OLD AND UNFINISHED BUSINESS

Studio

Reta Brudd the Studio shows are rolling along. Nothing new to add at this point. The cameras are getting a lot of use and you need to be very careful moving them. **Mike Cutrano** will purchase “feet”.

Scholarships

Reta Brudd stated that she spoke with Brian Younker regarding the scholarships. We will have an answer by January 31st. We will not be having scholarships unless we can give out four scholarships. **Brian Younker** is looking into requesting businesses to fund the program.

Christmas Market

Reta Brudd reported we have a check for \$931.05 for Wounded Warriors. It will be presented at a board meeting as soon as we can get someone to attend.

Discovery Tinley

Reta Brudd stated that we have our balloon guy. Ronald McDonald cannot attend due to his world tour. Mr. D will also be participating.

Deb Melchert left a voice mail for the vice president of the train organization. Have not heard back from them.

Denise Maly-Politano asked if anyone else had any other entertainment ideas or suggestions. TNT will be asked again. They come in with an enormous group of dancers and Dance Images only performs with a few.

Reta Brudd stated that Discover Tinley is the Saturday after Easter this year and might interfere with spring break.

Janet Czuchra suggested Central Middle School choir. The director is Ms. Moan and her brother teaches band at Andrew. **Denise** will contact her.

Ron Centanni asked if there are other junior highs with bands. Or possibly the community band?

Reta Brudd stated that there is one teacher that goes through every school at Dist. 140. They do not have band all year long, only marching. Confirmed our young lady to perform the National Anthem. Also stated the community band wants to be paid \$400.00 to perform.

Deb Melchert suggested a tumbling organization.

Reta Brudd did not think there would be enough room. Also asked is we wanted to do a blood drive again.

Al Siegers thought if they want to come out we should have them participate.

Deb Melchert will check into the traveling wall possibly attending.

Ron Centanni confirmed the train club.

Reta Brudd stated that we are not taking anyone at the door without money. We were never paid by ComEd/Easter Seals group. Somewhere their communication fell apart and we were stuck with the bill because ComEd had been there in the past and just showed up. Only if arrangements have been made ahead of time and the check is coming from corporate. We do not offer refunds. **Reta** also asked if anyone knows a face painter.

Deb Melchert stated there was someone on Facebook and she will confirm the price with him.

Reta Brudd thinks location of balloon person might need a different location than last year. He was too close to the cars.

Logan Enright will be creating a Facebook page to advertise Discover Tinley.

Al Siegers asked if we have the contract yet. **Reta Brudd** stated that we have one but does not know where the signed contract is. She will ask Emily and/or the village manager about it.

Al Siegers will inquire about inflatable.

Ron Centanni inquired about the Star Wars organization participating. **Denise Maly-Politano** will get in contact with them.

Youth in Government

Reta Brudd stated that Youth in Government is in February. We have replies from all but three of the staffing people. Already have names from one of the schools. All schools have been contacted. The 20th is the presentation so hopefully someone can come to the board meeting and cheer for the kids.

Al Siegers asked if Denise can get a reminder out to everyone closer to the date.
