Motion was made by Trustee Younker, seconded by Trustee Brady, TO WAIVE THE FORMAL BIDDING PROCESS, GRANTING AN EMERGENCY EXPENDITURE AUTHORITY TO THE VILLAGE MANAGER FOR THE EXECUTION OF A CONTRACT FOR THE REPAIRS OF THE PRESSURIZED SANITARY SEWER MAIN AT 167TH STREET AND NORMANDY DRIVE IN AN AMOUNT NOT TO EXCEED $90,000. Following the February 20, 2018 rainstorm, a resident notified the Public Works Department of a “possible main break” in the area of 167th Street and Normandy Drive. Preliminary investigations determined that this was not a water main break. The investigation determined that a 14” pressurized sanitary sewer main had failed. The pipe failure had created a large cavity beneath the southern lane of 167th Street leaving a portion of the roadway unsupported. Due to the risks to public safety, Public Works made notifications to the Village Manager and Village Board advising that emergency repairs were immediately required. The related sanitary sewer lift station was rerouted to allow work to proceed. Airy’s Inc., a local contractor with a proven track record for quick and effective response to such emergencies, was contacted to assist with the immediate repairs. Concurrent with the sewer repairs, Public Works crews focused on cleaning the downstream sanitary sewer line to remove soils that had washed out in connection with the sanitary sewer break. The failed sanitary sewer main has now been replaced, the site backfilled with stone, and the roadway has been replaced with a temporary concrete patch. The full restoration of the roadway and adjacent parkway will be completed at a later date. President Vandenbarg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Pannitto, Berg, Brady, Mangin. Nays: None. Absent: Glotz. President Vandenbarg declared the motion carried.
