**PUBLIC REQUESTS:**

**20. TREY HOWARD, ATTORNEY AT LAW, TO DISCUSS GRANGER BRIDGE.**

DISCUSSION:

ATTORNEY TREY HOWARD APPEARED ON BEHALF OF HIS CLIENT, MR. DAVID LOWRY. WOULD LIKE TO SEE BOARD OF COUNTY COMMISSIONERS TRANSFER OWNERSHIP OF THE BRIDGE TO A NON-PROFIT LLC.

COUNTY ATTORNEY- THE BRIDGE CONSTRUCTION HAS ALREADY PASSED BY VOTE.

COMMISSIONER NEWMAN MADE A MOTION, WITH A SECOND BY COMMISSIONER MOODY TO LOOK INTO TRANSFERRING THE BRIDGE TO AN LLC. MOTION FAILED TO PASS.

COMMISSIONER FEAGLE CONTINUED WITH DISCUSSION.

ATTORNEY HOWARD AND COUNTY ADMINISTRATOR READ LETTERS AND EMAILS RELATED TO GRANGER BRIDGE TO THE BOARD.

COMMISSIONER MOODY-IF THE BRIDGE IS GIVEN TO MR. LOWRY, WHAT WOULD HE DO WITH IT?

ATTORNEY HOWARD- LEAVE IT AS A PEDESTRIAN BRIDGE.

COMMISSIONER DEMPS- IF THE BRIDGE WAS GIVEN TO THE HOMEOWNERS, THE PUBLIC COULD STILL USE IT.

COMMISSIONER NEWMAN- THERE ARE MORE HEAVILY TRAVELED AREAS IN STEINHATCHEE THAT WOULD BE A GREATER USE AND I DO BELIEVE THERE IS A POTENTIAL TO REQUEST THE FUNDING TO BE REINVESTED INTO OTHER PROJECTS IN TAYLOR COUNTY.

MICHAEL BROOK, FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT)-THIS MONEY IS

DESIGNED SPECIFICALLY FOR BRIDGE REPLACEMENT PROJECTS. IF IT GOES AWAY, THIS MONEY GOES BACK INTO THE POT.

COMMISSIONER NEWMAN- I'VE SPOKEN WITH STATE REPRESENTATIVES AND THERE ARE WAYS THAT THEY CAN REQUEST AND PRIORITIZE THAT FUNDING, SO I BELIEVE THEY WOULD LIKE TO WORK TOGETHER IN TANDEM WITH FDOT.

MICHAEL BROOK, FDOT- WE HAVE A LIST OF PRIORITY PROJECTS THAT THIS MONEY WOULD BE ADDRESSED TO. ONCE THE MONEY GOES BACK INTO THE POT, WHAT THE STATE REPRESENTATIVES DO AFTER THAT FACT, IS UP TO THE STATE REPRESENTATIVE.

COMMISSIONER NEWMAN- IF THIS BOARD MADE A REQUEST TO THE STATE REPRESENTATIVES TO SEEK OUT TO UTILIZE THAT FUNDING, WHICH HAS BEEN COMMITTED TO THIS COUNTY'S BRIDGE REPLACEMENT, IF OUR STATE REPRESENTATION WERE TO SEEK THROUGH FDOT FOR THE ALLOCATION TO BE COMMITTED TO ANOTHER EQUAL BRIDGE PROJECT, WHICH IS WHAT THIS IS DEFINITELY, AND IT IS A POSSIBILITY FOR THAT TO CARRY ON.

COUNTY ADMINISTRATOR-THE GUIDANCE I HEARD FROM OUR STATE REPRESENTATIVE IS THAT WE COULD APPEAL TO OUR CONGRESS PERSON, SINCE IT'S A FEDERAL PROJECT, AND ASK THAT THE MONEY BE REALLOCATED. I'M NOT SURE IF THE REALLOCATION WOULD BE REASSIGNED TO AN EXISTING BRIDGE PROJECT OR NOT, WE DON'T HAVE AN ANSWER FOR THAT. SO, I DON'T KNOW THAT WE COULD SAY WE WANT THIS TO GO TO THIS STREET. WE HAVE NOT RECEIVED CLEAR DIRECTION REGARDING THAT PROCESS.

COMMISSIONER FEAGLE- AFTER APPLYING FOR THIS GRANT, IT TOOK US OVER THREE YEARS TO BE AWARDED THIS MONEY. IF WE TURN THIS MONEY BACK, THIS IS GOING TO SEND A MESSAGE TO FDOT, AND WE MAY BE IN JEOPARDY THE NEXT TIME WE ARE BEGGING MONEY FOR SOMETHING. I THINK THIS WOULD BE A HORRIBLE MOVE TO TURN BACK THIS MONEY. AGAIN, WE'VE ALREADY VOTED ON THIS AND WE ALSO SAID WE WERE NOT GOING TO GIVE AWAY ANY COUNTY AND TAXPAYER PROPERTY AWAY.

BENJI TUTEN- WE NEED TO GIVE BACK THE MONEY AND NOT BUILD A BRIDGE. THAT'S WHAT'S WRONG WITH THE COUNTRY TODAY, PEOPLE WASTING TAXPAYER'S MONEY.

CHUCK HURST-APPRECIATE THE BOARD'S VOTE ON THE BRIDGE. AGAINST PUTTING THE BRIDGE IN AN LLC AND GIVING THE BRIDGE TO ONE TO TWO PEOPLE.

COMMISSIONER ENGLISH- IS THERE A WAY OF REDUCING OR SCALING THIS BACK TO A WALKING/ GOLF CART BRIDGE?

MELISSA MORGAN, DISTRICT TWO BRIDGE DEPARTMENT-UNFORTUNATELY NOT.

GAYLE DICKERT-I HAVE ALWAYS BEEN IN SUPPORT OF SAVING THE BRIDGE.

BRENDA BERGER- FOR THE BRIDGE REPLACEMENT.

CALLER 3452-AGAINST GIVING THE BRIDGE TO A PRIVATE INDIVIDUAL.

CALLER 9960- FOR THE BRIDGE, BUT AGAINST HOA. THANKED THE BOARD FOR ALL OF THEIR WORK.

CALLER 9703-LOWERY-OPPOSED OF THE NEW BRIDGE. MY GOAL IS TO MAINTAIN THE BRIDGE AS IT IS AND PUT UP RAILS FOR PEDESTRIANS AND GOLF CARTS.

COMMISSIONER NEWMAN- I DON'T AGREE WITH THIS SIZE OF INVESTMENT ON THE BACKS OF THE TAXPAYERS WHETHER THEY'RE FEDERAL, STATE OR LOCAL. I DON'T BELIEVE IT'S RIGHT TO USE THE LABEL OF SAFETY TO COMPARE OR CONSIDER CERTAIN TOPICS BUT NOT OTHERS. MY MOTION STANDS.

