**POLICYHOLDER DISCLOSURE NOTICE OF  
TERRORISM RISK INSURANCE ACT (TRIA) COVERAGE**

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism. *As defined in Section 102(1) of the Act:* The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

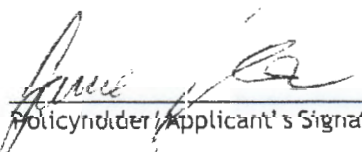

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT GENERALLY REIMBURSES 85% THROUGH 2015; 84% BEGINNING ON JANUARY 1, 2016; 83% BEGINNING ON JANUARY 1, 2017; 82% BEGINNING JANUARY 1, 2018; 81% BEGINNING JANUARY 1, 2019 and 80% BEGINNING ON JANUARY 1, 2020 OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, YOUR COVERAGE MAY BE REDUCED.

Unless you, or your insurance broker on your behalf, REJECTS in writing to the Company Terrorism Coverage under the Terrorism Risk Insurance Act as amended, you will be covered for Terrorism as defined in the Act and your prospective premium for that coverage is based upon which coverage option you choose (Coverage options setting forth limits, policy term, etc. are set forth in the attached letter of indication).

Terrorism Act Premium:                      \$14

X I hereby decline to purchase terrorism coverage for certified acts of terrorism. I understand that I will have no coverage for losses resulting from certified acts of terrorism.

### AIRPORT WILDLIFE HAZARD MANAGEMENT PROGRAM

Perry-Foley Airport (FPY)

Taylor County, Florida

December 2022

#### PROJECT DESCRIPTION:

The Airport Wildlife Hazard Management Program at Perry-Foley Airport will generally involve quantifying wildlife activities and attractants on airport property and developing a management plan to enhance aviation safety. The program comprises two primary tasks:

- **Wildlife Hazard Assessment (WHA):** The WHA, conducted by a qualified biologist, constitutes a series of site visits on airport property by a qualified airport wildlife biologist over an approximate 12-month period to observe and document wildlife activity and attractants on the airport. The WHA provides the scientific basis for the development, implementation, and refinement of a subsequent Wildlife Hazard Management Plan (WHMP). Though parts of the WHA may be incorporated directly into the WHMP, they are two separate documents. Following the completion of the WHA, the WHA report will be submitted to the FAA for evaluation. The results of the WHA will serve as the basis for the subsequent Wildlife Hazard Management Plan (WHMP).
- **Wildlife Hazard Management Plan (WHMP):** Based on the results of the WHA, the WHMP will be compiled in general accordance with the guidelines in 14 CFR 139.337(f). This WHMP will serve the airport as an operational tool for managing wildlife hazards and may serve as justification for future AIP projects such as airport perimeter fencing improvements and vegetation management.

As required by 215.971, Florida Statutes, this scope of work includes but is not limited to consultant fees and survey costs. It includes all equipment, labor, and incidentals required to complete the program in accordance with FAA Advisory Circular (AC) 150/5200-33B, *Hazardous Wildlife Attractants On or Near Airports*. Wildlife Biologist(s) will be qualified in accordance with FAA AC 150/5200-36A, *Qualifications for Wildlife Biologist Conducting Wildlife Hazard Assessments and Training Curriculums for Airport Personnel Involved in Controlling Wildlife Hazards on Airports*. The Sponsor will comply with Florida Aviation Program Assurances.

#### PROJECT JUSTIFICATION:

Birds, deer, coyotes, gopher tortoises, and even alligators wandering onto runways can create serious problems for departing and landing aircraft. Aircraft collisions with wildlife, also commonly referred to as wildlife strikes, annually cost the civil aviation industry in the USA at least \$500 million in direct damage and associated costs and over 500,000 hours of aircraft down time. Although the economic costs of wildlife strikes are extreme, the cost in human lives lost when aircraft crash as a result of strikes best illustrates the need for management of the wildlife strike problem.

The management of wildlife on and near airports is not usually an easily solved problem. This management can be as diverse as habitat manipulation to use of predators to repelling wildlife to lethal control of wildlife. Recognizing existing wildlife attractants, as well as mitigating the creation of new wildlife attractants on or near the airport will help to reduce the risk of wildlife strikes.

Land-use practices and habitat are the key factors determining the wildlife species and the size of wildlife populations that are attracted to airport environments. The recognition and control of those land-use practices and habitats on or near airports that attract hazardous wildlife are fundamental to effective Wildlife Hazard Management Plans. The FAA, through Advisory Circular 150/5200-33A, *Hazardous Wildlife Attractants on or Near Airports*, Appendix C, provides guidance on locating certain land uses that have the potential to attract hazardous wildlife on or near public-use airports. It also discusses airport development projects (including airport construction, expansion, and renovation) affecting aircraft movement near hazardous wildlife attractants. By controlling incompatible land uses on and around airports, hazards can be reduced.

**ENGINEER/BIOLOGIST:**

Professional services will be performed by AVCON, INC. with subconsultant support from SES Energy Services, LLC (dba Environmental Resource Solutions), a qualified airport wildlife biologist.

**SCOPE OF SERVICES:**

**Task 1—Wildlife Hazard Assessment (WHA):**

Prior to initiating the Wildlife Hazard Assessment (WHA) field work, the Consultant will thoroughly review the current FAA National Wildlife Strike Database Records and any additional information known about wildlife on or near the airport. The Consultant will conduct an interviews/meeting with airport staff to gather airport specific information and review the existing wildlife procedures.

In conducting the WHA, 14 CFR Part 139.337 (c)(2) requires the “identification of the wildlife species observed and their numbers, locations, local movements, and daily and seasonal occurrences.” Many regions have dramatic seasonal differences in numbers and species of migratory birds. Even for non-migratory wildlife, such as deer, resident Canada geese, and gopher tortoise behavior and movement patterns can change significantly among seasons. Observations of wildlife at an airport and surrounding areas limited to a few days in a single season generally cannot adequately assess hazardous wildlife issues and associated habitat attractants. A 12-month assessment will be conducted so the seasonal patterns of birds and other wildlife using the airport and surrounding area during an annual cycle can be properly documented.

To adequately identify “the wildlife species observed and their numbers, locations, local movements, and daily and seasonal occurrences” during the WHA, the FAA and USDA/WS recommend that standardized survey procedures be used. These standardized procedures should provide an objective assessment of hazardous wildlife in the airport environment that can be repeated in future years for comparative purposes. Objective procedures for assessing bird populations will be based on North American Breeding Bird Survey methodology. Standardized counts of birds should be made at established survey points at least twice monthly. In addition, specialized surveys might be needed as part of the overall assessment to document large-to-mid-sized mammals, such as deer, jackrabbits, or gopher tortoises (from vehicle using spotlight or night vision equipment), and small mammals, such as voles and mice (snap traps), on the airport.

These specialized mammal surveys should be conducted at least twice during the 12-month period.

Dawn, midday, and dusk surveys will be conducted at approximately 10-15 fixed points on or near the air operations area (AOA). Survey points will be located to provide complete visual coverage of the AOA, generally observe arrival and departure corridors, and to view known wildlife attractants within 10,000-feet of the AOA. Night surveys will be conducted with a spotlight approximately one hour past sunset within the AOA. Recorded wildlife data will include species, number, grid-based location, observed activity, type of habitat used, and time and date of observation.

The Consultant will also conduct (as accessible) a qualitative review of potential wildlife attractants within a 5-mile area of the AOA. During the surveys, signs of wildlife such as scat, tracks, and other evidence will be recorded if observed and included in the data analysis. All observed wildlife attractants will be noted.

The Consultant will develop a draft report for review by the airport staff. The draft report will include a detailed listing of wildlife species observed, analysis of data collected (including charts and tables as needed), and wildlife attractants. The report will also include recommendations to reduce wildlife strike risks at the airport. Recommendations will consider both passive and active management techniques. The Consultant will incorporate comments from airport staff and develop a Final WHA report for Perry-Foley Airport.

Following the completion of the WHA, the WHA report will be submitted to the FAA for evaluation. The results of the WHA will serve as the basis for the subsequent Wildlife Hazard Management Plan (WHMP).

**Task 1—Wildlife Hazard Assessment (WHA) Payment & Deliverable Milestones.** Payments for the above-listed task will be made on a monthly basis and after the following deliverables are received or milestones occur:

- Submittal of monthly status report (i.e. each month)
- Submittal of Draft Wildlife Hazard Site Visit report and Final Wildlife Hazard Site Visit report

**Task 2—Wildlife Hazard Management Plan (WHMP):**

Following the FAA review of the Wildlife Hazard Assessment (WHA), the Consultant will work with airport staff to develop and implement a Wildlife Hazard Management Plan (WHMP) using the WHA as the basis for the plan (14 CFR 139.337 (e)(1–3)). At the same time, the FAA regional coordinator will contact the local U.S. Fish and Wildlife Service (USFWS), Ecological Services Field Office and request information about the presence of federally listed or proposed endangered or threatened species or designated or proposed critical habitat on or near the airport.

The WHMP is a concise document that generally follows the guidelines in 14 CFR 139.337 (f), including the following components:

- (1) A list of the individuals having authority and responsibility for implementing aspects of the plan.
- (2) A list prioritizing the following actions and target dates for their initiation and completion:
  - a. Wildlife population management;
  - b. Habitat modification; and
  - c. Land use changes.
- (3) Requirements for applicable copies of local, State, and Federal wildlife control permits.
- (4) Identification of resources that the certificate holder will provide to implement the plan.
- (5) Procedures to be followed during aircraft operations:
  - a. Designation of personnel responsible for implementing the procedures;
  - b. Provisions to conduct physical inspections of aircraft movement areas; and
  - c. Wildlife hazard control measures.
- (6) Procedures to review and evaluate the wildlife hazard management plan every 12 months.
- (7) A training program conducted by a qualified wildlife damage management biologist to provide airport personnel with the knowledge and skills needed to successfully carry out the wildlife hazard management plan.

A Draft WHMP document (digital copy) will be provided to airport staff for review and comment. The Consultant will address airport comments and provide a Final WHMP (digital and print copies) to the airport for submittal to the Florida Department of Transportation and the Federal Aviation Administration. The Consultant will assist airport staff in addressing comments from the agencies and revise as necessary and resubmit the final document.

**Task 2—Wildlife Hazard Management Plan (WHMP) Payment & Deliverable Milestones.**

Payments for the above-listed task will be made after the following deliverables are received or milestones occur:

- Submittal of Draft Wildlife Hazard Management Plan report
- Submittal of Final Wildlife Hazard Management Plan report

**PROJECT BUDGET ESTIMATES:**

• Wildlife Hazard Assessment (12 months):	\$ 78,500.00
• Wildlife Hazard Management Plan:	<u>16,500.00</u>
Project Total:	\$ 95,000.00

Dear Ms. Green:

The Taylor County CDBG administrative staff has identified a potential conflict of interest pursuant to established United States Housing and Urban Development (HUD) and the Florida Department of Economic Opportunity (FDEO) regulations. The Taylor County Board of County Commissioners has appropriately reviewed this matter, and the County's in-house legal department has approved the submission of this request for a waiver. The County requests that FDEO grant the waiver as expeditiously as possible so that the impacted applicant can be assisted utilizing Taylor County's awarded CDBG funding without undue delay. The conflict(s) identified are described below:

Applicant Name	Address	Potential Conflict
Lessie Land	6749 S. Red Padgett Road, Perry, FL 32348	County Employee: Building Tech

The listed applicant is otherwise eligible for participation in the CDBG program. FDEO requires that the County submit specific documentation in support of this request for a waiver, namely:

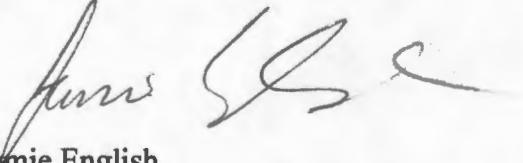

- *A copy of the minutes documenting disclosure of the conflict, approval and of the waiver request.* The attached minutes from the (MM/DD/YYYY) Taylor County BOCC meeting that reflect the comments and actions taken by the Commission.

