COMMUNITY FACILITY & SERVICES

OBJECTIVES	12. (p.2-46) Provide connections and space for City residents of all ages and abilities to participate in life-long educational, recreational, and community service opportunities for both personal enrichment and to strengthen neighborhood and community connections.
STRATEGIES	28. (p.2-47) Encourage consideration of the construction of people-oriented public facilities - including a community library, city hall, indoor recreation facilities and community center; and open space environmental infrastructure in the City Center area.

QUALITY OF LIFE

OBJECTIVE	14. (p.2-53) Seek a livable balance between public, commercial, and civic activity and private tranquility and promote the health, peace, and well-being of residents in their daily lives.
OBJECTIVES	16. (p.2-53) Build and reinforce diverse, accessible neighborhoods that offer a good quality of life by designing and locating new and renovated development in a context-sensitive manner.
STRATEGIES	36. (p.2-53) Actively plan for public spaces throughout the City, including public open spaces and public art, such that these spaces can be utilized daily and also for special community-oriented events.

Land Use: Central District

OBJECTIVES	42. (p.3-14) Establish vibrant streetscapes, civic spaces, public art and public facilities in the Central District and City Center.
STRATEGIES	97. (p.3-14) Develop a centrally located, well-designed public gathering space to serve as the focus of the new City Center.
