time soon.

Evacuation Information

Evacuations: Scan the QR code here for the latest evacuation map or visit the ArcGIS Map. The San Miguel and Mora County Sheriffs ask that all residents within the fire area remain on high alert for changes to evacuation statuses and road closures. It is imperative to respect closures and follow evacuation orders. Please follow San Miguel County and Mora County Sheriff's Facebook pages for the latest updates at <https://www.facebook.com/smcsso.nm> and <https://www.facebook.com/moracountysheriffoffice>

The Incident Management Team, along with law enforcement and fire departments are closely monitoring and evaluating the fire status. We will make every effort to keep the city out of evacuation status. Operations currently has outside resources of 25 fire engines on standby to protect structures that may fall into fire danger. These engines are staged in different areas in and around the city.
