Motion was made by Trustee Glotz, seconded by Trustee Younker, to adopt and place on file
ORDINANCE NUMBER 2018-O-069 GRANTING A 21.75 FOOT FENCE VARIATION FROM SECTION III.J. (FENCE REGULATIONS) OF THE ZONING ORDINANCE, TO PERMIT A SIX FOOT (6') TALL PRIVACY FENCE TO EXTEND 21.75 FEET INTO THE REQUIRED SECONDARY FRONT YARD WHERE A FENCE ENCOCHRAMENT IS NOT PERMITTED ON THE PROPERTY LOCATED AT 8736 BROWN LANE IN THE RADCLIFFE PLACE PUD (KIAUPA). The Petitioner, Kelly Kiaupa, seeking a 21.75 foot fence Variation from Section III.J. (Fence Regulations) of the Zoning Ordinance, to permit a six foot (6') tall privacy fence to extend 21.75 feet into the required secondary front yard where a fence encroachment is not permitted at 8736 Brown Lane in the R-3 PD (Single-Family Residential, Radcliffe Place PUD) Zoning District. The Petitioner has requested the Variation due to their block’s development pattern and because their secondary front yard is adjacent to a line of rear yards. The Variation would allow the Petitioner to install a six-foot (6') high privacy fence to encroach 21.75 into their secondary front yard at 8736 Brown Lane in the R-3 PD (Single-Family Residential, Radcliffe Place PUD) Zoning District. The Zoning Board of Appeals held a Public Hearing on October 11, 2018 and voted 7-0 to recommend the Variation, in accordance with plans listed in the “Listed Reviewed Plans” and Findings of Fact in the October 11, 2018 Staff Report. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Younker, to adopt and place on file
RESOLUTION NUMBER 2018-R-095 APPROVING A PARKING USE AND MAINTENANCE AGREEMENT BETWEEN OPA INVESTMENT GROUP AND THE VILLAGE FOR PROPERTY LOCATED AT 17745-17749 OAK PARK AVENUE (DR. CYNTHIA M. CECOTT). The Petitioner, Dr. Cynthia Cecott, of OPA Investment Group, recently purchased the property at 17745-17749 Oak Park Avenue where she has owned a Veterinary Clinic for the past nine years. The previous owner had an agreement with the Village for the use and maintenance of the parking area along the south side of the property which provided them with non-exclusive rights for parking with maintenance responsibilities. With the transfer of ownership the agreement is voided and a new agreement is required. The Plan Commission held a Public Hearing on September 20, 2018 and as part of the Variation approval (5-0) placed a condition requiring a new agreement. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Younker, to adopt and place on file
RESOLUTION NUMBER 2018-R-094 OPPOSING A 30' VARIATION OF A 50' REQUIRED
FRONT YARD SETBACK FOR UNINCORPORATED PROPERTY LOCATED AT 18111 HARLEM AVENUE. The Petitioner, Ben Mammina, acting on behalf of Janet and Robert Haavig, has petitioned the Cook County Zoning Board of Appeals for a variance to the zoning requirements of the R-3 Single Family Residence District. The request seeks to reduce the lot width from the minimum required 150 feet to an existing 100 feet and reduce the front yard setback from the minimum required 50 feet to a proposed 20 feet. The Variance is requested to allow for the construction of a single family residential dwelling on well and septic. The original home was destroyed by a fire and has since been demolished.

