EMG: FY20220023

Department: Maintenance

Vendor: First Call Cleaning & Restoration

This form has been designed to assist all San Miguel County employees in providing information necessary in the processing of an emergency requisition of products and/or services. Please complete and forward to the Finance Department along with your Purchase Requisition.

Departmental Responsibilities:

1. State the reason for the emergency purchase by explaining what the emergency is and/or what caused the emergency situation. **The roof top A/C unit for the second floor District Court is not working. A substitute roll type unit was temporarily installed; unit was left running over the weekend leaking water and saturating the carpet and collapsing ceiling tiles.**
2. State the financial or operational damage/risk that will occur if needs are not satisfied immediately (do not simply say there will be a loss or some damage): **Due to the amount of water saturating the court room carpet and ceiling tiles, water extraction is needed. This condition could result in a life and safety health issue.**
3. State why the needs were not or could not be anticipated so that goods/services could not have been purchased following standard procedures: **Emergency issues happen without notice.**
4. State the reason and process used for selecting vendor (Attach all quotes/proposals received from other sources, if applicable): **This vendor has worked with the county previously and was the first to respond.**

I certify that the above statements are true and correct, and that no other material fact or consideration offered or given has influenced this recommendation for an emergency procurement.