COMMISSIONER FEAGLE- I'M ALL ABOUT SAFETY. I DON'T SEE WHERE PUTTING IN THIS BRIDGE WOULD COMPROMISE SAFETY, IT WOULD ENHANCE SAFETY. WE HEARD THAT FROM THE FIRE CHIEF AND COUNTY ENGINEER. WE NEED THIS BRIDGE AND WE DON'T NEED TO RETURN THE MONEY.

COMMISSIONER NEWMAN- IF IT'S BETTER TO USE THE TAX DOLLARS IN ANOTHER LOCATION IN AN INFRASTRUCTURE IMPROVEMENT, THEN I'M BIG ENOUGH TO SAY, THEN INVEST THAT IN A GREATER LOCATION AND IN THE BEST FASHION. I WILL NOT CONTINUE TO BE THREATENED BY, WELL THEY MIGHT DO THIS, OR THEY MIGHT NOT LIKE THAT YOU DO THIS. I'M READY TO VOTE ON THIS AS WE HAVE A MOTION AND A SECOND.

COMMISSIONER FEAGLE- FUNDING FROM FDOT IS VERY IMPORTANT. I WILL SAY THIS, YOU COMMISSIONERS HAVE PUT FORTH A MOTION, YOU CAN'T VOTE ON THAT RIGHT NOW. THIS HAS ALREADY BEEN VOTED ON AND IT STANDS.

COUNTY ATTORNEY-ONE OF THE THINGS THAT PRECIPITATED THE VOTE ON THE NEW BRIDGE WAS ON A CONCERN FOR EVACUATION, SO WE REALLY NEED TO THINK ABOUT THAT. IT HAS BEEN VOTED ON. YOU CAN ALWAYS RECONSIDER AN ACTION. BUT, THOSE THINGS YOU NEED TO CONSIDER WHAT KIND OF LIABILITY IS GOING TO BE ASSUMED WITH WHOMEVER TAKES OVER THE BRIDGE. DOT AND THE ENGINEERS HAVE ALREADY TOLD YOU IT WAS NOT SAFE. IS THE PERSON THAT'S WILLING TO DO ALL THIS, IS HE OR SHE WILLING TO CARRY THE LIABILITY INSURANCE IF IT DETERIORATES AND PEOPLE ARE INJURED GOING OVER THE BRIDGE? THOSE THINGS ARE THINGS YOU NEED TO THINK ABOUT PRIOR TO RECONSIDERATION. IF THEY DID WANT TO DO THAT, I WOULD RECOMMEND THAT THEY GIVE SOME KIND OF WRITTEN PROPOSAL TO THIS BOARD TO DETERMINE WHETHER IN FACT, WHAT'S IN THE BEST INTEREST OF THE PARTIES THAT LIVE IN THERE.

CHAIRMAN- I THOUGHT THIS WAS ALL DONE BACK IN 2018. I'VE HEARD A COUPLE OF INDIVIDUALS THAT ARE HIGHLY FOR THIS AND NOW TODAY THEY'RE HIGHLY AGAINST IT. I'VE HEARD ABOUT POTENTIALLY LOSING THE MONEY BUT I WILL SAY I AM NOT IN FAVOR OF A HOA OR A LLC, BUT I'M NOT OPPOSED TO LOOKING AT SOME OTHER AVENUE TO FIND A COMMON FOR ALL THE PARTIES.

COMMISSIONER NEWMAN- I HAVEN'T HEARD ENOUGH YET TO DO ANYTHING DIFFERENT. WHAT DO YOU WANT STEINHATCHEE TO BE, A MONEY MAKER OR FOR A FEW SLEEPERS, PEOPLE WHO WANT TO COME AND RETIRE?

COMMISSIONER FEAGLE- WE ARE IN CHARGE OF MAKING GOOD SOLID DECISIONS ON OUR OWN. IT DOESN'T MATTER HOW MANY LETTERS COME, HOW MANY CALLS OR HOW MANY PEOPLE SHOW UP. IT'S WHAT I'M CHARGED TO DO.

COUNTY ADMINISTRATOR- BACK IN 2018, WHEN THIS ORIGINALLY CAME UP, WE DID SEND LETTERS OUT TO ALL ADJACENT PROPERTY OWNERS AND NOTIFY THEM OF THE PUBLIC HEARING WHICH MAYBE SOMETHING YOU WISH TO CONSIDER, JUST TO ENSURE THAT ALL FOLKS ARE AWARE OF ANY FUTURE DISCUSSIONS.

CLERK READS THE PRIOR MOTION.

COMMISSIONER NEWMAN WITH SECOND BY COMMISSIONER MOODY AMENDS THEIR MOTION TO RECONSIDER TO LOOK FURTHER INTO OTHER OPTIONS AND POSSIBILITIES.

COMMISSIONER FEAGLE- THERE ARE NO OTHER OPTIONS. WE CAN COME UP WITH SOME OTHER OPTIONS, BUT WE'RE GOING TO HAVE TO PULL IT OUT OF OUR GENERAL FUND. WE WILL NOT HAVE FUNDING TO DO ANOTHER OPTION.

COMMISSIONER MOODY- THE OPTION WOULD BE TO TAKE THE BRIDGE OUT AND DO AWAY WITH IT COMPLETELY.

MOTION TO RECONSIDER AND TO LOOK FURTHER INTO OTHER OPTIONS AND POSSIBILITIES FOR GRANGER BRIDGE.

COMMISSIONER FEAGLE-THIS IS NOT A VALID MOTION AND SECOND. WE STILL HAVE A VOTE THAT IS ON THE BOOKS RIGHT NOW. NOW, WHICH ONE IS GOING TO STAND, THE FIRST OR THIS ONE? NOBODY HAS RESCINDED ANYTHING. THIS IS AN INVALID VOTE.

CHARIMAN ENGLISH- THIS IS A VALID VOTE. WHAT MAKES THIS INVALID?

COMMISSIONER FEAGLE- WE HAVE ALREADY VOTED ON SOMETHING AND IT STANDS. THIS DOES NOT DO AWAY WITH WHAT WE HAVE ALREADY DONE. THIS IS ANOTHER DIFFERENT MOTION AND IN ADDITION TO THAT, ITS ALWAYS BEEN MY UNDERSTANDING, THAT THE PEOPLE ON THE PREVAILING VOTE ARE THE ONLY ONES THAT CAN BRING UP ANOTHER VOTE.

COUNTY ADMINISTRATOR PROVIDES THE RULES AND PROCEDURES TO THE COUNTY ATTORNEY.

COUNTY ATTORNEY READS THE RULES AND PROCEDURES FOR RECONSIDERS AND RESCINDS.

COUNTY ATTORNEY- SO BOTH HAS TO BE SOMEONE WHO'S ON THE PREVAILING SIDE OF THE ORIGINAL MOTION.

