Remarks Due to above average rainfall for the year and resulting scheduling issues for the contractor who had the Annual Bid, Projects RA-TCP-01-01-2020, RA-TCP-01-02-2020, and RA-TCP-01-05-2020 had to be rescheduled for 2021. RA-TCP 01-06-2020 was a resurfacing project that was let to contract by ALDOT and included Federal Aid Funds, FAEF, and County Funds. The only work remaining on the contract is permanent stripe & reflectors. Project RA-TCP 01-07-2020 is a bridge replacement project that is still in the design phase, so no funding for construction is needed at this time.

No CTP Amendments were made in FY 2020
