- What themes resonate with folks that have modest or zero knowledge of affordable housing, inclusionary zoning?
- What are the negative stereotypes that we need to dispel and how do we dispel them?
- How do we connect supporting a wide spectrum of housing types having a wide spectrum of costs with economic development, healthy development of children, strengthening of families, reducing our carbon footprint, and the success of democracy?
- What sequence of subjects/topics should we use in this initiative?
- Who should be the spokespeople for these messages?

6) Share results of efforts to identify affordable housing "advocates" in community (if time), 6) New business (if time), 7) Adjourn