COUNTY ENGINEER- IT WOULD BE IN 2021 UNDER THE LAP AGREEMENT TO MOVE FORWARD WITH THE DESIGN TO ACCEPT THE AGREEMENT WITH DOT. I DON'T REMEMBER ANYTHING OTHER THAN A 5-0 VOTE.

COMMISSIONER NEWMAN- SO IF IT WAS A 5-0 VOTE BACK THEN, ANY COMMISSIONER CURRENTLY COULD MAKE THAT MOTION.

COUNTY ATTORNEY- I THINK IT WAS VOTED IN 2019 TO GO FORWARD WITH IT.

COUNTY ENGINEER- YES, IN 2019 WE VOTED TO PURSUE IT THEN IN 2021 WOULD HAVE BEEN KIND OF THE CONCRETE VOTE OF WE'RE GOING TO ACCEPT THE LAP AGREEMENT TO PURSUE THIS PROJECT.

CHAIRMAN ENGLISH- AS IT STANDS WITH THE RULES AND VOTES, WE LOOK AT OTHER OPTIONS.

COMMISSIONER FEAGLE-THAT IS NOT CORRECT. NOBODY HAS RESCINDED WHAT WE'VE ALREADY PUT IN PLACE. IT STANDS.

COUNTY ATTORNEY- THE MOTION WAS NOT TO RESCIND.

COMMISSIONER FEAGLE- THE MOTION IS TO DO SOMETHING DIFFERENT.

COUNTY ATTORNEY- NO IT'S NOT. IF I UNDERSTAND, THE MOTION IS TO JUST LOOK AT OTHER OPTIONS, NOT DO OTHER OPTIONS.

COMMISSIONER NEWMAN- I UNDERSTAND WHAT YOU ARE SAYING. IN THE RULES AND PROCEDURES, RECONSIDERATION OR RESCIND SOMETHING IS ELIGIBLE.

COUNTY ATTORNEY ASKED THE CLERK TO RE-READ THE MOTION.

CLERK RE-READS THE MOTION.

COUNTY ADMINISTRATOR- DO YOU WANT STAFF TO RECONSIDER THE ORIGINAL OPTIONS BACK IN 2019? THE ORIGINAL OPTIONS WERE TO REPAIR, REMOVE OR REPLACE THE BRIDGE.

COUNTY ENGINEER ASK FDOT IF WE CHOSE THE OPTION OF NO BUILD, IS THAT FUNDED?

MELISSA MORGAN, DISTRICT TWO BRIDGE DEPARTMENT-ANYTHING OTHER THAN REPLACING THE BRIDGE WITH A BRIDGE, IS NOT FUNDED BY THE DEPARTMENT OF TRANSPORTATION. WE COULD REHAB IT, THAT IS AN OPTION, BUT IT DISQUALIFIES EVERYTHING FOR 10 YEARS. TO REHAB IT, YOU HAVE TO DO A COST COMPARISON ON HOW MUCH IT'S GOING TO COST REHABBING IT VERSES THE COST OF REPLACING IT.

COMMISSIONER DEMPS- THAT SOUNDS GOOD TO ME.

COUNTY ENGINEER- IT SOUNDS PROMISING UNTIL YOU LOOK AT THE STRUCTURAL AND INSPECTION REPORTS AND YOU REALIZE THAT A REHAB IS ESSENTIALLY A REPLACEMENT. THE SEVERITY OF THE DECAY ON THOSE PILINGS IS SUCH THAT YOU ARE NOT GOING TO JACKET OR REUSE THEM. YOU ARE GOING TO HAVE TO REPLACE THEM. WE DON'T WANT TO MISLEAD YOU IN THINKING WE CAN REPLACE A FEW BOARDS AND SUDDENLY IT'S GOOD FOR THE NEXT 20 YEARS.

COUNTY ENGINEER TO LOOK AT OTHER OPTIONS.

WE MET WITH THE INSURANCE COMMITTEE AND THE RECOMMENDATIONS TO THE BOARD IS TO ACCEPT THE RENEWAL THIS YEAR WITH THE 4%. IF THE BOARD IS INTERESTED IN DOING THE RFP AND DOING SOMETHING DIFFERENT, THEN MAYBE HIRE A CONSULTANT TO GET US THROUGH THAT PROCESS. ## ***County Commission Agenda Item***

### **SUBJECT/TITLE:**

Board to review and approve the Automated Weather Observation System (AWOS) data service agreement with RSINET.

### **MEETING DATE REQUESTED:**

June 20, 2023

**Statement of Issue:** Board to review and approve the data service agreement to put the data from the weather station at the airport onto the internet

**Recommended Action:** Approve the data service agreement.

**Fiscal Impact:** Cost is \$720.00 per year.

**Budgeted Expense:** Y/N Yes

**Submitted By:** Airport Manager

**Contact:** Ward Ketring

### **SUPPLEMENTAL MATERIAL / ISSUE ANALYSIS**

**History, Facts & Issues:** The data from the weather station at the airport needs to be on the internet so the data can reach news sources, the FAA, NWS and aviation flight planning web sites and apps such as Foreflight.com, wingx.com and Garmin Pilot. We have had this service for several years. The contract was up for renewal, and we procured prices. RSINET was the lowest price.

RSINet Service Agreement / Service Order

This agreement is entered into by the "Customer" and RSINet subject to the terms and conditions hereinafter set forth and agreed upon by both parties as follows:

- **DESCRIPTION OF SERVICE:** RSINet is an FAA approved electronic data delivery network designed to provide non-federally owned Automated Weather Observations System (AWOS) reports to the FAA's National Airspace Data Interchange Network (NADIN) for forwarding to air traffic control facilities and the National Weather Service for further dissemination to local weather offices, flight planning offices, weather data services and the general public. These reports will be forwarded at 20 minute intervals 24 hours a day as specified by the FAA.
- **TERM OF AGREEMENT:** This agreement shall become effective on the 'start date', and shall remain in effect for the period specified. The agreement will automatically renew for a one year term on each subsequent anniversary date unless 60 days notification is given by either party that the contract will not be renewed or needs to be updated.
- **INSTALLATION AND STARTUP:** Once the startup fee (if any) has been received, the RSINet hardware will be shipped to the customer. In most cases, the hardware can be easily installed by the customer or the AWOS maintenance technician. In certain cases, there may be additional hardware such as outside antennas necessary for reliable service. For new sites, start of service will be dependent upon the FAA and National Weather Service database update schedules, which may result in an up to 60 day delay.
- **CHARGES:** Charges for RSINet service will be billed each quarter for the previous 3 months of service unless yearly billing is requested. All invoices are Net 30 days. Customer is responsible for any federal, state, or local taxes. Service may be suspended for non-payment without notice. If service is suspended for non-payment, charges will continue until the equipment is returned.

