Commemorative Bench Program

Summit Park is pleased to provide an opportunity to leave a lasting impact on the community with our new Commemorative Bench Program.

Opportunities are very limited and once full, the program will close. Benches are located in a beautiful environment and will be placed permanently around the Great Lawn.

The cost of each bench is $2000 and includes the bench, custom commemorative plaque, installation and maintenance. Your gift will last for 6 years at which time the bench will be available for renewal for the cost of a new donation, with the first right of refusal given to the original donor. If the original donor opts not to renew, the donated bench and plaque may be removed or rededicated at any time.

Once the bench is completed, you will receive notification and an image of the benches location. If the original donor wishes, a letter of acknowledgement can be sent to the recipient’s family advising that their loved one has been honored or commemorated in this special way.
