ITEM #7

SUBJECT: CONSIDER ORDINANCE NUMBER 2017-O-033 APPROVING TEXT AMENDMENTS TO SECTION II (B) (DEFINITIONS) AND SECTION IX (SIGN REGULATIONS) OF THE TINLEY PARK ZONING ORDINANCE PERTAINING TO THE REGULATION OF SIGNS WITHIN THE VILLAGE – Trustee Glotz

ACTION: Discussion: Consider recommending that the Village Board approve Text Amendments to Section II (Definitions) and Section IX (Sign Regulations) of the Village of Tinley Park Zoning Ordinance. The proposed Text Amendments include but are not limited to: regulations for sign face area, sign height, quantity of signs, location of signs, sign materials, regulations for signage in the B-5 Zoning District, sign regulations for special areas and particular uses, temporary signs, nonconforming signs, and definitions for terms related to signage.

The Plan Commission held a Public Hearing on May 4, 2017 and unanimously recommended approval of the Text Amendment (7-0), however in a separate vote regarding Section IX.D.2.j. of the Zoning Ordinance, the Commission voted (5-2) to recommend Option D (requiring the same background color, font color and font style for multi-tenant sign panels).

The Community Development Committee reviewed the recommendations from the Plan Commission meeting at their June 13, 2017 meeting and recommended approval of the proposed text amendments with the following exception: the Committee recommends Option B for the multi-tenant sign panels for ground mounted signs. This Ordinance is eligible for first reading.

COMMENTS:

ITEM #8

SUBJECT: CONSIDER RENEWAL OF A CONTRACT WITH JJ NEWELL, CALUMET CITY, IL FOR CONCRETE FLATWORK AND CURB FOR FY17 - Trustee Younker

ACTION: Discussion: In 2016, a contract was awarded to JJ Newell upon completion of a competitive bidding process, for concrete and curb work at locations throughout the Village. One of the provisions in the contract allows the Village of Tinley Park to renew the contract for two (2) additional one (1) year increments at the Village’s discretion. The proposed renewal would increase the 2016 pricing for the 2017 season by $3,602.50. This would be the second year the Village would renew this contract. The Village has funds budgeted and available for this expenditure. This contract was discussed at the Public Works Committee held on Tuesday June 13th 2017. If recommended for approval, consider exercising the option to extend the existing contract for the 2017 Concrete Flatwork and Curb work to JJ Newell Concrete Contractors, Inc., Calumet City, IL in an amount not to exceed $140,990.

COMMENTS:
ITEM #9

SUBJECT: CONSIDER AWARDING A CONTRACT WITH MUSCAT PAINTERS, OF ELGIN, ILLINOIS, FOR THE FISCAL YEAR 2018 FIRE HYDRANT PAINTING PROGRAM – Trustee Younker

ACTION: Discussion: The Village of Tinley Park sought a qualified contractor to prepare and paint approximately 600 Fire Hydrants within the Village during Fiscal Year 2018. Two (2) bids were received, but the Cryder Enterprises bid was deemed non-responsive due to a bid bond/certified check was not submitted with their bid, as was called for in the bid specifications. The results are as follows:

<table>
<thead>
<tr>
<th>CONTRACTOR</th>
<th>AS READ BID &amp; CALCULATED</th>
</tr>
</thead>
<tbody>
<tr>
<td>MUSCAT Painters, Elgin, IL</td>
<td>$72.78/per Hydrant</td>
</tr>
<tr>
<td>Cryder Enterprises, Inc, Minooka, IL</td>
<td>$80.00/per Hydrant (Non Responsive)</td>
</tr>
<tr>
<td>Superintendent’s Estimate</td>
<td>$75.00/per Hydrant</td>
</tr>
</tbody>
</table>

This item was discussed at the June 13, 2017 Public Works Committee Meeting.

Funds are budgeted and available in the Water and Sewer Fund in the amount of $50,000. Village Staff recommends awarding the contract to Muscat Painters, the lowest responsive and responsible bidder in the amount not to exceed $50,000.

**Consider awarding a contract to Muscat Painters, of Elgin, Illinois, to paint fire hydrants during FY2018 in an amount not to exceed $50,000.**

COMMENTS:_____________________________________________________________

ITEM #10

SUBJECT: CONSIDER ADOPTING RESOLUTION 2017-R-028 RELATING TO PARTICIPATION BY ELECTED OFFICIALS IN THE ILLINOIS MUNICIPAL RETIREMENT FUND (IMRF) - Trustee Pannitto

ACTION: Discussion: This item was postponed at the June 6, 2017 Regular Village Board meeting. The Village of Tinley Park authorized its Elected Officials to participate in IMRF in 2004. However, unlike regular employees, Elected Officials have the option to enroll in IMRF, provided that they are spending at least 1,000 hours annually performing their elective duties. The Village was audited by IMRF in 2014, and as part of that audit process a determination was made that under normal circumstances it could be expected that Village Elected Officials would meet the hourly standard during a calendar year and would be eligible to participate in IMRF if they had elected to do so. Earlier this year, the IMRF Board established a new requirement that all governing bodies where Elected Officials are permitted to participate in IMRF must pass a Resolution affirming that the elected positions meet the IRMF hourly standard (1,000 hours per year). This new Resolution must be passed by September 1, 2017 and at least every two years thereafter for all elected positions. It remains the responsibility of the Elected Official to maintain sufficient records to document their hours. This item was discussed at the Administration and Legal Committee meeting held on May 23, 2017 and recommended to be presented before the Village Board. **This Resolution is eligible for adoption.**
ITEM #11

SUBJECT: CONSIDER ADOPTING RESOLUTION NUMBER 2017-R-031 APPROVING A COLLECTIVE BARGAINING AGREEMENT BETWEEN THE VILLAGE OF TINLEY PARK AND ITS PATROL OFFICERS REPRESENTED BY THE METROPOLITAN ALLIANCE OF POLICE TINLEY PARK CHAPTER #192 – Trustee Brady

ACTION: Discussion: The prior collective bargaining agreement expired on April 30, 2016. Following negotiations, an agreement was reached earlier this month. All necessary changes have been made and reviewed by the Village and the Union. Patrol officers will receive a 2.5% increase retroactive to 2016, a 2.5% in 2017, a 2.75% in 2018, and a 2.5% in 2019. The union health insurance will also change with the deductible increasing from $0 to $500 for single and $1500 for family, and increased copays, drug costs and out of pocket expenses. As a one time offset for accepting the health insurance changes, police officers will receive a one time $500 offset. The agreement eliminates the residency requirement and replaces it with a requirement that an officer must live within thirty (30) miles of 80th Avenue and 183rd Street. This Resolution is eligible for adoption.

ADJOURNMENT
MINUTES OF THE SPECIAL BOARD MEETING OF THE TRUSTEES,
VILLAGE OF TINLEY PARK, COOK AND WILL COUNTIES,
ILLINOIS, HELD JUNE 6, 2017

The special meeting of the Board of Trustees, Village of Tinley Park, Illinois, was held in the Council Chambers located in the Village Hall of Tinley Park, 16250 S. Oak Park Avenue, Tinley Park, IL on June 6, 2017. President Vandenberg called this meeting to order at 7:30 p.m. and led the Board and audience in the Pledge of Allegiance.

Present and responding to roll call were the following:

Village President: Jacob C. Vandenberg
Village Clerk: Kristin A. Thirion

Trustees:
Brian H. Younker
Cynthia A. Berg
William P. Brady
Michael W. Glotz
Michael J. Mangin

Absent:
Trustee: Michael J. Pannitto

Also Present:
Village Manager: David J. Niemeyer
Village Attorney: Patrick Connelly

A PUBLIC HEARING HELD ON JUNE 6, 2017, BEFORE THE CORPORATE AUTHORITIES OF THE VILLAGE OF TINLEY PARK, COOK AND WILL COUNTIES, ILLINOIS, TO CONSIDER THE PROPOSED ANNEXATION AGREEMENT FOR THE PROPERTY LOCATED AT 7015 179TH STREET (FIRST BAPTIST CHURCH OF TINLEY PARK)

At this time, President Vandenberg called the Public Hearing to order at 7:30 p.m. Motion was made by Trustee Mangin, seconded by Trustee Younker, to open the Public Hearing to consider the proposed annexation agreement for the property located at 7015 179th Street (First Baptist Church of Tinley Park). President Vandenberg declared the Public Hearing open. Vote by voice call.

In conformance with the State Statutes, a notice of Public Hearing was published in the newspaper on Tuesday, May 9, 2017.

At this time, Trustee Glotz stated this is a Public Hearing for the annexation of the church’s two properties located at 7025 179th Street to the Village of Tinley Park. The Village Board previously discussed the Annexation Agreement of these parcels at the Committee of the Whole meeting held on May 9, 2017, and recommended it be forwarded to the Village Board for
consideration. The property comprises 1.53 acres and includes the church structure and parking lot. The property is contiguous with the Village’s corporate boundaries across 179th Street to the north. Items included in the agreement include:

1. Property is Zoned R-1 upon annexation which allow churches as a permitted use;
2. Recognizes the 1.53 acre parcel as legal non-conforming with respect to the minimum area requirement for churches;
3. Provides a list of non-conforming issues that must be addressed within a specified time period;
4. Approves the Plat of Annexation;
5. Contributions and recaptures payments; and
6. Term of Agreement at 20 years.

At this time, President Vandenbergh asked if there were any comments from the petitioner. Pastor Harold Parsley of First Baptist Church stated his appreciation to the Board and Staff for all their hard work and noted that the Church is pleased to serve this community.

At this time, President Vandenbergh asked if anyone from the Board or Staff would care to address the Board. Village Attorney Connelly noted that the Annexation Agreement requires a vote of five (5) Board members, super majority, and the Ordinance to Annex the property requires a simple majority.

At this time, President Vandenbergh asked if anyone from the Public would care to address the Board. No one came forward.

Motion was made by Trustee Younker, seconded by Trustee Berg, to close the Public Hearing. Vote by voice call. President Vandenbergh declared the motion carried and closed the Public Hearing.

Motion was made by Trustee Younker, seconded by Trustee Brady, to adjourn the Special Board meeting. Vote by voice call. President Vandenbergh declared the motion carried and adjourned the Special Board meeting at 7:34 p.m.

PLEASE NOTE: Where there is no summary of discussion on any items in the minutes, this reflects that no discussion occurred other than the introduction of the item.

APPROVED:

MINUTES OF THE REGULAR BOARD MEETING OF THE TRUSTEES, 
VILLAGE OF TINLEY PARK, COOK AND WILL COUNTIES, 
ILLINOIS, HELD JUNE 6, 2017

The regular meeting of the Board of Trustees, Village of Tinley Park, Illinois, was held in the Council Chambers located in the Village Hall of Tinley Park, 16250 S. Oak Park Avenue, Tinley Park, IL on June 6, 2017. President Vandenberg called this meeting to order at 7:34 p.m. and led the Board and audience in the Pledge of Allegiance.

Present and responding to roll call were the following:

Village President: Jacob C. Vandenberg
Village Clerk: Kristin A. Thirion

Trustees:
Brian H. Younker
Cynthia A. Berg
William P. Brady
Michael W. Glotz
Michael J. Mangin

Absent:
Trustee:
Michael J. Pannitto

Also Present:

Village Manager: David J. Niemeyer
Village Attorney: Patrick Connelly

Motion was made by Trustee Younker, seconded by Trustee Mangin, to approve the agenda as written or amended for this meeting. Vote by voice call. President Vandenberg declared the motion carried.

Motion was made by Trustee Younker, seconded by Trustee Brady, to approve and place on file the minutes of the regular Village Board meeting held on May 16, 2017. Vote by voice call. President Vandenberg declared the motion carried.

President Vandenberg presented the following Consent Agenda items.

The following Consent Agenda items were read by the Village Clerk:

A. CONSIDER RESOLUTION 2017-R-027 REGARDING THE APPOINTMENT OF THE DELEGATE AND ALTERNATE DELEGATE TO THE INTERGOVERNMENTAL RISK MANAGEMENT AGENCY (IRMA).
B. CONSIDER APPOINTING MARTY GAINER, BARBARA MOORE, AND TERRENCE R. SULLIVAN AS COMMISSIONERS TO THE CIVIL SERVICE COMMISSION.
C. CONSIDER THE APPOINTMENT OF IAN WADE AS VILLAGE ENGINEER.

D. CONSIDER REQUEST FROM THE NATIONAL ASSOCIATION OF LETTER CARRIERS, SOUTH SUBURBAN BRANCH 4016 TO CONDUCT A TAG DAY FOR THE MUSCULAR DYSTROPHY ASSOCIATION ON FRIDAY, JUNE 9, SATURDAY, JUNE 10 AND SUNDAY, JUNE 11, 2017, AT CERTAIN INTERSECTIONS IN THE VILLAGE OF TINLEY PARK.

E. CONSIDER REQUEST FROM GOOD SHEPHERD MANOR TO CONDUCT A RAFFLE THROUGH JUNE 26, 2017. WINNERS WILL BE DRAWN AT ODYSSEY COUNTRY CLUB ON THAT DAY.

F. PAYMENT OF OUTSTANDING BILLS IN THE AMOUNT OF $1,149,027.03 AS LISTED ON THE VENDOR BOARD APPROVAL REPORTS DATED MAY 19, MAY 26 AND JUNE 2, 2017.

President Vandenbarg asked if anyone from the Board would like to remove any items from the Consent Agenda. Trustee Glotz announced that he would like to remove Consent Agenda Item C.

Motion was made by Trustee Younker, seconded by Trustee Mangin, to approve the remaining consent agenda items, A, B, D, E, and F. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Mangin. Nays: None. Absent: Pannitto. President Vandenbarg declared the motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Mangin, to approve Consent Agenda Item C considering the appointment of Ian Wade as Village Engineer. Vote on roll call: Younker, Berg, Brady, Mangin. Nays: Glotz. Absent: Pannitto. Trustee Glotz stated he felt he did not have enough information to vote on this item and would like to make a motion to continue this item to the Village Board meeting on June 20, 2017.

Motion was made by Trustee Glotz to postpone Consent Agenda Item C, the consideration of the appointment of Ian Wade as Village Engineer, to the Village Board meeting on June 29, 2017. Due to lack of a second motion, President Vandenbarg declared the motion failed.

Motion was made by Trustee Younker, seconded by Trustee Mangin, to approve Consent Agenda Item C, the consideration of the appointment of Ian Wade as Village Engineer. Trustee Younker noted that this item has been discussed and reviewed over the past two years. Trustee Glotz noted that he did not receive any information on this item. President Vandenbarg asked how many people applied for this position. Public Works Director Workowski stated that seven candidates were interviewed and four candidates were called for a second interview. Ian Wade was then chosen for the position. Vote on roll call Ayes: Younker, Berg, Brady, Mangin. Nayes: Glotz. Absent: Pannitto. President Vandenbarg declared the motion carried.
Motion was made by Trustee Glotz, seconded by Trustee Berg, to adopt and place on file
ORDINANCE NUMBER 2017-O-036 GRANTING VARIATIONS FROM THE VILLAGE
SIGN CODE TO ALLOW FOR INCREASES IN THE MAXIMUM ALLOWABLE
NUMBER, HEIGHT, AND TOTAL SQUARE FOOTAGE FOR WALL SIGN IN THE B-3
ZONING DISTRICT – MCDONALD’S. The petitioner, James E. Olguin of Goldstine,
Skrodzki, Russian, Nemec, and Hoff, Ltd. on behalf of McDonald’s USA, LLC, is seeking the
following Variations for wall signage for the McDonald’s at 17171 Harlem Avenue in the B-3
(General Business and Commercial) Zoning District:

1. A Variation from Section IX.D.3.a. of the Zoning Ordinance for three (3)
   additional wall signs where the maximum number of wall signs allowed is two (2)
   to allow for a total of five (5) wall signs on the building;
2. A twelve inch (12”) letter height Variation from Section IX.D.3.a. of the Zoning
   Ordinance where the maximum allowable letter height is thirty inches (30”) to
   allow a maximum height of forty-two inches (42”); and
3. A 2.83 square foot Variation from Section IX.D.3.a. of the Zoning Ordinance
   where the maximum sign face area for wall signage for the north building
   frontage is forty-four (44) square feet to allow for a total sign face area of 46.83
   square feet on the north side of the building.

These Variations would allow for the following wall signage to be installed on the building as
part of the McDonald’s interior/exterior remodel project:

1. North façade: One (1) “M” logo sign (14 square feet) and one (1) “McDonald’s”
   sign (32.83 square feet);
2. South façade: One (1) “M” logo sign (14 square feet);
3. East façade: No signage proposed; and
4. West façade: One (1) “M” logo sign (14 square feet) and one (1) “McDonald’s”
   sign (32.83 square feet).

The Plan Commission held a Public Hearing on May 4, 2017, and after consideration of the
Findings of Fact, voted unanimously (7-0) to recommend the requested variation. President
Vandenberg noted that this item was in its final adoption stage and asked if anyone cared to
address the Board. No one came forward. Vote on roll call: Ayes: Youker, Berg, Brady,
Glotz, Mangin. Nays: None. Absent: Pannitto. President Vandenberg declared the motion
carried.

Motion was made by Trustee Glotz, seconded by Trustee Mangin, to adopt and place on file
ORDINANCE NUMBER 2017-O-037 REZONING A PARCEL OF PROPERTY
COMMONLY LOCATED AT 17800 HIGHLAND AVENUE FROM R-1 (SINGLE
FAMILY RESIDENTIAL) TO R-2 (SINGLE-FAMILY RESIDENTIAL). The petitioner,
Nicholas Tuleja, is seeking a Map Amendment (Rezoning) for the property at 17800 Highland
Avenue to rezone the property from R-1 (Single-Family Residential) to R-2 (Single-Family
Residential). The petitioner wishes to construct a single family home consistent with the R-2
minimum requirement of 2,800 SF instead of the minimum requirement in the R-1 District of
3,500 SF. Of the 144 homes surveyed in the immediate area, only four (4) meet the R-1
minimum requirements and only twenty-one (21) meet the R-2 requirement. The Plan
Commission held a Public Hearing on May 4, 2017, and after consideration of the Findings of
Fact, voted unanimously (7-0) to recommend the requested variation. President Vandenberg
noted that this item was in its final adoption stage and asked if anyone cared to address the
Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Mangin.
Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Mangin, to waive first reading and
adopt and place on file RESOLUTION 2017-R-029 APPROVING AN ANNEXATION
AGREEMENT WITH FIRST BAPTIST CHURCH OF TINLEY PARK LOCATED AT
7025 179TH STREET. A Special Village Board meeting was held for the Public Hearing on
this item prior to this meeting for the annexation of the church’s two properties located at 7025
179th Street to the Village of Tinley Park. The Village board previously discussed the
Annexation Agreement of these parcels at the Committee of the Whole meeting held on May 9,
2017, and recommended it be forwarded to the Village Board for consideration. The property
comprises 1.53 acres and includes the church structure and parking lot. The property is
contiguous with the Village’s corporate boundaries across 179th Street to the north. Items
included in the agreement include:

1. Property is zoned R-1 upon annexation which allow churches as a permitted use;
2. Recognizes the 1.53 acre parcel as legal non-conforming with respect to the minimum
area requirement for churches;
3. Provides a list of non-conforming issues that must be addressed within a specified time
period;
4. Approves the Plat of Annexation;
5. Contributions and recaptures payments; and
6. Term of Agreement at 20 years.

President Vandenberg noted that this item was in its final adoption stage and asked if anyone
cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg,
Brady, Glotz, Mangin. Nays: None. Absent: Pannitto. President Vandenberg declared the
motion carried.

Motion was made by Trustee Glotz, seconded by Trustee Berg, to waive first reading, adopt and
place on file ORDINANCE NUMBER 2017-0-041 APPROVING THE ANNEXATION OF
PROPERTY LOCATED AT 7025 179TH STREET--FIRST BAPTIST CHURCH. The
petitioner, First Baptist Church of Tinley Park, 7025 179th Street, is seeking annexation of their
two properties (PIN 28-31-300-013-0000 and PIN 28-31-300-014-0000). This item was
discussed at the Committee of the Whole meeting held on May 9, 2017 and recommended to be
presented before the Village Board. President Vandenberg noted that this item was in its final
adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on
President Vandenberg declared the motion carried.
Motion was made by Trustee Glotz, seconded by Trustee Mangin, to waive first reading, adopt and place on file **RESOLUTION NUMBER 2017-R-030 APPROVING THE FINAL PLAT OF CONSOLIDATION FOR THE FIRST BAPTIST CHURCH OF TINLEY PARK – 7025 179TH ST.** The petitioner, First Baptist Church of Tinley Park, 7025 179th Street, is seeking approval for a Plat of Consolidation. The proposed Plat of Consolidation would combine two separately described properties (PIN 28-31-300-013-0000 and PIN 28-31-300-014-0000) into a single parcel encompassing approximately 66,573 square feet (1.53 ± acres).

The Plat of Consolidation has been reviewed by the Village Attorney and the Village Engineer and found acceptable. This Plat received unanimous approval by the Plan Commission at their May 18, 2017, meeting. This item was discussed at the Committee of the Whole meeting held on May 9, 2017, and recommended to be presented before the Village Board. President Vandenberg noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Mangin. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

Motion was made by Trustee Younker, seconded by Trustee Berg, to postpone to the next Village Board meeting on June 20, 2017, **RESOLUTION 2017-R-028 RELATING TO PARTICIPATION BY ELECTED OFFICIALS IN THE ILLINOIS MUNICIPAL RETIREMENT FUND (IMRF).** Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Mangin. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried.

At this time, President Vandenberg read the following statement before presenting the next item on the agenda:

"The Village of Tinley Park and the Metropolitan Alliance of Police, Tinley Park Chapter #192, began negotiations for a successor collective bargaining agreement over a year ago. The parties met face to face multiple times and negotiated many provisions through a collaborative process. However, there were several issues on each side where compromise was proving difficult and the parties were headed towards mandatory arbitration. On the eve of the arbitration date, the Union and the Village were able to reach an agreement on all key issues but one, Residency.