- **CUSTOMER RESPONSIBILITY:** It is the responsibility of the AWOS owner to ensure that the AWOS unit is equipped to provide properly formatted METAR weather reports at 5 minute intervals to the RSINet network interface. On-site maintenance and troubleshooting of the interface and external antenna system is the responsibility of the customer or AWOS technician. RSINet will provide any needed telephone support or replacement components only.
- **WARRANTY:** The RSINet Network hardware is warranted for the lifetime of the RSINet contract. If it fails, RSINet will replace it at no charge. This warranty excludes lightning, abuse, unauthorized modification or adjustment, removal of the SIM card or any other component of the Interface or use with any antenna or power supply other than those provided with the unit or subsequently by RSINet, or connection of the device to any other device than the AWOS for which it was originally delivered. Failed components must be returned to RSINet in a timely manner to avoid charges for the equipment.
- **NETWORK RELIABILITY – LIMITATIONS:** The RSINet network relies upon a number of separate third party systems not directly under the control of RSINet. These can include any number of Internet Service Providers (ISP's), wireless data carriers, the Federal Aviation Administration, and others. Because of the technical nature of the internet, RSI cannot control the various carriers and systems that handle data from the AWOS site to the datacenter. Therefore, RSINet makes no warranty as to the reliability of the service, except that outages will be responded to immediately and restoral efforts will be made on a priority basis and good faith effort at all times.
- **HARDWARE:** The RSINet Network interface device and all associated hardware remains the property of RSINet and must be returned at the conclusion of this service agreement.
- This agreement is covered under the laws of the State of Florida and Venue shall be Taylor County, Florida. This contract is transferrable upon sale or transfer of RSINet, LLC.

Ok Marsha,

I just did a quick reply this morning about the VetraSpec thing. I do understand about the 90-day MOU. I want you to understand my complaint with Vectra Spec. More than once, I believe 3 times in the past few months I haven't gotten a call from a veteran that they have nothing from VA regarding their claim. Then I go and check the Direct Submit file and their claim "fouled out" on submission and has gone nowhere for on one occasion almost 4 months. I don't get an alarm if a claim does not submit properly. VetraSpec is not the program widely used by VSO's in Florida. I believe these programs are competitively priced by an industry standard. And here's what they usually do when at a conference or from a conference offer. You tell them the date your subscription expires with your former service and you get the new service free until your old service expires. Also understanding about what you said with regards to switching, I will not negotiate any deal, I will get info and talk to some of my peers down there and get some feedback from them.

I am going to need a supply order soon. Not knowing how the budget is, should I wait as long as I can or just go ahead with it? I will need print cartridges, paper, pens. I expect to be about \$500 because if you remember I like to have a cartridge in the printer and "one on shelf" at all times. I know I can wait until after I return from the conference.

I need to leave early this week from time last week. I must take 2.5 hrs, for sure. Teresa is coming at 2pm. I am hoping she is done by 2:30 then I will leave if you approve.

Denny

Hey Denny

It turns out that we have a MOU and agreement with Vetraspec that requires at least a 90 notice. Additionally any other agreement would need to be approved by the Board. So..... we will go ahead and pay vetraspec for now and you can gather information for other systems while at the conference. Just send the information to me when you return please.

Thanks so much

Marsha

Memorandum of Agreement Between  
Florida Department of Veterans' Affairs (FDVA)  
and TAYLOR County Veteran's Service Office

**1. Purpose**

In order to create greater efficiencies through cooperation as contemplated by Section 163.01, Florida Statutes, this Memorandum of Agreement (herein referred to as "MOA") establishes and formalizes the interlocal relationship between the State of Florida Department of Veterans' Affairs (herein referred to as "FDVA") and TAYLOR County, a political subdivision of the State of Florida, on behalf of the County Veteran's Service Officer (herein referred to as "the County") under Section 292.11, Florida Statutes, as an authorized user of FDVA's VetraSpec technology acquired through its contract with DataSpec, Inc., Contract No. FDVA-ITN-15-004N, to manage veterans' case files and records in furtherance of FDVA's mission to advocate with purpose and passion for Florida veterans and link them to superior services, benefits and support. In this MOA, FDVA and the County will collectively be known as "the Parties."

**2. Background**

VetraSpec is a secure, web-based application that FDVA has purchased and implemented as a solution to track veterans' claims, and assist veterans and eligible dependents in accessing all benefits to which they may be entitled.

FDVA makes this application available for authorized users of FDVA and Florida County Veteran Service Officers (herein referred to as "CVSOs") that have paid, directly to DataSpec, Inc., for the licenses to receive services. Qualifying CVSOs become authorized users through the execution of this MOA and in compliance with the terms and conditions of this agreement.

FDVA, in its sole discretion, shall determine if a person qualifies as an authorized user of the FDVA VetraSpec application (herein referred to as "VetraSpec").

**3. Scope**

The Parties to this MOA agree to be bound by its terms and conditions governing access to VetraSpec by authorized users. Authorized users of VetraSpec shall be responsible for the confidentiality of veteran records and shall not access records of veterans for whom the authorized user does not have specific, written authorization to access on behalf of the veteran.

This MOA applies to all FDVA's VetraSpec authorized users that may include CVSOs; system administrators; and system users.

No person shall have access to VetraSpec without first being approved by FDVA, in writing, as an authorized user.

Authorized users shall operate, at all times, in compliance with the terms and conditions of this MOA and at the express direction of the FDVA.

Memorandum of Agreement Between  
Florida Department of Veterans' Affairs (FDVA)  
and TAYLOR County Veteran's Service Office

#### **4. Roles and Responsibilities**

##### **4.1 FDVA shall:**

**4.1.1** Approve qualifying persons as authorized users and coordinate access to VetraSpec for intended use under this MOA.

**4.1.2** Monitor usage of VetraSpec by authorized users through compliance checks and quality assurance measures, including conducting audits of authorized user VetraSpec credentials and written authorizations from veterans allowing authorized users to access veteran records.

**4.1.3** Ensure all authorized users receive training by DataSpec, Inc., for use of VetraSpec prior to gaining rights and credentials to access and work within the application, and partake in additional training should VetraSpec upgrades so require.

**4.1.4** Freely cooperate with authorities legally empowered to investigate, audit, or otherwise review the procedures, data and conduct including the operation and its authorized users under the licensed database held by FDVA.

**4.1.5** Report any violation of intended use of accessing VetraSpec under the licensed FDVA database. All violations shall be promptly reported to FDVA and DataSpec, Inc.

**4.1.6** Revoke authorized user access to the FDVA VetraSpec database for those whom, in the sole discretion of FDVA, have been deemed to have violated the intended use of the application.

**4.1.7** All electronic discharges that are in the possession of FDVA will be maintained in VetraSpec under the "FDVA" office code.

##### **4.2 County shall:**

**4.2.1** Pay the annual fee per user in the amount of \$399.00, or subsequently-assessed current rate, to DataSpec, Inc. All payments are billed annually on anniversary of signing up for the system and are due and payable to DataSpec, Inc., in accordance with Chapter 218, Part VII, Florida Statutes.