Staff presented a case against the request at a special Community Development Committee on November 6, 2018. Staff contends that the required variation standards have not been met and the long term vision for the area is to annex these parcels, develop as mixed use and connect to Village utilities. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Younker, to adopt and place on file ORDINANCE NUMBER 2018-O-066 GRANTING A SPECIAL USE PERMIT TO ALLOW ACCESSORY RESIDENTIAL USES ON THE FIRST FLOOR AND VARIATIONS IN THE DC (DOWNTOWN CORE) ZONING DISTRICT FOR THE BOULEVARD AT CENTRAL STATION FOR THE PETITIONER, DAVID SOSIN, ON BEHALF OF SOUTH STREET DEVELOPMENT, LLC ON SOUTH STREET COMMONLY KNOWN AS 6701-6755 SOUTH STREET. The Petitioner, David Sosin on behalf of the owners of 6701-6755 South Street, is seeking A Special Use Permit and Variations from the Legacy Code, as listed in the September 06, 2018 Staff Report and the Ordinance, to permit the construction of two (2) 4-story mixed-use buildings with a surface parking lot and covered parking garage. The Special Use Permit will allow the Petitioner to construct accessory residential amenities (fitness gym, clubroom and business center) on the first floor of Phase 1. A condition of the Special Use Permit requires the Fitness Gym to be relocated to the upper floors of Phase 2. The Variations will allow the Petitioner to have an increased side yard setback; one-bedroom apartments less than the required 800 sq. ft.; a projection sign that exceeds the height and square footage allowed; a reduction in the required amount of primary materials required and an increase in the percentage of accent materials allowed. The Plan Commission held a Public Hearing on September 06, 2018 and voted 6-0 to recommend the Special Use Permit and Variations in accordance with the plans as listed in the “Listed Reviewed Plans” and Findings of Fact in the September 06, 2018 Staff Report. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. President Vandenberg noted that he had received a letter he received regarding concerns about using tax payer dollars for private developments. Vote on roll call: Ayes: Younker, Brady, Glotz, Curran. Nays: Berg. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Younker, to adopt and place on file RESOLUTION NUMBER 2018-R-091 APPROVING THE BOULEVARD AT CENTRAL STATIONS' PLAT OF SUBDIVISION FOR THE PETITIONER, DAVID SOSIN, ON BEHALF OF SOUTH STREET DEVELOPMENT, LLC ON SOUTH STREET COMMONLY KNOWN AS 6701-6755 SOUTH STREET. The Petitioner, David Sosin on behalf of the owners of 6701-6755 South Street, is seeking approval of a Plat of Subdivision that will consolidate several properties into three (3) lots for the construction of two (2) 4-story mixed-use
buildings with a surface parking and parking garage. Currently the Village owns several parcels of land that will be given to the Developer in exchange for property they own. The project will be constructed in two phases of which the Village will own Lot 3 until Phase 2 commences. At that time, the Village will take ownership of Lot 2 which will become a public surface parking lot. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Brady, Glotz, Curran. Nays: Berg. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Curran, seconded by Trustee Brady, to adopt and place on file RESOLUTION NUMBER 2018-R-083 APPROVING AN ECONOMIC INCENTIVE AGREEMENT BETWEEN THE VILLAGE OF TINLEY PARK AND SOUTH STREET DEVELOPMENT, LLC. The Committee of the Whole and the Economic and Commercial Commission have discussed and recommended approval of the proposed economic development incentive package for South Street Development, LLC. Planned improvements for the vacant land located at 6701-6755 South Street will include a 4 story 165 unit mixed use development with 30,000 square feet of commercial space, 100 new public parking spaces, a 181 private parking spaces, a private swimming pool, public infrastructure improvements and public streetscapeing. The total rebate incentive package will not exceed $7,026,000 to include an amount not to exceed $2,200,000 for public infrastructure improvements and an amount not to exceed $4,826,000 for reimbursement of TIF eligible expenses. The Village will also cap internal permit fees at $100,000 and external fees at $30,000 creating a total estimated incentive package of $7,556,000. