Departmental Responsibilities:

1. State the reason for the emergency purchase by explaining what the emergency is and/or what caused the emergency situation. **Facility is in preparation for the possible Officer Quarantine due to COVID-19.**
2. State the financial or operational damage/risk that will occur if needs are not satisfied immediately (do not simply say there will be a loss or some damage): **Not being prepared for this or any emergency could affect the wellbeing of our staff members if they are ordered to quarantine.**
3. State why the needs were not or could not be anticipated so that goods/services could not have been purchased following standard procedures: **Due to Emergency precautions, we are not aware of what will occur next but we need to prepare.**
4. State the reason and process used for selecting vendor (Attach all quotes/proposals received from other sources, if applicable): Vendor was responsive to needs. **Walmart is the store with the most options here in our vicinity.**