- *A copy of the legal opinion rendered by the Taylor County legal department. The enclosed correspondence from the County Attorney dated (MM/DD/YYYY) supports the County's waiver request.*

Re: Taylor County Florida Department of Economic Opportunity Community  
Development Block Grant Program Contract #22DB-OP-03-72-01-H05-Conflict of Interest

Dear Chairperson English:

A request has been made for me to offer an opinion concerning a conflict of interest during the administration of the Florida Department of Economic Opportunity Community Development Block Grant Program. This conflict involves an applicant (potential beneficiary) who is an employee of Taylor County.

The employee is a building tech with the County.

24 CFR 85.36, 24 CFR 570.611 and 24 CFR 583.330(e) deal with conflicts of interest.

The question is whether the conflict may be waived and it requires a review of the above-mentioned code cites, i.e., 24 CFR 85.36, 24 CFR 570.611 and 24 CFR 583.330(e).

A response to the question of whether these conflicts may be waived requires review of both Florida and Federal laws. Under 24 CFR 85.36 and 24 CFR § 583.330, an exception may be granted by FDEO and/or HUD for a conflict if it would serve to further the purpose of the grant and the effective and efficient administration of the program. Factors to be considered in making this decision are listed in the aforesaid CFRs. Since this is a factual determination to be made by FDEO as to this conflict, no opinion is offered on whether FDEO will or should issue a waiver on any individual conflict situation. It, however, can be said with certainty that if the facts warrant it under 24 CFR 570.489(h), FDEO legally could issue a waiver, under the applicable Federal regulation. Public disclosure of the conflict must be made, as a condition of the waiver, and it is recommended that the disclosure be made at a public meeting, and that it specify the individual(s) involved, their relationships, the positions of those connected with the County, and the authority (if any) of the County official or employee over the administration of the CDBG grant.

The aforementioned applicable federal regulations state that "no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter."

As presented, the applicant/ potential beneficiary in question, has no authority to exercise nor had the authority to exercise any functions or responsibilities with respect to CDBG activities. Further, the applicant/ potential beneficiary in question is not in a position to participate in any decision-making process or gain inside information with regard to CDBG activities. As such, it is possible that this federally defined conflict may be waived for the prior described reasons.

This opinion is rendered for use in seeking a waiver of conflict of interest by the relative of an employee of the Taylor County who has a no familial connection with an elected official, and who has no decision-making authority over the administration of the CDBG program. This opinion is limited to those legal questions specifically listed herein, and does not make any factual determinations, nor should any such determinations be implied here from. This opinion is limited to what is actually set forth in writing and nothing should be, or is intended to be, implied here from other than that which is unequivocally set forth herein.

Thank you and I hope you are doing fine.

Happy Holidays.

Respectfully,

Conrad C. Bishop, Jr.

Any and all such names must be included in the minutes of the applicable BOCC meeting(s).
- (3) Post legal opinion, and before an applicant with a potential or real conflict is given final approval for program participation, the FDEO must be petitioned (sample attached), in writing, to grant a conflict waiver for each applicant/beneficiary deemed to have a potential or real conflict.
- (4) Prior to the official award of any rehabilitation contract, where a conflict may exist, the County must receive written notification of FDEO's approval of the application, in accordance with 24 CFR Section 570.489(h). If this process is not

followed, the local government and/or the applicant may be liable for returning the funds to FDEO.

Please provide the County Attorney with a copy of the attached documents for review so that the waiver process may move forward for clearance.

AVCON, INC.**

THIS AGREEMENT for professional airport general consulting services (the "Agreement"), is made and entered into as of the 3<sup>rd</sup> day of January, 2023, by and between the **Taylor County Board of County Commissioners**, a public and governmental body existing under and by virtue of the laws of the State of Florida with a business address at 201 East Green Street, Perry, Florida 32347 (hereinafter referred to as "COUNTY"), and **AVCON, INC.**, a Florida corporation with a business address at 5555 East Michigan Street, Suite 200 Orlando, Florida 32822 (hereinafter referred to as "CONSULTANT").

**WITNESSETH:**

**WHEREAS**, the COUNTY desires to employ the services of the CONSULTANT to provide professional engineering, planning, design, permitting, and construction management services for the Perry-Foley Airport (FPY); and

**WHEREAS**, the CONSULTANT has stated that it is qualified, willing and able to perform the professional engineering, planning, design, permitting, and construction management services required on the terms and conditions hereinafter set forth; and

**WHEREAS**, the COUNTY has given public notice of the professional engineering, planning, design, permitting, and construction management services to be considered pursuant to this Agreement, and

**WHEREAS**, the selection of the CONSULTANT has been made in accordance with the provisions of FAA Advisory Circular 150/5100-14E, 49 CFR Part 18 and the Consultant's Competitive Negotiation Act, Section 287.055, Florida Statutes.

**NOW, THEREFORE**, in consideration of the mutual premises and covenants herein set forth, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

**ARTICLE 1: BASIC SERVICES**

- 1.1 The Basic Services of the CONSULTANT required under this Agreement by the COUNTY shall be described in separately authorized Task Orders (the "Services"). A sample Task Order is provided in Exhibit 1 attached hereto.

- 1.2 The CONSULTANT shall provide for the COUNTY the Services described in separately authorized Task Orders, which shall include the Task Description/Scope of Services, Task Schedule, Task Deliverables, and Compensation. Compensation shall be limited to the amount as mutually agreed upon by the CONSULTANT and COUNTY and shall be subject to approval by the Federal Aviation Administration for federally funded work and the Florida Department of Transportation for state-funded work, as applicable. The CONSULTANT's Services will be paid for by the COUNTY for Services under each authorized Task Order as indicated in Article 7 hereof. The CONSULTANT shall, at its own expense, obtain all data and information (other than that referred to in Article 3 hereof) necessary for the performance of its Services.
- 1.3 The CONSULTANT and the Services rendered by the CONSULTANT shall follow and conform to the Scope of Services and/or special provisions of each Task Order. The CONSULTANT is solely responsible to the COUNTY for correcting errors resulting from the CONSULTANT'S faulty or inaccurate performance.

## **ARTICLE 2: ADDITIONAL SERVICES OF THE CONSULTANT**

If authorized in writing by the COUNTY, the CONSULTANT shall furnish Additional Services pursuant to this Agreement, which are considered by the COUNTY to be beyond the scope of an authorized Task Order. Additional services shall be documented by an additional Task Order and paid for by the COUNTY as indicated in Article 7 hereof.

## **ARTICLE 3: OBLIGATIONS OF THE COUNTY**

- 3.1 The COUNTY shall, with reasonable promptness, provide to the CONSULTANT available information regarding the requirements of the Services.
- 3.2 The COUNTY shall make all provisions for the CONSULTANT to enter upon public and private property as required for the CONSULTANT to perform Services under this Agreement.
- 3.3 The COUNTY shall give prompt written notice to the CONSULTANT whenever the COUNTY observes or otherwise becomes aware of any development that affects the scope or timing of the CONSULTANT's Services.
- 3.4 The COUNTY and the COUNTY'S employees, agents, contractors and subcontractors shall promptly report to the CONSULTANT any defects in or problems with the Services being provided hereunder by the CONSULTANT in order to permit the CONSULTANT to take prompt and effective corrective action to remedy the defect and minimize any consequences which may result from such defective work.
- 3.5 Unless otherwise agreed to in an authorized Task Order under this Agreement, the COUNTY shall obtain, arrange, and pay for all advertisements for bids; permits and licenses required by local, state, or federal authorities; and land, easements, right-of-way, and access necessary for the CONSULTANT'S Services or project construction.

- 3.6 The COUNTY shall examine the CONSULTANT'S studies, reports, sketches, drawings, specifications, proposals, and other documents and shall render in writing decisions required by the COUNTY in a timely manner.

#### **ARTICLE 4: OBLIGATIONS OF THE CONSULTANT**

- 4.1 Standard of Practice: The standard of care applicable to CONSULTANT's Services shall be the degree of skill and diligence normally employed by professional engineers or consultants performing the same or similar services at the time said services are performed and in the same or similar locality.
- 4.2 Subsurface Investigations: In soils, foundation, groundwater, and other subsurface investigations, the actual characteristics may vary significantly between successive test points and sample intervals and at locations other than where observations, exploration, and investigations have been made. Because of the inherent uncertainties in subsurface evaluations, changed or unanticipated underground conditions may occur that could affect the execution and costs of the authorized Services under this Agreement. These conditions and the execution/cost effects shall not be the responsibility of the CONSULTANT.

The CONSULTANT will conduct the research that in its professional opinion is necessary and will prepare a plan indicating the locations for subsurface penetrations with respect to assumed locations of existing underground improvements. Such services by the CONSULTANT or its subconsultants will be performed in a manner consistent with the ordinary standard of professional care. The COUNTY recognizes, however, that such research may not identify all underground improvements and that the information upon which the CONSULTANT reasonably relies may contain errors or may be incomplete. Therefore, the COUNTY agrees, to the fullest extent permitted by law, to waive all claims and causes of action against the CONSULTANT and anyone for whom the CONSULTANT may be legally liable, for damages to underground improvements resulting from subsurface penetrations in locations established by the CONSULTANT that are based on properly filed and available records of said underground improvements.

- 4.3 CONSULTANT's Personnel at Construction Site: The presence or duties of the CONSULTANT's personnel at a construction site, whether as onsite representatives or otherwise, shall not make the CONSULTANT or the CONSULTANT'S personnel in any way responsible for those duties that belong to the COUNTY and/or the construction contractors or other entities, and do not relieve the construction contractors or any other entity of their obligations, duties, and responsibilities, including, but not limited to, all construction methods, means, techniques, sequences, and procedures necessary for coordinating and completing all portions of the construction work in accordance with the construction contract documents and any health or safety precautions required by such construction work.

If and as requested by the COUNTY to perform construction inspection services per an authorized Task Order, the CONSULTANT shall be responsible for observing and inspecting construction activities and reporting to the COUNTY activities observed during construction. The CONSULTANT shall report to the COUNTY in a timely manner any observed health, safety, and other deficiencies in the work

performed by the construction contractor(s) that are inconsistent with the requirements of the construction documents. The CONSULTANT neither guarantees the performance of the construction contractor(s) nor assumes responsibility for construction contractor's failure to perform work in accordance with the construction documents.

For this Agreement, construction sites shall include places of manufacture for materials incorporated into the construction work, and construction contractors shall include manufacturers of materials incorporated into the construction work.

- 4.4 Construction Progress Payments: Recommendations by the CONSULTANT to the COUNTY for periodic construction progress payments to the construction contractor(s) shall be based on the CONSULTANT'S knowledge, information, and belief from selective sampling that the work has progressed to the point indicated. Such recommendations shall not represent that the CONSULTANT has made an examination to ascertain how or for what purpose the construction contractor(s) have used the monies paid; that title to any of the work, materials, or equipment has passed to the COUNTY free and clear of liens, claims, security interests, or encumbrances; or that there are not other matters at issue between the COUNTY and the construction contractor(s) that affect the amount that should be paid.
- 4.5 Record Drawings: Record drawings, if required, will be prepared on the basis of information compiled by the CONSULTANT and information furnished by others and shall represent the location, type of various components, and manner in which the project was finally constructed to the best knowledge, information, and belief of CONSULTANT. Record drawing deliverables shall be limited to the sealed and signed hard copies.
- 4.6 Asbestos or Hazardous Substances: If asbestos or hazardous substances in any form are encountered or suspected, the CONSULTANT shall stop its own work in the affected portions to permit testing and evaluation. If asbestos or other hazardous substances are suspected, the CONSULTANT shall, if requested, manage testing to determine the extent of the issue, manage the necessary studies to recommend necessary remedial measures, and manage remediation activities using a qualified subcontractor at an additional fee and contract terms to be negotiated. The COUNTY recognizes that the CONSULTANT assumes no risk and/or liability for a waste or hazardous waste site originated by other than the CONSULTANT.
- 4.7 DBE/MBE/WBE/Veteran Owned Business Participation: The CONSULTANT will follow all federal, state, and local guidelines regarding Disadvantaged Business Enterprise, Minority Business Enterprise, Woman Business Enterprise, and Veteran Owned Business programs and encourage participation by these companies as much as possible.
- 4.8 Procurement Guidelines: The Consultant shall abide by all federal, state, and local procurement guidelines including 2 CFR 200 standards.

