The fees assessed for electrical and fire alarm work notices are set forth in the "State of Vermont Electrical Safety Rules", pursuant to 26 V.S.A. § 893(a).

There is a minimum fee of \$125.00 for each re-inspection for code violations.

A separate work notice must be filed for each building.

Payment must be included at the time of submission.

Fire Alarm Installation requires a plan review submittal, construction permit application and fee, prior to installation.

Solar Panel Installation requires a permit to include; solar panels, sub panels, solar combiner/inverters, lights-outlets-switches, stationary appliances & base fee.