The Union sought a larger residency area and the Village sought to maintain the residency requirement or, if needed, to keep the residency area as small as possible. The parties had already engaged the services of Arbitrator Martin Malin in anticipation of an arbitration hearing. Arbitrator Malin is a distinguished and well respected force in labor law. He is the Director of the Institute for Law and the Workplace, a labor law professor at Chicago-Kent College of Law and a presidential appointed member of the Federal Service Impasse Panel.

The parties presented positions on the residency issue to Arbitrator Martin Malin on May 10, 2017. Based on his vast knowledge of labor law and the residency issue, Arbitrator Malin looked at the safety of officers and their families and
Union concessions related to health insurance, which he noted represents a “significant” economic concession to the Village and ultimately awarded a change in residency. The Award now allows all officers covered by the agreement to live within a 30-mile radius of 183rd Street and 80th Avenue within 12 months of being employed by the Village. Those officers that choose to live outside of the Village will not be able to take the Village owned police vehicles home with them.

I want to reassure all of the residents of the Village of Tinley Park that this change will not alter the services or responsiveness of the police department. While negotiations with our own men and women in blue can be difficult, we all respect the process, the outcome from arbitration and we are ready to move forward. We all value our officers and our police department and we are pleased that a new agreement has been reached. If this motion is approved, the Board will vote at our next meeting to ratify a new CBA between the Village and our police officers.”

Motion was made by Trustee Brady, seconded by Trustee Younker, to adopt RESOLUTION NUMBER 2017-R-032 APPROVING THE INTEREST ARBITRATOR’S AWARD ON THE ISSUE OF RESIDENCY WITH THE METROPOLITAN ALLIANCE OF POLICE TINLEY PARK CHAPTER #192. The Village and the Police were able to reach agreement on all terms of their collective bargaining agreement covering 2016-2020 except for Section 11.6 Residency. The arbitrator’s award allows all employees covered by the agreement to live within a 30 mile radius of 183rd Street and 80th Avenue within 12 months of being employed by the Village. Arbitrator’s awards can only be rejected by a super majority of the Village Board. President Vandenbarg noted that this item was in its final adoption stage and asked if anyone cared to address the Board.

Michael Paus asked for clarification that if the police officers live outside of the Village would they be able to take the vehicle home. He also asked if they could live in Indiana. President Vandenbarg stated they will not be able to take the car home and they would have to live in Illinois.

Mike Stuckley asked if a pay enhancement was negotiated in the police contract. Village Attorney Connelly stated yes, increases in pay were negotiated. Mr. Stuckley is opposed to employees living outside the Village.

Jim Doyle stated his concerns about residency for employees and feels employees should live in the Village.

Lucas Hawley feels that employees should not have to live in Tinley Park.

At this time, President Vandenbarg asked if anyone from the Board or Staff would care to address the Board.
President Vandenberg read a Proclamation for Laura Mraz as she retires from St. George Catholic School after 41 years of teaching.

Trustee Glotz asked for additional clarification on what can be placed on the consent agenda. Village Attorney Connelly stated he would have something for the next Administration and Legal Committee meeting.

At this time, President Vandenberg asked if anyone from the Public would care to address the Board.

Michael Paus stated his appreciation to Trustee Glotz regarding his comments on the appointment of the Village Engineer. He also expressed his appreciation to the Village Attorney and Village Manager for clarifying what should go on the consent agenda. He stated his concerns about the funds that have been reclaimed for the fountain damage at Zabrocki Plaza. Trustee Younker stated this would be discussed at an upcoming Public Works Committee meeting. He stated he really would like to see a new fountain.

Lucas Hawley is thankful that we have appointed an in-house Village Engineer.

Bill Burns thanked the Board for having the pavers at the Village Hall cleaned up and repaired. He stated his concerns about the agendas given out at the Board meeting not having the consent agenda items listed. He also stated his concerns about the proposed development Residences at Brookside Glen.

Mike Stuckley stated that he would like to see a fountain but realizes this may come as the plaza is planned and developed. He also asked if the Board is going to bring the Neighborhood Watch program back. President Vandenberg noted this will be discussed at a Public Safety Committee meeting.

Motion was made by Trustee Younker, seconded by Trustee Berg, at 8:22 p.m. to adjourn to Executive Session to discuss the following:

A. LITIGATION, WHEN AN ACTION AGAINST, AFFECTING OR ON BEHALF OF THE PARTICULAR PUBLIC BODY HAS BEEN FILED AND IS PENDING BEFORE A COURT OR ADMINISTRATIVE TRIBUNAL, OR WHEN THE PUBLIC BODY FINDS THAT AN ACTION IS PROBABLE OR IMMINENT, IN WHICH CASE THE BASIS FOR THE FINDING SHALL BE RECORDED AND ENTERED INTO THE MINUTES OF THE CLOSED MEETING.

B. THE PURCHASE OR LEASE OF REAL PROPERTY FOR THE USE OF THE PUBLIC BODY, INCLUDING MEETINGS HELD FOR THE PURPOSE OF DISCUSSING WHETHER A PARTICULAR PARCEL SHOULD BE ACQUIRED.

C. THE APPOINTMENT, EMPLOYMENT, COMPENSATION, DISCIPLINE, PERFORMANCE, OR DISMISSAL OF SPECIFIC EMPLOYEES OF THE PUBLIC BODY OR LEGAL COUNSEL FOR HE EMPLOYEES OF THE PUBLIC BODY OR
LEGAL COUNSEL FOR THE PUBLIC BODY, INCLUDING HEARING TESTIMONY ON A COMPLAINT LODGED AGAINST AN EMPLOYEE OF THE PUBLIC BODY OR AGAINST LEGAL COUNSEL FOR THE PUBLIC BODY TO DETERMINE ITS VALIDITY.

Motion was made by Trustee Younker, seconded by Trustee Berg, to reconvene the regular Board meeting. Vote on roll call: Ayes: Younker, Berg, Brady, Glotz, Mangin. Nays: None. Absent: Pannitto. President Vandenberg declared the motion carried and reconvened the regular Board meeting at 9:50 p.m.

Motion was made by Trustee Younker, seconded by Trustee Brady, to adjourn the regular Board meeting. Vote by voice call. President Vandenberg declared the motion carried and adjourned the regular Board meeting at 9:50 p.m.

PLEASE NOTE: Where there is no summary of discussion on any items in the minutes, this reflects that no discussion occurred other than the introduction of the item.

Subject: Hold Harmless Agreement with ISAWWA for use of Water Trailer

Presented for 13 June 2017, PW Committee discussion and possible action:

Description: The Village is a member of the Illinois Section of the American Water Works Association (ISAWWA), and as a member is eligible to host/borrow a portable drinking water fountain that is configured to provide potable water, via a connection from a fire hydrant, to hydrate our residents during events.

Tom Kopanski, the Village’s Water Superintendent, has a pending reservation to host the water trailer during the weekend of the Caribbean Block Party, July 14-16, as well as national Night Out, which is to be held on August 1.

One of the requirements to host the water trailer is that a Hold Harmless Agreement needs to be agreed to and signed by a responsible person, as well as providing a Certificate of Insurance Coverage; the agreement has been reviewed by IRMA and the Certificate of Insurance was received.

The water trailer is a public relations tool to provide tips on water conservation and educational materials on water sources, treatment and distribution.

Request:

- Staff requests approval of signing the Hold Harmless Agreement with ISAWWA for the two events scheduled for 2017; the events are the Caribbean Block Party, to be held on July 16th, and the national Night Out, to be held on August 1st.

Recommendation:

- Staff recommends the signing of the Hold Harmless Agreement with the ISAWWA for the two events scheduled during 2017; the events are the Caribbean Block Party, to be held on July 16th, and the National Night Out, to be held on August 1st.
- Direct staff as necessary.

Re: Mokena FPD Agreements for June 13 Public Safety Committee

Pat;

I have emailed you the 2 unsigned intergovernmental agreements forwarded to us by Chief Howard Stephens of the Mokena Fire Protection District (MFPD). The agreements are continuations of previously agreed to and in force understandings and will extend our cooperative arrangements for another year. These 2 agreements cover the following intergovernmental understandings:

1. That TPFD agrees to continue to participate in a joint fleet maintenance agreement in which the Emergency Vehicle Technicians employed by the MFPD are contracted to perform routine, preventive, and emergency maintenance of our fire suppression apparatus fleet. The 2017 agreement is an extension of agreements in force since 2014 and details the charges assessed to TPFD for work completed.

2. That TPFD will continue to provide Automatic Aid within both communities pursuant to geographic areas pre-determined by both agencies.

It is my recommendation that both agreements be discussed and executed at the next Public Safety Committee meeting.

Equipment. It is mutually understood that Mokena is not the sole provider of Services for
Tinley Park.

b) The standard general labor rate agreed to is set forth at $95.00/ hour unless specific
services are identified through menu pricing and included in this document. A minimum
charge of $23.75 / quarter hour will be charged for all unscheduled labor.

c) The General Apparatus Maintenance Program will be per the attached “Mokena Fire
Protection District Apparatus Maintenance Program” dated 3/13/17 marked as Exhibit A.
Prices will be determined based upon the 2017 price sheet which is attached as Exhibit B.

d) Unscheduled and Emergency Repairs, Daytime. Mokena makes no guarantee that
emergency daytime services can be provided. Mokena does NOT have “Full-time
Personnel” in place. Mokena recognizes the sensitive nature of the assets of Tinley Park
and the importance of their services to our local communities. Mokena is committed to
providing equally outstanding services to all of its customers. Mokena reserves the right
to prioritize, and or reprioritize, its daily workloads as situations dictate. In addition Mokena reserves the right to engage the services of private contractors to meet its obligations in keeping all fleet assets operational in a timely manner. Any service work extending beyond the normal work day and requiring overtime are performed at 1.25 times the general shop labor rate. Mokena reserves the right to utilize its service vehicle to perform services onsite at Tinley Park. These services are performed at the standard general labor rate.

e) Unscheduled and Emergency Repairs, Afterhours. Mokena makes no guarantee that emergency after hour’s services can be provided. Mokena does NOT have “On Call Personnel” in place to accommodate after hours services. Fleet personnel are permitted to respond on a case by case situation, but are not mandated to do so. Services provided in this nature are at 1.25 times the general labor rate, a minimum of two hours per call out will be billed. Mokena reserves the right to utilize its service vehicle to perform services onsite at Tinley Park.

Section 3: Waiver; Release; Indemnity

Tinley Park hereby waives, releases and holds harmless Mokena, its elected and appointed officers, officials, attorneys, and employees from, and agrees that Mokena shall not be liable for, any claim, injury, or loss, no matter how sustained, allegedly arising out of or related in any way to the provision of, the use of, the misuse of, or the disruption or failure of the Services pursuant to this Agreement, except only in the event of a willful and wanton conduct on the part of Mokena as determined by a court of law making a specific finding of fact.

Each party agrees to mutually indemnify, defend, and hold harmless the other party, its officers, agents and employees, for any and all third party claims, demands, damages, costs and expenses, including reasonable attorneys’ fees, of any kind or nature whatsoever, resulting from bodily injury and physical injury to tangible property, caused by the negligent or willful act or omission by such indemnifying party’s officers, agents, and employees in connection with, arising out of, or related to this Agreement.

Nothing in this Agreement prevents either Party from asserting any tort immunities or other legal defenses against lawsuits instituted by any nonparty against one or both parties to this Agreement.

Section 4: Insurance

Each party shall maintain insurance coverage with minimum limits of $1 million which covers their respective obligations undertaken in this Agreement.

Section 5: Term

The term of this Agreement shall be for a period of one (1) year from the date of execution and may be renewed by either party for consecutive additional one (1) year terms upon written notice by either party received sixty (60) days prior to the expiration of the then current term.
However, either party shall have the right to terminate this Agreement upon 15 days written notice delivered by certified mail or in person to the other party.

Tinley Park shall be responsible for payment to Mokena for actual costs incurred through the proposed termination date. Said costs shall be calculated on a daily, prorated basis, based upon the terms cited in this Agreement.

Section 6: No Assignment

Neither Party shall assign this Agreement without the prior written consent of the other Party.

Section 7: Amendments; Waivers

This Agreement and the rights created by this Agreement may not be amended, modified, or waived in any respect except by written agreement expressly referring to this Agreement and duly and validly authorized, executed, and delivered by the Parties.

Section 8: Relationship of the Parties

Mokena shall act as an independent contractor with respect to the provision of the Services pursuant to this Agreement. Nothing in this Agreement is intended, or shall be construed or applied, to create the relationship of principal and agent, partners, or joint ventures between Mokena and Tinley Park.

Section 9: Default

If a Party to this Agreement breaches or is in default of any of the provisions of this Agreement, and the non-breaching Party files suit as a result thereof, the non-breaching Party shall be entitled to recover all reasonable costs of filing suit, including reasonable attorney fees.

Section 10: Governing Law.

The parties agree that because this Agreement is to be performed in Illinois, the State of Illinois shall govern their relation in the interpretation of this Agreement, the State in which the Agreement has deemed to have been executed and delivered.

Section 11: Severability.

The purpose of this Agreement are severable if any paragraph, section, subdivision, sentence, clause, or phrase of this Agreement is for any reason held to be contrary to law or contrary to any rule or regulation having the force and effect of law, such decision shall not affect the remaining portions of this Agreement. However, upon the occurrence of such event, either party may terminate this Agreement forthwith, upon the delivery of written notice of termination of the other party.
Section 12: Construction.

It is understood and agreed that the entire agreement of the parties is contained herein and that this Agreement supersedes all oral agreements in negotiations between the parties relating to the subject matter hereof.

Section 13: Notices.

All notices permitted regarding this Agreement shall be transmitted only by personal delivery or by First Class, Certified, or Registered United States mail to the following persons at the addresses stated:

To Mokena:

Chief Howard Stephens
Mokena Fire Protection District
19853 Wolf Road
Mokena, IL 60448

To Tinley Park:

Fire Chief
Tinley Park Fire Department
6825 W. 173rd Place
Tinley Park, IL 60477

Section 14: Authorized Representatives

The officers of Tinley Park executing this Agreement warrant that they have been lawfully authorized to execute this Agreement on behalf of Tinley Park. The officers of Mokena hereby warrant that they have been lawfully authorized to execute this Agreement on behalf of Mokena.

Section 15: Entire Agreement

It is understood and agreed that the entire agreement of the parties is contained herein and that this Agreement supersedes all oral agreements in negotiations between the parties relating to the subject matter hereof.
IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first above written.

Mokena Fire Protection District
Apparatus Maintenance Program
3-13-17

- Emergency Vehicle Technician (EVT) mechanics are full-time firefighters with the District.

- The MFPD maintenance coordinator will schedule an appointment for apparatus maintenance with a department representative for a time that is convenient for both agencies.

- Basic Preventive Maintenance includes: engine oil and filter change, fuel filter change, chassis and driveline lubrication, set tire pressures, top off all fluids, and apparatus inspection.

- Apparatus inspection process is based on NFPA 1911 Standard for Inspection, Maintenance, Testing and Retirement of In-Service Automotive Fire Apparatus.

- For basic prevention maintenance, an ambulance will be in shop for approximately 2-3 hours, while an engine or truck will be approximately 4-5 hours.

- Optional in-depth brake and front-end inspection conducted by Chandler Services. Chandler Services pulls tires and checks brakes & seals and provide written documentation on brake wear. This can be schedule to be done at same day as preventive maintenance.

- Maintenance is scheduled during mechanics off duty time. When performing maintenance, mechanics do not leave for calls or other duties.

- If a major mechanical issue was discovered during preventive maintenance, the department designee would be contacted and informed of the problem.

- Maintenance records such as fluid and filter type for each apparatus would be kept. The invoice issued would include all work completed, fluids and parts used including a copy of the inspection report.

Re: Mokena FPD Agreements for June 13 Public Safety Committee

Pat;

I have emailed you the 2 unsigned intergovernmental agreements forwarded to us by Chief Howard Stephens of the Mokena Fire Protection District (MFPD). The agreements are continuations of previously agreed to and in force understandings and will extend our cooperative arrangements for another year. These 2 agreements cover the following intergovernmental understandings:

1. That TPFD agrees to continue to participate in a joint fleet maintenance agreement in which the Emergency Vehicle Technicians employed by the MFPD are contracted to perform routine, preventive, and emergency maintenance of our fire suppression apparatus fleet. The 2017 agreement is an extension of agreements in force since 2014 and details the charges assessed to TPFD for work completed.

2. That TPFD will continue to provide Automatic Aid within both communities pursuant to geographic areas pre-determined by both agencies.

It is my recommendation that both agreements be discussed and executed at the next Public Safety Committee meeting.

EXHIBIT 1

AN INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN THE TINLEY PARK FIRE DEPARTMENT
AND THE MOKENA FIRE PROTECTION DISTRICT
FOR AUTOMATIC MUTUAL AID
Intergovernmental Agreement

This Agreement, made and entered into the __ day of ____, 2017, By and between the Tinley Park Fire Department, an Illinois Municipal Corporation ("Tinley Park") and the Mokena Fire Protection District, an Illinois Municipal Corporation ("Mokena");

WITNESSETH:

WHEREAS, Article VII, Section 10 of the Illinois Constitution of 1970 authorizes units of local government to obtain or share services and to exercise, combine, or transfer any power or function, in any manner not prohibited by law or ordinance; and

WHEREAS, the Intergovernmental Cooperation Act, 5 ILCS 220/3, provides that any power or powers, privileges, functions, or authority exercised or which may be exercised by a public agency may be exercised, combined, transferred and jointly with any other public agency of the State except where specifically and expressly prohibited by law; and

WHEREAS, Tinley Park and Mokena all staff and maintain fire stations for the safety and protection of the lives and property within their respective jurisdictions; and

WHEREAS, Tinley Park and Mokena in order to provide the maximum protection by providing the fastest service response to its residents, desire to enter into an agreement whereby each agency may render automatic mutual aid to each other for certain defined incidents; and

WHEREAS, Automatic Mutual Aid is an agreement that is developed and agreed upon by the participating agencies which is independent of Mutual Aid. Automatic Mutual Aid will trigger an automatic dispatch of all agencies to an area for the type of call(s) agreed upon, and

WHEREAS, each agency has the ability to provide automatic mutual aid when not committed to another emergency; and

NOW, THEREFORE, in consideration of the foregoing recitals and the covenants and conditions hereinafter contained, the adequacy and sufficiency of which the parties hereby acknowledge; the parties hereto mutually agree as follows:

1. AUTOMATIC MUTUAL AID AREA:

Tinley Park and Mokena agree to provide automatic mutual aid to each other within each agencies geographical area, hereafter referred to as "area,"

2. RESPONSE REQUIREMENTS:

Upon receipt of an emergency call, Tinley Park and Mokena, if available, shall respond with the apparatus as requested.

3. COMMAND AND CONTROL:

   a. All personal protective clothing and equipment shall be used by all participating firefighters on the scene of a fire or emergency incident.

   b. The command and tactical frequency assigned by command and/or first arriving companies shall be utilized on an incident.
c. The company first arriving at the scene may assume command of the incident until relieved by an equal or superior officer.

d. The agency first arriving may cancel any further response to the incident if that agency is capable of handling the incident and the responsible jurisdiction duty officer is so notified.

4. RESOURCE AVAILABILITY:

Neither agency is obligated to send resources to an incident if it depletes resources below an acceptable level as determined by that agency. If an agency is unable to respond, it will notify the Communication Center immediately by radio so that the other agency can request another agency.

5. JURISDICTIONAL RESPONSIBILITY:

When any one of the jurisdictions are responding to an emergency along a common border and jurisdictional responsibility has been identified by the arriving companies, the jurisdiction providing aid in accord with this agreement shall work under the direction of the responsible jurisdiction.

6. INCIDENT REPORTS:

Jurisdictional agency shall be responsible for incident reports, unless canceled by the first arriving company of another agency. It will be the responsibility of the first arriving company or officer to obtain all information and forward an incident report to the agency having jurisdiction.

7. JOINT TRAINING:

All parties to this agreement shall minimally train together quarterly as mutually agreed upon time and locations in order to ensure that optimum performance levels are maintained. All parties do hereby agree to include training on Standard Operating Procedures and the Incident Command System which apply to fire ground operations.

8. INDEMNIFICATION:

Tinley Park and Mokena (the "Parties") hereby agree to indemnify, defend and make whole and hold harmless each other and its officers and employees from liabilities and related expenses (including reasonable attorney's fees) of any kind, which may arise out of the indemnifying Party's acts or omissions in providing services pursuant to this Agreement, provided however, that the foregoing indemnification obligations shall not extend to any liabilities or related expenses arising out of or attributable to the negligence or other fault of the other Parties to this Agreement. The Parties shall notify each other in the event that either of them receives notification from any person of any claim or demand in connection which may fall within the indemnification obligations set forth in this Agreement. The undertaking of each Party to this Agreement in connection with the indemnification obligations of this agreement includes liabilities or claims of liability with respect to property damage, personal injury, invasions of the right to privacy, or any other right of any person, and to any failure of either party to comply with the provisions of any federal, state or local statute, ordinance, rule or regulation applicable to that party in connection with this Agreement.
9. **FISCAL IMPACT:**

Each party to this agreement shall bear its own respective costs for staff and equipment support allocated to the services provided under this Agreement, therefore there is no direct cost associated with this Agreement.