## **ARTICLE 5: PERIOD OF SERVICE**

- 5.1 The Services called for hereunder shall be completed in accordance with the respective task schedules as indicated in separately authorized Task Orders. The CONSULTANT shall perform authorized Services under this Agreement with due and reasonable diligence consistent with sound professional practices.
- 5.2 This Agreement shall remain in effect three (3) years from the date signed, unless sooner terminated as provided in Article 9 herein or extended by mutual agreement in writing. This Agreement may be renewed for an additional one-year period, two consecutive times.
- 5.3 The CONSULTANT shall give prompt written notice to the COUNTY whenever the CONSULTANT observes or otherwise becomes aware of any development that affects the scope or timing of the CONSULTANT's Services.

## **ARTICLE 6: REIMBURSABLE EXPENSES DEFINED**

- 6.1 Reimbursable Expenses shall be defined as actual expenses incurred by the CONSULTANT and the CONSULTANT's independent professional associates or consultants, directly and indirectly in connection with the Services, such as expenses for transportation and subsistence incidental thereto; obtaining bids or proposals from contractor(s); providing and maintaining field office facilities including furnishings and utilities; subsistence and transportation of Resident Project Representatives and their assistants; toll telephone calls, facsimiles and telegrams; reproduction of reports, Drawings, Specifications, Bidding Documents and similar Services-related items.

The COUNTY's responsibility for providing compensation to the CONSULTANT for Reimbursable Expenses shall be limited to only those Reimbursable Expenses identified and agreed to in an authorized Task Order.

- 7.1 The COUNTY shall pay the CONSULTANT for Basic and Additional Services and Reimbursable Expenses on the basis set forth in Exhibit 2 attached herein and in each separately authorized Task Order.

- 9.2 The COUNTY may suspend work called for in an authorized Task Order for a period not to exceed sixty (60) days. In the event of such suspension, the COUNTY shall pay the CONSULTANT for the work satisfactorily completed up to the date of suspension.

Re: Agreement for Professional Airport General Consulting Services  
Between the Taylor County Board of County Commissioners and  
Avcon, Inc.

Dear LaWanda and Gary:

Please be advised that pursuant to your request I have reviewed the above proposed Agreement between the county and Avcon, Inc.

The Agreement looks okay to me but I just want to bring attention to the following provisions of the Agreement:

1. Paragraph 4.6 Asbestos or Hazardous Substances. The last sentence of this paragraph reads, "The County recognizes that the Consultant assumes no risk and/or liability for a waste or hazardous waste site originated by other than the Consultant."

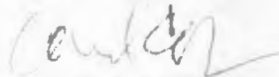

2. Paragraph 6.2 provides that the county will compensate the Consultant for only reimbursable expenses identified and agrees to in an authorized Task Order.
3. Paragraph 7.2 Consultant shall submit monthly invoices to the County for service rendered and reimbursable expenses and the County pay same within thirty (30) days following the county's receipt of same.
4. Paragraph 9.1. Each party may terminate this Agreement upon giving fourteen (14) calendar days. Notice in writing, within thirty (30) days of the termination date the County will pay the Consultant for services satisfactorily completed by the Consultant.
5. Paragraphs 12.2 and 12.3 Both paragraphs need to add at the end (Section 768.28 Florida Statutes.
6. Paragraph 14.4 should read, "Venue of any litigation shall be exclusively in the State of Florida and Court in and for Taylor County, Florida.

If you have a question, please let me know.

Thank you and I hope you are doing fine.

Happy Holidays.

Respectfully,

Conrad C. Bishop, Jr.

## MITIGATION CREDIT PURCHASE AGREEMENT

**THIS MITIGATION CREDIT PURCHASE AGREEMENT** (hereinafter "**Agreement**") is made this \_\_\_\_ day of \_\_\_\_\_, 202\_\_, by and between **FGCMB Credits, LLC**, ("**Seller**"), whose mailing address is 1170 Peachtree Road NE, Suite 1150, Atlanta, GA 30309, and **TAYLOR COUNTY BOARD OF COUNTY COMMISSIONERS** ("**Buyer**"), whose mailing address is 201 East Green Street, Perry, FL 32347 (the "**Parties**").

### WITNESSETH:

**WHEREAS**, Seller owns the Florida Gulf Coast Mitigation Bank in Levy County, Florida (the "**Mitigation Property**"), which has freshwater and saltwater mitigation credits available for transfer and sale, under Florida Department of Environmental Protection ("**FDEP**") Permit No. 0331638-001 and U.S. Army Corps of Engineers ("**USACE**") Permit No. SAJ-2009-00466-TMF;

**WHEREAS**, Buyer proposes to purchase mitigation credits for the **1<sup>ST</sup> AVENUE SE** project, for which it has submitted for a Suwannee River Water Management District (hereinafter "**SRWMD**") Permit Number: ERP-123-241556-1 and Florida Department of Environmental Protection 404 Permit No. 62-0413895-001;

**WHEREAS**, as part of the environmental permitting for the Project, Buyer anticipates that the permit from SRWMD and FDEP will require the purchase of Freshwater and Saltwater Mitigation Credits as compensatory mitigation;

**WHEREAS**, the Project is within the freshwater and saltwater service area for which credits from the Mitigation Property are available;

**WHEREAS**, Buyer desires to buy from Seller **0.20 Freshwater Depression Marsh and 0.26 Saltwater UMAM State and Federal Mitigation Credits** required for the Project; and

**WHEREAS**, the number of credits to be purchased by Buyer for the Project has been determined by Buyer after consultation with its advisors to be 0.20 Freshwater and 0.26 Saltwater (the "**Credits**").

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants hereinafter contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto, each intending to be legally bound, do hereby warrant and agree as follows:

**1. Purchase Price.** The purchase price (the "**Purchase Price**") for the Freshwater Credits is \$220,000.00/Credit; and the purchase price for the Saltwater Credits is \$400,000.00/Credit. The purchase price for 0.20 Freshwater and 0.26 Saltwater Credits is \$148,000.00 and is payable in immediately available funds. All payments shall be paid to the account of **FGCMB Credits, LLC**, 1170 Peachtree Road NE, Suite 1150, Atlanta, GA 30309. If credits determined by agency permit

to be less than the anticipated number, seller to reduce total purchase based on the credit price. If credits determined by agency permit to be more than the anticipate number, seller agrees to provide up to 100% additional credit purchase at same per credit price.

**2. Deposit.** Buyer agrees to pay a 10% deposit, in the amount of \$14,800.00 (the “**Deposit**”), to Seller on the same day Buyer signs and delivers this Agreement to Seller. The Deposit is not refundable to Buyer except if Buyer terminates this Agreement under Section 8 because of a breach by Seller. The Deposit will be credited against the Purchase Price paid by Buyer for the Credits.

**3. Buyer’s Contingency.** If Buyer does not obtain the permits for the Project by January 25, 2024, Buyer may terminate this Agreement by written notice to Seller on or before that date, in which case Seller is entitled to retain the Deposit as liquidated damages and Seller and Buyer agree that neither Party will have any further rights or obligations under this Agreement.

**4. Seller’s Agreements.** Seller agrees to comply with all conditions and continuing requirements set forth in Seller’s permits from the SRWMD and FDEP for the Mitigation Property. Responsibility for compliance with Seller’s permits as to mitigation on the Mitigation Property is solely Seller’s responsibility.

**5. Payment of Purchase Price and Request to Transfer Credits.** If Buyer does not terminate this Agreement under Section 3, Buyer agrees to pay the balance of the Purchase Price to Seller, less a credit for the Deposit, on or before the deadline in Section 3. Seller agrees, within 10 business days after it receives the full Purchase Price and all information from Buyer needed to request the transfer of the Credits, to deliver to Buyer a signed Minor Permit Modification request for the transfer of the Credits to Buyer in accordance with paragraph 19 of FDEP Permit No. 0331638-001, along with any other documentation FDEP or USACE requires to transfer the Credits to Buyer for the Project. Buyer acknowledges that the transfer of Credits by FDEP generally takes 30 to 60 days after FDEP receives the request. Buyer agrees that once it pays the full Purchase Price to Seller, the Purchase Price is nonrefundable unless Buyer terminates this Agreement under Section 8 because of a breach by Seller of its obligations under this Agreement.

**6. Debit of Credits and Transfer.** Seller agrees, within 10 business days after it receives notice from SRWMD and FDEP that they have debited the Credits to Seller and credited them to Buyer, as evidenced by SRWMD and FDEP’s approval of the requested Minor Permit Modification, Seller agrees to sign and deliver a bill of sale to Buyer to document the transfer of the Credits to Buyer, together with any additional documents Buyer reasonably request to effector or confirm the transfer.

**Subsequent Transfer of Credits.** Buyer agrees not to transfer any of the Credits, including any excess credits that Buyer does not need for the Project named in this Agreement, to any other person, or use or allow any of the Credits to be used for any project other than the Project named in this Agreement, without Seller’s written consent. Buyer’s request for any such consent must include a copy of the signed letter of intent, purchase agreement, or other evidence of the proposed transaction, as well as the identity of the proposed purchaser, the project for which the

credits are proposed to be used, the number and type of credits Buyer proposes to transfer, the purchase price per credit to the proposed purchaser, and any other relevant or material information. Buyer agrees that if it requests Seller's consent to transfer any or all of the Credits, Seller may, instead of consenting or refusing to consent to the proposed transfer, elect to repurchase from Buyer the Credits described in Buyer's request for consent at a price per credit equal to the lesser of (a) the price per credit offered to the proposed purchaser or (b) the Purchase Price per Credit Buyer paid for those Credits under this Agreement. This Section 7 will survive the sale and transfer of the Credits to Buyer. If additional credits are not utilized for this project, Seller will allow Buyer to use the credits for another project as long as it is with the same entity. Credits are not to be assigned to a 3<sup>rd</sup> party.

**7. Breach of Seller.** If, for any reason, the Credits have not been conveyed to Buyer due to breach by Seller of this Agreement, Buyer may give Seller written notice of the breach, and Seller will have 20 days to remedy the breach. If Seller does not remedy the breach within 20 days after Buyer's default notice, Buyer may, as its exclusive right or remedy with respect to a breach by Seller, terminate this Agreement by written notice, in which case Seller agrees to refund the Deposit or, if Buyer has paid the full Purchase Price, the Purchase Price, to Buyer.

**8. Successors and Assigns.** Neither Party may assign its rights or obligations under this Agreement, but this Agreement shall inure to the benefit of and be binding upon the legal successors of the Parties to this Agreement.

**9. Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Florida.

If the Department's funding for this Project is in multiple fiscal years, funds approval from the Department's Comptroller must be received each fiscal year prior to costs being incurred. See **Exhibit "B"** for funding levels by fiscal year. Project costs utilizing these fiscal year funds are not eligible for reimbursement if incurred prior to funds approval being received. The Department will notify the Recipient, in writing, when funds are available.
- m. In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

"The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years, and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year."