**4.2.2** Provide the resources necessary, including computer hardware, software, and personnel support, to effectively operate VetraSpec by each authorized user.

**4.2.3** Allow only accredited County Veteran' Service Officers ("CVSOs") under Section 292.11, Florida Statutes, representing or assisting veterans and eligible dependents within the authorized user's office, to access and use VetraSpec. For purposes of this MOA, "authorized user" means any person appointed or designated by FDVA, in writing, to act on behalf of, or in place of a veteran or veteran's eligible dependent.

Memorandum of Agreement Between  
Florida Department of Veterans' Affairs (FDVA)  
and TAYLOR County Veteran's Service Office

**4.2.4** Access or view only files within the County as authorized by the veteran or eligible dependent, or as required and essential to assisting the veteran or eligible dependent in accessing benefits to which they may be entitled.

**4.2.5** Cooperate fully in the mandate that: if a veteran or eligible dependent chooses representation outside his or her home county, the home county office will not access or view that veteran's file unless subsequently authorized to do so, in writing, by the veteran or veteran's eligible dependent which authority can only be granted when the power granted supersedes and replaces the earlier authorization.

**4.2.6** Ensure that all inquiries and use of veterans' records are "For Official Use Only." To verify that all access to VetraSpec is "For Official Use Only," authorized users must comply with the following requirements:

(a) Have and keep on file written authorization for release of information, including written appointment of authorized agent, if applicable, executed by the veteran or eligible dependent for whom information is being accessed.

(b) Ensure that all work and inquiries pertaining to a veteran's file shall be limited to, and shall not exceed, the scope of the specific purpose in assisting the veteran and eligible dependent.

(c) Access records of discharges from the US Armed Forces in the possession of FDVA that are not part of an active claim, provided that the authorized user accessing the discharge record has authorization in accordance with section 4.2.6(a).

(d) Ensure that all discharge records in the possession of FDVA will not be viewed outside the scope of official business.

(e) Obtain and review a copy of the release of a discharge to verify that a veteran has authorized access to the record, or if the veteran is deceased, that a qualified official has signed on behalf of the veteran or dependent.

**4.2.7** Abide by the existing policies and instructions, as listed in Appendix A to this MOA, for supporting the transmission, use, release, or storage of veterans' and dependents' information.

**4.2.8** The Parties acknowledge that VetraSpec facilitates access to data that is protected by State and Federal law. Therefore, strict adherence to the terms and conditions of this MOA are of paramount importance for both Parties to achieve legal compliance. Recognizing that all information in the VetraSpec database is subject to the public records laws of the State of Florida, protecting the privacy of veterans and dependents is imperative. Information obtained under this agreement shall only be disclosed to persons to whom disclosure is authorized under Florida and Federal law. CVSOs shall not use or disclose any information received from VetraSpec under this MOA that is identified as confidential or exempt from public disclosure in accordance

Memorandum of Agreement Between  
Florida Department of Veterans' Affairs (FDVA)  
and TAYLOR County Veteran's Service Office

with Chapter 119 and Section 282.318, Florida Statutes, and HIPAA Privacy and Security Rules. Disclosure is restricted to authorized intended uses to assist the veteran or eligible dependent. No information may be disclosed outside these limits without written consent from the veteran and eligible dependents.

Any person who willfully and knowingly violates any of the provisions of this section may be charged with noncriminal infractions up to a third degree felonies as provided in Section 119.10, Florida Statutes, and subject to penalties found in Chapter 775, Florida Statutes. In addition, any person who knowingly discloses any information in violation of HIPAA may be subject to criminal sanctions and civil liability. The duty of each CVSO, to maintain confidentiality of information under this section, continues and survives beyond the term of this MOA or separation from employment by the County.

**4.2.9** Information from veterans' files will only be used to assist veterans and eligible dependents. At no time will any CVSO use information for any other purposes including but not limited to:

- Recruitment for membership to organizations, including veterans' organizations.
- Solicitation for firms, whether "for profit" or "not for profit" organizations, seeking to do business with veterans.
- Listing of names for inclusion or inscription on monuments or memorials.

**4.2.10** All requests for customization of access to VetraSpec or its reporting or other capabilities shall be submitted to FDVA, in writing, for consideration. FDVA will determine if such customization is beneficial to the State, and if approved, FDVA will submit the request to DataSpec, Inc.

## **5. Terms of the Agreement and Period of Effectiveness**

This MOA will be effective on the date last signed below by the Parties, and will be reviewed annually by the signatories or successors. This MOA shall remain in effect until it is modified or terminated by the Parties. Minor modifications may be made when mutually agreed upon by written addendum, signed by FDVA and the County. Either party, upon 90 days' advance written notice, may terminate this MOA. FDVA may terminate immediately, if, in FDVA's sole discretion, it determines that the County has failed to comply with the terms and conditions of this MOA.

PASSED and ADOPTED in regular session by the Board of County Commissioners of Taylor County, Florida, on this 20<sup>th</sup> day of June, 2023.

**BOARD OF COUNTY COMMISSIONERS  
TAYLOR COUNTY, FLORIDA**

  
**JAMIE ENGLISH, Chairperson**

**ATTEST**

  
**GARY KNOWLES,**  
**Clerk of Court**

My name is Ernie Higbee. My wife, Debbie, and I have owned a home at 454 Granger Drive in Steinhatchee for the last 32 years. We have closely followed the pending Granger Road bridge project that has been proposed by Taylor County and the Florida Department of Transportation and strongly object to the project, as proposed for many reasons. The presently proposed Granger Drive bridge project will:

Create significant safety issues for Granger Drive residents and their families and guests. Granger Drive is a one lane dirt road and this new bridge project will dangerously increase the volume, kind and speed of traffic on a road that cannot safely handle such traffic. People are going to get hurt and property is going to get damages as a result of this project.

Create significant environmental issues for the Steinhatchee River and the local residents, wildlife and wetland areas. The bridge project as presently proposed contains no meaningful infrastructure to contain the runoff and drainage that will be created by the new "hard, paved" surfaces that will be created. Likewise, the presently proposed bridge elevation will encourage more vessel traffic (including powered vessel traffic) to enter the waterway which will be spanned by the bridge. This waterway is bordered by extremely fragile wetland areas and is currently a habitat for endangered species such as sea and shore birds, otters and manatees that use the waterway to protect and raise their young. The increased vessel traffic on this waterway will have the potential to injure wildlife such as manatees – but, will also damage the underwater vegetation and the surrounding wetland habitat that is so crucial for the survival of such wildlife.