10. **DURATION/TERMINATION OF AGREEMENT:**

   a. This agreement shall remain in force and effect indefinitely unless terminated by either of the parties provided the other party is given thirty (30) days' notice in writing of such termination. This Agreement may be subject to further negotiations in the event either party adds or deletes a fire station or resources.

   b. This Agreement shall be binding upon and insure the benefit of any successor governmental legal entity that may assume and perform the duties of either party hereto. Notwithstanding the foregoing, this Agreement shall not be assigned by either party hereto without the prior written consent of the other party to this Agreement.

   c. The invalidity of any provision of this Agreement shall not impair the validity of any other provisions. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable, provisions severed or modified by the court shall not affect the validity of enforceability of the remaining provisions hereof.

   d. This Agreement sets forth the entire understanding of the parties, and may only be amended, modified or terminated by a written instrument signed by the parties.

   e. This Agreement shall be interpreted and construed in accordance with the laws of the State of Illinois.

11. **NOTICES:**

All notices hereunder shall be in writing and must be served with personally or registered or certified mail to:

   a. **Tinley Park at:**  
      Tinley Park Fire Department  
      17355 South 68th Court  
      Tinley Park, IL 60477

RESOLUTION 2017-R-033

A Resolution Recognizing the Accomplishments Of
John Curran, Director of Parks and Recreation
Tinley Park Park District

WHEREAS, in April of 1996, John Curran became the Director of Parks and Recreation for the Tinley Park Park District following twenty years of successful experience working in the field of Parks and Recreation Management; and

WHEREAS, John's extraordinary leadership abilities, high ethical standards, intelligence, coupled with his interpersonal skills of open and honest communication, team building, and can-do attitude can be traced back to his earliest years; and

WHEREAS, John was born in Ireland and grew up in Forest Park, Illinois. He attended Western Illinois University where he earned a Bachelor of Science degree in Recreation and Park Administration and has been a Certified Park and Recreation Professional since 1989; and

WHEREAS, John resides in Tinley Park with his wife, Lynn, and their two children Tom and Kathy; and

WHEREAS, during his period as Director of Parks and Recreation, John has faced many challenges including programming space. In December 2001, the opening of the Tony Bettenhausen Recreation Center helped ease growing pains. The Center was expanded in 2014 with the addition of a fitness center and pool. In June of 2002, White Water Canyon Water Park was opened adjacent to the Recreation Center. Other accomplishments during John’s term as Director include; the Vogt Visual Arts Center and Art Gallery was established in 1996; Canine Campus, a 10-acre dog park which was opened in June 2015; and more recently, the Extreme Skate Park for skateboarders; and a disc golf course.

WHEREAS, the Park District has added more than fifteen parks during John’s tenure. The District is now responsible for thirty playgrounds and forty-two park sites encompassing more than 450 acres of land. He has completed over $30,000,000 in capital improvement projects and has had a one hundred percent success ratio in obtaining nine grants totaling $1,514,000 to support improvements. He has managed a staff of 280 full-time, part-time, and seasonal employees with an annual operating budget currently in excess of $9 million.; and
WHEREAS, John has served as a member and officer of numerous professional organizations including the Illinois Park and Recreation Association, South Suburban Park and Recreation Professional Association, and National Recreation and Park Association. He has also served on the Oak Park Avenue Main Street Association Board of Directors and the Chicago Gaelic Park Board of Directors; and

WHEREAS, In 2003 John received the Illinois Parks and Recreation Associations Outstanding Facility and Parks Award for the Tony Bettenhausen Recreation Center and for the White Water Canyon Water Park; and

WHEREAS, John has helped the Tinley Park Park District deliver exceptional community services while maintaining high employee morale and unequaled citizen respect during a time of significant population growth in the Village of Tinley Park which created a bigger demand for parks and recreation facilities. His tenure will be forever marked with a great pride in the history of Tinley Park.

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Tinley Park, Illinois, Cook and Will Counties, on behalf of over 57,000 citizens, herein represented that:

■ John Curran, a true friend and great American, a person of extraordinary intelligence, possessor of the highest public ethics, team builder and unequal mentor to his staff as well as trusted advisor to his elected officials, shall leave this community with the highest level of respect and good will.

BE IT FURTHER RESOLVED, that copies of this resolution be provided to John and Lynn Curran, their children Tom and Kathy, the Tinley Park-Park District, and the Tinley Park Historical Society.

ADOPTED THIS 20th day of June, 2017.

The Honorable Patrick E. Rea
Clerk, Village of Tinley Park
16250 South Oak Park Avenue
Tinley Park, IL 60477

Dear Clerk Rea,

I am submitting my resume for consideration for the position of Trustee in the Village of Tinley Park. As noted in my resume, I have experience in many facets of municipal government, both as an elected official and as an attorney. For many years, I have remained on the private sector side of the podium, as an attorney representing clients before the village in zoning, planning and development negotiations and other matters. Now, I believe it is time for me to offer my services to the Board and the people of Tinley Park to represent them as an elected official.

I believe I am uniquely qualified for the position. I was born and raised in Tinley Park, and have watched it develop from a small town to a highly respected and award winning community. I believe that with my knowledge of the village and its history I could make significant contributions to the Board. I have been instrumental in numerous development projects throughout the village, including the redevelopment and repurposing of the Historic Vogt House which began the revitalization of the downtown area. I have watched and participated in some of the great decisions that have expanded our community, especially to the south of I-80 and the industrial area of the I-80 corridor. I have assisted many commercial businesses looking to locate in Tinley Park. I feel that my experience in zoning, development and finance, would be an asset to the Board in all development and commercial matters.

I have many supporters that have urged me to submit my application to fill this position. They know of my love and commitment to the village, and my work and efforts to improve it. Over the past thirty years, I have had the opportunity to work with the staff and elected officials providing me with the necessary knowledge of how the village works and operates, and I am confident I would work well with the other members of the Board and staff. My prior experience as a Worth Township Trustee has provided me with hands on municipal experience. My training as an attorney gives me the ability to think creatively and problem solve. My independence gives me an open-mind to act in the best interests of the village and its citizens. I think that is what the residents of Tinley Park want and need in a trustee. I hope you will give my application your every consideration.

Thank you in advance. I wish the Board well.

Sincerely,

[Signature]

Donald I. Bettenhausen
I have held positions in several classifications of employment including the building trades, tool and die industry, city government and real estate:

Re: Text Amendment to the Zoning Ordinance – Signs

Attached please find the proposed comprehensive Text Amendments to the Village’s Zoning Ordinance related to signage, including amendments to Section II (Definitions) and Section IX (Sign Regulations) as recommended by the Plan Commission at their May 4, 2017 meeting. The draft Text Amendments were discussed with the Plan Commission at five (5) workshops and a Public Hearing that spanned two (2) meetings. Staff has worked with the Village Attorney while developing the draft Text Amendments, which allowed Staff to ensure that the proposed amendments will strengthen the legality of the Village’s Sign Regulations. Staff completed research that involved analysis of the sign regulations within other communities and based many of the new regulations on the codes from the communities that Tinley Park aspires to emulate.

The Village Board previously approved Text Amendments to the Village’s Sign Regulations in June 2016 as Ordinance 2016-O-035. This amendment only changed a few portions of Section IX, most notably the method in which sign face area is calculated. The currently proposed Text Amendments are much more comprehensive in nature and involve restructuring the layout Section IX as well as modifying the regulations. Due to the extent of the changes from the current Section IX to the proposed Text Amendments to Section IX, it is not possible to provide a copy of the tracked changes. Staff recommends that the Board review the proposed Text Amendments in its entirety as well as the minutes from the Plan Commission meetings (attached). Summaries of the most notable changes to Section II (Definitions) and Section IX (Sign Regulations) are included on the following pages.
Summary of Proposed Text Amendments to Section II (Definitions):
- Added a graphic representation of sign-related terms:

- Added definitions for the following terms:
  - Address Sign
  - Air Dancer Sign
  - Banner Sign
  - Billboard Sign
  - Box Sign
  - Directional Sign
  - Door Sign
  - Feather Flag Sign
  - Flag Sign
  - Flashing Sign
  - Freestanding Sign
  - DVEM Sign
  - Identification Sign
  - Inflatable Sign
  - Integral Sign
  - Lawn Sign
  - Manually-Changeable Copy Sign
  - Memorial Sign
  - Off-Premise Sign
  - Outdoor Bulletin Board Sign
  - Pennant Sign
  - Permanent Sign
  - Projecting Sign
  - Temporary Sign
  - Roof Sign
  - Sandwich Board Sign
  - Streamer Sign
  - Tri-Vision Sign
  - Vehicle Sign
  - Wall Sign
  - Wayfinding Sign
  - Window Sign

Summary of Proposed Text Amendments to Section IX (Sign Regulations):
- **Purpose and Intent**
  - Staff worked with the Village Attorney to include a clause for “No Discrimination Against Non-Commercial Signs or Speech”, which clarifies that non-commercial copy can be substituted for the allowable commercial copy. The Village Attorney stressed that signage cannot be regulated by content of the sign.

- **Permit Requirement**
  - This section was reorganized and most notably includes a long list of signs that do not require a permit (Exceptions) as long as certain parameters are met.
  - The regulations for Political Signs mirror the State of Illinois regulations, which only allow municipalities to regulate size. Staff noted that this is the only instance in which signs are regulated by content. Since signs cannot be regulated by content, some exempt signs are regulated on a 'circumstantial' basis, such as “when a property is offered for sale” or “when a property is under construction” and certain size signs are allowed but the content of such signs is not regulated.
- **Permanent Sign Standards**
  - This section was reorganized to include all the general regulations for permanent wall and freestanding signs organized by zoning district.
  - Added clarification for regulations for signage on awnings and canopies.
  - There was considerable discussion regarding multi-tenant freestanding sign panels regarding background color, font color, and font. Below are the options that were considered. Plan Commission recommended (Option D).

![Option B: Same Background Color](image1)

![Option C: Same Background Color and Font Color](image2)

![Option D: Same Background Color, Font Color, and Font](image3)

- **Additional Standards for Permanent Signs in Residential Zoning Districts**
  - No substantial changes to size regulations in this section.

- **Additional Standards for Permanent Signs in Business Zoning Districts**
  - No substantial changes to size regulations in this section, except for B-4 properties that previously were allowed less sign face area.
  - Added B-4 into this category since many B-4 properties function similarly to B-1, B-2, and B-3 properties.

- **Additional Standards for Permanent Signs in the Automotive Service Zoning Districts**
  - Staff took the B-5 Zoning District out of the category for the other “B” zoning districts in order to allow properties larger than three (3) acres in size to have additional signage. B-5 primarily for automotive dealerships.
  - The following recommendations were made:
    - **Wall Signs**
      - Current Code: Allows one wall sign per tenant frontage.
      - Staff Proposal: Properties in the B-5 Zoning District greater than three acres are allowed up to four wall signs.
    - **Freestanding Signs**
      - Current Code: One sign is allowed per public frontage and can be up to ten feet in height.
      - Staff Proposal: Properties in the B-5 Zoning District greater than three acres are allowed two signs per public frontage at least three hundred feet apart. Maximum height eighteen feet tall.
    - **Temporary Signs (also reviewed in the last workshop)**
      - Current Code: No special provisions for automotive dealerships
- Staff Proposal: Allow the B-5 Zoning District the same matrix of sign face area and duration of display as other zoning districts, except instead of allowing a total of eight weeks of display periods per twelve month period they would be allowed twelve weeks per twelve month period.

- **Additional Standards for Permanent Signs in Office/Industrial Zoning Districts**
  - No substantial changes to size regulations in this section.

- **Temporary Sign Standards**
  - This section was completely redone. Staff has struggled with the existing temporary sign regulations that restrict these types of signs to a maximum size of 16 square feet per side, although there is no strict limitation on the quantity of signs.
  - The new regulations add requirements/clarification for location, materials, illumination, the allowable types of temporary signs, the number of temporary signs, and provides a matrix of sign face area and duration of display.

- **Electronic Message Centers/DVEMs**
  - A regulation requiring a 300 foot separation between electronic message signs was added.
  - The allowable area for an electronic message center was reduced from 50% to 20% of the total allowable sign face area.
  - Staff and the Plan Commission expressed concerns about the growing number of electronic message signs in the Village and the possible distraction that they may cause to passersby.

- **Standards for Wall Signs Adjacent to Interstate 80**
  - Staff reconfigured the “bonus” wall sign area allowed for businesses fronting I-80. The new regulations allow the frontage along I-80 to have either permanent signage or temporary signage amounting to 1 square foot per each foot of building frontage along I-80 with no maximum. The current regulation allows a percentage of the face of the wall (height and width).

- **Standards for Accessory Signs**
  - This is a new section that accounts for gasoline sales signs, directional signs, and drive-thru related signs. Some of these types of signs were not regulated in the past.

- **Prohibited Signs and Lighting**
  - This section was renamed to include lighting in the title.
  - Air dancer signs were added to the list.
  - The following prohibited lighting regulation was amended: “Any string of lights outlining property lines, open sales areas, door, windows, or wall edges of any buildings. This prohibition does not apply to the display of holiday decorations for any publicly recognized holiday.” This will ensure that the LED window light strips are not allowed at any time.

- **Nonconforming Signs**
  - This section was redone and is now more consistent with other communities’ ordinances for nonconforming signs. The Village Attorney worked with Staff to change our current code to be more legally-sound.
  - This section provides clarification for repair/maintenance, alterations, and damage to nonconforming signs.
ORDINANCE NO. 2017-O-033

AN ORDINANCE APPROVING TEXT AMENDMENTS TO SECTION II (B) (DEFINITIONS) AND SECTION IX (SIGN REGULATIONS) OF THE TINLEY PARK ZONING ORDINANCE PERTAINING TO THE REGULATION OF SIGNS WITHIN THE VILLAGE

WHEREAS, the Village of Tinley Park is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois, and may exercise powers pertaining to its local governmental affairs; and

WHEREAS, the purpose of sign regulations in the Village of Tinley Park is to preserve, promote, and to protect the public health, safety, and welfare, to preserve and enhance the physical appearance of the village, and to create an attractive economic and business environment by regulating signs of all types without discrimination of non-commercial signs and/or speech: and

WHEREAS, the Plan Commission of this Village held a properly noticed public hearing to consider the Comprehensive Text Amendment set forth below on May 4, 2017; and

WHEREAS, after making the required findings of fact and at the conclusion of the public hearing the Plan Commission did vote to recommend the Text Amendment set forth below to the President and Board of Trustees; and

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Tinley Park, Cook and Will Counties, Illinois, as follows:

Section 1: That the report and findings and recommendation of the Plan Commission of this Village are herein incorporated by reference as the findings of this Board of Trustees, as completely as if fully recited herein at length.

Section 2: That Section II (B) of the Tinley Park Zoning Ordinance entitled “Definitions” is hereby amended by deleting the following strikethrough language and adding the following underlined language to the above referenced Section in alphabetical order:

AREA, SIGN FACE: The area of a sign face shall be determined by calculating the area within a single continuous perimeter encompassing the entire advertising copy or art designed to attract attention. This shall include the extreme limits of characters, lettering, illustrations, ornamentation or other figures, together with any other material, design or color forming an integral part of the display. The area within the single continuous perimeter shall be calculated by determining the area of the smallest measurable square, circle, rectangle, or triangle within the single continuous perimeter, including the frame, border, or other material, which forms an
integral part of the display and is used to differentiate such sign from the wall or background against which it is placed. For freestanding signs, sign face area shall not include any structural or framing element lying outside the limits of the sign face where copy is placed and not forming an integral part of the display. See graphic.

**FESTOON LIGHTS:** This type of lighting is characterized by large, round light bulbs strung along a cord. This type is lighting is typically used for special events.

**FRONTAGE, TENANT:** The portion of the facade of the building that includes only the
individual tenant’s premises that faces a public right-of-way or public access way, and/or includes the primary entrance to the tenant space.

**HEIGHT, FREESTANDING SIGN:** The vertical distance from the top of the sign including the support structure and any decorative design element, to the average adjacent natural grade. If the ground at the base is augmented in a manner that adds height to the sign but not the surrounding buildings, the height shall be measured from the nearest paved travel way.

**HEIGHT, WALL SIGN:** The greatest vertical dimension of the single continuous perimeter line used to define the sign area.

**INSTITUTIONAL USES:** Public, charitable, educational, or religious uses. Also, traditional non-residential uses that are typically allowed for residentially zoned properties, such as nursing homes, congregate elderly housing, convalescent home, public library, hospital, transit facility, medical use in a residential zoning district, childcare center in a residential zone, or cemetery.

**NIT:** A unit of luminance or visible-light intensity commonly used to specify a level of brightness. The nit is a comparatively small unit of brightness with 1 Nit equal to 0.29185396 foot candles.

**SIGN, AIR DANCER:** An Air Dancer Sign is a type of temporary sign or inflatable sign that uses air to create movement as part of a sign for the purpose of attracting attention.

**SIGN, BANNER:** Any sign with or without characters or illustrations applied to cloth, paper, flexible plastic, or fabric of any kind, with no rigid material as a backing. A banner must be
attached to a wall or post, such as a light post, for support. See also “Banner (Freestanding) Sign”, “Banner (Light Pole) Sign” and “Banner (Wall) Sign”.

SIGN, BANNER (FREESTANDING): A Freestanding Banner is any banner that has separate, easy to remove individual supports that are used for the sole purpose of supporting the temporary banner.

SIGN, BANNER (LIGHT POLE): A Light Pole Banner is a banner displayed on a light pole.

SIGN, BANNER (WALL): A Wall Banner is a banner that is designed to be hung upon a wall of a building. Such signs are supported by materials that are not fixed or rigid, or are designed to be easily removed.

SIGN, BILLBOARD: A permanent, freestanding, off-premise sign. These signs are typically large and oriented toward high-traffic corridors.

SIGN, BOX: A Box Sign is a sign which contains all of the advertising copy within a single enclosed cabinet or a single continuous shape that is mounted to a wall. Box Signs may be a translucent back-lit panel enclosed within a frame or can be a non-illuminated shape.

SIGN, DIRECTIONAL: A sign erected for the purpose of providing direction to the destination. Such signs typically include arrows and identify locations rather than advertising copy and/or logos.

SIGN, DOOR: A sign affixed to an entrance door located on the building frontage that includes information other than the address of the business.

SIGN, FEATHER FLAG: A sign that is feather-shaped or sail-shaped in appearance and are typically made of nylon or vinyl. Such signs are typically displayed as freestanding attention-getting devices and are non-illuminated.

SIGN, FLAG: A Flag Sign is a sign that is displayed on a flag pole. A Flag Sign typically moves with the wind.

SIGN, FREESTANDING: Any sign supported wholly or in part by some structure other than the building or buildings housing the use to which the sign pertains. Freestanding signs shall also include ground, monument, and pylon signs.

SIGN, DYNAMIC VARIABLE ELECTRONIC MESSAGE (DVEM): Also called an electronic message or digital sign, this type of sign is a fixed or changing display/message composed of a series of lights that may be changed through electronic means, and may involve a specialized form of silver casting in which multimedia content is displayed. A DVEM sign usually consists of a computer or playback device connected to a large, bright digital screen such
as an LCD or plasma display. These signs display moving images and/or display of text in digital formats over the internet or on television or similar transmission device. DVEM signs shall also include Tri-Vision Signs.

SIGN, IDENTIFICATION: An Identification Sign is a sign indicating the name and address of a building, or the name of an occupant thereof, and the practice of a permitted occupation therein.

SIGN, INFLATABLE: An inflatable sign is any sign made of flexible materials, such as latex, polyurethane, or any kind of fabric that is filled with a gas (generally air or helium) so that the material inflates to a certain shape. These shapes include, but are not limited to, balloons, large animals, sports-related balls, etc. Inflatable signs generally are used to support large banners for the purpose of advertising.

SIGN, INTEGRAL: A sign that is embedded, extruded, or carved into the material of a building façade. An Integral Sign can also be made of bronze, brushed stainless steel or aluminum, or similar material and attached to the building façade.

SIGN, LAWN: A sign that is temporary in nature and is typically staked in the ground by metal or plastic supports.

SIGN, MANUALLY-CHANGEABLE COPY: A sign or portion thereof with characters, letters, or illustrations that can be changed or rearranged manually without altering the face or surface of the sign.

SIGN, MEMORIAL: A sign erected for the purpose of memorializing a certain person, place, or event of significance. This type of sign is typically similar to a plaque and can be either freestanding or attached to the wall of a structure.

SIGN, OFF-PREMISE: A sign which advertises goods, products or services which are not sold, manufactured, or distributed on or from the premises or facilities on which the sign is located.

SIGN, OUTDOOR BULLETIN BOARD: An Outdoor Bulletin Board Sign is a cabinet attached to the wall of a structure for the purpose of displaying periodically-changing announcements or advertisements.

SIGN, PENNANT: A sign, with or without a logo or text, made of flexible materials and suspended from either one or both of its corners. Pennants are generally shaped like a long isosceles triangle.

SIGN, PERMANENT: Any sign or advertising display intended to be displayed for a time period in excess of that of a temporary sign. Permanent Signs are typically affixed to a wall or are installed as freestanding signs in the ground. The intent of permanent signs is commonly to provide day-to-day identification for the business or organization for which the sign is
advertising.

SIGN, PROJECTING: A Projecting Sign is a Sign which is affixed to any building wall or other structure and extends beyond the building wall, or parts thereof, or structure more than eighteen (18) inches.

SIGN, PROJECTING: A sign, other than a wall sign, which projects (usually perpendicularly) from and is supported by a wall of a building or structure.

SIGN, TEMPORARY: A banner, pennant, poster or advertising display constructed of paper, cloth, canvas, plastic sheet, cardboard, wallboard, wood, metal or other like materials and that appears to be intended to be displayed for a reasonable short or definite limited period of time. If the sign display area is permanent but the message displayed is subject to periodic manual changes, that sign shall not be regarded as a Temporary Sign.

SIGN ROOF: A sign erected, constructed, supported or maintained in whole or part upon or above the highest point of the roof line, parapet, or fascia of the building. For buildings with a hip, gambrel, or gable roof this would be above the eave line; for mansard roofs, this would be above the deck line for the roof; and for flat roofs it would be above the edge of the wall.

