Emergency Justification Form

Requisition #: REQ2200342 Date: 9/7/21 Amount of Purchase: \$200.00 EMG: FY2022029

Department: Maintenance Vendor: BTU Holdings LLC.

This form has been designed to assist all San Miguel County employees in providing information necessary in the processing of an emergency requisition of products and/or services. Please complete and forward to the Finance Department along with your Purchase Requisition.

Departmental Responsibilities:

- 1. State the reason for the emergency purchase by explaining what the emergency is and/or what caused the emergency situation. In need of an open purchase order for small daily emergency purchases that are required for minor maintenance and repair or replacement issues that may arise.
- 2. State the financial or operational damage/risk that will occur if needs are not satisfied immediately (do not simply say there will be a loss or some damage): Minor maintenance issues will take longer to address in a timely manner and could result in becoming larger issues including property damage and safety related issues.
- 3. State why the needs were not or could not be anticipated so that goods/services could not have been purchased following standard procedures: Not all needs can be anticipated because of the large number of buildings and offices. Emergency issues happen without prior notice.
- 4. State the reason and process used for selecting vendor (Attach all quotes/proposals received from other sources, if applicable): <u>Vendor selection is random. The vendor carries certain stacked items on hand and at a reasonable price.</u>

I certify that the above statements are true and correct, and that no other material fact or consideration offered or given has influenced this recommendation for an emergency procurement.