Finally, no offense, the currently proposed bridge project is the epitome of a governmental boondoggle. Through the discussions of this project, it has become abundantly clear that the only reason that Taylor County and the Florida Department of Transportation are pursuing this bridge project is the availability of "free federal money" under the current federal infrastructure plan. At a time when this great country is struggling to agree on unprecedented increases in the debt ceiling and teetering on the brink of default under its current debt load, there is simply no justification for spending another \$4.0 million of taxpayer money on an unnecessary, unwanted, ridiculously over-built, recklessly expensive, dangerous, environmentally damaging bridge across what is basically a ditch through a dirt road . . . not to mention causing Taylor County to carry the long term burden of the significant increases in the County's costs to maintain Granger Drive . . . just because the money is free.

PLEASE, be responsible elected representatives of the residents of Taylor County and reconsider this bridge project.

Respectfully,

Ernie Higbee

Subject: Urgent Appeal to Prioritize Pedestrian Safety - No Vehicle Bridge on Granger Dr.

Dear Taylor County Commissioners,

I am writing this letter as an expectant mother who is deeply concerned about the proposed bridge on Granger Dr. I regretfully cannot attend the meeting in person, but I want to express my strong opposition to the construction of a vehicle bridge. As a resident who frequently walks with my 5-year-old daughter and will soon be navigating the area with a baby carriage, this project poses a significant threat to the safety of my family.

The existing pedestrian and golf cart bridge on Granger Dr. has served our community well. It provides a safe pathway for families like mine, allowing us to enjoy outdoor activities and travel without fear. The addition of a vehicle bridge would introduce unnecessary risks and potentially jeopardize the safety of pedestrians, especially children, and those using alternative means of transportation.

Consider the well-being of residents who rely on the current bridge for daily commutes and recreational purposes. Instead of constructing a vehicle bridge, I urge you to focus on enhancing and maintaining the existing pedestrian and golf cart bridge. This would adequately meet the needs of our community, without subjecting us to the dangers associated with increased vehicular traffic.

As an expectant mother, it is my utmost responsibility to prioritize the safety of my children. I appeal to you, as elected officials, to prioritize our safety and the safety of all residents who use Granger Dr. by rejecting the proposal for a vehicle bridge and ensuring that our community remains pedestrian-friendly.

Thank you for your attention to this matter and for considering the concerns of a concerned expectant mother. I trust that you will make a decision that upholds the safety and well-being of the residents you serve.

Sincerely,  
Heather Bencivengo  
Long time resident of Steinhatchee, Fl.

Dear Taylor County Commissioners,

I am writing to strongly oppose the construction of an unwanted and unneeded bridge on Granger Dr. The current old wooden bridge is perfectly adequate, It was rebuilt by the county in 2019.

We see no valid reason to replace it with a new structure that serves no practical purpose and wastes valuable resources.

The old wooden bridge is functional, safe, and a cherished part of our community. It fits seamlessly into the surroundings and holds historical value. It serves our needs without disrupting the tranquility of our neighborhood.

Please listen to the concerns of the residents and respect our wishes. Do not proceed with the unnecessary construction of a new bridge on Granger Dr. Instead, focus on utilizing taxpayer funds for essential projects that truly benefit the community.

I trust that you will make the right decision in preserving the existing wooden bridge, honoring the desires of the residents you represent.

Sincerely  
Bobby Crosby

Dear Taylor County Commissioners,

I am writing to express the firm opposition of the county residents, including myself, to the proposed bridge on Granger Dr. It is imperative that you listen to the voices of the community and promptly address our concerns by abandoning plans for this unnecessary and costly project.

The residents of Taylor County have spoken, and the majority of us do not want the proposed bridge on Granger Dr. Our safety and the safety of our walkers, children, and beloved pets are at stake. The introduction of such a structure would jeopardize the peace and security we currently enjoy in our community.

Constructing this bridge as proposed would be an utter waste of taxpayer money. We have pressing needs that require funding, such as improving local infrastructure and essential services. Our hard-earned money should be allocated wisely to benefit the entire county, rather than squandered on a project that lacks widespread support and offers no significant advantages.

I urge you to prioritize the voices of the county residents and heed our concerns. Seeking alternative solutions that address our safety and needs is way more important. By doing so, you will demonstrate your commitment to serving the best interests of the community.

Please take swift action in response to our collective opposition and reconsider the construction of the proposed bridge on Granger Dr. Show us that our voices matter and that you are willing to work in collaboration with us for the betterment of Taylor County.

I am only 1 voice standing up for many others.

Sincerely

John Darr

**Subject: Preserving the Tranquility of Steinhatchee - Opposing the Replacement of the Granger Bridge**

**Dear Taylor County Commissioners,**

**I am a proud resident who was born and raised in Steinhatchee, I am writing to express my deep concern regarding the proposed replacement of the Granger Bridge. Steinhatchee has always been a quiet and serene town, but recent changes threaten to disrupt its tranquility. Growing up, we affectionately knew the wooden Granger Bridge as "Lovers Leap." Replacing it with a massive cement bridge would not only destroy the historical and sentimental value attached to it but also disrupt the peaceful atmosphere of our beloved neighborhood.**

**Steinhatchee holds a special place in the hearts of its residents. The wooden Granger Bridge has been a symbol of our town's unique charm and character for as long as I can remember. It has served as a gathering spot, a place of connection, and a nostalgic landmark for both locals and visitors alike. The bridge's natural aesthetics, with its wooden structure blending harmoniously into the surrounding environment, have contributed to the tranquil ambiance of our community.**

**However, the proposed replacement of the Granger Bridge with a massive cement structure would irreversibly alter the character of Steinhatchee. The serenity that we have cherished would be replaced by a stark and industrial presence that is out of sync with the natural beauty of our surroundings. The tranquility we have always enjoyed would be shattered, leaving a lasting impact on the ambiance and allure of our neighborhood.**

**Preserving the historical and sentimental significance of the Granger Bridge is crucial for maintaining the identity and cultural heritage of Steinhatchee. By replacing this beloved wooden structure, we risk losing a part of our town's history that has been passed down through generations. It is vital to honor and protect these historical landmarks that hold deep meaning for the local community.**

**Furthermore, I want to emphasize the importance of community engagement and input in such decisions. The residents of Steinhatchee should be given the opportunity to voice their concerns and contribute to the decision-making process. Our shared vision for the future of our neighborhood should be carefully considered, ensuring that any proposed changes align with our collective aspirations.**

**In conclusion, I urge the Taylor County Commissioners to reconsider the replacement of the Granger Bridge in Steinhatchee. Let us preserve the tranquility and unique charm that have made our town a beloved place to live and visit. Instead of erasing our history and disrupting the peaceful atmosphere, let us explore alternatives that respect our community's desires and maintain the character of Steinhatchee for generations to come.**

**Thank you for your attention to this matter. I trust in your commitment to serving the best interests of Taylor County and preserving the essence of our cherished community.**

**Sincerely,  
Denise Harrington

Dear Taylor County Commissioners,

I am writing to ask you not to build a big bridge on Granger Dr. We really like our small bridge, and it would be a waste of taxpayers' money to replace it.