SIGN, SANDWICH BOARD: Also known as an “A-Frame Sign”, this freestanding temporary sign is characterized by having two boards connected together at the top. The boards may have signage on one or both sides.

SIGN, STREAMER: A sign similar to pennants that utilizes copy that is strung together and suspended from either one or both of its corners.

SIGN, TRI-VISION: A three-message sign that consists of triangular prisms placed inside a frame. The prisms rotate 120°, each showing a new message of advertisement and/or information. As implied, three individual images, or messages, can be displayed on a Tri-Vision sign.

SIGN, VEHICLE: Any advertising or business sign attached to a transportation vehicle for the purpose of identification or advertising a business, public or quasi-public institution.

SIGN, WAYFINDING: A coordinated design of signs located in the public right-of-way that exclusively conveys information about a specific location within the community by providing a visual identity, orientation or information about that destination.

SIGN, WINDOW: A window sign is any sign affixed to a window or within three (3) linear feet of a window on the interior of a building.

Section 3: That Section IX of the Tinley Park Zoning Ordinance entitled “Sign Regulations” is hereby amended and shall be read in its entirety as follows:
SECTION IX
SIGN REGULATIONS

A. PURPOSE & INTENT

The standards used in displaying signs can significantly affect the public safety as well as the value and economic stability of adjoining properties. However, a reasonable display of signs is necessary for both residential and non-residential properties.

Signs may obstruct views, distract motorists, displace alternative uses for land, cause visual blight, and/or pose other problems that legitimately call for regulation. The purpose of this Section is to regulate the size, color, illumination, movement, materials, location, height and condition of all signs placed on private property for exterior observation, thus ensuring the protection of property values, the character of the various neighborhoods, the creation of a convenient, attractive and harmonious community, protection against destruction of or encroachment on historic convenience to citizens and encouraging economic development. This Section allows adequate communication through signage while encouraging aesthetic quality in the design, location, size and purpose of all signs. This Section must be interpreted in a manner consistent with the First Amendment guarantee of free speech. If any provision of this Section is found by a court of competent jurisdiction to be invalid, such finding must not affect the validity of other provisions of this Section which can be given effect without the invalid provision.

These regulations do not entirely eliminate all of the harms that may be created by the installation and display of signs. Rather, they strike an appropriate balance that preserves ample channels of communication by means of visual display while still reducing and mitigating the extent of the harms caused by signs.

These regulations are not intended to and do not apply to signs erected, maintained or otherwise posted, owned or leased by this State, the federal government or this Village. The inclusion of “government” in describing some signs does not intend to subject the government to regulation, but instead helps illuminate the type of sign that falls within the immunities of the government from regulation.

No Discrimination Against Non-Commercial Signs or Speech: The owner of any sign which is otherwise allowed under this Section may substitute non-commercial copy in lieu of any other commercial or non-commercial copy. This substitution of copy may be made without any additional approval or permitting. The purpose of this provision is to prevent any inadvertent favoring of commercial speech over non-commercial speech, or favoring of any particular non-commercial message over any other non-commercial message. This provision prevails over any more specific provision to the contrary. This provision does not create a right to increase the total amount of signage on a parcel or allow the substitution of an off-site commercial message in place of an on-site commercial message.
B. PERMIT REQUIREMENT

Prior to the display and erection of any sign, a permit is required to be obtained through the Village’s Building Department, except as provided in Section IX.B.4.

1. **Application**: An application for a sign permit must be filed with the Community Development Department on forms furnished by that department. The Applicant must provide sufficient information to determine if the proposed sign is allowed under this code and other applicable laws, regulations, and ordinances.

2. **Fees**:
   a. One (1) dollar per square foot of facing, but no less than fifteen (15) dollars for all signs requiring a permit, other than temporary signs, canopies, awnings, or marquees;
   
   b. Fifty (50) dollars for a temporary sign; and
   
   c. One hundred (100) dollars for a canopy or awning.

3. **Revocation of Permit**: If a sign is not installed within six months following the issuance of a sign permit (or within 30 days in the case of a temporary sign permit), the permit shall be void. The Village may revoke a sign permit under any of the following circumstances:
   
   a. The Village determines that information in the application was materially false or misleading;
   
   b. The sign as installed does not conform to the approved sign permit application;
   
   c. The sign violates the Village’s applicable codes or other any applicable law, regulation, or ordinance; or
   
   d. The Zoning Administrator or their designee determines that the sign is not being properly maintained or has been abandoned.

4. **Exceptions**: Signs meeting the criteria below are exempt from the requirement to obtain a permit through the Village’s Community Development Department. If a sign does not meet the requirements of an exempt sign as stated within this Section, the sign may be permitted by obtaining a Sign Permit or the sign may be prohibited (see Section IX.M. for Prohibited Signs).
   
   a. Signs required and/or erected by government agencies.
b. Political signs on private properties not exceeding a total of thirty-two (32) square feet in area (total of all sign faces visible from the public right-of-way) per property and not exceeding five feet (5') in overall height in accordance with 65 ILCS 5/11-13-1-12, as amended from time to time. For the purposes of this regulation, “Political Signs” are defined as temporary signs that announce or support political candidates, parties, issues, or causes in connection with any national, state, or local election.

c. One (1) non-illuminated temporary sign no larger than four (4) square feet in area (total of all sign faces visible from the public right-of-way) and four feet (4') in height may be attached to the building or erected on private property provided that it is a minimum of one foot (1') from all property lines and in compliance with Section IX.I.1.d.

d. One (1) non-illuminated temporary sign no larger than sixteen (16) square feet in area (total of all sign faces visible from the public right-of-way) and four feet (4') in overall height may be attached to the building or erected on private property provided that it is a minimum of one foot (1') from all property lines and in compliance with Section IX.I.1.d. in the following circumstances:

   i. When the property is being offered for sale by owner or through a licensed real estate agent – provided that the sign shall be removed within fourteen (14) days following the date on which a contract of sale has been executed by a person purchasing the property;

   ii. When the property is under construction – provided that a building permit has been issued for the project and the sign shall be removed within fourteen (14) days following the date of the final inspection; or

   iii. When a residential property owner is opening their residential property to the public – provided that the sign shall be displayed for no more than three (3) consecutive days twice per calendar year.

e. Substitution of commercial copy to non-commercial copy on sign(s) in non-residential zoning districts (B-1, B-2, B-3, B-4, B-5, ORI, and M-1), provided that the sign face area and sign height are not increased and the location of the sign is not changed.
f. Address signs where the property owner must mark their property using numerals that identify the address of the property so that public safety departments can easily identify the address from the public street. The size and location of the identifying numerals and letters if any must be proportional to the size of the building and the distance from the street to the building and in no case smaller than four inches (4") in height and no larger than twelve inches (12") in height. In cases where the building is not located within view of the public street, the identifier must be located on the mailbox or other suitable device such that it is visible from the street. Such address signs on mailboxes located in the public right-of-way are allowed.

g. Integral signs, provided that the sign is no greater than four (4) square feet in area.

h. Memorial signs, provided that the sign is no greater than four (4) square feet in area.

i. Professional name plates, provided that the sign is no greater than two (2) square feet in area.

j. Outdoor Bulletin Boards, provided that the sign is no greater than four (4) square feet in area and is attached to the wall near the entrance to the building.

k. Sandwich Boards, provided that:

   i. One (1) sandwich board is allowed per tenant;

   ii. The sign face area is a maximum of seven (7) square feet per side;

   iii. The maximum overall height of the sign is four feet (4’);

   iv. The sign is located within fifteen feet (15’) of the tenant’s entrance;

   v. The sign cannot be displayed outdoors while the business is closed.

l. Flags, provided that:
i. The flag(s) are no greater than one (1) square foot in area (per side) per every one (1) foot of flag pole height; and

ii. The height of the flag pole does not exceed the height limitations within Section III.C. and/or Section V.B. of the Zoning Ordinance.

m. Light Pole Banners, provided that:

i. There are no more than two (2) vinyl banners per pole; and

ii. The size of each banner cannot exceed eight (8) square feet.

n. Window signs, provided that:

i. Window signs are allowed on first floor windows only and may only be affixed to a window at a height 4’ and below, or at 7’ and above.

ii. Window signs may not exceed 25% of the tenant’s total window area and in no case shall a window sign exceed 50% of the area of a single window.

iii. Window signs must be located on the interior side of the window.

o. Door signs, provided that:

i. The sign face area of a door sign may be no larger than 20% of the entire face of the door.

ii. Door signs must be located on the interior side of the door.

p. Signs located completely within an enclosed building and not exposed to view from the public right-of-way or parking lot.

C. GENERAL PROVISIONS

1. If a sign does not comply with the regulations within Section IX of the Zoning Ordinance, or any other applicable code adopted by the Village, a citation of up to $750.00 per day per violation may be issued.

2. Signs must conform to all applicable Building Codes adopted by the Village;

3. Signs shall not conflict with traffic signs;
4. Signs shall not obstruct doors, windows, ventilation, or fire escapes;

5. Lighting: The light from any illuminated sign shall be so shaded, shielded, or directed that the light intensity or brightness will not be objectionable to surrounding areas. No exposed reflective-type bulb or incandescent lamp which exceeds fifteen (15) watts shall be used on the exterior surface of any sign so as to expose the face of the bulb, light, or lamp to and public street or adjacent property. Where illumination of a sign is permitted, such light shall not be projected toward or onto other properties and shall be kept to a minimum during non-business hours. No illuminated sign shall be brighter than five hundred (500) nits when measured from the surface of the sign.

6. Maintenance Required: The owner of a sign shall be required to maintain the sign and its surrounding landscaping, if applicable, in a neat and attractive condition. The sign and sign supports must be kept painted to prevent rust, rot, or deterioration. If a sign becomes rusted, rotted or deteriorated, the sign must be immediately repaired or replaced. Landscaping at the base of freestanding signs must also be regularly maintained. Signs shall not serve as nesting places for animals.

7. Removal of Signs: The Village reserves the right to require removal of signs, at the owner’s expense, in the following circumstances:

   a. When a permit is revoked;

   b. When a permit for a temporary sign has expired;

   c. When a permanent sign becomes obsolete and no longer identifies a bona fide business conducted or a product sold on the premises where said sign is located. The sign shall be taken down immediately upon termination of business use and be removed by the owner, agent, or person having the beneficial use of the building, structure, or property upon which said sign may be found. If the sign to be removed is located on a multi-panel freestanding sign, the obsolete panel must be completely replaced with a plain panel consistent in color to the existing panels.

   d. When any sign is deemed unsafe, insecure, or a danger to the public, or has been constructed, erected, or maintained in violation of the provisions of this Section, the Zoning Administrator or their designee shall give written notice to the permittee thereof. If the permittee fails to remove or alter the structure so as to comply with the standards herein set forth within ten (10) days after such notice, then the President and Board of Trustees, on the recommendation of the Zoning Administrator or their
designee, may declare such sign to be a public nuisance and direct the removal of such sign as required by law.

D. PERMANENT SIGN STANDARDS (WALL, FREESTANDING, AWNING, & CANOPY)

1. Wall Signs:

a. **Size:** The allowable size of a wall sign is determined by Zoning District, then by the gross floor area of the tenant space, and then the linear frontage of the wall on which the wall sign is located in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

b. **Number of Wall Signs:** The allowable number of wall signs is determined by Zoning District, then by the gross floor area of the tenant space, and then by tenant frontage directly parallel to a public right-of-way, an access drive, or the adjacent parking lot in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

c. **Location:**

i. All wall signs shall be located on the same façade as the use they identify.

ii. No wall sign shall extend above the top line of the face of the building, nor shall any wall sign project into the public right-of-way, or extend more than twelve (12) inches outward from the face of the building.

iii. Wall signs shall be located a minimum of twelve (12) inches from the edge of a wall.

iv. **Wall Sign Location for a Single Tenant Building:** The location of the sign should be as close to the entrance of the business as possible. Effort shall be made to not conflict with the architectural elements of the building façade.
v. Wall Sign Location for a Multi-Tenant Building: The location of the sign should be centered within the tenant’s frontage limits along the building frontage of the business. Effort shall be made to not conflict with the architectural elements of the building façade. In cases where architectural elements conflict with centering the sign on the building frontage, the tenant shall locate the sign as close to the center of the tenant frontage as possible. All wall signs for multi-tenant structures must be placed in accordance with an established center line for all signs.

d. Materials: Permanent wall signs shall be constructed of materials that can withstand the elements in an outdoor environment. Acceptable materials for wall signs include, but are not limited to: acrylic, polycarbonate, marine grade plywood (MDO), aluminum, and aluminum composite materials (ACM).

e. Illumination: Wall signs can be internally illuminated or externally illuminated, or a combination of both. External illumination shall be shielded so as to direct light only to the sign and not create a nuisance.
Illumination mechanisms must be properly maintained. Additionally, illumination of wall signs is subject to the regulations within Section IX.C.5.

f. **Wall Signs for Interior Tenants:** Businesses located within another business, without having a distinct secured entrance of their own, are permitted a maximum of fifteen (15) square feet of wall signage.

g. **Letter Height:** Maximum letter height for wall signs is noted within Section IX.E., Section IX.F., Section IX.G., and Section IX.H. Each letter shall be measured individually for compliance with the maximum letter heights.

![Diagram of letter height](image)

h. **Lines of Lettering:** No more than two (2) lines of lettering shall be allowed on any wall sign.

i. **Background Color:**

   i. **Multi-Tenant Building:** Sign backgrounds that are inconsistent with the existing color palette of the building shall be counted as part of the sign face area.
ii. **Single-Tenant Building:** Sign backgrounds that are inconsistent with the existing color palette of the building shall be considered as an architectural feature rather than constitute sign face area.

2. **Freestanding Signs:**

   a. **Size:** The allowable size of a freestanding sign is determined by Zoning District and then by the linear frontage of the lot on which the freestanding sign is located in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.
b. **Number of Freestanding Signs:** The allowable number of freestanding signs is determined by Zoning District and then by lot frontage directly parallel to a public right-of-way, an access drive, or the adjacent parking lot in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

c. **Location:** Freestanding signs shall be only constructed within the premises of the development that the sign identifies and shall not be constructed in the public right-of-way. Additionally, freestanding signs shall not be located within easements. Freestanding signs must be set back a minimum of ten feet (10') from all property lines. Freestanding signs shall not obstruct clear sight triangles near intersections.

d. **Materials:** Permanent freestanding signs shall be constructed of materials that can withstand the elements in an outdoor environment. Acceptable materials for wall signs include, but are not limited to: acrylic, polycarbonate, marine grade plywood (MDO), aluminum, and aluminum composite materials (ACM). The base of the sign may also include, but is not limited to: brick, stone, and concrete. Said materials must also comply with Section IX.D.2.f.

e. **Illumination:** Freestanding signs can be internally illuminated or externally illuminated. External illumination shall be shielded so as to direct light only to the sign and not create a nuisance. Illumination mechanisms must be properly maintained. Additionally, illumination of freestanding signs is subject to the regulations within Section IX.C.5.

f. **Architectural Compatibility:** Freestanding signs shall be architecturally compatible with the building(s) it identifies. For new construction, architectural compatibility shall be determined by the Plan Commission through the Site Plan Approval process. For permanent freestanding signs constructed by an existing business or use the architectural compatibility shall be determined by the Zoning Administrator or their designee through the building permit process. The following architectural guidelines shall be considered in the review of freestanding signs:

   i. The sign shall have the same or similar materials (color, scale, finish) to the materials used for the principal building;

   ii. The sign shall be in harmony with or consistent in design to the principal building;
iii. The sign shall have similar architectural treatments as the principal building; and

iv. The sign shall not block or obstruct architectural features of the principal building.

g. **Structural Supports:** Structural supports for a freestanding sign shall be fully enclosed and be equal in width to the sign face or wider; structural supports shall not be exposed to view. The base of the freestanding sign shall be designed to be an architectural enhancement to the sign as noted in Section IX.D.2.f.

h. **Landscaping:** Freestanding signs shall include extensive landscaping around the base of the sign to screen the base of the sign from view from the adjoining street and adjoining properties. The total area devoted to landscaping around the base of the sign shall be equal to two (2) square feet per each one (1) square foot of freestanding sign face area, but in no case shall the total area of landscaping be less than 20 square feet and need not be greater than 200 square feet. The landscape area shall contain well-maintained living landscape materials. New freestanding signs erected on existing sites that are unable to provide the required area for landscaping must meet the spirit of the landscaping requirements and such landscaping can be approved by the Zoning Administrator or their designee during the building permit process.

i. **Lettering on Base of Sign:** No advertising or lettering of any type shall be permitted on the sign base except for the address of the property on which the sign resides.

j. **Panel Design Consistency:** All sign panels advertising individual businesses within a freestanding sign must be consistent in background color, method of illumination, and materials. Font face and font color are allowed to differ per the property owner’s/tenant’s preference.
k. **Sign Face Area for Multiple Faces:** When two identical freestanding sign faces are placed back to back so that both faces cannot be viewed from any point at the same time, and when such sign faces are part of the same sign structure, the total sign face area shall be the sign face area of one side of the sign. In all other circumstances, the sign face area of a freestanding sign shall be the total sign face area of all sign faces on the freestanding sign.

![Top view of two-sided freestanding sign](image)

**Total Sign Face Area = Sign Face A**

![Top view of "V"-shaped freestanding sign](image)

**Total Sign Face Area = Sign Face A + Sign Face B**

1. **Freestanding Sign Height:** The height of a freestanding sign is a measurement of the full height of the sign, including the base or support structure and any design element surrounding or enclosing the sign face. The measurement includes the vertical distance from the adjacent existing, natural ground level to the top of the sign, including any decorative element, which may enclose the sign. The average natural grade is
measured by surveying the grade of the land within ten feet (10’) of the location of the proposed freestanding sign.

3. Awnings and Canopies:
   
   a. **Location**: Lettering and signage is prohibited on awnings or canopies.

   b. **Design**: Awnings and canopies shall be complimentary to the architecture of the building.

I. TEMPORARY SIGN STANDARDS

1. General Regulations for Temporary Signs:

   a. The regulations within this Section apply to all temporary signage visible from a public right-of-way.

   b. Permit(s) are required for temporary signs, except as noted in Section IX.B.4.

   c. Temporary Signs are not allowed on properties that have an electronic message center sign.

   d. Location:

      i. Temporary sign(s) must be located on the premise of which they identify and may be attached to the building or be located on the ground;

      ii. The sign(s) must be set back a minimum of ten feet (10’) from all property lines (setback requirement may not apply to certain exempt signs as noted in Section IX.B.4.);

      iii. Temporary signs are not permitted to be located within parking spaces, the public right-of-way, within public utility or drainage easements, in the way of sidewalks, on utility poles, on trees, on traffic signs, on roofs, or in areas that obstruct clear sight/vehicular visibility; and

      iv. Inflatable signs are only allowed on the ground and must be a minimum of twenty feet (20’) from property lines.
e. **Materials:** Temporary signs may be constructed of materials including, but not limited to: paper, cloth, canvas, plastic sheet, cardboard, wallboard, wood, metal, or other like materials.

f. **Illumination:** No lighting shall be installed in order to illuminate a temporary sign without obtaining an electrical permit issued by the Village. Existing lighting can be utilized to illuminate a temporary sign.

2. **Allowable Types of Temporary Signs:** The following types of temporary signs are permitted with stipulations below. In the event that a proposed type of sign is not included on the list below, the Zoning Administrator or their designee may determine if the proposed sign type is similar and compatible with the allowable types and choose to allow or prohibit the proposed temporary sign.

   a. **Banner:** Banners may be placed on a wall or as a freestanding temporary sign. A freestanding temporary banner shall not exceed six (6) feet in height from grade.

   b. **Feather Flag Sign:** Feather Flag signs (also known as vertical signs) are typically used as temporary freestanding ground signs. A freestanding temporary flag/feather sign shall not exceed fifteen (15) feet in height from grade.

   c. **Lawn Signs:** Lawn signs are typically smaller temporary freestanding signs that are placed into the ground using thin metal stakes. Lawn signs shall not exceed three (3) feet in height from grade.

   d. **Inflatable Signs:** Inflatable signs can be a maximum height of twenty-five (25) feet from grade. Sign face area for an inflatable sign is calculated by the size of the banner accessory to the inflatable sign.

3. **Number of Temporary Signs:** The allowable number of temporary signs shall be determined by the Zoning Administrator or their designee. The number of temporary signs displayed shall not be ostentatious and the number and size of said signs shall be proportional to the area where the signs are placed.

4. **Sign Face Area and Allowable Duration of Display:** Temporary signs shall be permitted within all Zoning Districts for a maximum duration of time based on the size of the sign face area in accordance with the table below. For the purposes of calculating sign face area for temporary signs, the sign face area shall constitute the area of one (1) side of the sign. When multiple temporary signs are proposed for display, the total sign face area shall be the area of one (1) side of each sign.

a. Number of Display Periods Per Year:
   
i. R-1, R-2, R-3, R-4, R-5, R-6, R-7, B-1, B-2, B-3, B-4, ORI, & M-1 Zoning Districts: An entity is allowed a maximum of eight (8) weeks of display within a twelve (12) month period.

   ii. B-5 Zoning District: An entity is allowed a maximum of twelve (12) weeks of display within a twelve (12) month period.

b. Extensions for Display Period: The Zoning Administrator or their designee may extend the allowable duration of display in special circumstances (ex. grand opening, store closing, charitable events, temporary/seasonal uses), but a letter requesting additional time must be submitted for consideration.

J. ELECTRONIC MESSAGE CENTERS/DYNAMIC VARIABLE ELECTRONIC MESSAGE

1. General Regulations: These regulations apply to all electronic message signs. Freestanding signs containing electronic message centers shall conform to all other regulations applicable to freestanding signs as regulated by the zoning district of the subject property.

