

San Miguel County Notice of Right To Inspect Public Records

By law, under the Inspection of Public Records Act, every person has the right to inspect public records of the County of San Miguel. Compliance with requests to inspect public records is an integral part of the routine duties of the officers and employees of the County of San Miguel.

Procedures for Requesting Inspection. Requests to inspect public records should be submitted to the records custodian, located at the San Miguel County Clerk's Office 500 W. National Ave. Suite 113 Las Vegas, NM 87701, phone number 505.425.9331, fax number 505.454.1799, email ortega@co.sanmiguel.nm.us. A person desiring to inspect public records may submit a request to the records custodian orally or in writing. However, the procedures and penalties prescribed by the Act apply only to written requests. A written request must contain the name, address and telephone number of the person making the request. Written requests may be submitted in person or sent via US mail, email or facsimile. The request must describe the records sought in sufficient detail to enable the records custodian to identify and locate the requested records.

The records custodian must permit inspection immediately or as soon as practicable, but no later than 15 calendar days after the records custodian receives the inspection request. If inspection is not permitted within three business days, the person making the request will receive a written response explaining when the records will be available for inspection or when the public body will respond to the request. If any of the records sought are not available for public inspection, the person making the request is entitled to a written response from the records custodian explaining the reasons inspection has been denied. The written denial shall be delivered, mailed or electronically mailed (whichever means the request has been delivered to the records custodian) within 15 calendar days after the records custodian receives the request for inspection.

Procedures for Requesting Copies and Fees. If a person requesting inspection would like a copy of a public record, a reasonable fee may be charged. The fee for printed documents 11 inches by 17 inches or smaller is \$.50 per page. The fee for an electronic document (only if it exists in this file format) to a computer disk or storage device is \$5.00. Clerk's Office, Assessor's Office and Information Technology Office have a separate fee schedule associated with record requests.

The records custodian may request that applicable fees for copying public records be paid in advance, before the copies are made. A receipt indicating that the fees have been paid will be provided upon request to the person requesting the copies.