**6. Department Payment Obligations:**

Subject to other provisions of this Agreement, the Department will honor requests for reimbursement to the Recipient pursuant to this Agreement. However, notwithstanding any other provision of this Agreement, the Department may elect by notice in writing not to make a payment if:

- a. The Recipient shall have made misrepresentation of a material nature in its application, or any supplement or amendment to its application, or with respect to any document or data furnished with its application or pursuant to this Agreement;
- b. There is any pending litigation with respect to the performance by the Recipient of any of its duties or obligations which may jeopardize or adversely affect the Project, the Agreement or payments to the Project;
- c. The Recipient shall have taken any action pertaining to the Project which, under this Agreement, requires the approval of the Department or has made a related expenditure or incurred related obligations without having been advised by the Department that same are approved;
- d. There has been any violation of the conflict of interest provisions contained in paragraph 14.f.; or
- e. The Recipient has been determined by the Department to be in default under any of the provisions of the Agreement.

The Department may suspend or terminate payment for that portion of the Project which the Federal Highway Administration ("FHWA"), or the Department acting in lieu of FHWA, may designate as ineligible for Federal-aid.

In determining the amount of the payment, the Department will exclude all Project costs incurred by the Recipient prior to the Department's issuance of a Notice to Proceed ("NTP"), costs incurred after the expiration of the Agreement, costs which are not provided for in the latest approved schedule of funding in **Exhibit "B"** for the Project, costs agreed to be borne by the Recipient or its contractors and subcontractors for not meeting the Project commencement and final invoice time lines, and costs attributable to goods or services received under a contract or other arrangements which have not been approved in writing by the Department.

**7. General Requirements:**

The Recipient shall complete the Project with all practical dispatch, in a sound, economical, and efficient manner, and in accordance with the provisions in this Agreement, and all applicable laws. The Project will be performed in accordance with all applicable Department procedures, guidelines, manuals, standards, and directives as described in the Department's Local Agency Program Manual (FDOT Topic No. 525-010-300), which by this reference is made a part of this Agreement. Time is of the essence as to each and every obligation under this Agreement.

- a. A full time employee of the Recipient, qualified to ensure that the work being pursued is complete, accurate, and consistent with the terms, conditions, and specifications of this Agreement shall be in responsible charge of the Project, which employee should be able to perform the following duties and functions:
  - i. Administers inherently governmental project activities, including those dealing with cost, time,

adherence to contract requirements, construction quality and scope of Federal-aid projects;

- ii. Maintains familiarity of day to day Project operations, including Project safety issues;
  - iii. Makes or participates in decisions about changed conditions or scope changes that require change orders or supplemental agreements;
  - iv. Visits and reviews the Project on a frequency that is commensurate with the magnitude and complexity of the Project;
  - v. Reviews financial processes, transactions and documentation to ensure that safeguards are in place to minimize fraud, waste, and abuse;
  - vi. Directs Project staff, agency or consultant, to carry out Project administration and contract oversight, including proper documentation;
  - vii. Is aware of the qualifications, assignments and on-the-job performance of the Recipient and consultant staff at all stages of the Project.
- b. Once the Department issues the NTP for the Project, the Recipient shall be obligated to submit an invoice or other request for reimbursement to the Department no less than once every 90 days (quarterly), beginning from the day the NTP is issued. If the Recipient fails to submit quarterly invoices to the Department, and in the event the failure to timely submit invoices to the Department results in the FHWA removing any unbilled funding or the loss of state appropriation authority (which may include the loss of state and federal funds, if there are state funds programmed to the Project), then the Recipient will be solely responsible to provide all funds necessary to complete the Project and the Department will not be obligated to provide any additional funding for the Project. The Recipient waives the right to contest such removal of funds by the Department, if the removal is related to FHWA's withdrawal of funds or if the removal is related to the loss of state appropriation authority. In addition to the loss of funding for the Project, the Department will also consider the de-certification of the Recipient for future LAP Projects. No cost may be incurred under this Agreement until after the Recipient has received a written NTP from the Department. The Recipient agrees to advertise or put the Project out to bid thirty (30) days from the date the Department issues the NTP to advertise the Project. If the Recipient is not able to meet the scheduled advertisement, the Department District LAP Administrator should be notified as soon as possible.
- c. If all funds are removed from the Project, including amounts previously billed to the Department and reimbursed to the Recipient, and the Project is off the State Highway System, then the Department will have to request repayment for the previously billed amounts from the Recipient. No state funds can be used on off-system projects, unless authorized pursuant to **Exhibit "I", State Funds Addendum**, which will be attached to and incorporated in this Agreement in the event state funds are used on the Project.
- d. In the event that any election, referendum, approval, permit, notice or other proceeding or authorization is required under applicable law to enable the Recipient to enter into this Agreement or to undertake the Project or to observe, assume or carry out any of the provisions of the Agreement, the Recipient will initiate and consummate, as provided by law, all actions necessary with respect to any such matters.
- e. The Recipient shall initiate and prosecute to completion all proceedings necessary, including Federal-aid requirements, to enable the Recipient to provide the necessary funds for completion of the Project.
- f. The Recipient shall submit to the Department such data, reports, records, contracts, and other documents relating to the Project as the Department and FHWA may require. The Recipient shall make such submissions using Department-designated information systems.
- g. Federal-aid funds shall not participate in any cost which is not incurred in conformity with applicable federal and state laws, the regulations in 23 Code of Federal Regulations (C.F.R.) and 49 C.F.R., and policies and procedures prescribed by the Division Administrator of FHWA. Federal funds shall not be paid on account of any cost incurred prior to authorization by FHWA to the Department to proceed with the Project or part thereof involving such cost (23 C.F.R. 1.9 (a)). If FHWA or the Department determines that any amount

claimed is not eligible, federal participation may be approved in the amount determined to be adequately supported and the Department shall notify the Recipient in writing citing the reasons why items and amounts are not eligible for federal participation. Where correctable non-compliance with provisions of law or FHWA requirements exists federal funds may be withheld until compliance is obtained. Where non-compliance is not correctable, FHWA or the Department may deny participation in parcel or Project costs in part or in total. For any amounts determined to be ineligible for federal reimbursement for which the Department has advanced payment, the Recipient shall promptly reimburse the Department for all such amounts within 90 days of written notice.

- h. For any project requiring additional right-of-way, the Recipient must submit to the Department an annual report of its real property acquisition and relocation assistance activities on the project. Activities shall be reported on a federal fiscal year basis, from October 1 through September 30. The report must be prepared using the format prescribed in 49 C.F.R. Part 24, Appendix B, and be submitted to the Department no later than October 15 of each year.

**8. Audit Reports:**

The administration of resources awarded through the Department to the Recipient by this Agreement may be subject to audits and/or monitoring by the Department. The following requirements do not limit the authority of the Department to conduct or arrange for the conduct of additional audits or evaluations of federal awards or limit the authority of any state agency inspector general, the State of Florida Auditor General, or any other state official. The Recipient shall comply with all audit and audit reporting requirements as specified below.

- a. In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, monitoring procedures may include, but not be limited to, on-site visits by Department staff and/or other procedures including, reviewing any required performance and financial reports, following up, ensuring corrective action, and issuing management decisions on weaknesses found through audits when those findings pertain to federal awards provided through the Department by this Agreement. By entering into this Agreement, the Recipient agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department, State of Florida Chief Financial Officer (“CFO”), or State of Florida Auditor General.
- b. The Recipient, a non-federal entity as defined by 2 CFR Part 200, as a subrecipient of a federal award awarded by the Department through this Agreement is subject to the following requirements:
  - i. In the event the Recipient expends a total amount of federal awards equal to or in excess of the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, the Recipient must have a federal single or program-specific audit for such fiscal year conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements. **Exhibit “E”** to this Agreement provides the required federal award identification information needed by the Recipient to further comply with the requirements of 2 CFR Part 200, Subpart F – Audit Requirements. In determining federal awards expended in a fiscal year, the Recipient must consider all sources of federal awards based on when the activity related to the federal award occurs, including the federal award provided through the Department by this Agreement. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200, Subpart F – Audit Requirements. An audit conducted by the State of Florida Auditor General in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, will meet the requirements of this part.
  - ii. In connection with the audit requirements, the Recipient shall fulfill the requirements relative to the auditee responsibilities as provided in 2 CFR Part 200, Subpart F – Audit Requirements.

- iii. In the event the Recipient expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in federal awards, the Recipient is exempt from federal audit requirements for that fiscal year. However, the Recipient must provide a single audit exemption statement to the Department at [FDOTSingleAudit@dot.state.fl.us](mailto:FDOTSingleAudit@dot.state.fl.us) no later than nine months after the end of the Recipient's audit period for each applicable audit year. In the event the Recipient expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in federal awards in a fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, the cost of the audit must be paid from non-federal resources (*i.e.*, the cost of such an audit must be paid from the Recipient's resources obtained from other than federal entities).
- iv. The Recipient must electronically submit to the Federal Audit Clearinghouse ("FAC") at <https://harvester.census.gov/facweb/> the audit reporting package as required by 2 CFR Part 200, Subpart F – Audit Requirements, within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The FAC is the repository of record for audits required by 2 CFR Part 200, Subpart F – Audit Requirements, and this Agreement. However, the Department requires a copy of the audit reporting package also be submitted to [FDOTSingleAudit@dot.state.fl.us](mailto:FDOTSingleAudit@dot.state.fl.us) within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period as required by 2 CFR Part 200, Subpart F – Audit Requirements.
- v. Within six months of acceptance of the audit report by the FAC, the Department will review the Recipient's audit reporting package, including corrective action plans and management letters, to the extent necessary to determine whether timely and appropriate action on all deficiencies has been taken pertaining to the federal award provided through the Department by this Agreement. If the Recipient fails to have an audit conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, the Department may impose additional conditions to remedy noncompliance. If the Department determines that noncompliance cannot be remedied by imposing additional conditions, the Department may take appropriate actions to enforce compliance, which actions may include but not be limited to the following:
  - 1. Temporarily withhold cash payments pending correction of the deficiency by the Recipient or more severe enforcement action by the Department;
  - 2. Disallow (deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance;
  - 3. Wholly or partly suspend or terminate the federal award;
  - 4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of the Department, recommend such a proceeding be initiated by the federal awarding agency);
  - 5. Withhold further federal awards for the Project or program;
  - 6. Take other remedies that may be legally available.
- vi. As a condition of receiving this federal award, the Recipient shall permit the Department or its designee, the CFO, or State of Florida Auditor General access to the Recipient's records including financial statements, the independent auditor's working papers, and project records as necessary. Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is complete or the dispute is resolved.
- vii. The Department's contact information for requirements under this part is as follows:

Office of Comptroller, MS 24  
605 Suwannee Street  
Tallahassee, Florida 32399-0450  
[FDOTSingleAudit@dot.state.fl.us](mailto:FDOTSingleAudit@dot.state.fl.us)

- c. The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued and shall allow the Department or its designee, the CFO, or State of Florida Auditor General access to such records upon request. The Recipient shall ensure that the audit working papers are made available to the Department or its designee, the CFO, or State of Florida Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Department.

**9. Termination or Suspension of Project:**

The Department may, by written notice to the Recipient, suspend any or all of the Department's obligations under this Agreement for the Recipient's failure to comply with applicable law or the terms of this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected.

- a. If the Department intends to terminate the Agreement, the Department shall notify the Recipient of such termination in writing at least thirty (30) days prior to the termination of the Agreement, with instructions to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.
- b. The Parties to this Agreement may terminate this Agreement when its continuation would not produce beneficial results commensurate with the further expenditure of funds. In this event, the Parties shall agree upon the termination conditions.
- c. If the Agreement is terminated before performance is completed, the Recipient shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed the equivalent percentage of the Department's maximum financial assistance. If any portion of the Project is located on the Department's right-of-way, then all work in progress on the Department right-of-way will become the property of the Department and will be turned over promptly by the Recipient.
- d. In the event the Recipient fails to perform or honor the requirements and provisions of this Agreement, the Recipient shall promptly refund in full to the Department within thirty (30) days of the termination of the Agreement any funds that were determined by the Department to have been expended in violation of the Agreement.
- e. The Department reserves the right to unilaterally cancel this Agreement for failure by the Recipient to comply with the Public Records provisions of Chapter 119, Florida Statutes.