2. Location: Electronic message centers shall be located on a freestanding sign as defined herein, and shall not be constructed upon or mounted to any other type of building or structure. An electronic message sign cannot be located within three hundred feet (300') of another electronic message sign.

3. Display Regulations:
a. **Message Transitions:**

i. Transition between messages must be a minimum of two (2) seconds.

ii. Changes of images shall be instantaneous and shall not use blinking, fading, rolling, shading, dissolving, or similar effects as part of the change, nor shall the images and messages displayed on the dynamic display sign flash or blink. Messages must be static, complete in themselves, without continuation in content to any other sign and must remain visible for at least an eight (8) second interval before being reset or replaced with another message, content or image.

b. **Illumination:** Electronic message signs shall use automatic level controls to reduce light levels at night and under cloudy and other darkened conditions, in accordance with the following:

i. All electronic message signs shall have installed ambient light monitors, and shall at all times allow such monitors to automatically adjust the brightness level of the sign based on ambient light conditions.

ii. Maximum brightness levels for electronic or digital display signs shall not exceed 5000 nits when measured from the sign’s face at its maximum brightness during daylight hours.

iii. Maximum brightness levels for electronic, digital display signs shall not exceed 500 nits when measured from the sign’s face at its maximum brightness, between sunset and sunrise, as those times are determined by the National Weather Service.

iv. Written certification from the sign manufacturer must be provided at the time of application for a building permit certifying that the light intensity of the sign has been preset not to exceed the illumination levels established by this Ordinance, and that the preset intensity level is protected from end user manipulation by password protected software or other approved method.

v. Electronic message signs must be equipped with a dimmer control and a photo cell which constantly keep track of ambient light conditions and adjust sign brightness accordingly.
vi. The illumination from an electronic message center shall not encroach onto or create a visual nuisance to residential properties.

4. Maximum Allowable Size: The electronic message center portion of a freestanding sign shall comprise no more than twenty (20) percent of the total sign face area of the freestanding sign.

5. Audio: Audio speakers in association with such signs are prohibited.

6. Maintenance: Any electronic message sign that malfunctions, fails, or ceases to operate in its usual or normal programmed manner, causing motion, movement, flashing or any similar effects, shall be restored to its normal operation conforming to the requirements of this ordinance within twenty-four (24) hours.

7. Public Messages: The Village of Tinley Park may request public service announcements related to community events to be displayed upon signs with electronic message centers. Additionally, the Village may exercise its police powers to protect public health, safety, and welfare by requiring emergency information to be displayed upon signs with electronic message centers. Upon notification, the sign operators shall promptly display specific messages as provided by the Village.

K. STANDARDS FOR WALL SIGNS ADJACENT TO INTERSTATE 80

1. Properties that directly abut the right-of-way of Interstate 80 shall be allowed permanent and/or temporary wall signage for the walls of the building that face Interstate 80 in accordance with the table below.

2. The setback shall be measured from the wall of the proposed wall sign location to the pavement of Interstate 80, as determined by Staff.

3. If the business elects to use temporary signage rather than permanent signage, the sign may be displayed for a maximum of eight (8) weeks within a twelve (12) month period.

L. STANDARDS FOR ACCESSORY SIGNS

1. Gasoline Sales Signs: When a business is selling gasoline, the business may:
   
   a. Display a changeable copy sign attached to a freestanding sign at a maximum of twenty (20) square feet in size. Said sign is considered part of the total allowable sign face area for the freestanding sign.
   
   b. Display signage permanently adhered to the fuel pump stations. Such signage cannot project outward from the fuel pump stations.
   
   c. Provide a canopy over the fuel pumps. Signage on the top border of the canopy shall be allowed with a maximum of one (1) square foot of signage per each two (2) lineal feet of canopy length and said signage shall not project beyond the width of the canopy. Signage is not allowed on the canopy support columns.

2. Directional Signs: The intent of a directional sign is to ensure safe traffic flow for customers and pedestrians. When a business requires signage to aid their customers in navigating their site, the following regulations apply:
   
   a. Directional signs are for the exclusive purpose of providing direction to the destination. An example of words on directional signs include: “Entrance”, “Exit”, “Drive-Thru”, “One Way”, and “Do Not Enter”. Directional signs may also be used to indicate which door to use to enter a specific portion of the building, such as “← Main Entrance”, “← Urgent Care”, and “Emergency ↑”.
   
   b. The number of directional signs allowed shall be determined by the Zoning Administrator or their designee.
   
   c. Directional Signs on a Wall:
      
      i. The maximum sign face area for a directional wall sign is six (6) square feet per sign.
ii. Directional signs on walls shall not interfere with the architecture of the building.

d. Freestanding Directional Signs:

i. The maximum height for a freestanding directional sign is four feet (4’).

ii. The maximum sign face area for a freestanding directional sign is six (6) square feet per sign.

iii. Directional signs shall be set back at least one foot (1’) from property lines and cannot cause a line-of-sight issue.

iv. Directional signs shall be located within landscaped areas and shall be permanently installed.

3. Signs Accessory to Drive-Thru Uses: When a business requires signage accessory to drive-thru components of the business, the business may:

a. Display additional freestanding signage for the purpose of advertising the available products/services to the customer using the drive-thru. Such sign shall be a maximum height of seven feet (7’) tall and shall not exceed forty-five (45) square feet of sign face area per lane. This sign is also subject to the landscaping requirements within Section IX.D.2.h.

b. Provide a sign for the purpose of indicating the maximum clearance height for a vehicle traveling through the drive-thru.

M. PROHIBITED SIGNS & LIGHTING

1. Signs erected without a valid permit when required within this Section;

2. Off-Premise Signs;

3. Billboards;

4. Roof Signs;

5. Manually-changeable message signs;

6. Pennants, streamers, and festoon lights unless authorized by the Zoning Administrator or their designee;

7. Air Dancer Signs;
8. Vehicle Signs or signs attached, affixed or painted on vehicles or trailers that are parked in a public right-of-way, public property or on private property where visible from a public right-of-way for the purpose of advertising a product, a service or directing people to a business or activity located on the same or nearby property, unless the vehicle with vehicle signs, as defined herein, is used during business hours for deliveries or an activity related to the subject business, except in no case shall said vehicle with vehicle signs, as defined herein, park in a public right-of-way, public property, or private property in close proximity to the subject business during non-business hours of the subject business.

9. Signs which contain statements, words, or pictures of obscene, indecent, or immoral character and which offend public morals or decency;

10. Miscellaneous advertising devices, other than signs which conform to the provisions of this Ordinance, shall not be allowed unless approved by the Village Board;

11. Signs that could be mistaken for traffic control signs or lights;

12. Illumination in the form of rotating beams, beacons, or flashing illumination resembling an emergency light;

13. Signs which flash, blink, flutter, or have motion, change in light intensity or brightness, are animated, create an illusion of movement, except for Electronic Message Center (EMC)/Dynamic Variable Electronic Message (DVEM) Signs as regulated within Section IX.J.;

14. Any string of lights outlining property lines, sales areas, doors, windows, or wall edges of a building; and

15. Neon or other illuminated tubing (except when approved by the Plan Commission as an architectural enhancement during Site Plan Approval for new construction. Existing uses may utilize illuminated tubing as an architectural enhancement with approval from the Zoning Board of Appeals).

N. NONCONFORMING SIGNS

1. Nonconforming Signs: Signs existing at the time of the enactment of this Section IX, or any amendment thereto, or at the time of annexation to the Village of the property on which they are located and not conforming to the provisions of this Section IX, shall be regarded as nonconforming signs. Nonconforming signs shall be of two types – either a legal nonconforming sign or an illegal nonconforming sign.
2. **Ordinary Repair, Maintenance, and Display of Sign Content:** Normal maintenance, incidental repair, and display of sign content are allowed for nonconforming signs, including:

   a. The replacement of non-load-bearing sign elements and electrical wiring and fixtures; provided that any repair or replacement shall, whenever possible, eliminate or reduce any nonconformity in the element being repaired or replaced;

   b. The replacing, repairing, or repainting of any portion of a sign or its structural elements;

   c. The periodic changing of tenant's sign panels or the renewing of copy that has been made unusable by ordinary wear and tear, weather, or accident.

3. **Alteration, Enlargement, Relocation:** Nonconforming signs shall not be:

   a. Changed or altered in any manner that would increase the degree of its nonconformity;

   b. Enlarged or expanded;

   c. Structurally altered to prolong its useful life; and/or

   d. Moved in whole or in part to any other location where it would remain nonconforming.

4. **Damage or Destruction:** Any nonconforming sign damaged or destroyed, by any means, to an extent of 50 percent or more of its replacement cost shall not be restored but shall be removed or brought into conformity with the provisions of this Section.

**Section 4:** Each section, paragraph, sentence, clause, word and provision of this Ordinance is severable and if any portion shall be deemed unconstitutional or invalid for any reason, such decision shall not affect the remainder of this Ordinance nor any part thereof other than the portion affected by such decision.

**Section 5:** That the Village Clerk be and is hereby directed to publish this Ordinance in pamphlet form.

**Section 6:** That this Ordinance shall be in full force and effect upon its passage, approval, and publication in pamphlet form.

WORKSHOP MEMO

Staff has been continuing to draft revisions to Section IX (Sign Regulations) of the Zoning Ordinance. Recently, the Village Attorney advised Staff to propose changes that would strengthen the legality of the Village's Sign Regulations. Staff has incorporated regulations from the existing Section IX, the Plan Commission's comments, and various recommendations based on relevant case law. Staff notes that this is a comprehensive amendment to Section IX and also includes additions of related definitions within Section II.

Staff is continuing to work on the draft of the Sign Regulations while offering various options for the Plan Commission to consider for amended regulations. Staff is still developing the 'final draft' of the definitions to be amended/added in Section II of the Zoning Ordinance for the Plan Commission's review and a copy will be provided early next week for review.

Staff encourages the Plan Commission to drive around the Village (and other communities) and make note of different signs. Commissioners should consider what the Village's vision for signs should be going forward and think about how to strengthen the Sign Regulations to accomplish this vision.
RECENT HISTORY OF CHANGES TO THE SIGN REGULATIONS DRAFT

Staff has been working on updates to the Sign Regulations for several months. Below is a timeline of the discussion.

- **4/20/2017 (Public Hearing)**
  - Discussed the most recent draft in its entirety. Discussed adding political causes to the definition of political signs. Took a poll among the Commissioners as to which regulation was preferred for multi-tenant panel design on freestanding signs. The Commissioners preferred Options B and D. Staff also discussed new regulations for awnings/canopies. Staff asked the Commissioners how they felt about electronic message signs.

- **4/6/2017 (Workshop)**
  - Discussed needing to remove content-related regulations, went through the whole draft. Topics for further discussion include multi-tenant panels on freestanding signs, regulations for signs on canopies and awnings, regulations for nonconforming signs, and sign area bonuses for properties adjacent to I-80.

- **1/19/2017 (Workshop)**
  - Discussed sign regulations for the B-5 Zoning District. Compared current regulations to the regulations in other communities and Staff’s recommendations.

- **1/5/2017 (Workshop)**
  - Discussed sign regulations for temporary signs. Compared current regulations to the regulations in other communities and Staff’s recommendations.

- **11/17/2016 (Workshop)**
  - Discussed sign regulations for temporary signs and automotive dealership signs.

- **9/15/2016 (Workshop)**
  - Discussed temporary signs and photos of signs by topics of color, size, and illumination. Some topics were not covered with the previous Text Amendment and Staff suggested revisiting the Sign Regulations more comprehensively.

- **6/21/2016 (Adoption of Ordinance 2016-0-035)**
  - Adopted a Text Amendment to make improvements to the Sign Regulations.

- **6/7/2016 (First Reading of Ordinance 2016-0-035)**
  - Consider adopting a Text Amendment to make improvements to the Sign Regulations.

- **1/7/2016 (Public Hearing)**
  - Discussed improvements to the Sign Regulations to address inconsistencies and administrative difficulties with the current regulations as discussed in the previous workshops.

- **12/17/2015 (Workshop)**
  - Discussed changes that would improve the readability of the Sign Regulations, add clarification, alter the calculation of sign face area, create line-of-sight requirements for ground signs, create maximum letter heights for wall signs, add definitions, and update regulations for electronic message signs.

- **12/3/2015 (Workshop)**
  - Discussed legal aspects of sign regulations, problematic codes within the Village’s Sign Regulations, types of signage, and improvements to consider.
If the Plan Commission wishes to take action, an appropriate wording of the motions would read:

**MOTION FOR ADOPTING THE DRAFT OF THE SIGN REGULATIONS EXCEPT FOR THE REGULATION FOR MULTI-TENTANT PANELS ON FREESTANDING SIGNS:**

"...make a motion to recommend that the Village Board approve Text Amendments to Section II (Definitions) and Section IX (Sign Regulations) excluding Section IX.D.2.j. of the Village of Tinley Park Zoning Ordinance as indicated in Staff’s most recent draft of the comprehensive Sign Regulation Text Amendments, dated 05/04/2017."

**MOTIONS FOR ADOPTING THE REGULATIONS FOR MULTI-TENTANT PANELS ON FREESTANDING SIGNS:**

"...make a motion to recommend that the Village Board approve Text Amendments to Section IX.D.2.j. of the Village of Tinley Park Zoning Ordinance as indicated in Staff’s most recent draft of the comprehensive Sign Regulation Text Amendments, dated 05/04/2017 using **Option B (Regulating the Same Background Color for Panels on Multi-Tenant Signs)**."

"...make a motion to recommend that the Village Board approve Text Amendments to Section IX.D.2.j. of the Village of Tinley Park Zoning Ordinance as indicated in Staff’s most recent draft of the comprehensive Sign Regulation Text Amendments, dated 05/04/2017 using **Option C (Regulating the Same Background Color and Font Color for Panels on Multi-Tenant Signs)**."

"...make a motion to recommend that the Village Board approve Text Amendments to Section IX.D.2.j. of the Village of Tinley Park Zoning Ordinance as indicated in Staff’s most recent draft of the comprehensive Sign Regulation Text Amendments, dated 05/04/2017 using **Option D (Regulating the Same Background Color, Font Color, and Font Style for Panels on Multi-Tenant Signs)**."
SECTION IX

SIGN REGULATIONS

A. PURPOSE & INTENT

The standards used in displaying signs can significantly affect the public safety as well as the value and economic stability of adjoining properties. However, a reasonable display of signs is necessary for both residential and non-residential properties.

Signs may obstruct views, distract motorists, displace alternative uses for land, cause visual blight, and/or pose other problems that legitimately call for regulation. The purpose of this Section is to regulate the size, color, illumination, movement, materials, location, height and condition of all signs placed on private property for exterior observation, thus ensuring the protection of property values, the character of the various neighborhoods, the creation of a convenient, attractive and harmonious community, protection against destruction of or encroachment on historic convenience to citizens and encouraging economic development. This Section allows adequate communication through signage while encouraging aesthetic quality in the design, location, size and purpose of all signs. This Section must be interpreted in a manner consistent with the First Amendment guarantee of free speech. If any provision of this Section is found by a court of competent jurisdiction to be invalid, such finding must not affect the validity of other provisions of this Section which can be given effect without the invalid provision.

These regulations do not entirely eliminate all of the harms that may be created by the installation and display of signs. Rather, they strike an appropriate balance that preserves ample channels of communication by means of visual display while still reducing and mitigating the extent of the harms caused by signs.

These regulations are not intended to and do not apply to signs erected, maintained or otherwise posted, owned or leased by this State, the federal government or this Village. The inclusion of “government” in describing some signs does not intend to subject the government to regulation, but instead helps illuminate the type of sign that falls within the immunities of the government from regulation.

No Discrimination Against Non-Commercial Signs or Speech: The owner of any sign which is otherwise allowed under this Section may substitute non-commercial copy in lieu of any other commercial or non-commercial copy. This substitution of copy may be made without any additional approval or permitting. The purpose of this provision is to prevent any inadvertent favoring of commercial speech over non-commercial speech, or favoring of any particular non-commercial message over any other non-commercial message. This provision prevails over any more specific provision to the contrary. This provision does not create a right to increase the total amount of signage on a parcel or allow the substitution of an off-site commercial message in place of an on-site commercial message.
B. PERMIT REQUIREMENT

Prior to the display and erection of any sign, a permit is required to be obtained through the Village’s Building Department, except as provided in Section IX.B.4.

1. **Application:** An application for a sign permit must be filed with the Community Development Department on forms furnished by that department. The Applicant must provide sufficient information to determine if the proposed sign is allowed under this code and other applicable laws, regulations, and ordinances.

2. **Fees:**
   a. One (1) dollar per square foot of facing, but no less than fifteen (15) dollars for all signs requiring a permit, other than temporary signs, canopies, awnings, or marquees;
   b. Fifty (50) dollars for a temporary sign; and
   c. One hundred (100) dollars for a canopy or awning.

3. **Revocation of Permit:** If a sign is not installed within six months following the issuance of a sign permit (or within 30 days in the case of a temporary sign permit), the permit shall be void. The Village may revoke a sign permit under any of the following circumstances:
   a. The Village determines that information in the application was materially false or misleading;
   b. The sign as installed does not conform to the approved sign permit application;
   c. The sign violates the Village’s applicable codes or other any applicable law, regulation, or ordinance; or
   d. The Zoning Administrator or their designee determines that the sign is not being properly maintained or has been abandoned.

4. **Exceptions:** Signs meeting the criteria below are exempt from the requirement to obtain a permit through the Village’s Community Development Department. If a sign does not meet the requirements of an exempt sign as stated within this Section, the sign may be permitted by obtaining a Sign Permit or the sign may be prohibited (see Section IX.M. for Prohibited Signs).
   a. Signs required and/or erected by government agencies.
b. Political signs on private properties not exceeding a total of thirty-two (32) square feet in area (total of all sign faces visible from the public right-of-way) per property and not exceeding five feet (5’) in overall height in accordance with 65 ILCS 5/11-13-1-12, as amended from time to time. For the purposes of this regulation, “Political Signs” are defined as temporary signs that announce or support political candidates, parties, issues, or causes in connection with any national, state, or local election.

c. One (1) non-illuminated temporary sign no larger than four (4) square feet in area (total of all sign faces visible from the public right-of-way) and four feet (4’) in height may be attached to the building or erected on private property provided that it is a minimum of one foot (1’) from all property lines and in compliance with Section IX.I.1.d.

d. One (1) non-illuminated temporary sign no larger than sixteen (16) square feet in area (total of all sign faces visible from the public right-of-way) and four feet (4’) in overall height may be attached to the building or erected on private property provided that it is a minimum of one foot (1’) from all property lines and in compliance with Section IX.I.1.d. in the following circumstances:

   i. When the property is being offered for sale by owner or through a licensed real estate agent – provided that the sign shall be removed within fourteen (14) days following the date on which a contract of sale has been executed by a person purchasing the property;

   ii. When the property is under construction – provided that a building permit has been issued for the project and the sign shall be removed within fourteen (14) days following the date of the final inspection; or

   iii. When a residential property owner is opening their residential property to the public – provided that the sign shall be displayed for no more than three (3) consecutive days twice per calendar year.

e. Substitution of commercial copy to non-commercial copy on sign(s) in non-residential zoning districts (B-1, B-2, B-3, B-4, B-5, ORI, and M-1), provided that the sign face area and sign height are not increased and the location of the sign is not changed.
f. Address signs where the property owner must mark their property using numerals that identify the address of the property so that public safety departments can easily identify the address from the public street. The size and location of the identifying numerals and letters if any must be proportional to the size of the building and the distance from the street to the building and in no case smaller than four inches (4") in height and no larger than twelve inches (12") in height. In cases where the building is not located within view of the public street, the identifier must be located on the mailbox or other suitable device such that it is visible from the street. Such address signs on mailboxes located in the public right-of-way are allowed.

g. Integral signs, provided that the sign is no greater than four (4) square feet in area.

h. Memorial signs, provided that the sign is no greater than four (4) square feet in area.

i. Professional name plates, provided that the sign is no greater than two (2) square feet in area.

j. Outdoor Bulletin Boards, provided that the sign is no greater than four (4) square feet in area and is attached to the wall near the entrance to the building.

k. Sandwich Boards, provided that:

i. One (1) sandwich board is allowed per tenant;

ii. The sign face area is a maximum of seven (7) square feet per side;

iii. The maximum overall height of the sign is four feet (4');

iv. The sign is located within fifteen feet (15') of the tenant’s entrance;

v. The sign cannot be displayed outdoors while the business is closed.
1. Flags, provided that:

   i. The flag(s) are no greater than one (1) square foot in area (per side) per every one (1) foot of flag pole height; and

   ii. The height of the flag pole does not exceed the height limitations within Section III.C. and/or Section V.B. of the Zoning Ordinance.

m. Light Pole Banners, provided that:

   i. There are no more than two (2) vinyl banners per pole; and

   ii. The size of each banner cannot exceed eight (8) square feet.

n. Window signs, provided that:

   i. Window signs are allowed on first floor windows only and may only be affixed to a window at a height 4’ and below, or at 7’ and above.

   ii. Window signs may not exceed 25% of the tenant’s total window area and in no case shall a window sign exceed 50% of the area of a single window.

   iii. Window signs must be located on the interior side of the window.

o. Door signs, provided that:

   i. The sign face area of a door sign may be no larger than 20% of the entire face of the door.

   ii. Door signs must be located on the interior side of the door.

p. Signs located completely within an enclosed building and not exposed to view from the public right-of-way or parking lot.
C. GENERAL PROVISIONS

1. If a sign does not comply with the regulations within Section IX of the Zoning Ordinance, or any other applicable code adopted by the Village, a citation of up to $750.00 per day per violation may be issued.

