NARRATIVE:

On July 10, 2023 at approximately 6:00 am, South Burlington Police conducted a search warrant at a residence in the J Cluster of condominiums within the Stonehedge townhouse complex in the City of South Burlington. This investigation was initiated in response to complaints of a declining quality of life in this neighborhood as reported by residents, who advised of finding used, discarded hypodermic needles and observing heavy levels of traffic to and from the residence which were suspected to be involved in illegal drug activity.

During the execution of the warrant, multiple persons were located inside the residence. One of these people, identified as Kenny Whitehouse, 34 y/o of Burlington, VT was found to have an active Failure to Appear arrest warrant stemming from a DUI-2 charge. Whitehouse was lodged at Northwest Correctional Facility on \$200 bail.

The search of the residence resulted in the seizure of narcotic drugs and suspected “cutting” agents used in the sale of narcotic drugs. South Burlington Police were assisted by agents with the Bureau of Alcohol Tobacco Firearms and Explosives, the Federal Bureau of Investigation and officers with the Vermont Drug Task Force. Investigation into this matter continues, anyone with further information is asked to contact Ofc. Foster Rich at 802-846-4111.