**10. Contracts of the Recipient:**

- a. Except as otherwise authorized in writing by the Department, the Recipient shall not execute any contract or obligate itself in any manner requiring the disbursement of Department funds, including consultant or construction contracts or amendments thereto, with any third party with respect to the Project without the written approval of the Department. Failure to obtain such approval shall be sufficient cause for nonpayment by the Department. The Department specifically reserves the right to review the qualifications of any consultant or contractor and to approve or disapprove the employment of such consultant or contractor.
- b. It is understood and agreed by the parties to this Agreement that participation by the Department in a project with the Recipient, where said project involves a consultant contract for engineering, architecture or surveying services, is contingent on the Recipient's complying in full with provisions of Section 287.055, Florida Statutes, Consultants' Competitive Negotiation Act, the federal Brooks Act, 23 C.F.R. 172, and 23 U.S.C. 112. At the discretion of the Department, the Recipient will involve the Department in the consultant selection process for all projects funded under this Agreement. In all cases, the Recipient shall certify to the Department that selection has been accomplished in compliance with the Consultants' Competitive Negotiation Act and the federal Brooks Act.
- c. The Recipient shall comply with, and require its consultants and contractors to comply with applicable federal law pertaining to the use of Federal-aid funds. The Recipient shall comply with the provisions in the FHWA-1273 form as set forth in **Exhibit "G"**, FHWA 1273 attached to and incorporated in this Agreement. The Recipient shall include FHWA-1273 in all contracts with contractors performing work on the Project.
- d. The Recipient shall require its consultants and contractors to take emergency steps to close any public road whenever there is a risk to life, health and safety of the travelling public. The safety of the travelling public is the Department's first priority for the Recipient. If lane or road closures are required by the LA to ensure the life, health, and safety of the travelling public, the LA must notify the District Construction Engineer and District Traffic Operations Engineer immediately once the travelling public are not at imminent risk. The Department expects professional engineering judgment be applied in all aspects of locally delivered projects. Defect management and supervision of LAP project structures components must be

proactively managed, monitored, and inspected by department prequalified structures engineer(s). The District Construction Engineer must be notified immediately of defect monitoring that occurs in LAP project construction, whether or not the defects are considered an imminent risk to life, health, or safety of the travelling public. When defects, including but not limited to, structural cracks, are initially detected during bridge construction, the engineer of record, construction engineering inspector, design-build firm, or local agency that owns or is responsible for the bridge construction has the authority to immediately close the bridge to construction personnel and close the road underneath. The LA shall also ensure compliance with the CPAM, Section 9.1.8 regarding actions for maintenance of traffic and safety concerns.

**11. Disadvantaged Business Enterprise (DBE) Policy and Obligation:**

It is the policy of the Department that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with Department funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement.

The Recipient and its contractors agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The Recipient and its contractors and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.

**12. Compliance with Conditions and Laws:**

The Recipient shall comply and require its contractors and subcontractors to comply with all terms and conditions of this Agreement and all federal, state, and local laws and regulations applicable to this Project. Execution of this Agreement constitutes a certification that the Recipient is in compliance with, and will require its contractors and subcontractors to comply with, all requirements imposed by applicable federal, state, and local laws and regulations, including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions," in 49 C.F.R. Part 29, and 2 C.F.R. Part 200 when applicable.

**13. Performance Evaluations:**

Recipients are evaluated on a project-by-project basis. The evaluations provide information about oversight needs and provide input for the recertification process. Evaluations are submitted to the Recipient's person in responsible charge or designee as part of the Project closeout process. The Department provides the evaluation to the Recipient no more than 30 days after final acceptance.

- a. Each evaluation will result in one of three ratings. A rating of Unsatisfactory Performance means the Recipient failed to develop the Project in accordance with applicable federal and state regulations, standards and procedures, required excessive District involvement/oversight, or the Project was brought in-house by the Department. A rating of Satisfactory Performance means the Recipient developed the Project in accordance with applicable federal and state regulations, standards and procedures, with minimal District involvement/oversight. A rating of Above Satisfactory Performance means the Recipient developed the Project in accordance with applicable federal and state regulations, standards and procedures, and the Department did not have to exceed the minimum oversight and monitoring requirements identified for the project.
- b. The District will determine which functions can be further delegated to Recipients that continuously earn Satisfactory and Above Satisfactory evaluations.

**14. Restrictions, Prohibitions, Controls, and Labor Provisions:**

During the performance of this Agreement, the Recipient agrees as follows, and agrees to require its contractors and subcontractors to include in each subcontract the following provisions:

- a. The Recipient will comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964, the regulations of the U.S. Department of Transportation issued thereunder, and the assurance by the Recipient pursuant thereto. The Recipient shall include the attached **Exhibit "C"**, Title VI Assurances in all contracts

with consultants and contractors performing work on the Project that ensure compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R. Part 21, and related statutes and regulations.

- b. The Recipient will comply with all the requirements as imposed by the ADA, the regulations of the Federal Government issued thereunder, and assurance by the Recipient pursuant thereto.
- c. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.
- d. In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid on a contract to provide goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity.
- e. An entity or affiliate who has had its Certificate of Qualification suspended, revoked, denied or have further been determined by the Department to be a non-responsible contractor may not submit a bid or perform work for the construction or repair of a public building or public work on a contract with the Recipient.
- f. Neither the Recipient nor any of its contractors or their subcontractors shall enter into any contract, subcontract or arrangement in connection with the Project or any property included or planned to be included in the Project in which any member, officer or employee of the Recipient or the locality during tenure or for 2 years thereafter has any interest, direct or indirect. If any such present or former member, officer or employee involuntarily acquires or had acquired prior to the beginning of tenure any such interest, and if such interest is immediately disclosed to the Recipient, the Recipient, with prior approval of the Department, may waive the prohibition contained in this paragraph provided that any such present member, officer or employee shall not participate in any action by the Recipient or the locality relating to such contract, subcontract or arrangement. The Recipient shall insert in all contracts entered into in connection with the Project or any property included or planned to be included in any Project, and shall require its contractors to insert in each of their subcontracts, the following provision:

"No member, officer or employee of the Recipient or of the locality during his tenure or for 2 years thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof."

The provisions of this paragraph shall not be applicable to any agreement between the Recipient and its fiscal depositories or to any agreement for utility services the rates for which are fixed or controlled by a governmental agency.

- g. No member or delegate to the Congress of the United States shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

**15. Indemnification and Insurance:**

- a. It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of this Agreement to create in the public or any member thereof, a third-party beneficiary under this Agreement, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement. The Recipient guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Recipient or any subcontractor, in connection with this Agreement.

- b. To the extent provided by law, Recipient shall indemnify, defend, and hold harmless the Department against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of Recipient, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by Recipient hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes. The foregoing indemnification shall not constitute a waiver of the Department's or Recipient's sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, nor shall the same be construed to constitute agreement by Recipient to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or for the acts of third parties. Nothing herein shall be construed as consent by Recipient to be sued by third parties in any manner arising out of this Agreement. This indemnification shall survive the termination of this Agreement.
- c. Recipient agrees to include the following indemnification in all contracts with contractors, subcontractors, consultants, or subconsultants (each referred to as "Entity" for the purposes of the below indemnification) who perform work in connection with this Agreement:

"To the extent provided by law, [ENTITY] shall indemnify, defend, and hold harmless the [RECIPIENT] and the State of Florida, Department of Transportation, including the Department's officers, agents, and employees, against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of [ENTITY], or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by [ENTITY].

The foregoing indemnification shall not constitute a waiver of the Department's or [RECIPIENT]'s sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28. Nor shall the same be construed to constitute agreement by [ENTITY] to indemnify [RECIPIENT] for the negligent acts or omissions of [RECIPIENT], its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by [ENTITY] to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. This indemnification shall survive the termination of this Agreement."

- d. The Recipient shall, or cause its contractor or consultant to carry and keep in force, during the term of this Agreement, a general liability insurance policy or policies with a company or companies authorized to do business in Florida, affording public liability insurance with combined bodily injury limits of at least \$200,000 per person and \$300,000 each occurrence, and property damage insurance of at least \$200,000 each occurrence, for the services to be rendered in accordance with this Agreement. The Recipient shall also, or cause its contractor or consultant to carry and keep in force Workers' Compensation Insurance as required by the State of Florida under the Workers' Compensation Law. With respect to any general liability insurance policy required pursuant to this Agreement, all such policies shall be issued by companies licensed to do business in the State of Florida. The Recipient shall provide to the Department certificates showing the required coverage to be in effect with endorsements showing the Department to be an additional insured prior to commencing any work under this Agreement. Policies that include Self Insured Retention will not be accepted. The certificates and policies shall provide that in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty days advance notice shall be given to the Department or as provided in accordance with Florida law.

**16. Maintenance Obligations:** In the event the Project includes construction then the following provisions are incorporated into this Agreement:

- a. The Recipient agrees to maintain any portion of the Project not located on the State Highway System constructed under this Agreement for its useful life. If the Recipient constructs any improvement on Department right-of-way, the Recipient

☐ shall

☒ shall not

maintain the improvements located on the Department right-of-way for their useful life. If the Recipient is required to maintain Project improvements located on the Department right-of-way beyond final acceptance, then Recipient shall, prior to any disbursement of the state funding provided under this

Agreement, also execute a Maintenance Memorandum of Agreement in a form that is acceptable to the Department. The Recipient has agreed to the foregoing by resolution, and such resolution is attached and incorporated into this Agreement as **Exhibit "D"**. This provision will survive termination of this Agreement.

**17. Miscellaneous Provisions:**

- a. The Recipient will be solely responsible for compliance with all applicable environmental regulations, for any liability arising from non-compliance with these regulations, and will reimburse the Department for any loss incurred in connection therewith. The Recipient will be responsible for securing any applicable permits. **LOCAL AGENCY PROGRAM AGREEMENT****EXHIBIT F****CONTRACT PAYMENT REQUIREMENTS****Florida Department of Financial Services, Reference Guide for State Expenditures  
Cost Reimbursement Contracts**

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed indicating that the item has been paid. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

**Salaries:** Timesheets that support the hours worked on the project or activity must be kept. A payroll register, or similar documentation should be maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

**Fringe benefits:** Fringe benefits should be supported by invoices showing the amount paid on behalf of the employee, e.g., insurance premiums paid. If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown. Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

**Travel:** Reimbursement for travel must be in accordance with s. 112.061, F.S., which includes submission of the claim on the approved state travel voucher along with supporting receipts and invoices.

**Other direct costs:** Reimbursement will be made based on paid invoices/receipts and proof of payment processing (cancelled/processed checks and bank statements). If nonexpendable property is purchased using state funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with DMS Rule 60A-1.017, F.A.C., regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in s. 273.02, F.S., for subsequent transfer to the State.

**Indirect costs:** If the contract stipulates that indirect costs will be paid based on a specified rate, then the calculation should be shown. Indirect costs must be in the approved agreement budget and the entity must be able to demonstrate that the costs are not duplicated elsewhere as direct costs. All indirect cost rates must be evaluated for reasonableness and for allowability and must be allocated consistently.

**Contracts between state agencies may submit alternative documentation to substantiate the reimbursement request, which may be in the form of FLAIR reports or other detailed reports.**

As consideration for the services rendered by the Contractor under the terms of this Agreement, the Commission shall pay the Recipient on a fee schedule basis in an amount not to exceed \$20,000.00.

### **B. Payments.**

The Commission shall pay the Recipient for satisfactory performance of the tasks identified in Attachment A as evidenced by the completed deliverables, upon submission of invoices, accompanied by supporting documentation sufficient to justify invoiced expenses or fees, and after acceptance of services and deliverables in writing by the Commission's Grant Manager. Unless otherwise specified in Attachment A, invoices shall be due monthly, commencing from the start date of this Agreement. Invoices must be legible and must clearly reflect the Deliverables that were provided in accordance with the terms of the Agreement

for the invoice period. Unless otherwise specified in Attachment A, a final invoice shall be submitted to the Commission no later than forty-five (45) days following the expiration date of this Agreement to assure the availability of funds for payment. Further, pursuant to Section 215.971(1)(d), F.S., the Commission may only pay the Recipient for allowable costs resulting from obligations incurred during the agreement period.