2. Signs must conform to all applicable Building Codes adopted by the Village;

3. Signs shall not conflict with traffic signs;

4. Signs shall not obstruct doors, windows, ventilation, or fire escapes;

5. **Lighting:** The light from any illuminated sign shall be so shaded, shielded, or directed that the light intensity or brightness will not be objectionable to surrounding areas. No exposed reflective-type bulb or incandescent lamp which exceeds fifteen (15) watts shall be used on the exterior surface of any sign so as to expose the face of the bulb, light, or lamp to and public street or adjacent property. Where illumination of a sign is permitted, such light shall not be projected toward or onto other properties and shall be kept to a minimum during non-business hours. No illuminated sign shall be brighter than five hundred (500) nits when measured from the surface of the sign.

6. **Maintenance Required:** The owner of a sign shall be required to maintain the sign and its surrounding landscaping, if applicable, in a neat and attractive condition. The sign and sign supports must be kept painted to prevent rust, rot, or deterioration. If a sign becomes rusted, rotted or deteriorated, the sign must be immediately repaired or replaced. Landscaping at the base of freestanding signs must also be regularly maintained. Signs shall not serve as nesting places for animals.

7. **Removal of Signs:** The Village reserves the right to require removal of signs, at the owner’s expense, in the following circumstances:
   a. When a permit is revoked;
   b. When a permit for a temporary sign has expired;
   c. When a permanent sign becomes obsolete and no longer identifies a bona fide business conducted or a product sold on the premises where said sign is located. The sign shall be taken down immediately upon termination of business use and be removed by the owner, agent, or person having the beneficial use of the building, structure, or property upon which said sign may be found. If the sign to be removed is located on a multi-panel
freestanding sign, the obsolete panel must be completely replaced with a plain panel consistent in color to the existing panels.

d. When any sign is deemed unsafe, insecure, or a danger to the public, or has been constructed, erected, or maintained in violation of the provisions of this Section, the Zoning Administrator or their designee shall give written notice to the permittee thereof. If the permittee fails to remove or alter the structure so as to comply with the standards herein set forth within ten (10) days after such notice, then the President and Board of Trustees, on the recommendation of the Zoning Administrator or their designee, may declare such sign to be a public nuisance and direct the removal of such sign as required by law.
D. PERMANENT SIGN STANDARDS (WALL, FREESTANDING, AWNING, & CANOPY)

1. Wall Signs:

   a. Size: The allowable size of a wall sign is determined by Zoning District, then by the gross floor area of the tenant space, and then the linear frontage of the wall on which the wall sign is located in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

   b. Number of Wall Signs: The allowable number of wall signs is determined by Zoning District, then by the gross floor area of the tenant space, and then by tenant frontage directly parallel to a public right-of-way, an access drive, or the adjacent parking lot in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

   c. Location:

      i. All wall signs shall be located on the same façade as the use they identify.

      ii. No wall sign shall extend above the top line of the face of the building, nor shall any wall sign project into the public right-of-way, or extend more than twelve (12) inches outward from the face of the building.

      iii. Wall signs shall be located a minimum of twelve (12) inches from the edge of a wall.

      iv. Wall Sign Location for a Single Tenant Building: The location of the sign should be as close to the entrance of the business as possible. Effort shall be made to not conflict with the architectural elements of the building façade.
v. **Wall Sign Location for a Multi-Tenant Building:** The location of the sign should be centered within the tenant’s frontage limits along the building frontage of the business. Effort shall be made to not conflict with the architectural elements of the building façade. In cases where architectural elements conflict with centering the sign on the building frontage, the tenant shall locate the sign as close to the center of the tenant frontage as possible. All wall signs for multi-tenant structures must be placed in accordance with an established center line for all signs.

---

d. **Materials:** Permanent wall signs shall be constructed of materials that can withstand the elements in an outdoor environment. Acceptable materials for wall signs include, but are not limited to: acrylic, polycarbonate, marine grade plywood (MDO), aluminum, and aluminum composite materials (ACM).

e. **Illumination:** Wall signs can be internally illuminated or externally illuminated, or a combination of both. External illumination shall be shielded so as to direct light only to the sign and not create a nuisance. Illumination mechanisms must be properly maintained. Additionally, illumination of wall signs is subject to the regulations within Section IX.C.5.

f. **Wall Signs for Interior Tenants:** Businesses located within another business, without having a distinct secured entrance of their own, are permitted a maximum of fifteen (15) square feet of wall signage.
g. **Letter Height**: Maximum letter height for wall signs is noted within Section IX.E., Section IX.F., Section IX.G., and Section IX.H. Each letter shall be measured individually for compliance with the maximum letter heights.

h. **Lines of Lettering**: No more than two (2) lines of lettering shall be allowed on any wall sign.

i. **Background Color**:

   i. **Multi-Tenant Building**: Sign backgrounds that are inconsistent with the existing color palette of the building shall be counted as part of the sign face area.
ii. **Single-Tenant Building**: Sign backgrounds that are inconsistent with the existing color palette of the building shall be considered as an architectural feature rather than constitute sign face area.

2. **Freestanding Signs**:

   a. **Size**: The allowable size of a freestanding sign is determined by Zoning District and then by the linear frontage of the lot on which the freestanding sign is located in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

   b. **Number of Freestanding Signs**: The allowable number of freestanding signs is determined by Zoning District and then by lot frontage directly parallel to a public right-of-way, an access drive, or the adjacent parking lot in accordance with Section IX.E., Section IX.F., Section IX.G., and Section IX.H.

   c. **Location**: Freestanding signs shall be only constructed within the premises of the development that the sign identifies and shall not be constructed in the public right-of-way. Additionally, freestanding signs shall not be located within easements. Freestanding signs must be set back a minimum of ten feet \((10')\) from all property lines. Freestanding signs shall not obstruct clear sight triangles near intersections.

   d. **Materials**: Permanent freestanding signs shall be constructed of materials that can withstand the elements in an outdoor environment. Acceptable materials for wall signs include, but are not limited to: acrylic, polycarbonate, marine grade plywood (MDO), aluminum, and aluminum
composite materials (ACM). The base of the sign may also include, but is not limited to: brick, stone, and concrete. Said materials must also comply with Section IX.D.2.f.

e. **Illumination**: Freestanding signs can be internally illuminated or externally illuminated. External illumination shall be shielded so as to direct light only to the sign and not create a nuisance. Illumination mechanisms must be properly maintained. Additionally, illumination of freestanding signs is subject to the regulations within Section IX.C.5.

f. **Architectural Compatibility**: Freestanding signs shall be architecturally compatible with the building(s) it identifies. For new construction, architectural compatibility shall be determined by the Plan Commission through the Site Plan Approval process. For permanent freestanding signs constructed by an existing business or use the architectural compatibility shall be determined by the Zoning Administrator or their designee through the building permit process. The following architectural guidelines shall be considered in the review of freestanding signs:

   i. The sign shall have the same or similar materials (color, scale, finish) to the materials used for the principal building;

   ii. The sign shall be in harmony with or consistent in design to the principal building;

   iii. The sign shall have similar architectural treatments as the principal building; and

   iv. The sign shall not block or obstruct architectural features of the principal building.

g. **Structural Supports**: Structural supports for a freestanding sign shall be fully enclosed and be equal in width to the sign face or wider; structural supports shall not be exposed to view. The base of the freestanding sign shall be designed to be an architectural enhancement to the sign as noted in Section IX.D.2.f.
h. **Landscaping**: Freestanding signs shall include extensive landscaping around the base of the sign to screen the base of the sign from view from the adjoining street and adjoining properties. The total area devoted to landscaping around the base of the sign shall be equal to two (2) square feet per each one (1) square foot of freestanding sign face area, but in no case shall the total area of landscaping be less than 20 square feet and need not be greater than 200 square feet. The landscape area shall contain well-maintained living landscape materials. New freestanding signs erected on existing sites that are unable to provide the required area for landscaping must meet the spirit of the landscaping requirements and such landscaping can be approved by the Zoning Administrator or their designee during the building permit process.

i. **Lettering on Base of Sign**: No advertising or lettering of any type shall be permitted on the sign base except for the address of the property on which the sign resides.

j. **Panel Design Consistency**: All sign panels advertising individual businesses within a freestanding sign must be consistent in color, method of illumination, material, and design. The background color of the panels, the font color on the panels, and the font face used on the panels must all be the same.
k. **Sign Face Area for Multiple Faces:** When two identical freestanding sign faces are placed back to back so that both faces cannot be viewed from any point at the same time, and when such sign faces are part of the same sign structure, the total sign face area shall be the sign face area of one side of the sign. In all other circumstances, the sign face area of a freestanding sign shall be the total sign face area of all sign faces on the freestanding sign.

1. **Freestanding Sign Height:** The height of a freestanding sign is a measurement of the full height of the sign, including the base or support structure and any design element surrounding or enclosing the sign face. The measurement includes the vertical distance from the adjacent existing, natural ground level to the top of the sign, including any decorative element, which may enclose the sign. The average natural grade is measured by surveying the grade of the land within ten feet (10') of the location of the proposed freestanding sign.
3. **Awnings and Canopies:**

   a. **Location:** Lettering and signage is prohibited on awnings or canopies.

   b. **Design:** Awnings and canopies shall be complimentary to the architecture of the building.
E. ADDITIONAL STANDARDS FOR PERMANENT SIGNS IN RESIDENTIAL ZONING DISTRICTS (R-1, R-2, R-3, R-4, R-5, R-6, & R-7)

I. TEMPORARY SIGN STANDARDS

1. General Regulations for Temporary Signs:

   a. The regulations within this Section apply to all temporary signage visible from a public right-of-way.

   b. Permit(s) are required for temporary signs, except as noted in Section IX.B.4.

   c. Temporary Signs are not allowed on properties that have an electronic message center sign.

   d. Location:

      i. Temporary sign(s) must be located on the premise of which they identify and may be attached to the building or be located on the ground;

      ii. The sign(s) must be set back a minimum of ten feet (10’) from all property lines (setback requirement may not apply to certain exempt signs as noted in Section IX.B.4.);

      iii. Temporary signs are not permitted to be located within parking spaces, the public right-of-way, within public utility or drainage easements, in the way of sidewalks, on utility poles, on trees, on traffic signs, on roofs, or in areas that obstruct clear sight/vehicular visibility; and

      iv. Inflatable signs are only allowed on the ground and must be a minimum of twenty feet (20’) from property lines.

   e. Materials: Temporary signs may be constructed of materials including, but not limited to: paper, cloth, canvas, plastic sheet, cardboard, wallboard, wood, metal, or other like materials.

   f. Illumination: No lighting shall be installed in order to illuminate a temporary sign without obtaining an electrical permit issued by the Village. Existing lighting can be utilized to illuminate a temporary sign.

2. Allowable Types of Temporary Signs: The following types of temporary signs are permitted with stipulations below. In the event that a proposed type of sign is not included on the list below, the Zoning Administrator or their designee may determine if the proposed sign type is similar and compatible with the allowable types and choose to allow or prohibit the proposed temporary sign.
a. **Banner:** Banners may be placed on a wall or as a freestanding temporary sign. A freestanding temporary banner shall not exceed six (6) feet in height from grade.

b. **Feather Flag Sign:** Feather Flag signs (also known as vertical signs) are typically used as temporary freestanding ground signs. A freestanding temporary flag/feather sign shall not exceed fifteen (15) feet in height from grade.

c. **Lawn Signs:** Lawn signs are typically smaller temporary freestanding signs that are placed into the ground using thin metal stakes. Lawn signs shall not exceed three (3) feet in height from grade.

d. **Inflatable Signs:** Inflatable signs can be a maximum height of twenty-five (25) feet from grade. Sign face area for an inflatable sign is calculated by the size of the banner accessory to the inflatable sign.

3. **Number of Temporary Signs:** The allowable number of temporary signs shall be determined by the Zoning Administrator or their designee. The number of temporary signs displayed shall not be ostentatious and the number and size of said signs shall be proportional to the area where the signs are placed.

4. **Sign Face Area and Allowable Duration of Display:** Temporary signs shall be permitted within all Zoning Districts for a maximum duration of time based on the size of the sign face area in accordance with the table below. For the purposes of calculating sign face area for temporary signs, the sign face area shall constitute the area of one (1) side of the sign. When multiple temporary signs are proposed for display, the total sign face area shall be the area of one (1) side of each sign.

a. **Number of Display Periods Per Year.**

   i. **R-1, R-2, R-3, R-4, R-5, R-6, R-7, B-1, B-2, B-3, B-4, ORI, & M-1 Zoning Districts:** An entity is allowed a maximum of eight (8) weeks of display within a twelve (12) month period.

   ii. **B-5 Zoning District:** An entity is allowed a maximum of twelve (12) weeks of display within a twelve (12) month period.

b. **Extensions for Display Period:** The Zoning Administrator or their designee may extend the allowable duration of display in special circumstances (ex. grand opening, store closing, charitable events, temporary/seasonal uses), but a letter requesting additional time must be submitted for consideration.
J. ELECTRONIC MESSAGE CENTERS/DYNAMIC VARIABLE ELECTRONIC MESSAGE

1. General Regulations: These regulations apply to all electronic message signs. Freestanding signs containing electronic message centers shall conform to all other regulations applicable to freestanding signs as regulated by the zoning district of the subject property.

2. Location: Electronic message centers shall be located on a freestanding sign as defined herein, and shall not be constructed upon or mounted to any other type of building or structure. An electronic message sign cannot be located within three hundred feet (300') of another electronic message sign.

3. Display Regulations:

   a. Message Transitions:

      i. Transition between messages must be a minimum of two (2) seconds.

      ii. Changes of images shall be instantaneous and shall not use blinking, fading, rolling, shading, dissolving, or similar effects as part of the change, nor shall the images and messages displayed on the dynamic display sign flash or blink. Messages must be static, complete in themselves, without continuation in content to any other sign and must remain visible for at least an eight (8) second interval before being reset or replaced with another message, content or image.

   b. Illumination: Electronic message signs shall use automatic level controls to reduce light levels at night and under cloudy and other darkened conditions, in accordance with the following:

      i. All electronic message signs shall have installed ambient light monitors, and shall at all times allow such monitors to automatically adjust the brightness level of the sign based on ambient light conditions.

      ii. Maximum brightness levels for electronic or digital display signs shall not exceed 5000 nits when measured from the sign’s face at its maximum brightness during daylight hours.

      iii. Maximum brightness levels for electronic, digital display signs shall not exceed 500 nits when measured from the sign’s face at its
maximum brightness, between sunset and sunrise, as those times are determined by the National Weather Service.

iv. Written certification from the sign manufacturer must be provided at the time of application for a building permit certifying that the light intensity of the sign has been preset not to exceed the illumination levels established by this Ordinance, and that the preset intensity level is protected from end user manipulation by password protected software or other approved method.

v. Electronic message signs must be equipped with a dimmer control and a photo cell which constantly keep track of ambient light conditions and adjust sign brightness accordingly.

vi. The illumination from an electronic message center shall not encroach onto or create a visual nuisance to residential properties.

4. Maximum Allowable Size: The electronic message center portion of a freestanding sign shall comprise no more than twenty (20) percent of the total sign face area of the freestanding sign.

5. Audio: Audio speakers in association with such signs are prohibited.

6. Maintenance: Any electronic message sign that malfunctions, fails, or ceases to operate in its usual or normal programmed manner, causing motion, movement, flashing or any similar effects, shall be restored to its normal operation conforming to the requirements of this ordinance within twenty-four (24) hours.

7. Public Messages: The Village of Tinley Park may request public service announcements related to community events to be displayed upon signs with electronic message centers. Additionally, the Village may exercise its police powers to protect public health, safety, and welfare by requiring emergency information to be displayed upon signs with electronic message centers. Upon notification, the sign operators shall promptly display specific messages as provided by the Village.
K. STANDARDS FOR WALL SIGNS ADJACENT TO INTERSTATE 80

1. Properties that directly abut the right-of-way of Interstate 80 shall be allowed permanent and/or temporary wall signage for the walls of the building that face Interstate 80 in accordance with the table below.

2. The setback shall be measured from the wall of the proposed wall sign location to the pavement of Interstate 80, as determined by Staff.

3. If the business elects to use temporary signage rather than permanent signage, the sign may be displayed for a maximum of eight (8) weeks within a twelve (12) month period.
L. STANDARDS FOR ACCESSORY SIGNS

1. **Gasoline Sales Signs**: When a business is selling gasoline, the business may:

   a. Display a changeable copy sign attached to a freestanding sign at a maximum of twenty (20) square feet in size. Said sign is considered part of the total allowable sign face area for the freestanding sign.

   b. Display signage permanently adhered to the fuel pump stations. Such signage cannot project outward from the fuel pump stations.

   c. Provide a canopy over the fuel pumps. Signage on the top border of the canopy shall be allowed with a maximum of one (1) square foot of signage per each two (2) lineal feet of canopy length and said signage shall not project beyond the width of the canopy. Signage is not allowed on the canopy support columns.

2. **Directional Signs**: The intent of a directional sign is to ensure safe traffic flow for customers and pedestrians. When a business requires signage to aid their customers in navigating their site, the following regulations apply:

   a. Directional signs are for the exclusive purpose of providing direction to the destination. An example of words on directional signs include: “Entrance”, “Exit”, “Drive-Thru”, “One Way”, and “Do Not Enter”. Directional signs may also be used to indicate which door to use to enter a specific portion of the building, such as “← Main Entrance”, “← Urgent Care”, and “Emergency ↑”.

   b. The number of directional signs allowed shall be determined by the Zoning Administrator or their designee.

   c. **Directional Signs on a Wall**:

      i. The maximum sign face area for a directional wall sign is six (6) square feet per sign.

      ii. Directional signs on walls shall not interfere with the architecture of the building.

   d. **Freestanding Directional Signs**:

      i. The maximum height for a freestanding directional sign is four feet (4’).
ii. The maximum sign face area for a freestanding directional sign is six (6) square feet per sign.

iii. Directional signs shall be set back at least one foot (1') from property lines and cannot cause a line-of-sight issue.

iv. Directional signs shall be located within landscaped areas and shall be permanently installed.

3. **Signs Accessory to Drive-Thru Uses:** When a business requires signage accessory to drive-thru components of the business, the business may:

   a. Display additional freestanding signage for the purpose of advertising the available products/services to the customer using the drive-thru. Such sign shall be a maximum height of seven feet (7') tall and shall not exceed forty-five (45) square feet of sign face area per lane. This sign is also subject to the landscaping requirements within Section IX.D.2.h.

   b. Provide a sign for the purpose of indicating the maximum clearance height for a vehicle traveling through the drive-thru.
M. PROHIBITED SIGNS & LIGHTING

1. Signs erected without a valid permit when required within this Section;

2. Off-Premise Signs;

3. Billboards;

4. Roof Signs;

5. Manually-changeable message signs;

6. Pennants, streamers, and festoon lights unless authorized by the Zoning Administrator or their designee;

7. Air Dancer Signs;

8. Vehicle Signs or signs attached, affixed or painted on vehicles or trailers that are parked in a public right-of-way, public property or on private property where visible from a public right-of-way for the purpose of advertising a product, a service or directing people to a business or activity located on the same or nearby property, unless the vehicle with vehicle signs, as defined herein, is used during business hours for deliveries or an activity related to the subject business, except in no case shall said vehicle with vehicle signs, as defined herein, park in a public right-of-way, public property, or private property in close proximity to the subject business during non-business hours of the subject business.

9. Signs which contain statements, words, or pictures of obscene, indecent, or immoral character and which offend public morals or decency;

10. Miscellaneous advertising devices, other than signs which conform to the provisions of this Ordinance, shall not be allowed unless approved by the Village Board;

11. Signs that could be mistaken for traffic control signs or lights;

12. Illumination in the form of rotating beams, beacons, or flashing illumination resembling an emergency light;

13. Signs which flash, blink, flutter, or have motion, change in light intensity or brightness, are animated, create an illusion of movement, except for Electronic Message Center (EMC)/Dynamic Variable Electronic Message (DVEM) Signs as regulated within Section IX.J.;

14. Any string of lights outlining property lines, sales areas, doors, windows, or wall edges of a building; and
15. Neon or other illuminated tubing (except when approved by the Plan Commission as an architectural enhancement during Site Plan Approval for new construction. Existing uses may utilize illuminated tubing as an architectural enhancement with approval from the Zoning Board of Appeals).
N. NONCONFORMING SIGNS

1. **Nonconforming Signs**: Signs existing at the time of the enactment of this Section IX, or any amendment thereto, or at the time of annexation to the Village of the property on which they are located and not conforming to the provisions of this Section IX, shall be regarded as nonconforming signs. Nonconforming signs shall be of two types – either a legal nonconforming sign or an illegal nonconforming sign.

2. **Ordinary Repair, Maintenance, and Display of Sign Content**: Normal maintenance, incidental repair, and display of sign content are allowed for nonconforming signs, including:

   a. The replacement of non-load-bearing sign elements and electrical wiring and fixtures; provided that any repair or replacement shall, whenever possible, eliminate or reduce any nonconformity in the element being repaired or replaced;

   b. The replacing, repairing, or repainting of any portion of a sign or its structural elements;

   c. The periodic changing of tenant’s sign panels or the renewing of copy that has been made unusable by ordinary wear and tear, weather, or accident.

3. **Alteration, Enlargement, Relocation**: Nonconforming signs shall not be:

   a. Changed or altered in any manner that would increase the degree of its nonconformity;

   b. Enlarged or expanded;

   c. Structurally altered to prolong its useful life; and/or

   d. Moved in whole or in part to any other location where it would remain nonconforming.