The small bridge on Granger Dr. is special to us. It fits well in our neighborhood and has been there for a long time. We appreciate its simple and charming design. Building a massive bridge would change the character of our area and wouldn't be necessary.

We believe that the money for the big bridge could be better used for other important things in our community. There are many needs that could benefit from those funds, like improving roads, schools, or public spaces. We want our tax money to be used wisely and for the things that really matter to all of us.

Please listen to our voices and consider the wishes of the people who live here. We ask that you keep our small bridge on Granger Dr. and avoid spending taxpayer money on a massive replacement.

We trust in your decision-making and hope you will consider what is best for our community.

Sincerely  
Jamie Merrit

Dear Taylor County Commissioners,

Thank all of you for your service. I am writing to urge you to consider leaving the wooden Granger Bridge in its current state and refrain from replacing it with a cement and steel bridge.

The wooden Granger Bridge has been an integral part of our community for years, providing a safe and accessible crossing point for pedestrians. Its rustic charm and familiarity have become symbols of our community's identity and history. The wooden bridge is not only functional but also adds to the aesthetic appeal of our area.

By replacing the wooden bridge with a cement and steel structure, we risk compromising the safety of pedestrians, particularly our children. The existing bridge design is pedestrian-friendly, allowing for easy and secure passage. Introducing a different type of bridge could lead to unforeseen safety concerns, such as limited visibility, increased vehicle speeds, or potential hazards associated with the construction process itself.

Considering the well-being of our community, especially our children, it is imperative to prioritize their safety when making decisions that impact our infrastructure. The wooden Granger Bridge has served as a reliable and safe crossing for pedestrians throughout the years. Maintaining its current form is a responsible choice that ensures the continued safety of those who utilize it regularly.

I kindly request that you carefully consider the importance of pedestrian and child safety and the historical significance of the wooden Granger Bridge. Please preserve this essential element of our community by refraining from replacing it with a cement and steel bridge.

Please don't build that bridge as proposed.

Sincerely,

Dwayne Harrington  
Longtime resident of Steinhatchee

## **DO NOT BUILD THAT MASSIVE CONCRETE STRUCTURE ON GRANGER DR**

Dear Taylor County Commissioners,

I'm Mike Williams  
I live at 440 Granger Dr.

I am writing this letter with great concern and a stern tone to emphasize the strong opposition of the residents in our community, including myself, to the proposed construction of a bridge on Granger Dr. As one of the only two residents who live on this road, I stand alongside my neighbor in expressing our unwavering disapproval. It is crucial that you listen to our voices and immediately cease any plans to move forward with this unnecessary and excessive project.

We, the two residents of Granger Dr., **STRONGLY** object to the construction of this bridge. It is perplexing to witness the disregard for our community's wishes, as we have repeatedly voiced our concerns. As elected officials, it is your duty to represent our interests and consider the views of the constituents you serve.

We firmly believe that the construction of such a massive concrete structure holds no benefit for our community. The exorbitant costs associated with this project would be far better allocated to address pressing needs, such as improving our roads, schools, and essential services. We the residents directly impacted by this construction, fail to see how this bridge would bring any significant advantages to our neighborhood.

The proposed bridge would disrupt the tranquil environment we cherish. Granger Dr. has always been a quiet and peaceful road, and the construction of a large concrete bridge would destroy the harmony we have carefully preserved. The noise, increased traffic, and potential safety hazards that come with this bridge are completely unwarranted and unnecessary.

In light of our strong opposition and the absence of any tangible benefits, we implore you to listen to the voices of the residents and reconsider the construction of the bridge on Granger Dr. Engage in open and transparent communication with us, explore alternative solutions, and ensure that our tax dollars are used judiciously to benefit the entire community.

Failure to honor our concerns and proceed with this bridge project would demonstrate a lack of respect for the constituents you represent. We urge you to prioritize our well-being and respect our wishes as the individuals directly affected by this decision.

We expect a prompt response indicating your commitment to listening to the residents, reconsidering the construction of the bridge on Granger Dr., and engaging in a constructive dialogue with us.

**Subject: Strong Opposition to the Granger Drive Bridge Construction**

**Dear Taylor County Commissioners,**

**As a concerned homeowner of Granger Drive, I am writing to express my vehement opposition to the proposed construction of the Granger Drive Bridge. I firmly believe that this project would not benefit anyone on our road, but rather would have detrimental effects on our safe and tight-knit community. Moreover, it raises serious safety concerns for our elderly residents, children, and pets. I strongly urge you to reconsider this project as it represents a total waste of much-needed funds that could be better utilized elsewhere, benefiting a select few who do not reside on Granger Drive.**

**Granger Drive is currently a safe and peaceful community where our elderly residents can enjoy their golden years, our children can play freely, and our pets can roam without worry. The proposed construction of the bridge would introduce significant safety risks that could disrupt the harmony we currently experience. The increased traffic, noise pollution, and potential accidents associated with the construction phase alone would pose a direct threat to the well-being of our elderly community members, who rely on the tranquility and familiarity of our neighborhood. Additionally, the presence of a bridge would likely lead to higher vehicle speeds and increased traffic volume, jeopardizing the safety of our children and beloved pets.**

Moreover, it is disheartening to note that the proposed Granger Drive Bridge would primarily benefit individuals who do not reside on our road, while imposing negative consequences solely on us, the residents of Granger Drive. This lack of equity and consideration is deeply concerning. As taxpayers, we expect our resources to be allocated in a manner that benefits the entire community, rather than catering to the interests of a select few. It is only fair that our hard-earned tax dollars be utilized for projects that enhance the well-being and quality of life for all residents of Taylor County.

In addition to the lack of benefits for Granger Drive residents, the construction of the proposed bridge would result in a significant waste of much-needed funds. Our county faces numerous challenges and demands, including improvements to existing infrastructure, public services, and community programs. Allocating substantial resources to a project that would not address any pressing needs in our community is a disservice to the taxpayers who rely on these funds to create positive change. It is imperative that we prioritize projects that have a tangible and equitable impact on the entire county.

In light of these concerns, I urge you to reconsider the Granger Drive Bridge construction project. Let us focus on initiatives that genuinely benefit our community, enhance safety, and preserve the peaceful environment we currently enjoy. It is crucial to engage in open dialogue with Granger Drive residents and explore alternative solutions that address our needs and concerns while making the most efficient use of taxpayer funds.

Thank you for your attention to this matter. I trust in your dedication to serving the best interests of Taylor County and making decisions that reflect the needs and desires of its residents.

Subject: Concerns Regarding the Construction of a Massive Concrete Bridge on Granger Rd

Dear Taylor County Commissioners,

I hope this letter finds you well. I am writing as a concerned resident of Taylor County to express my deep concerns about the proposed construction of a massive concrete bridge on Granger Rd. After careful consideration and discussions with fellow community members, I strongly believe that this project poses significant safety risks and would be a waste of taxpayers' money. I urge you to reconsider this plan and explore alternative solutions that prioritize the safety and well-being of our community.