### **C. Invoices.**

Each invoice shall include the Commission Agreement Number and the Recipient's Federal Employer Identification (FEID) Number. Invoices, with supporting documentation, may be submitted electronically to the attention of the Commission's Grant Manager. If submitting hard copies, an original and two (2) copies of the invoice, plus all supporting documentation, shall be submitted. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. Recipient acknowledges that the Commission's Grant Manager shall reject invoices lacking documentation necessary to justify invoiced expenses.

### **D. Match**

If this Agreement is made pursuant to a grant award as authorized by Rule 68-1.003, F.A.C., the Recipient is not required to contribute non-federal match towards this Agreement. If applicable, details regarding specific match requirements are included in Attachment A.

### **E. State Obligation to Pay.**

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation and authorization to spend by the Legislature. The Parties hereto understand that this Agreement is not a commitment to future appropriations but is subject to appropriation and authority to spend provided by the Legislature. The Commission shall be the final authority as to the availability of funds for this Agreement, and as to what constitutes an "annual appropriation" of funds to complete this Agreement. If such funds are not appropriated or available for the Agreement purpose, such event will not constitute a default on behalf of the Commission or the State. The Commission's Grant Manager shall notify the Recipient in writing at the earliest possible time if funds are not appropriated or available.

### **F. Non-Competitive Procurement and Rate of Payment.**

Section 216.3475, F.S., requires that under non-competitive procurements, a Recipient may not receive a rate of payment in excess of the competitive prevailing rate for those services unless expressly authorized in the General Appropriations Act. If applicable, Recipient warrants, by execution of this Agreement, that the amount of non-competitive compensation provided in this Agreement is in compliance with Section 216.3475, F.S.

### **G. Fixed Price**

The Recipient shall be paid on a fixed price basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in Attachment A. To be eligible for payment, costs must follow the requirements of Section 215.971(1), F.S. and must also be in compliance with other laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures.

Invoices submitted must be itemized by expenditure category as outlined in the approved Agreement budget. Additionally, the invoice must evidence the completion of all tasks required to be performed for the deliverable and must show that the Recipient met the minimum performance standards established in the Agreement. The Commission is required to maintain detailed supporting documentation and to make it available for audit purposes. By submission of the payment request, the Commission is certifying that the

detailed documentation to support each item on the itemized invoice is on file at the agency and is available for audit.

Documentation for each amount for which payment is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for the categories in the approved Agreement budget may be paid. These expenditures must be allowable (pursuant to law) and directly related to the services being provided. The Commission may require more detailed documentation as deemed appropriate to satisfy that the terms of the Agreement have been met.

Listed below are types and examples of their supporting documentation:

- i. **Salaries:** Timesheets that support the hours worked on the project or activity must be kept. A payroll register or similar documentation should be submitted and maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom payment is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- ii. **Tuition:** If the Commission determines tuition, stipends, and/or waivers are allowable costs, the payments must result from obligations incurred during the specified agreement period. Documentation must be provided to show compliance with 215.971, F.S. Examples include but are not limited to keeping timesheets/time and effort reports/logs that support the hours worked on the project or activity. If an individual for whom tuition, stipends and/or waivers are being claimed are paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- iii. **Fringe Benefits:** Supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the Agreement specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.
  - a. Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- iv. **Travel:** To the extent the Commission determines travel is an allowable cost, payment for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher along with supporting receipts and invoices.
- v. **Other Direct Costs:** To the extent the Commission determines other direct costs are allowable, payment will be made based on paid invoices/receipts and proof of payment processing (cancelled/processed checks and bank statements).
- vi. **In-House Charges:** Charges which may be of an internal nature (e.g., postage, copies, etc.) may be paid on a usage log which shows the units times the rate being charged. The rates must be reasonable.
- vii. **Indirect Costs:** To the extent the Commission determines that indirect costs are allowable, and the Agreement specifies that indirect costs will be paid based on a specified rate, then the calculation should be provided in the Agreement's budget breakdown. Indirect costs must be in the approved Agreement budget and the Recipient must be able to demonstrate that the costs are not duplicated

elsewhere as direct costs. All indirect cost rates must be evaluated for reasonableness and for allowability and must be allocated consistently.

For Agreements with another State agency (including State universities):

In lieu of the detailed documentation described above, alternative documentation may be submitted to substantiate the costs requested to be paid. This alternative documentation may be in the form of FLAIR reports or other reports containing sufficient detail.

#### **H. Time Limits for Payment of Invoices.**

Payments shall be made in accordance with Sections 215.422 and 287.0585, F.S., which govern time limits for payment of invoices. Section 215.422, F.S. provides that agencies have five (5) working days to inspect and approve Deliverables, unless Attachment A specifies otherwise. If payment is not available within forty (40) days, measured from the latter of the date the invoice is received or the Deliverables are received, inspected and approved, a separate interest penalty set by the Department of Financial Services pursuant to Section 55.03(1), F.S., will be due and payable in addition to the invoice amount. Invoices returned to a Recipient due to preparation errors will result in a payment delay. Invoice payment requirements do not start until a properly completed invoice is provided to the agency.

#### **I. Electronic Funds Transfer.**

Recipient agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer, within thirty (30) days of the date the last Party has signed this Agreement. Copies of the Authorization form and a sample blank enrollment letter can be found on the vendor instruction page at: <https://www.myfloridacfo.com/Division/AA/Vendors/default.htm>. Questions should be directed to the State of Florida's EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

#### **J. Vendor Ombudsman.**

A Vendor Ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a State agency, may be contacted at (850) 413-5516 or by calling the Chief Financial Officer's Hotline, (800) 342-2762.

### **Section 5. RETURN OR RECOUPMENT OF FUNDS**

#### **A. Unobligated Funds.**

Pursuant to Section 215.971(1)(d)-(e), F.S., the Commission may only pay the Recipient for allowable costs resulting from obligations incurred during the agreement period, and any balance of unobligated funds that has been advanced or paid must be refunded to the Commission. Any funds paid in excess of the amount to which the Recipient is entitled under the terms and conditions of the Agreement must be refunded to the Commission as well. To be eligible for payment, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the above referenced laws and the Reference Guide for State Expenditures.

#### **B. Overpayments to Recipient.**

Pursuant to Section 215.971(1)(f), F.S., any funds paid in excess of the amount to which the Recipient is entitled under the terms and conditions of the Agreement must be refunded to the Commission. In the event the Recipient or its independent auditor discovers that overpayment has been made, the Recipient shall repay said overpayment within forty (40) calendar days without prior notification from the Commission. In

the event the Commission first discovers an overpayment has been made, the Commission will notify the Recipient in writing. Should repayment not be made in a timely manner, the Commission shall be entitled to charge interest at the lawful rate of interest established pursuant to Section 55.03(1), F.S., on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. Refunds should be sent to the Commission's Grant Manager and made payable to the "Florida Fish and Wildlife Conservation Commission."

**C. Additional Costs or Monetary Loss Resulting from Recipient Non-Compliance.**

If the Recipient's non-compliance with any provision of the Agreement results in additional cost or monetary loss to the Commission or the State of Florida to the extent allowed by Florida Law, the Commission can recoup that cost or loss from monies owed to the Recipient under this Agreement or any other agreement between Recipient and the Commission. In the event the discovery of this cost or loss arises when no monies are available under this Agreement or any other agreement between the Recipient and the Commission, the Recipient will repay such cost or loss in full to the Commission within thirty (30) days of the date of notice of the amount owed, unless the Commission agrees, in writing, to an alternative timeframe. If the Recipient is unable to repay any cost or loss to the Commission, the Commission shall notify the State of Florida, Department of Financial Services, for resolution pursuant to Section 17.0415, F.S.

**Section 6. COMMISSION EXEMPT FROM TAXES, PROPERTY EXEMPT FROM LIEN.**

**A. Commission Exempt from Taxes.**

The Recipient recognizes that the State of Florida, by virtue of its sovereignty, is not required to pay any taxes on the services or goods purchased under the terms of this Agreement. The Recipient is placed on notice that this exemption generally does not apply to nongovernmental entity recipients, subrecipients, contractors, or subcontractors. Any questions regarding this tax exemption should be addressed to the Commission's Grant Manager.

**B. Property Exempt from Lien.**

If the Agreement involves the improvement of real property titled to the State of Florida, then the following paragraph applies:

The Recipient acknowledges that Property being improved is titled to the State of Florida and is not subject to lien of any kind for any reason. The Recipient shall include notice of such exemptions in any subcontracts and purchase orders issued hereunder.

**Section 7. MONITORING.**

The Commission's Grant Manager shall actively monitor the Recipient's performance and compliance with the terms of this Agreement. The Commission reserves the right for any Commission staff to make scheduled or unscheduled, announced or unannounced monitoring visits. Specific State and Federal monitoring terms and conditions are found in the Requirements of the Federal and Florida Single Audit Acts, Attachment B. Monitoring terms, conditions, and schedules may be included in Attachment A.

## **Section 8. TERMINATION.**

### **A. Commission Unilateral Termination.**

The Commission may unilaterally terminate this Agreement for convenience by providing the Recipient with thirty (30) calendar days of written notice of its intent to terminate. The Recipient shall not be entitled to recover any cancellation charges or lost profits. The Recipient may request termination of the Agreement for convenience.

### **B. Termination – Fraud or Willful Misconduct.**

This Agreement shall terminate immediately in the event of fraud or willful misconduct. In the event of such termination, the Commission shall provide the Recipient with written notice of termination.

### **C. Termination - Funds Unavailability.**

In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, the Commission may terminate this Agreement upon no less than twenty-four (24) hours' notice in writing to the Recipient. Said notice shall be delivered by certified mail, return receipt requested or in person with proof of delivery. The Commission shall be the final authority as to the availability of funds and will not reallocate funds appropriated for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, the Recipient will be compensated for any work satisfactorily completed and any non-cancellable obligations properly incurred prior to notification of termination.

### **D. Termination – Other.**

The Commission may terminate this Agreement if the Recipient fails to: 1.) comply with all terms and conditions of this Agreement; 2.) produce each deliverable within the time specified by the Agreement or extension; 3.) maintain adequate progress, thus endangering the performance of the Agreement; or, 4.) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences for default. The rights and remedies of the Commission in this clause are in addition to any other rights and remedies provided by law or under the Agreement. The Recipient shall not be entitled to recover any cancellation charges or lost profits.

### **E. Recipient Discontinuation of Activities upon Termination Notice.**

Upon receipt of notice of termination, the Recipient shall, unless the notice directs otherwise, immediately discontinue all activities authorized hereunder. Upon termination of this Agreement, the Recipient shall promptly render to the Commission all property belonging to the Commission. For the purposes of this section, property belonging to the Commission shall include, but shall not be limited to, all books and records kept on behalf of the Commission.

## **Section 9. REMEDIES.**

### **A. Financial Consequences.**

In accordance with Sections 215.971(1)(a) & (b), F.S., Attachment A contains clearly established tasks in quantifiable units of deliverables that must be received and accepted in writing by the agency before payment. Each deliverable specifies the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable. If the Recipient fails to produce each deliverable within the time frame specified by Attachment A, the budget amount allocated for that

deliverable will be deducted from the Recipient's payment. In addition, pursuant to Section 215.971(1)(c), the Commission shall apply any additional financial consequences, identified in Attachment A.

**B. Cumulative Remedies.**

The rights and remedies of the Commission during the agreement period are in addition to any other rights and remedies provided by law or under the Contract.

