This form has been designed to assist all San Miguel County employees in providing information necessary in the processing of an emergency requisition of products and/or services. Please complete and forward to the Finance Department along with your Purchase Requisition.

Departmental Responsibilities:

1. State the reason for the emergency purchase by explaining what the emergency is and/or what caused the emergency situation. **Due to the COVID-19 outbreak, all cleaning supplies/antibacterial and safety supplies were issued to San Miguel County Public Work Employees. We are unable to order at this time due to items being out of stock.**
2. State the financial or operational damage/risk that will occur if needs are not satisfied immediately (do not simply say there will be a loss or some damage): **Spread of virus can occur causing employees to get sick and unable to work. Health and safety of the County employees is main priority.**
3. State why the needs were not or could not be anticipated so that goods/services could not have been purchased following standard procedures: **Items became unavailable very quickly.**
4. State the reason and process used for selecting vendor (Attach all quotes/proposals received from other sources, if applicable): **Mr. Garcia purchased latex gloves for the Public Works Employees.**

I certify that the above statements are true and correct, and that no other material fact or consideration offered or given has influenced this recommendation for an emergency procurement.