4. **Damage or Destruction**: Any nonconforming sign damaged or destroyed, by any means, to an extent of 50 percent or more of its replacement cost shall not be restored but shall be removed or brought into conformity with the provisions of this Section.
DEFINITIONS

Area, Sign Face: The area of a sign face shall be determined by calculating the area within a single continuous perimeter encompassing the entire advertising copy or art designed to attract attention. This shall include the extreme limits of characters, lettering, illustrations, ornamentation or other figures, together with any other material, design or color forming an integral part of the display. The area within the single continuous perimeter shall be calculated by determining the area of the smallest measurable square, circle, rectangle, or triangle within the single continuous perimeter, including the frame, border, or other material, which forms an integral part of the display and is used to differentiate such sign from the wall or background against which it is placed. For freestanding signs, sign face area shall not include any structural or framing element lying outside the limits of the sign face where copy is placed and not forming an integral part of the display.
Festoon Lights: This type of lighting is characterized by large, round light bulbs strung along a cord. This type is lighting is typically used for special events.

Floor Area, Gross: The Gross Floor Area is the sum of the gross horizontal areas of the floors within outside walls of a building including basements, elevator shafts, and stairwells at each story; floor space used for mechanical equipment, penthouse, half story, and mezzanine or interior balcony, and the gross floor area of any and all accessory buildings.

Frontage, Tenant: The portion of the facade of the building that includes only the individual tenant's premises that faces a public right-of-way or public access way, and/or includes the primary entrance to the tenant space.

Height, Freestanding Sign: The vertical distance from the top of the sign including the support structure and any decorative design element, to the average adjacent natural grade. If the ground at the base is augmented in a manner that adds height to the sign but not the surrounding buildings, the height shall be measured from the nearest paved travel way.

Height, Wall Sign: The greatest vertical dimension of the single continuous perimeter line used to define the sign area.

Institutional Uses: Public, charitable, educational, or religious uses. Also, traditional non-residential uses that are typically allowed for residentially zoned properties, such as nursing homes, congregate elderly housing, convalescent home, public library, hospital, transit facility, medical use in a residential zoning district, childcare center in a residential zone, or cemetery.

Nit: A unit of luminance or visible-light intensity commonly used to specify a level of brightness. The nit is a comparatively small unit of brightness with 1 Nit equal to .29185396 foot candles.

Sign: A Sign may be a name, identification, description, illustration, display, or device which is affixed to, painted, or represented upon a structure or land and which directs attention to a product, place, activity, person, institution, organization, or business. A Sign shall also include a Permanent Sign located within a building in such a manner as to be viewed or intended for view primarily from the exterior of the building or entrance to the use. For the purpose of definition, a Sign may be single-face or double-face.
**Sign, Address:** A sign displayed for the purpose of identifying the address of the property.

**Sign, Air Dancer:** An Air Dancer Sign is a type of temporary sign or inflatable sign that uses air to create movement as part of a sign for the purpose of attracting attention.

**Sign, Banner:** Any sign with or without characters or illustrations applied to cloth, paper, flexible plastic, or fabric of any kind, with no rigid material as a backing. A banner must be attached to a wall or post, such as a light post, for support. See also “Banner (Freestanding) Sign”, “Banner (Light Pole) Sign” and “Banner (Wall) Sign”.

**Sign, Banner (Freestanding):** A Freestanding Banner is any banner that has separate, easy to remove individual supports that are used for the sole purpose of supporting the temporary banner.
Sign, Banner (Light Pole): A Light Pole Banner is a banner displayed on a light pole.

Sign, Banner (Wall): A Wall Banner is a banner that is designed to be hung upon a wall of a building. Such signs are supported by materials that are not fixed or rigid, or are designed to be easily removed.

Sign, Billboard: A permanent, freestanding, off-premise sign. These signs are typically large and oriented toward high-traffic corridors.

Sign, Box: A Box Sign is a sign which contains all of the advertising copy within a single enclosed cabinet or a single continuous shape that is mounted to a wall. Box Signs may be a translucent back-lit panel enclosed within a frame or can be a non-illuminated shape.

Sign, Directional: A sign erected for the purpose of providing direction to the destination. Such signs typically include arrows and identify locations rather than advertising copy and/or logos.

Sign, Door: A sign affixed to an entrance door located on the building frontage that includes information other than the address of the business.

Sign, Feather Flag: A sign that is feather-shaped or sail-shaped in appearance and are typically made of nylon or vinyl. Such signs are typically displayed as freestanding attention-getting devices and are non-illuminated.

Sign, Flag: A Flag Sign is a sign that is displayed on a flag pole. A Flag Sign typically moves with the wind.

Sign, Flashing: A Flashing Sign is an illuminated sign on which the artificial light is not maintained constant, or stationary in intensity or color, at all times when such a sign is in use. For the purpose of this Ordinance, a revolving, illuminated sign shall be considered a Flashing Sign.

Sign, Freestanding: Any sign supported wholly or in part by some structure other than the building or buildings housing the use to which the sign pertains. Freestanding signs shall also include ground, monument, and pylon signs.

Sign, Dynamic Variable Electronic Message (DVEM): Also called an electronic message or digital sign, this type of sign is a fixed or changing display/message composed of a series of lights that may be changed through electronic means, and may involve a specialized form of silver casting in which multimedia content is displayed. A DVEM sign usually consists of a computer or playback device connected to a large, bright digital screen such as an LCD or plasma display. These signs display moving images and/or display of text in digital formats over the internet or on television or similar transmission device. DVEM signs shall also include Tri-Vision Signs.

Sign, Identification: An Identification Sign is a sign indicating the name and address of a building, or the name of an occupant thereof, and the practice of a permitted occupation therein.
Sign, Inflatable: An inflatable sign is any sign made of flexible materials, such as latex, polyurethane, or any kind of fabric that is filled with a gas (generally air or helium) so that the material inflates to a certain shape. These shapes include, but are not limited to, balloons, large animals, sports-related balls, etc. Inflatable signs generally are used to support large banners for the purpose of advertising.

Sign, Integral: A sign that is embedded, extruded, or carved into the material of a building façade. An Integral Sign can also be made of bronze, brushed stainless steel or aluminum, or similar material and attached to the building façade.

Sign, Lawn: A sign that is temporary in nature and is typically staked in the ground by metal or plastic supports.

Sign, Manually-Changeable Copy: A sign or portion thereof with characters, letters, or illustrations that can be changed or rearranged manually without altering the face or surface of the sign.

Sign, Memorial: A sign erected for the purpose of memorializing a certain person, place, or event of significance. This type of sign is typically similar to a plaque and can be either freestanding or attached to the wall of a structure.

Sign, Off-Premise: A sign which advertises goods, products or services which are not sold, manufactured, or distributed on or from the premises or facilities on which the sign is located.

Sign, Outdoor Bulletin Board: An Outdoor Bulletin Board Sign is a cabinet attached to the wall of a structure for the purpose of displaying periodically-changing announcements or advertisements.

Sign, Pennant: A sign, with or without a logo or text, made of flexible materials and suspended from either one or both of its corners. Pennants are generally shaped like a long isosceles triangle.

Sign, Permanent: Any sign or advertising display intended to be displayed for a time period in excess of that of a temporary sign. Permanent Signs are typically affixed to a wall or are installed as freestanding signs in the ground. The intent of permanent signs is commonly to provide day-to-day identification for the business or organization for which the sign is advertising.

Sign, Projecting: A sign, other than a wall sign, which projects (usually perpendicularly) from and is supported by a wall of a building or structure.

Sign, Temporary: A banner, pennant, poster or advertising display constructed of paper, cloth, canvas, plastic sheet, cardboard, wallboard, wood, metal or other like materials and that appears to be intended to be displayed for a reasonable short or definite limited period of time. If the sign display area is permanent but the message displayed is subject to periodic manual changes, that sign shall not be regarded as a Temporary Sign.
Sign, Roof: A sign erected, constructed, supported or maintained in whole or part upon or above the highest point of the roof line, parapet, or fascia of the building. For buildings with a hip, gambrel, or gable roof this would be above the eave line; for mansard roofs, this would be above the deck line for the roof, and for flat roofs it would be above the edge of the wall.

Sign, Sandwich Board: Also known as an “A-Frame Sign”, this freestanding temporary sign is characterized by having two boards connected together at the top. The boards may have signage on one or both sides.

Sign, Streamer: A sign similar to pennants that utilizes copy that is strung together and suspended from either one or both of its corners.

Sign, Tri-Vision: A three-message sign that consists of triangular prisms placed inside a frame. The prisms rotate 120°, each showing a new message of advertisement and/or information. As implied, three individual images, or messages, can be displayed on a Tri-Vision sign.

Sign, Vehicle: Any advertising or business sign attached to a transportation vehicle for the purpose of identification or advertising a business, public or quasi-public institution.

Sign, Wall: A Wall Sign is a Sign that is affixed to an exterior wall of any building, which shall project not more than eighteen (18) inches from the building wall or parts thereof.

Sign, Wayfinding: A coordinated design of signs located in the public right-of-way that exclusively conveys information about a specific location within the community by providing a visual identity, orientation or information about that destination.

Sign, Window: A window sign is any sign affixed to a window or within three (3) linear feet of a window on the interior of a building.

From: Village of Tinley Park Plan Commission

Subject: Minutes of the May 4, 2017 Regular Meeting

Item #3: Public Hearing (Continued): Text Amendment to the Village of Tinley Park Zoning Ordinance (Section II and Section IX) Related to Sign Regulations

Consider recommending that the Village Board approve Text Amendments to Section II (Definitions) and Section IX (Sign Regulations) of the Village of Tinley Park Zoning Ordinance. The proposed Text Amendments include but are not limited to: regulations for sign face area, sign height, quantity of signs, location of signs, sign materials, regulations for signage in the B-5 Zoning District, sign regulations for special areas and particular uses, temporary signs, nonconforming signs, and definitions for terms related to signage.

Present were the following
Plan Commissioners: Mark Moylan, Acting Chairman
Kevin Bergthold
Peter Kroner
Tim Stanton
Lori Kappel
Ken Shaw

Absent Plan Commissioner(s): Ed Matushek III, Chairman

Village Officials and Staff: Paula Wallich, Interim Community Development Director
Stephanie Kisler, Planner I
Barbara Bennett, Commission Secretary

A Motion was made by COMMISSIONER KRONER, seconded by COMMISSIONER SHAW to open the continuation of the Public Hearing on the TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS. The Motion was approved unanimously by voice call. ACTING CHAIRMAN MOYLAN declared the Motion approved.

ACTING CHAIRMAN MOYLAN noted there was no one present in the audience to be sworn in.

STEPHANIE KISLER, Planner I, stated Staff has been continuing to draft revisions to Sign Regulations of the Zoning Ordinance. The Village Attorney advised Staff to propose changes that would strengthen the legality of the Village’s Sign Regulations.

MS, KISLER went through all the changes in the Working Draft for Section IX (Sign Regulations) and the new signage-related definitions that would be added within Section II (Definitions). Notable changes/discussion topics included:
• Page 3 – b – Political Signs – Removing “Residential” so these regulations would apply to all properties.

• Page 12 – c – Location of Freestanding Signs – Must be set back a minimum of 10 feet from all property lines.

• Page 13/14 – Multi-tenant Freestanding Sign Panel Consistency – A Straw Poll was taken by Commissioners to determine their visual preference for regulation of the multi-tenant panel design on freestanding signs. The poll results included:
  o Option B (Same background color only): Commissioners Shaw, Kappel, and Moylan
  o Option C (Same background color and font color): None
  o Option D (Same background color, font color, and font face): Commissioners Bergthold, Stanton, Janowski, and Kroner

• Page 15 – c – Awnings and Canopies – Remove c.

• Page 24 – #2 & #4 – Electronic Message Centers/Dynamic Variable Electronic Message – There was a brief discussion on prohibiting these types of signs; however, Staff inventoried the existing signs and found that there are about thirty (30) of these types of signs in the community and it would create a lot of nonconformities to prohibit them all together. Instead of prohibiting them, Staff proposed to place a restriction on how close one electronic message sign can be to another electronic message sign and reduce the allowable sign face area for the electronic message part of a sign.

• Page 28 – a – Discussion regarding Signs Accessory to Drive-Thru Uses – Staff proposed to change this regulation to allow the display of additional freestanding signage (i.e. multiple menu boards if there are multiple drive-thru lanes) and 45 sq. ft. of sign face area per drive-thru lane.

• Page 32-38 – Section II – Definitions of Signs – to be added alphabetically to Section II. Staff reviewed the new definitions and corresponding graphics.

ACTING CHAIRMAN MOYLAN stated there was no audience present for comments. Hearing no further comments, he asked for a motion.

A Motion was made by COMMISSIONER SHAW, seconded by COMMISSIONER JANOWSKI, to close the Public Hearing on TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS. SUBJECT: MINUTES OF THE APRIL 20, 2017 REGULAR MEETING

ITEM #5: PUBLIC HEARING: TEXT AMENDMENTS TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS

Consider recommending that the Village Board approve Text Amendments to Section II (Definitions) and Section IX (Sign Regulations) of the Village of Tinley Park Zoning Ordinance. The proposed Text Amendments include but are not limited to: regulations for sign face area, sign height, quantity of signs, location of signs, sign materials, regulations for signage in the B-5 Zoning District, sign regulations for special areas and uses, temporary signs, nonconforming signs, and definitions for terms related to signage.

Present were the following

Ed Matushek III, Chairman

Absent Plan Commissioner(s): Anthony Janowski
John Domina

Village Officials and Staff: Paula Wallrich, Interim Community Development Director
Stephanie Kisler, Planner I
Barbara Bennett, Commission Secretary

A Motion was made by COMMISSIONER MOYLAN, seconded by COMMISSIONER KAPPEL to open the Public Hearing on the TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS. The Motion was approved unanimously by voice call. CHAIRMAN MATUSHEK declared the Motion approved.

CHAIRMAN MATUSHEK noted that Village Staff provided confirmation that appropriate notice regarding the Public Hearing was published in the local newspaper in accordance with State law and Village requirements.

CHAIRMAN MATUSHEK requested anyone present in the audience who wished to give testimony, comment, engage in cross-examination or ask questions during the Hearing stand and be sworn in

STEPHANIE KISLER, Planner I, stated Staff has been continuing to draft revisions to Sign Regulations of the Zoning Ordinance. Staff still must complete the new definitions and the diagrams showing the sign
types, but the bulk of the regulations have been drafted and Staff will go through the changes with the Plan Commission this evening.

MS. KISLER went through all the changes in the Working Draft for Section IX Sign Regulations. Notable changes/discussion topics included:

- Page 3 – Political Signs
- Page 4/5 – Light Pole Banners, Window, and Door Signs
- Page 12 – Background Colors for Multi-Tenant Freestanding Sign Panels
- Page 27 – Maximum Allowable Size for Electronic Message Centers
- Page 28 – Standards for Wall Signs Adjacent to Interstate 80
- Page 29 – Standards for Accessory Signs
- Page 33 – Nonconforming Signs

COMMISSIONER SHAW asked about the definition for Political Signs. He asked if this definition was in the Illinois State Statute. MS. KISLER replied this was a definition given to Staff by the Village Attorney which was adapted from another Village’s Sign Regulations.

COMMISSIONER KRONER stated on the definition for “Political Signs” it could be changed to include “support a political candidate or a cause”. MS. KISLER stated she would discuss this with the Village Attorney and she will remove the word “residential” so any property – residential or non-residential – can display political signs within these parameters and a permit will not be required.

MS. KISLER asked for a general recommendation from the Commissioners regarding background color/font style/font color on multi-tenant panels on freestanding signs. Staff provided four (4) options for consideration:

- Option A – Anything Goes (least restrictive)
- Option B – Same Background Color
- Option C – Same Background Color and Font Color
- Option D – Same Background Color, Font Color, and Font (most restrictive)

- COMMISSIONERS MOYLAN, KAPPEL, AND MATUSHEK voted for B
- COMMISSIONER SHAW voted B or D
- COMMISSIONERS KRONER, BERGTHOLD, AND STANTON voted for D

MS. KISLER discussed electronic message centers and asked what the Commissioners felt about electronic message signs. She inquired if the Village should consider prohibiting them or lessening the allowable area. She noted that the Village chose to allow these types of signs in order to prohibit manually-changeable message signs. She said there are about thirty (30) of these signs that exist.

COMMISSIONER SHAW stated the electronic message signs should be prohibited or possibly a Special Use Permit would give the opportunity to handle them on a case-by-case basis.

COMMISSIONER KAPPEL stated the electronic message signs could be considered an eyesore and we should start somewhere to prohibit them even though we have allowed them in the past.

CHAIRMAN MATUSHEK noted they are not only an eyesore but could be considered a traffic hazard.

COMMISSIONER BERGTHOLD stated he would be in favor of prohibiting them for the private use but allow them for civic use.
COMMISSIONER MOYLAN has no problem with the electronic message signs. MS. WALLRICH stated she would speak to the Village Attorney about this topic.

MS. WALLRICH suggested not closing the Public Hearing and continuing it to the next meeting.

A Motion was made by COMMISSIONER MOYLAN, seconded by COMMISSIONER STANTON, to continue this Public Hearing on TEXT AMENDMENTS TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS to the next Plan Commission Meeting. Vote by voice. CHAIRMAN MATUSHEK declared the Motion approved.

CALL TO ORDER

ACTING PLAN COMMISSION CHAIRMAN SHAW called to order the Regular meeting of the Plan Commission for April 6, 2017 at 7:32 p.m.
TO: VILLAGE OF TINLEY PARK PRESIDENT AND BOARD OF TRUSTEES  
FROM: VILLAGE OF TINLEY PARK PLAN COMMISSION  
SUBJECT: MINUTES OF THE APRIL 6, 2017 REGULAR MEETING  
ITEM #3: WORKSHOP: TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS  

Consider recommending that the Village Board approve Text Amendments to Section II (Definitions) and Section IX (Sign Regulations) of the Village of Tinley Park Zoning Ordinance. The proposed Text Amendments include but are not limited to: regulations for sign face area, sign height, quality of signs, location of signs, sign materials, regulations for signage in the B-5 Zoning District, sign regulations for special areas and particular uses, temporary signs, nonconforming signs, and definitions for terms related to signage.

Present were the following Plan Commissioners: Kevin Bergthold John Domina Anthony Janowski Peter Kroner Mark Moylan Tim Stanton Lori Kappel Ken Shaw, Acting Chairman

Absent Plan Commissioner(s): Ed Matushek III, Chairman

Village Officials and Staff: Paula Wallrich, Interim Community Development Director Stephanie Kisler, Planner I Patrick Connelly, Village Attorney Barbara Bennett, Commission Secretary

Staff has been continuing to draft revisions for several months to Section IX (Sign Regulations) of the Zoning Ordinance. The Village Attorney advised Staff to propose changes that would strengthen the legality of the Village’s Sign Regulations.

PATRICK CONNELLY, Village Attorney, stated he would like to give background of some of legal requirements while attempting to meet with this Sign Ordinance. After review of the previous draft it was noted that in late 2015 the United States Supreme Court came down with a decision in Gilbert, Arizona that you cannot regulate signs based on the content of the sign. Also, there must be a paragraph added to the Ordinance stating “No Discrimination Against Non-Commercial Signs or Speech”. The current draft of the Sign Ordinance will need to be amended to include these concepts.

STEPHANIE KISLER, Planner I, reviewed the draft of Text Amendments to the Zoning Ordinance of Sign Regulations. She noted that this is a comprehensive amendment and nearly every section has been modified to be better organized or more clear.
Specific concerns were discussed at follows:

A. Purpose and Intent statement
B. Amendments to ensure that there is not content-based regulation on signs.
C. Clean-up of the permit requirement exception section
D. Clean-up of Maintenance Requirements and Removal of Signs
E. Location of signs
F. Multi-Tenant Panels on freestanding signs
   a. Background color
   b. Letter color
   c. Font
G. Regulations for colors and letters on Awnings and Canopies.
H. Temporary and directional automotive signs.
I. Duration of Display for Temporary Signs.
J. Temporary and Permanent Signage bonuses on buildings along I-80 Corridor
K. Prohibited Signs
L. Changing/maintaining nonconforming signs.

MS. KISLER noted Staff will provide revisions to the draft for the Plan Commission review at the Public Hearing.

CALL TO ORDER

ACTING CHAIRMAN MOYLAN called to order the Regular Meeting of the Plan Commission for January 5, 2017 at 7:30 p.m.
TO: VILLAGE OF TINLEY PARK PRESIDENT AND BOARD OF TRUSTEES
FROM: VILLAGE OF TINLEY PARK PLAN COMMISSION
SUBJECT: MINUTES OF THE JANUARY 5, 2017 MEETING

ITEM #3 WORKSHOP: TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS – TEMPORARY SIGNS

Continue from previous meetings. Discuss proposed Text Amendments to the Village’s Sign Regulations specifically related to temporary signage. Other sections of the Sign Regulations will be discussed in subsequent workshops.

Present were the following:

Plan Commissioners: Kevin Bergthold
John Domina
Anthony Janowski
Lori Kappel
Peter Kroner
Mark Moylan, Acting Chairman
Ken Shaw
Tim Stanton

Absent: Edward Matushek III, Chairman

Village Officials and Staff: Paula Wallrich, Interim Community Development Director
Stephanie Kisler, Planner I
Walter Smart, Zoning Administrator
Patricia Meagher, Commission Secretary

STEPHANIE KISLER, Planner I, began by stating that the workshop this evening will be only for temporary sign regulations. MS. KISLER presented the Staff Report, which included comparison information about temporary signage from the Village’s current code, Orland Park, Frankfort, and New Lenox. Also included in this presentation was proposed verbiage for a possible Text Amendment for temporary sign regulations. She asked that the Commissioners note that anything in red text in the handout are items needing further discussion as well as further clarification.

PAULA WALLRICH, Interim Community Development Director, stated that changes to temporary signage regulations were necessary. She introduced WALTER SMART, Zoning Administrator, who reviews all temporary signage and can answer any questions regarding difficulties and ease of enforcing the current Code.