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. Trustee Berg stated that she received comments from a concerned citizen stating that they believe Freedom Pond should also be noted as part of the incentive for this development. Vote on roll call: Ayes: Younker, Brady, Glotz, Curran. Nays: Berg. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Younker, seconded by Trustee Berg, to adopt and place on file ORDINANCE NUMBER 2018-O-071 GRANTING A PLAT OF DEDICATION FOR THE STREET RIGHT OF WAY AT THE SOUTHWEST CORNER OF 183RD STREET AND OAK PARK AVENUE. The Village will be constructing a multi-use path on the south side of 183rd Street and the west side of Oak Park Avenue that will enhance pedestrian access to the Tinley Park Convention Center as well as to the Hollywood Casino Amphitheatre. In determining the design of this multi-use path, the engineers identified that an additional 163 square feet of property was required from the adjacent property at the southwest corner of 183rd Street and Oak Park Avenue. The owner of the property has agreed to donate this needed parcel to the Village. It was determined that the most efficient and expedient means to complete this transfer was via a Plat of Dedication, adding the parcel to the adjacent street right of way. This item was discussed at the Special Public Works Committee meeting held prior to this meeting. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Younker, seconded by Trustee Brady, to adopt and place on file RESOLUTION NUMBER 2018-R-093 APPROVING A CHANGE ORDER WITH MEADE ELECTRIC FOR THE FY 2019 LED STREET LIGHTING REPLACEMENT PHASE 2 PROJECT/CHANGE ORDER. Earlier this year, the Village awarded a competitively bid contract to Meade Electric for the LED Street Lighting Replacement Phase 2 Project. The Village has
decided to add approximately 123 additional street lights (including pole covers and fuse kits) to this project. This item was discussed at the Special Public Works Committee held prior to this meeting. Consider approving a change order with Meade Electric for the FY 2019 LED Street Lighting Replacement Phase 2 Project in an amount not to exceed $106,925. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. Trustee Brady asked how many lights need to be changed. Public Works Director Kevin Workowski stated the Village is about one-third of the way through this project. Mr. Workowski also stated that the Village has received a grant from ComEd for $47,000. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Curran, seconded by Trustee Berg, to adopt and place on file RESOLUTION 2018-R-081 TO INCLUDE CASH PAYMENTS RELATED TO HEALTH INSURANCE AS IMRF EARNINGS. At the Illinois Municipal Retirement Fund’s (IMRF) Board meeting held in December 2017, a resolution was approved defining that, at the option of a participating unit of government, IMRF reportable earnings can include all cash payments made separately from salary in lieu of employer provided health insurance or cash payments made in association with or related to healthcare benefits. The IMRF Board’s action required that any participating unit of government must affirmatively allow IMRF reporting of such compensation by adoption of a resolution by its governing body. In the past, IMRF had considered these payments as a reportable Bonus or Award, but with their recent action, they have created a specific definition for such payments in lieu of health benefits. In order to continue consistent reporting of this health insurance stipend as it now has been redefined by IMRF, the Village Board must approve the attached resolution. Passing this resolution maintains the “status quo” on the treatment of this type of payment and is consistent with the manner in which this stipend has been reported for at least four decades. This item was discussed at the Finance Committee meeting held October 23, 2018 and recommended for approval. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.
