Re: Request for Extension - **Order No. 23-07**

Dear Assessor Gallegos:

I am in receipt of your request for a second extension of the April 1, 2023 deadline by which the county assessor must mail its Notice of Value to taxpayers pursuant to NMSA 1978, Section 7-38-20(A). At this time, I am granting you an additional 15-day extension. Therefore, your new deadline for mailing the valuation notice is extended until May 15, 2023.

It is the San Miguel County Assessor's responsibility to post this order in a local newspaper in San Miguel County and pay for the publication of this order.

If you have any question please do not hesitate to contact me.

Sincerely,

Santiago Chavez, Director  
Property Tax Division