Currently, Granger Rd serves as a safe place for residents to walk, and it provides a suitable environment for children to play and ride bikes. By constructing a massive concrete bridge, we would not only disrupt the existing harmony of the area but also introduce potential hazards that could compromise the safety of pedestrians and cyclists. The proposed bridge may encourage higher vehicle speeds, leading to increased risks of accidents and injuries, especially considering the proximity of residential areas.

Moreover, building such a bridge would entail substantial financial implications. Taxpayers' money should be used judiciously, ensuring that it benefits the community as a whole. In light of the current state of Granger Rd, where safety concerns are adequately addressed without the need for a bridge, it is difficult to justify allocating a significant portion of the county budget to a project that may not serve the best interests of the community.

Additionally, the construction of a massive concrete bridge could potentially expose the county to legal liabilities and lawsuits. In the unfortunate event of an accident resulting from the bridge's construction or subsequent usage, the county could face legal consequences. It is crucial to carefully evaluate the potential risks and consider alternative solutions that mitigate these concerns while promoting the well-being of our residents.

I strongly urge the Taylor County Commissioners to conduct a comprehensive assessment of the proposed project, taking into account the concerns raised by residents. Consider alternative solutions that prioritize safety, maintain the current functionality of Granger Rd, and utilize taxpayers' funds effectively. Engage in meaningful dialogue with the community to ensure that the decisions made align with the best interests of Taylor County as a whole.

Thank you for your attention to this matter. I trust in your commitment to serving our community's needs and making informed decisions that will positively shape the future of Taylor County.

Sincerely

Subject: Opposition to the Proposed Bridge Construction on Granger Drive

Dear Taylor County Commissioners,

Thanks for all that y'all do for Taylor county. As a concerned homeowner residing on Granger Drive, I am writing to express my strong opposition to the proposed bridge construction on our road. I firmly believe that this project would have devastating consequences for our community, making it unsafe for residents and adversely impacting the environment. Furthermore, I am deeply concerned that this endeavor would be a total waste of valuable county, state, and federal tax money.

Granger Drive is currently a safe and harmonious neighborhood, where residents feel secure and enjoy a peaceful environment. The proposed bridge construction threatens to disrupt the tranquility and safety we currently experience. It is crucial to recognize that the construction process itself may lead to increased traffic, noise pollution, and potential hazards for residents and their properties. Once the bridge is complete, it may introduce additional safety concerns, such as higher vehicle speeds and increased traffic volume, which would compromise the well-being of our community.

Furthermore, I strongly believe that the construction of the proposed bridge would primarily benefit individuals who are not residents of Granger Drive, while imposing negative consequences solely on us, the homeowners who call this road our home. It is unfair to burden the residents of Granger Drive with the adverse impacts of this project without providing any significant benefits to us. As taxpayers, we deserve equitable distribution of resources that benefit the entire community rather than favoring a select few.

In addition to the direct impact on our community, the proposed bridge construction would have severe repercussions on the environment. Granger Drive is surrounded by natural beauty, including mature trees, wildlife habitats, and scenic landscapes. Constructing a bridge would require clearing a significant portion of these natural elements, leading to irreversible environmental damage. We must prioritize the conservation of our natural resources and work towards sustainable development that preserves the unique beauty of our area for future generations to enjoy.

Considering the financial implications, I am deeply concerned about the waste of county, state, and federal tax money that would be allocated towards a project that does not serve the best interests of our community. These funds could be better utilized for improving existing infrastructure, enhancing public services, or investing in projects that have a more positive and equitable impact on the county as a whole. It is essential to allocate our resources responsibly and prioritize projects that provide substantial benefits for all residents.

I respectfully request that you reconsider the proposed bridge construction on Granger Drive. Instead, let us focus on initiatives that promote the safety, well-being, and environmental sustainability of our community. Engage in open dialogue with the residents of Granger Drive and consider alternative solutions that address our concerns while utilizing taxpayers' money effectively and equitably.

Thank you for your attention to this matter. I trust in your commitment to serving the best interests of Taylor County and making decisions that reflect the collective voice of its residents.

Sincerely,

**Dear Taylor County Commissioners,**

**I am writing to emphasize the significance of not proceeding with the construction of a large bridge on Granger Drive. It is essential to consider the potential risks and dangers posed to pedestrians, children, bike riders, and golf cart users in the area. The safety of our community should remain a top priority.**

**Granger Drive is currently a road that accommodates various forms of non-motorized transportation, such as walkers, children, bike riders, and golf cart users. These individuals rely on the existing infrastructure to navigate safely within the neighborhood. Introducing a large bridge into the area would introduce potential hazards, as it may encourage increased vehicle speed, limit visibility, and disrupt the flow of non-motorized traffic.**

**The safety of our residents, especially our children, should be of utmost importance when considering any construction project. Building a large bridge on Granger Drive could expose pedestrians, children, bike riders, and golf cart users to unnecessary risks and accidents. It is crucial to prioritize their well-being.**

**I kindly request that you carefully evaluate the potential consequences of constructing a large bridge on Granger Drive, keeping in mind the safety concerns of our residents. Please explore alternative solutions that preserve the current level of safety and convenience for pedestrians, children, bike riders, and golf cart users. By doing so, we can ensure that our community remains a secure and accessible place for everyone.**

**Subject:** Letter in Support of Lower Speed Limit in Steinhatchee

To the Taylor County Commissioners,

I'm writing this letter in support of lowering the speed limits in Steinhatchee for the reasons of safety for kids, convenience for the golf carts, and the ambiance of the quaint, slow-moving, laid-back town.

First, my pregnant daughter and son-in-law live on 2<sup>nd</sup> Street, between Roy's Restaurant and the dump. Obviously, I'm fixing to have a grandson arrive right after Scallop Season. I would love for the speed limit to be lowered so that kids may play safely in the yards along this road. Across the street houses grandparents of children that I coached in T-Ball and diagonally is the Nut Hut, whose owners babysit more than a 'bunch' of children. Just up the road, the new RV Park is being added. Also, my daughter's house and yard has been involved in numerous car accidents including a car flipping in their front yard. Lowering the speed limit would absolutely make that road safer.

Second, taking trash to the dump on a golf cart is a convenience for many who do not want to load drippy, smelly trash into their personal car. Also, some folks in Steinhatchee only own a golf cart for getting around. Included with convenience is parking. Many golf carts can fit into a regular size parking space allowing up front parking at restaurants, marinas and grocery/convenience stores for more patrons.

Lastly, Steinhatchee is just 4 miles of quaint, laid-back sweetness. Having golf carts leisurely drive around the town is part of the ambiance already associated with our laid-back, no hurry, vacation town. Slowing the speed limit to accommodate the golf cart will safely enhance our town.

Sincerely,
