East Pecos, San Miguel County, New Mexico

City, County, State

9576

Census Tract(s)

*ESTIMATED COST OF PROJECT:* \$200,000

*PROJECT SUMMARY:* Installation of approximately 402 linear feet of 2-inch PVC waterline with associated appurtenances on State Road 223, various engineering/construction management related costs and CDBG grant administration expenses.

---

FINDING OF NO SIGNIFICANT IMPACT

An environmental review of the project has been made by the Grantee and is available for public examination and copying at the office noted above. Based on this review, the Grantee has determined that a request for release of project funds will not significantly affect the quality of the human environment and hence, an environmental impact statement will not be undertaken under the National Environmental Policy Act of 1969 (PL 91-910).

The reasons for the decision not to prepare an environmental impact statement are as follows:

Agency consultation responses indicated no significant impact.

Public Comment on Finding

All interested agencies, groups or persons disagreeing with these decisions are invited to submit written comments for consideration by the Grantee by *November 21, 2002*. All comments must clearly specify which decision they object to - The Finding of No Significant Impact or the Request for Release of Funds. All comments so received will be considered by the Grantee prior to its taking any administrative action or requesting release of funds on the date listed immediately above.

---

RELEASE OF GRANT FUNDS

The Grantee will undertake the project described above with Block Grant funds from the US Department of Housing and Urban Development (HUD), under Title I of the Housing and Community Development Act of 1974. The grantee is certifying to HUD that San Miguel County, NM and Harold M. Garcia, County Commission Chair, in his official capacity, consent to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making and action, and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the Grantee may use the Block Grant funds, and HUD will have satisfied its responsibilities listed in 24 CFR Part 58. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases:

**(a)** that the certification was not in fact executed by the Chief Executive Officer or other officer of the Grantee **(b)** that the environmental review record for the project indicated omission of a required decision finding, or step applicable to the project in the environmental review process, or **(c)** another federal agency has submitted written comments pursuant to Section 309 of the Clear Air Act or Section 102(c) of NEPA. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD or LGD/DFA, Room 202 Bataan Memorial Bldg., Santa Fe, NM 87501. Objections to the release of funds on bases other than those stated above will not be considered by HUD or LGD/DFA. No objection received after 15 days from the date of request for funds listed above will be considered by HUD or LGD/DFA.
