OLD AND UNFINISHED BUSINESS

Studio

Don Budny stated there are 6 kids and everything is going along great. We are going to try to get something set up to recognize all of the hard work the kids did in rewiring the Studio. It was a big accomplishment and everything sounds much better. **Al Siegers** suggested a pizza party.

Ron Centanni is still looking for more ideas on people to interview if anyone has any suggestions or ideas.

Youth in Government

Garrett Gray did a great job. **Al Siegers** thanked **Garrett Gray** for taking the program over again.

Scholarships

Don Budny stated everything is set in place. He has only received one application back so far. The applications are all out to the schools and will get to the judges by April 10th. May 5th is the presentation here at the Village.

New Business

Mike Cutrano gave a parade recap. There was one guy filming (Ben Anderson), he brought all the equipment and set it all up. Jason was to edit it but Ben ended up editing it. It was a huge success. There were busloads of kids and band students.

Mike Sevier stated that NBC was there as there was a short snippet on NBC news.

Al Siegers stated the parade was well organized and well planned. Lots of participants and lots of traffic. Hats off to the Marketing Department, Donna Framke and Sue Pall. It was a successful parade. Thank you to everyone who helped out.

Good of the Order

Al Siegers stated we will meet in April and then discuss what months we will be taking off for our summer break as there is not much else going on.

Ron Centanni asked if we have a date for Discover Tinley 2021. **Don Budny** stated it is April 10, 2021.

Al Siegers stated that a lot of the Expos are not doing well including the Chicago Auto Show. We will have to decide if Discover Tinley will continue.

Barbara Rose Whalen stated the Home Expo was well attended.