Ordinance 2018-0-068 Authorizing the Village of Tinley Park to Request That It Be Granted the Right to Obtain a Tax Certificate for Certain Property Pursuant to the Cook County No Cash Bid Program for Tax Delinquent Properties (2019 Cook County Scavenger Sale). In accordance with Illinois property tax statutes, Cook County conducts a Scavenger Sale in odd numbered years which includes tax parcels where the property taxes are three or more years unpaid and delinquent. The Village can acquire parcels scheduled for the Scavenger Sale under a "No Cash Bid" (NCB) program as provided under State Statutes [35 ILCS 200/21-260(g)]. This program does not require any outlay of cash to acquire the properties based on the outstanding tax obligations. The objectives of the program are to transfer properties to a local government that can utilize the property for its exempt purposes, or to assemble properties to encourage economic development to return the properties to the active and "productive" tax rolls. Village staff has reviewed the list of parcels located within Tinley Park that will be included in the upcoming Scavenger Sale and have identified parcels that would be advantageous for the Village to acquire under the NCB Program. These parcels will primarily add to existing street right of way, detention and storm drainage systems, and general open space. Many of these parcels are unbuildable and have little intrinsic value, and it is unlikely that they would ever be redeemed (cleared of the delinquent taxes) and become productive taxable property. Removing them from the tax rolls will have the added benefit of improving the collectible property taxes for the affected Tinley Park taxing bodies. This item was discussed at the Finance Committee meeting held October 23, 2018 and recommended for approval. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. Treasurer Brad Bettenhausen noted that the number of parcels from the original distribution of Board packets has increased. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Ordinance 2018-0-070 Dissolving the Special Tax Allocation Fund and Terminating the Designation of the Oak Park Avenue Redevelopment Project Area. Tax year 2017 marked the 23rd and final incremental tax year for the successful Oak Park Avenue TIF. While there remains public improvement projects that were not undertaken and properties that were not redeveloped, a considerable portion of the Redevelopment Plan and Project has been achieved. As an indicator if its success, this TIF has realized an increase in taxable property value of nearly $31 million since its inception. The current property value is almost 18 times greater than what existed at the start of the TIF. Even though the TIF has reached its final 23rd year, State statutes require that the Village adopt an ordinance to formally close the TIF district. As required by the statutes, a separate notice has been mailed to all of the impacted taxing districts advising of the dissolution of the Oak Park Avenue TIF with the close of calendar year 2018. A copy of this ordinance is filed with the Cook County Clerk. This item was discussed at the Finance Committee meeting held October 23, 2018 and recommended for approval. President Vandenberg stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Curran. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Ordinance Number 2018-0-059 Levying Taxes for Corporate Purposes for the Village of Tinley Park 2018 Tax Levy Year. The property tax levy
request for 2018 will be set at $26,793,520. This amount represents a 3.8% increase over the previous year’s extended tax levy dollars. This levy amount is net of the abatements for debt service considered in Ordinances 2018-0-060 through 2018-0-063 in a total amount of $2,712,545. If these funds were not abated, the total required levy would be $29,506,065 and would represent an increase of 14.3%. The Village of Tinley Park portion of the levy amounts to $20,959,040 and represents the first increase since tax year 2011. This amount is $216,934 lower than the Village’s traditional levy cap formula would permit. The Tinley Park Public Library portion of the levy amounts to $5,834,480 and represents the first increase since tax year 2010. Since the overall levy increase is less than 5% of the prior year’s extended levy, publication of a Truth in Taxation notice (Black Box) and Public Hearing are not required. Due to growth in the property tax base, partially as a result of the “release” of equalized assessed value by the Oak Park Avenue TIF, it is expected that individual property owners will not see an increase in their share of Village taxes, provided their property value remains unchanged from the prior year. The amount of the levy was reviewed and determined at the Finance Committee meeting held on October 23, 2018. The Library Levy request was approved at the Library Board meeting held on October 24, 2018. President Vandenberg asked if anyone cared to address the Board. No one came forward. Vote by voice call. President Vandenberg declared the motion carried.

ORDINANCE NUMBER 2018-O-064 ABATING A PORTION OF THE VILLAGE OF
TINLEY PARK TAX YEAR 2018 PROPERTY TAXES EXTENDED FOR 8451 183RD
PLACE, TINLEY PARK, WILL COUNTY, ILLINOIS (SURFACE SHIELDS, INC.
INDUCEMENT AGREEMENT). In July 2017, the Village Board approved Resolution 2017-R-039 adopting an inducement agreement with Surface Shields, Inc. to locate their manufacturing
facility in Tinley Park. Under this agreement, provided that the Company met or exceeded certain
benchmarks, the Village would abate 50% of the property taxes extended for the Village of Tinley
Park for a period of four years. The Company has met the requirements of the inducement
agreement and is eligible for a tax abatement as provided under the agreement. This ordinance represents the first year of abatements under the inducement agreement. This ordinance will direct the Will County Clerk to abate 50% of the property taxes extended against this property.