**Section 10. NOTICES AND CORRESPONDENCE.**

Any and all notices shall be delivered to the individuals identified below. In the event that either Party designates a different Grant Manager after the execution of this Agreement, the Party will provide written notice of the name, address, zip code, telephone, and email address of the newest Grant Manager, or an individual authorized to receive notice on behalf of that Party, to all other Parties as soon as possible, but not later than five (5) business days after the new Grant Manager has been named. Designating a new Grant Manager shall not require a formal amendment to the Agreement.

**Section 11. AMENDMENT.**

**A. Waiver or Modification.**

No waiver or modification of this Agreement or of any covenant, condition, or limitation herein contained shall be valid unless in writing and lawfully executed by the Parties.

**B. Change Orders.**

The Commission may, at any time, by written order, make a change to this Agreement. Such changes are subject to the mutual agreement of both Parties as evidenced in writing. Any change which causes an increase or decrease in the Recipient's cost or time shall require an Amendment. Minor changes, such as those updating a Party's contact information, may be accomplished by a Modification.

**C. Renegotiation upon Change in Law or Regulations.**

The Parties agree to renegotiate this Agreement if federal and/or state revisions of any applicable laws or regulations make changes in the Agreement necessary.

**Section 12. PROPERTY RIGHTS.**

If this Agreement includes Federal funds, the provisions of Sections 200.310-200.316, Office of Management and Budget (OMB) Uniform Guidance (2 CFR 200), and any language addressing Federal rights, apply.

**A. Intellectual and Other Intangible Property.**

- i. **Recipient's Preexisting Intellectual Property (Proprietary) Rights.** Unless specifically addressed in Attachment A, intellectual and other intangible property rights to the Recipient's preexisting property will remain with the Recipient.
- ii. **Proceeds Related to Intellectual Property Rights.** Proceeds derived from the sale, licensing, marketing or other authorization related to any intellectual and other intangible property right created or otherwise developed by the Recipient under this Agreement for the Commission shall be handled in the manner specified by the applicable Florida State Statute and/or Federal program requirements.
- iii. **Commission Intellectual Property Rights.** Where activities supported by this Agreement produce original writing, sound recordings, pictorial reproductions, drawings or other graphic representations and works of any similar nature, the Commission and the State of Florida have the unlimited, royalty-free, nonexclusive, irrevocable right to use, duplicate and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to have others acting on behalf of the Commission to do so. If this Agreement is supported by Federal funds, the Federal awarding agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so.

**B. Purchase or Improvement of Real Property.**

This Agreement is not for the purchase or improvement of real property, therefore, the following terms and conditions do not apply.

- i. **Federal Funds.** Any Federal funds provided for the purchase of or improvements to real property are subject to the Property Standards of Sections 200.310 - 200.316, and 200.329, OMB Uniform Guidance (2 CFR 200), as amended.
- ii. **Title.** If this Agreement is supported by state funds, the Recipient shall comply with Section 287.05805, F.S. This section requires the Recipient to grant a security interest in the property to the State of Florida, the type and details of which are provided for in Attachment A. Title to state-owned real property remains vested in the state. Title to federally owned real property remains vested in the Federal government in accordance with the provisions of Section 200.312, OMB Uniform Guidance (2 CFR 200), as amended.
- iii. **Use.** Federally owned real property will be used for the originally authorized purpose as long as needed for that purpose in accordance with Section 200.311, OMB Uniform Guidance (2 CFR 200). State-owned real property will be used as provided in Attachment A.

**C. Non-Expendable Property.**

- i. **Non-Expendable Property Defined.** For the requirements of this section of the Agreement, "non-expendable property" is the same as "property" as defined in Section 273.02, F.S. (equipment, fixtures, and other tangible personal property of a non-consumable and non-expendable nature, with a value or cost of \$5,000.00 or more, and a normal expected life of one (1) year or more; hardback-covered bound books that are circulated to students or the general public, with a value or cost of \$25.00 or more; and uncirculated hardback-covered bound books, with a value or cost of \$250.00 or more).

- ii. **Title to Non-Expendable Property.** Title (ownership) to all non-expendable property acquired with funds from this Agreement shall be vested in the Commission and said property shall be transferred to the Commission upon completion or termination of the Agreement unless otherwise authorized in writing by the Commission or unless otherwise specifically provided for in Attachment A.

#### **D. Equipment and Supplies**

- i. **Title - Equipment.** Title to equipment acquired under a Federal award will vest upon acquisition in the non-Federal entity in accordance with Sections 200.313 and 200.314, OMB Uniform Guidance (2 CFR 200).
- ii. **Title - Supplies.** Title to supplies will vest in the non-Federal entity upon acquisition. Unused supplies exceeding **\$5,000.00** in total aggregate value upon termination or completion of the project or program are subject to Section 200.314, OMB Uniform Guidance.
- iii. **Use - Equipment.** Equipment must be used by the non-Federal entity in the program or project for which it was acquired as long as needed.

### **Section 13. RELATIONSHIP OF THE PARTIES.**

#### **A. Independent Recipients.**

The Recipient shall perform as an independent Recipient and not as an agent, representative, or employee of the Commission. The Recipient covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required. Each Party hereto covenants that there is no conflict of interest or any other prohibited relationship between the Recipient and the Commission.

#### **B. Recipient Training Qualifications.**

The Recipient agrees that all Recipient employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Recipient shall furnish a copy of technical certification or other proof of qualification.

#### **C. Commission Security.**

All employees, subcontractors, or agents performing work under the Agreement must comply with all security and administrative requirements of the Commission. The Commission may conduct, and the Recipient shall cooperate in, a security background check or otherwise assess any employee, subcontractor, or agent furnished by the Recipient. The Commission may refuse access to, or require replacement of, any personnel for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with the Commission's other requirements. Such refusal shall not relieve Recipient of its obligation to perform all work in compliance with the Agreement. The Commission, in coordination with the Recipient, may reject and bar from any facility for cause any of Recipient's employees, subcontractors, or agents.

#### **D. Commission Rights to Assign or Transfer.**

The Recipient agrees that the State of Florida shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida, upon giving prior written notice to the Recipient.

**E. Commission Rights to Undertake or Award Supplemental Contracts.**

The Recipient agrees that the Commission may undertake or award supplemental agreements for work related to the Agreement. The Recipient and its subcontractors shall cooperate with such other Recipients and the Commission in all such cases.

**Section 14. SUBCONTRACTS.**

The Recipient is permitted to subcontract work under this Agreement, therefore, the following terms and conditions apply.

**A. Authority.**

The Recipient shall ensure, and provide assurances to the Commission upon request, that any subcontractor selected for work under this Agreement has the necessary qualifications and abilities to perform in accordance with the terms and conditions of this Agreement. The Recipient must provide the Commission with the names of any subcontractor considered for work under this Agreement; the Commission reserves the right to reject any subcontractor. The Recipient agrees to be responsible for all work performed and all expenses incurred with the project. Any subcontract arrangements must be evidenced by a written document available to the Commission upon request. The Recipient further agrees that the Commission shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract. The Recipient, at its expense, will defend the Commission against such claims. The following provisions apply in addition to any terms and conditions included in Attachment A.

**B. Recipient Payments to Subcontractor.**

If subcontracting is permitted pursuant to Paragraph A, above, Recipient agrees to make payments to the subcontractor within seven (7) working days after receipt of full or partial payments from the Commission in accordance with Section 287.0585, F.S., unless otherwise stated in the agreement between the Recipient and subcontractor. Recipient's failure to pay its subcontractors within seven (7) working days will result in a penalty charged against the Recipient and paid to the subcontractor in the amount of one-half of one percent (0.50%) of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

**C. Commission Right to Reject Subcontractor Employees.**

The Commission shall retain the right to reject any of the Recipient's or subcontractor's employees whose qualifications or performance, in the Commission's judgment, are insufficient.

**D. Subcontractor as Independent Contractor.**

If subcontracting is permitted pursuant to Paragraph A above, the Recipient agrees to take such actions as may be necessary to ensure that each subcontractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

**Section 15. MANDATORY DISCLOSURE.**

These disclosures are required by State law, as indicated, and apply when this Agreement includes State funding; and by Federal law, as indicated, and apply when the Agreement includes a Federal award.

**A. Disclosure of Interested State Employees.**

This Agreement is subject to Chapter 112, F.S. Recipient shall provide the name of any officer, director, employee, or other agent who is affiliated with this project and an employee of the State of Florida. If the Agreement includes a Federal award, then the Agreement is also subject to Section 200.112, OMB Uniform Guidance (2 CFR 200). Recipient must disclose, in writing, any potential conflict of interest to the Commission in accordance with applicable Federal awarding agency policy.

**B. Convicted Vendors.**

The Recipient hereby certifies that neither it, nor any person or affiliate of Recipient, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list. Recipient shall have a continuing obligation to disclose, to the Commission, in writing, if it, its principals, recipient, subrecipient, contractor, or subcontractor, are on the convicted vendors list maintained by the Florida Department of Management Services pursuant to Section 287.133(3)(d), F.S.

- i. **Convicted Vendor List.** Pursuant to Subsection 287.133(2)(a), F.S., a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not be awarded or perform work as a Recipient, supplier, subcontractor or consultant under a contract with any public entity and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The State of Florida, Department of Management Services, Division of State Purchasing provides listings for convicted, suspended, discriminatory and federal excluded parties, as well as the vendor complaint list at: [https://www.dms.myflorida.com/business\\_operations/state\\_purchasing/state\\_agency\\_resources/vendor\\_registration\\_and\\_vendor\\_lists](https://www.dms.myflorida.com/business_operations/state_purchasing/state_agency_resources/vendor_registration_and_vendor_lists)
- ii. **Notice of Conviction of Public Entity Crime.** Any person must notify the Department of Management Services and the Commission, in writing, within thirty (30) days after conviction of a public entity crime applicable to that person or an affiliate of that person as defined in Section 287.133, F.S.
- iii. **Vendors on Scrutinized Companies List.** The Recipient certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, the Recipient agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Agreement. Pursuant to Section 287.135, F.S., the Commission may immediately terminate this Agreement for cause if the Recipient, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Recipient, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Agreement. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

**C. Discriminatory Vendors.**

The Recipient shall disclose to the Commission, in writing, if they, their subrecipient, contractor, or subcontractor, are on the Discriminatory Vendor List maintained by the Florida Department of Management Services pursuant to Section 287.134(3)(d), F.S. "An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor,

supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity." Section 287.134(2)(a), F.S. Recipient has a continuing duty to disclose to the Commission whether they appear on the discriminatory vendor list.

**D. Prompt Disclosure of Litigation, Investigations, Arbitration, or Administrative Proceedings.**

Throughout the term of the Agreement, the Recipient has a continuing duty to promptly disclose to the Commission's Grant Manager, in writing, upon occurrence, all civil or criminal litigation, investigations, arbitration, or administrative proceedings (Proceedings) relating to or affecting the Recipient's ability to perform under this agreement. If the existence of such Proceeding causes the Commission concern that the Recipient's ability or willingness to perform the Agreement is jeopardized, the Recipient may be required to provide the Commission with reasonable assurances to demonstrate that: a.) the Recipient will be able to perform the Agreement in accordance with its terms and conditions; and, b.) Recipient and/or its employees or agents have not and will not engage in conduct in performing services for the Commission which is similar in nature to the conduct alleged in such Proceeding.

**E. Certain Violations of Federal Criminal Law.**

If this agreement includes a Federal award, then in accordance with Section 200.113, OMB Uniform Guidance (2 CFR 200), Recipient must disclose, in a timely manner, in writing to the Commission all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

**Section 16. INSURANCE.**

If the Recipient is a state or federal agency with self-insurance, Recipient warrants and represents that it is insured, or self-insured for liability insurance, in accordance with applicable state or federal law and that such insurance or self-insurance offers protection applicable to the Recipient's officers, employees, servants and agents while acting within the scope of their employment with the Recipient.

If the Recipient is not a state or federal agency with self-insurance, then the following applies:

**A. Reasonably Associated Insurance.**

During the term of the Agreement, the Recipient, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits as may be reasonably associated with the Agreement. Providing and maintaining adequate insurance coverage is a material obligation of the Recipient, and failure to maintain such coverage may void the Agreement. The limits of coverage under each policy maintained by the Recipient shall not be interpreted as limiting the Recipient's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to write policies in Florida.

**B. Workers Compensation.**

To the extent required by Chapter 440, F.S., the Recipient will either be self-insured for Worker's Compensation claims or will secure and maintain during the life of this Agreement, Worker's Compensation Insurance for all of its employees connected with the work of this project, with minimum employers' liability limits of \$100,000.00 per accident, \$100,000.00 per person, and \$500,000.00 policy aggregate. Such policy shall cover all employees engaged in any contract work. If any work is subcontracted, the Recipient shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Recipient. Such self-insurance program or insurance coverage shall comply fully with the Florida

Workers' Compensation Law (Chapter 440, F.S.). Recipient shall not be entitled to an increase in the Agreement price or payment of any kind from the Commission for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Recipient shall perform at no increased cost, unless the Commission determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Commission or the State, in which case, the Commission may do any or all of the following: (1) accept allocated performance or deliveries from Recipient, provided that Recipient grants preferential treatment to the Commission with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Recipient for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

### **Section 36. TIME IS OF THE ESSENCE.**

Time is of the essence regarding the performance obligations set forth in this Agreement. Any additional deadlines for performance for Recipient's obligation to timely provide deliverables under this Agreement including but not limited to timely submittal of reports, are contained in Attachment A.

**Section 37. MEDIA REQUESTS.**

Recipients shall refer all requests by the media or public relations personnel to the Commission's Grant Manager. ### 1. DESCRIPTION OF GOODS / SERVICES PROCURED, OR PROJECT WORKPLAN

#### A. DESCRIPTION OF GOODS/SERVICES

The two main purposes of this project are to continue the Taylor County's artificial reef biological monitoring program and evaluate the stability and function of the existing artificial reef materials within the Buckeye Artificial Reef permitted site. To accomplish these goals, the following deliverables will be achieved: (1) host a re-training program for all Taylor County Reef Research Team volunteers on proper data collection procedures and fish identification; (2) conduct a minimum of 24 artificial reef biological and material assessments on six patch reefs within the Buckeye Artificial Reef permitted area; (3) draft a data analysis summary that outlines the results of the monitoring surveys; (4) a data analysis summary that assesses the results of the monitoring surveys.

The selected monitoring sites are based upon the results from the second year of sampling within this permitted area (completed in 2021) and are intended to continue to act as long-term monitoring stations to increase the County's knowledge on spatial and temporal changes in the abundance and composition of fish species observed at each sampling location. This information will help inform future artificial reef development in the region.

This study will monitor six (6) of the 33 separate patch reefs within the Buckeye Artificial Reef permitted area. These reefs were deployed between the years of 1998 and 2015. This area provides a great opportunity to observe three commonly used artificial reef materials (metal, concrete modules, and secondary-use concrete) over time.

During this Agreement, the six (6) patch reefs will be monitored through diver surveys. A minimum of 4 qualified divers will collect fish census data, video and complete a material assessment for each site during the Agreement.

### *Materials and Methods*

#### **i. Data Collection Training Course**

All volunteer members of Taylor Reef Research Team will be required to attend and participate in a basic data collection and fish identification course. The course will be led by an University of Florida or Sea Grant instructor who has the experience in performing marine survey techniques, scientific diving and identifying Gulf of Mexico reef fish species. The course will cover, in detail, the proper methods for Stationary Visual Census (Bohnsack, 1986) and Reef Environmental Education Foundation's (R.E.E.F.) Roving Diver technique to collected fish census data (Schmitt and Sullivan 1996). In addition to learning the survey procedures, volunteers will be taught how to correctly identify and estimate the number of the observed fish. Underwater video and/or photos will be used as teaching aids and test materials, to provide participants with examples of local reef fish communities.

#### **ii. Diver Surveys**

Survey condition data will be recorded prior to each sampling event and will include survey date, patch reef name and coordinates, survey time, weather conditions/sea state, names of the surveyors, qualifications of the surveyors (if not identified in prior submitted report or original project application). All surveyors must score a 90% or better on the training exam to participate as a volunteer for fish identification and fish count portion of the surveys within this Agreement.

Fish census data will be collected using the Stationary Visual Census technique (Bohnsack, 1986). During the timed stationary census, species, counts, and relative size ranges will be recorded by slowly rotating in place in a conceptual 7-meter (23 ft) diameter surface-to-substrate cylinder for at least 5 minutes, and up to 10 minutes depending on fish abundance and diversity. Following the stationary count, roving diver counts will use the R.E.E.F. method to estimate the total number of fish using a logarithmic scale: single = 1, few = 2-10, many = 11-100, abundant = 100+. Special attention will be given to locating and identifying cryptic species during the roving diver survey. Any evidence of live or deceased sea turtle activity will also be noted.

A representative 1 to 2 minute video of the survey will be taken by each dive group. Each video will be reviewed and compared to collected diver fish census data for quality assurance and quality control of data. The videos will also be used to review any uncertain fish identification and as a future training tool for new volunteers.

In addition to the biological monitoring activities, the **GRANTEE** will also conduct a material assessment for each site. Inspection of material will include material description, structural integrity/condition, material layout/footprint, top and bottom

elevation of each artificial reef structure. Divers will also make note of site visibility, temperature, depth, substrate and sand overburden.

Upon project completion, a Data Analysis Summary detailing all sample collection, data analysis, and results (including statistical comparisons of reef sites as defined in Table 1) will be prepared and submitted for **COMMISSION** review.

### **B. BACKGROUND**

Since 1990, Taylor County has deployed more than a total of 1,354 tons of material. Currently the County has two active permitted sites, Steinhatchee Fisheries Management Area and Buckeye Reef, valid until 09/30/2019 and 09/29/2020 respectively, with the Buckeye Reef currently up for reauthorization.

In the past, the County relied on Taylor County Reef Research Team (TCRRT), a group of volunteer divers, to collect and report artificial reef monitoring data. Unfortunately, no homogenous methods were used for the data collections and the team since disbanded.

With the guidance of Florida Sea Grant agent, Victor Blanco, Taylor County is currently revising its artificial reef program to include re-establishing a permanent artificial reef monitoring effort. This effort includes establishing verified and reliable monitoring procedures, relaunching and recruiting new members for the TCRRT and evaluating Taylor County's reefs on a regular schedule. The first year of the re-established monitoring program was completed in 2019, and sampled 18 different patch reefs within the Buckeye Reef Site. A second year of sampling selected six patch reef sites with differing materials and sampled each on a single visit basis. This Agreement is for the continuation of the Taylor County volunteer monitoring program using information gained in the first two years of sampling to continue seasonal monitoring (Fall 2022 and Spring 2023) at the six representative patch reefs within the Buckeye Reef Site that serve as long-term monitoring stations.

### **C. SUPPORT OF COMMISSION MISSION**

Collection of biological and physical data from this study will be used to assess the relative habitat value and stability among artificial reefs characterized by specific combinations of depth and structural materials. This information will help with artificial as well as natural reef habitat management in coastal environments in central west Florida. By conducting systematic checks of artificial reefs deployed for varying amounts of time, as proposed in this study, managers will be able to better address long-term questions regarding rates of colonization and ecological succession of benthic assemblages, in addition to changes in physical characteristics of the habitats.

the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from grantee resources obtained from other than federal entities).

**Part II: State Funded**

*Note: This part is applicable if the grantee is a nonstate entity as defined by section 215.97(2), F.S.*

1. In the event that the grantee expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such grantee (for fiscal years ending June 30, 2017, and thereafter), the grantee must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Florida Fish and Wildlife Conservation Commission by this agreement. In determining the state financial assistance expended in its fiscal year, the grantee shall consider all sources of state financial assistance, including state financial assistance received from the Florida Fish and Wildlife Conservation Commission, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the grantee shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the grantee expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the grantee expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the grantee's resources obtained from other than state entities).

**Part III: Other Audit Requirements**

*Note: This Part should be used to specify any additional audit requirements imposed by the state awarding entity that are solely a matter of that state awarding entity's policy (i.e., the audit is not required by federal or state laws and is not in conflict with other federal or state audit requirements). Pursuant to section 215.97(8), F.S., state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with section 215.97, F.S. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits.*

**Part IV: Report Submission**

Re: Recipient/Subrecipient Agreement  
Florida Fish and Wildlife Conservation Commission

Dear LaWanda and Marsha:

Please be advised that I went over the above 27-page Agreement. I did not receive attachments A & B.

Let me say this is a very lengthy Agreement and it is in small font.

1. Section 3. Agreement Period. Please note that the agreement will remain in effect until 12/29/2023.
2. Section 4. Compensation and Payments.

Section C. Each invoice shall include the agreement number and the recipient's federal employer identification (FEIN) number.

Section E. State Obligation to Pay. Is contingent upon annual appropriation and authorization to spend by the Legislature. The Grant Manager shall notify us in writing at the earliest time if funds are not appropriated or available.

Section G. Fixed Price. Invoices submitted must be itemized – see page 3 of 27. Documentation for each amount for which payment is being claimed must indicate that the item has been paid.

Section i. Salaries. Time sheets that support the hours worked on the project or activity must be kept.

Section I. Electronic Funds Transfer. Recipient agrees to enroll in Electronic Funds Transfer (EFT) offered by the State's Chief Financial Officer, within 30 days of signing the Agreement.

3. Section 8. Termination.

Section A. Commission Unilateral Termination. This is one-sided, the commission may unilaterally terminate this agreement for convenience by providing the recipient with thirty (30) calendar days of written notice of its intent to terminate, then it reads, the recipient may request termination of the agreement for convenience.

Section C. Termination – Funds Unavailability. If funds are not available commission may terminate upon no less than twenty-four (24) hours' notice in writing to the recipient.

4. Section 13. Relationship of the Parties.

Section D. Commission Rights to Assign or Transfer. The recipient agrees that the State at all times has the right to assign or transfer its rights to another agency of the State of Florida, upon giving prior written notice to the recipient.

5. Section 27. Indemnification. If the recipient is a State agency or subdivision as defined in subsection 768.28(2) Florida Statutes, or as a governmental entity as defined in subsection 287.012(14) Florida Statutes, neither party indemnifies nor insures the other party for the other party's negligence.

6. Section 29. Mediation. Non-binding mediation by a single mediator in Tallahassee, Florida. If the parties can't agree on a mediator, the parties then shall request the chief Judge of the Second Judicial Circuit in Leon County to appoint a Florida Supreme Court Certified Mediator.

7. Section 30. Venue. Agrees to exclusive jurisdiction of the State and Federal Court in and for Leon County, Florida, in addition Section 30 provides, the

parties have selected the Second Judicial Circuit in Leon County as the mandatory and exclusive forum for resolving any dispute, in law or equity, and that the recipient affirms that the Section Circuit to be fair and convenient forum for any legal action or proceeding. The recipient will not initiate in any other forum a legal action or proceeding which this provision applies.

8. Section 31. Jury Trial Waiver. Each party waives jury trial, including but not limited to any claim by recipient of *quantum meruit*.

LaWanda and Marsha, this is an extremely one-sided agreement and I have not listed all of my objections to this agreement. But with that in mind, I don't think the county has had any problems with grants with FWC.

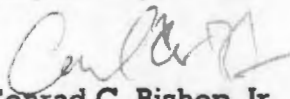

Please note that we at one time had a real hard time with them on our Ordinances when Mr. Spradley and I had to keep re-doing items.

If you have a question, please let me know.

Thank you and I hope you are doing fine.

Happy Holidays.

Respectfully,

Conrad C. Bishop, Jr.