MS. KISLER stated that the current Code allows sixteen (16) square feet of sign face area per side of a temporary sign. The Zoning Administrator has the authority to allow the number of signs permitted as he sees fit in proportion to the site. The duration of the display of a temporary sign is currently limited to one (1) month. She discussed issues with requests for special events or seasonal signs, such as a Halloween store or the Odyssey Corn Maize wanting their signs for a longer period of time than thirty (30) days.
MS. WALLRICH pointed out that location of temporary signage is important as well. MS. KISLER stated that the most substantial change proposed for consideration is a matrix of size and duration of display, where as a larger sign would have a shorter duration of display versus a smaller sign. Current Code allows the same amount of weeks in a one (1) year period of time that is being proposed, which is one (1) month, every six (6) months, totaling eight (8) weeks per year. She stated that in reference to size of signage she would like to have a discussion about a little more flexibility with this regulation. Also incorporated is allowing a letter to be submitted for requesting extra time and the Zoning Administrator would have the authority to review those requests on a case-by-case basis.

MS. WALLRICH asked if one aspect at a time can be discussed starting with size. MS. KISLER presented photos showing signs noting that currently there is not a height limitation for temporary signs. Size requirements have been an issue for since some people purchase their signs before obtaining permits or finding out what the regulations are. MS. WALLRICH is suggesting a height size of twenty-five feet (25’) maximum.

COMMISSIONER STANTON asked how often the Village is in communication with business owners (e.g., receive communication on a monthly basis reminding them of Code). MS. WALLRICH stated that the Zoning Administrator keeps a spreadsheet of permitted temporary signs that has a start date and an end date and then he follows up to make sure that the sign is removed by the appropriate end date. COMMISSIONER STANTON wanted to know if these business owners receive an email regarding their end date. MS. WALLRICH stated that that would be quite labor intensive. COMMISSIONER STANTON wanted to know what new businesses do if they are not aware of the Code. MS. KISLER stated that when a Change of Use is applied for by each new business, they are informed of Codes. MS. WALLRICH also stated that information is dispersed in the Village quarterly newsletter as well.

ACTING COMMISSIONER MOYLAN asked about dimensions of an inflatable sign. MS. KISLER stated that it is difficult to measure dimensions on an inflatable but typically there is a banner on the inflatable in addition to the inflatable itself. The height can be regulated more easily.

COMMISSIONER KAPPEL inquired about content. MS. KISLER stated that content cannot be regulated due to the First Amendment laws.

COMMISSIONER KRONER asked if there could be a height regulation on a banner sign at six feet (6’). COMMISSIONER BERGTHOLD stated the height should also consider how close the sign is to its intended audience. MS. WALLRICH stated that they will need to make distinctions and come back to the Commissioners with those examples and information, but noted that it is possible to regulate a maximum height and a setback requirement.

MR. SMART shared information about the types of banner signs that have been used. For example, the Tin Fish restaurant and Muscle Max put a freestanding banner sign at the corner of 183rd Street and Harlem Avenue. Muscle Max cannot be seen from 183rd Street or Harlem Avenue, so that is why they wanted the banner on the corner. COMMISSIONER SHAW asked if the sign was on the right-of-way or the property line. MR. SMART stated that it is in the right-of-way but he has made sure those signs go onto the private property. He also stated that if this banner sign was ten feet (10’) in height it would be blocking the bank. COMMISSIONER JANOWSKI pointed out that most banner signs are three foot by six foot (3’ x 6’).

MS. WALLRICH asked for a consensus of dimensions for the freestanding banner signs and other temporary signs. COMMISSIONER KRONER asked to consider the verbiage that based on duration and/or size of building for banner signs. MR. SMART stated he would like to have a fair and consistent
Code he can apply. COMMISSIONER SHAW stated that he felt that a temporary sign should never exceed the allowable size of a permanent sign.

MS. WALLRICH addressed MR. SMART asking if the twenty-five (25) square foot signs would be viable for most people seeking temporary signs. MR. SMART agreed that they would. MS. KISLER stated that one hundred (100) square feet may be too large. She reviewed the matrix of size and duration of display. MS. WALLRICH felt that the Commissioners should decide on size while the Zoning Administrator can decide on length of display.

COMMISSIONER DOMINA asked how often fines are given for temporary signs. MS. WALLRICH stated that the fine is $750 per day of violation and the judge can adjust the fine dependent upon the person’s defense and willingness to correct the situation.

COMMISSIONER STANTON recommended working with the local schools having a team of students sending out a monthly newsletter to businesses with constant reminders of signage Code, Regulations and sizes.

COMMISSIONER KRONER asked to refer back to sign size and suggested they approve seventy-two (72) square feet for two (2) weeks and stop there. MS. KISLER asked the Commissioners if they would be comfortable with a seventy-five (75) square foot for the maximum sign face area of temporary signs. The Commissioners were in agreement.

COMMISSIONER BERGTHOLD felt the location should also be considered with this size. MS. KISLER stated that in the draft regulations a setback requirement is also up for discussion. MS. WALLRICH referred to New Lenox’s Code in that the signage must be setback ten feet (10’), a balloon cannot be on the roof and has to be placed twenty feet (20’) back from property lines. Naperville and Frankfort also require a ten foot (10’) setback.

COMMISSIONER SHAW stated that he liked keeping the square footage lower and adding a setback. He felt that the goal is to minimize the use of temporary signs in general, preferring permanent signage. MS. KISLER stated that it is also important to stay business friendly. MS. WALLRICH stated that we could have verbiage such as “the purpose of a temporary sign is to advertise a special event,” but noted that we can’t regulate content but could make an intent statement.

MS. KISLER referred to her verbiage in the draft regulations stating that a temporary sign can be used for eight (8) weeks every year. ACTING CHAIRMAN MOYLAN stated that he likes issuing a permit for example fifteen (15) days paying a permit fee every fifteen (15) days. MS. WALLRICH asked the Commissioners if they had a preference of splitting the eight (8) weeks to using four (4) the first six months of the year then using the second four (4) weeks in the second half of the year. The Commissioners felt that the eight (8) weeks could be used anytime through one year (1) without a split.

COMMISSIONER SHAW mentioned a tier structure meaning permit fee based on size. Right now it is a flat fee. MS. WALLRICH stated that per this discussion we would be getting rid of a maximum size of one hundred (100) square foot sign and instead allow a maximum of seventy-five (75) square feet.

COMMISSIONER SHAW asked how Staff keeps track of signage and time allowed for display. MS. WALLRICH stated that it is kept track of by address at the discretion of the Zoning Administrator.

COMMISSIONER KRONER inquired about having times of display based on sign size. MS. KISLER stated that having the verbiage state that signs of a specific size cannot be displayed for consecutive periods would help alleviate the concern of having large signs displayed for a longer duration. MS.
WALLRICH raised the thought that the longer the business owner wants signage displayed they have to have sign size that goes along with that duration. There has to be some flexibility to the businesses that have no visibility.

COMMISSIONER JANOWSKI recommended capping the size at fifty square feet (50’) and one flat fee so that the burden of monitoring is less on Staff. COMMISSIONER JANOWSKI asked what the most requested size of sign is requested. MR. SMART stated that normally it is about twenty to twenty-five (20-25) square feet. MS. WALLRICH stated that the feather flags are very popular right now.

ACTING COMMISSIONER MOYLAN asked about the signs that are pulled inside daily if those are considered temporary signs; MS. WALLRICH stated yes. COMMISSIONER KRONER referred back to the Staff Report regarding location of temporary signs. Orland and Naperville’s verbiage of location are well-written as well as New Lenox’s setback conditions, and we should consider adopting that verbiage. MS. KISLER noted the request to reference those codes.

STAFF noted the following recommendations from the Plan Commission:

1. Sandwich boards need to be brought in at the conclusion of the business day.
2. The location section should take notes from the codes for New Lenox and Naperville.
3. Existing lighting can be used for temporary signs.
4. Freestanding banners can be a maximum height of six feet (6’).
5. The maximum sign face area shall be seventy-five (75) square feet without further review by the Zoning Administrator.

CALL TO ORDER

ACTING CHAIRMAN MOYLAN called to order the Regular Meeting of the Plan Commission for November 17, 2016 at 7:30 p.m.
TO: VILLAGE OF TINLEY PARK PRESIDENT AND BOARD OF TRUSTEES

FROM: VILLAGE OF TINLEY PARK PLAN COMMISSION

SUBJECT: MINUTES OF THE NOVEMBER 17, 2016 SPECIAL MEETING

ITEM #3: WORKSHOP: TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS.

Continued from the October 20, 2016 Regular Meeting. Discuss proposed Text Amendments to the Village’s Sign Regulations, specifically related to changes that would further clarify current regulations and create new regulations for temporary signage and create new regulations for signage in the B-5 Automotive Services Zoning District.

Present were the following:

Plan Commissioners: John Domina
Peter Kroner
Edward Matushek III, Chairman
Mark Moylan, Acting Chairman
Tim Stanton
Ken Shaw

Village Officials and Staff: Stephanie Kisler, Planner I
Patricia Meagher, Commission Secretary

MS. KISLER stated that the priority this evening is to discuss temporary signage. She presented pictures of various current temporary signs up in the Village. She stated that the dimensions of temporary signs and allowable numbers of signs are difficult to regulate at this time because many businesses that request temporary signs have purchased signs that exceed the allowable sign face area. Temporary signs are currently only allowed up for thirty (30) days. The Draft Sign Regulations that were attached in the meeting packet include proposed changes for allowable sizes and durations. MS. KISLER stated that the Draft includes regulations for portable signs, which are proposed to be allowable if within ten (10) feet of the storefront. Currently this type of sign is prohibited; however, this has not been enforced strictly in attempt to be more business-friendly. Staff is looking for direction from the Commissioners on the restrictions and what would be allowed.

COMMISSIONER SHAW discussed the look of temporary signs and specifically addressed video gaming signs. He brought up the subject of regulating content. MS. KISLER stated that maybe the video gaming/liquor licenses could include conditions for signs stating “Video Gaming”.

COMMISSIONER STANTON inquired about what other communities do and allow because this is a very complicated issue. MS. KISLER stated that every community is different, but they have studied nearby communities and some of the draft regulations come from regulations within those communities. COMMISSIONER SHAW asked the other Commissioners what it would be like if there were no temporary signs allowed at all. COMMISSIONER STANTON agreed that that could be a possibility. COMMISSIONER SHAW suggested that working on this issue by starting with no signs, absolutely prohibited, and working up from there versus modifying what is currently allowed. COMMISSIONER
DOMINA inquired if this would turn off a business owner. MS. KISLER stated that it is not business development-friendly if we no longer allow any temporary signs. She also noted that businesses owners may have a hard time transitioning when they’ve always been allowed to have temporary signage.

COMMISSIONER DOMINA brought up the concern of car dealerships and their temporary signage. MS. KISLER reminded the Commissioners that car dealerships are major tax revenue generators and often are given direction from their major brand. The brand typically requires a very quick turnaround to have the signs put up, which does not always give them enough time to go through the permit approval process. CHAIRMAN MATUSHEK brought up Orland Park’s regulations and a comparison. MS. KISLER pointed out that on the Commissioners’ copies within in their packets there are red notations on the right hand side showing Orland Park and Frankfort’s regulations for comparison.

COMMISSIONER STANTON brought up the idea of involving area business owners in this discussions and creation of new sign regulations. COMMISSIONER STANTON suggested a Workshop about this on a Saturday away from the other issues presented at our Regular Meetings. COMMISSIONER KRONER suggested that we look at 159th Street as well as Oak Park Avenue first. He also agreed with the idea of a Workshop on a Saturday morning and having business representatives, especially auto dealerships, be present to discuss this topic.
COMMISSIONER STANTON inquired about public attendance at any meeting the Commissioners have. MS. KISLER confirmed that if there are more than two (2) Commissioners present it would constitute the need for an Open Meeting and the public would be notified of the meeting.

COMMISSIONER KRONER asked if a letter was ever received from Bob Jones from American Sales. MS. KISLER stated that she did not recall receiving a letter.

MS. KISLER explained that this discussion is for a proposed Text Amendment to the Village’s Sign Regulations, specifically related to changes that would further clarify current regulations and create new regulations for temporary signage and create new regulations for signage in the B-5 (Automotive Service) Zoning District.

ACTING COMMISSIONER MOYLAN addressed the Public. MARGARET BAINEWICZ, Resident, stated that she was present to learn about Tinley Park’s opinions on signage.

MS. KISLER stated that the proposed Text Amendment must be cognitive of existing business owners as well as regulations for new businesses. She presented a PowerPoint with pictures of a variety of signage within the Village asking for comments and questions from the Commission. She asked for everyone’s thoughts on signage in regards to color, size, sign illumination, to mention a few, as well as temporary signage. The Commissioners provided feedback that indicated a strong preference for good aesthetics and consistency throughout developments and corridors within the Village.

COMMISSIONER JANOWSKI made a Motion to table the last section of Item #2 (WORKSHOP: TEXT AMENDMENT TO THE VILLAGE OF TINLEY PARK ZONING ORDINANCE (SECTION II AND SECTION IX) RELATED TO SIGN REGULATIONS) for future discussion, seconded by COMMISSIONER BERGTHOLD. Vote by voice; all approved. ACTING COMMISSION MOYLAN declared the Motion approved.

CHAIRMAN MATUSHEK opened the Workshop for the Text Amendments to the Zoning Ordinance for Sign Regulations, specifically signage in the B-5 Automotive Service Zoning District.

STEPHANIE KISLER, Planner I, presented the Staff Report. Staff has provided a list of considerations for B-5 Sign Regulations. In addition, for each consideration Staff has provided a comparative analysis of
the current Sign Regulations, the proposed text amendments by Staff, and comparable information from other communities. In summary:

1. **Wall Signs**
   a. Current Code: Allows one wall sign per tenant frontage.
   b. Staff Proposal: Properties in the B-5 Zoning District greater than three acres are allowed up to four wall signs.

2. **Freestanding Signs**
   a. Current Code: One sign is allowed per public frontage and can be up to ten feet in height.
   b. Staff Proposal: Properties in the B-5 Zoning District greater than three acres are allowed two signs per public frontage at least three hundred feet apart. Maximum height eighteen feet tall.

3. **Temporary Signs (also reviewed in the last workshop)**
   a. Current Code: No special provisions for automotive dealerships
   b. Staff Proposal: Allow the B-5 Zoning District the same matrix of sign face area and duration of display as other zoning districts, except instead of allowing a total of eight weeks of display periods per twelve month period they would be allowed twelve weeks per twelve month period.

MS. KISLER discussed how properties in the B-5 Zoning District that have a lot size larger than three acres would be allowed more signage than those properties with less than three acres. She also noted differences in letter heights and different calculations for sign face area based on the tenant frontage of the building or the lot frontage. She noted that the car dealerships would be allowed four signs, including one for the brand, logo, dealer name, and service.

COMMISSIONER KRONER asked about banners on light poles in parking lots. MS. KISLER stated currently our code does not have regulations for light pole banners, so we cannot regulate against them. She stated she will put a maximum dimension for the light pole banners in the next draft of the Sign Regulations.

COMMISSIONER MOYLAN noted that the “service” sign should be separate and should not be as large as the “brand” sign. Staff concurred and will provide different maximum sizes for each type of sign.

PAULA WALLRICH, INTERIM COMMUNITY DEVELOPMENT DIRECTOR, stated that some of the Commissioners were not here during the last text amendment to the Sign Regulations. There has been some time to test the regulations since then and some things need to be adjusted. She noted that they should recap the section on electronic signs at the next meeting. She also noted that recently a new overlay district was established south of I-80 and east of Brookside Marketplace named the “Rich Township Tourism and Entertainment District” and we can discuss that next meeting.
COMMISSIONER SHAW asked about fees for the permits. MS. WALLRICH stated there will be a complete review on the permit fees at a later date. The Village will be working on a comprehensive Fee Ordinance that will encompass all fees for permits in the Village.

MS. KISLER noted that she will incorporate the proposed changes for the different types of signs – brand, logo, dealer name, and service – into the next version of the draft Text Amendment for the Sign Regulations. She added that the Plan Commission will have a draft of the entirety of Section IX for the next meeting.

TO: Kevin Workowski, Public Works Director
From: Thomas Kopanski, Water & Sewer Superintendent
Date: 8 June 2017
Subject: Recommend Contract Award: Fire Hydrant Painting FY2018

Presented for 13 June, 2017, PW Committee discussion and possible action:

Description: The Village of Tinley Park sought a qualified contractor to prepare and paint approx. 600 Fire Hydrants within the Village. A program to paint hydrants has been in place, and the bid solicitation was to seek and secure a contractor to perform quality work at a competitive price.

This project was advertised in accordance with state bidding laws, with eight requests for the specifications, and two sealed bids were received. Bids were opened and read publicly on Tuesday, 6 June 2017, at 10:01 AM by the Deputy Village Clerk, with the Water & Sewer Superintendent present and received as follows:

Cryder Enterprises, Inc. did not submit a bid bond/cashier’s check as called for in the bid specifications, and this made their submittal to be nonresponsive.

Budget / Finance: Funds are budgeted and available in the Water & Sewer Fund

Budget Amount: $50,000.00

Staff Direction Request:

Approve a contract with Muscat Painting in an amount not to exceed $50,000 to paint fire hydrants during FY2018, at a cost of $72.78 per hydrant.

Direct Staff as necessary.
VILLAGE OF TINLEY PARK

SERVICE CONTRACT

This contract is by and between the Village of Tinley Park, an Illinois home-rule municipal corporation (the “Village”), and (the “Contractor”), for the project or work described in Exhibit A, attached hereto and made a part hereof.

1. In consideration of the compensation stated in paragraph 2, the Contractor shall provide all the services described in the Scope of Services attached hereto as Exhibit “A” and incorporated herein by reference. The express terms of this Contract shall take precedence and control over any term or provision of the Scope of Services (Exhibit A) that in any way conflicts with, differs from, or attempts to alter the terms of this Contract.

2. Except in the event of a duly authorized change order approved by the Village as provided in this Contract, and in consideration of the Contractor’s final completion of all work in conformity with this Contract, the Village shall pay the Contractor an amount not to exceed Seventy Two Dollars and Seventy Eight Cents ($72.78) per Fire Hydrant, with an overall amount not to exceed Fifty Thousand Dollars ($50,000.00). Within seven (7) calendar days of completion of the work, the Contractor shall submit his application for payment to the Village, and the Village shall pay Contractor for the work performed no later than thirty (30) calendar days from the date of the Village’s receipt and the Village’s approval of the work and the application for payment. No payment shall be made by the Village until the Contractor has submitted to the Village (i) a Contractor’s Affidavit listing all subcontractors and material suppliers utilized on the project and (ii) final waivers of lien from the Contractor, all subcontractors and all material suppliers.

3. No changes shall be made, nor will invoices for changes, alterations, modifications, deviations, or extra work or services be recognized or paid except upon the prior written order from authorized personnel of the Village. The Contractor shall not execute change orders on behalf of the Village or otherwise alter the financial scope of the Project.

4. Written change orders may be approved by the Village Manager or his designee provided that the change order does not increase the amount set forth in paragraph 2 of this Contract to more than $10,000.00. Changes in excess of this amount must be approved by the Village Board prior to commencement of the services or work. Any request by the Contractor for an increase in the Scope of Services and an increase in the amount listed in paragraph 2 of this Contract shall be made and approved by the Village prior to the Contractor providing such services or the right to payment for such additional services shall be waived.

5. Time is of the essence on this Contract. The Contractor shall complete all work under this Contract by the dates set forth below: October 31, 2017.

6. No “Notice to Proceed” may be given nor any work commenced until this Contract is fully executed and all exhibits and other attachments are completely filled out and attached hereto.

7. It is understood and agreed by the parties that the Contractor is an independent contractor retained for the above-mentioned purpose. The Village shall not control the manner nor the means of the Contractor’s performance, but shall be entitled to a work product as described herein. The term "subcontractor" shall mean and include only those hired by
Village shall have no responsibility to any subcontractor employed by a Contractor for performance of work on the Project, and all subcontractors and material suppliers shall look exclusively to the Contractor for any payments due. The Village will not be responsible for reporting or paying employment taxes or other similar levies that may be required by the United States Internal Revenue Service or other State or Federal agencies. Every subcontractor shall be bound by the terms and provisions of this Contract as far as applicable to their work. The Contractor shall be fully responsible to the Village for the acts and omissions of its subcontractors, and shall ensure that any subcontractors perform in accordance with the requirements of this Contract. Nothing contained herein shall create any contractual or employment relations between any subcontractor and the Village. The Contractor is solely responsible for the safety procedures, programs and methods of its employees and agents and shall hold the Village harmless for any and all damages resulting from violations thereof. The Contractor shall comply with all applicable federal, State and local safety laws and regulations.

8. It is further agreed that the Contractor shall indemnify, hold harmless, and defend the Village, its officers, agents, and employees from and against any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation, court costs, and attorneys’ fees, for injury to or death of any person or for damage to any property arising out of or in connection with the work done by the Contractor under this Contract. Such indemnity shall apply regardless of whether the claims, losses, damages, causes of action, suits, or liability arise in whole or in part from the negligence of the Village, any other party indemnified hereunder, the Contractor, or any third party.

9. The Contractor assumes full responsibility for the work to be performed hereunder and hereby releases, relinquishes, and discharges the Village, its officers, agents, and employees from all claims, demands, and causes of action of every kind and character, including the cost of defense thereof, for any injury to or death of any person and any loss of or damage to any property that is caused by, alleged to be caused by, arising out of, or in connection with the Contractor’s work to be performed hereunder. This release shall apply regardless of whether said claims, demands, and causes of action are covered in whole or in part by insurance and regardless of whether such injury, death, loss, or damage was caused in whole or in part by the negligence of the Village, any other party released hereunder, the Contractor, or any third party. The Contractor shall maintain insurance coverage in an amount and from a carrier suitable to the Village, and the Village shall be named as an additional insured where required. Certificates of Insurance are attached hereto as Exhibit B.

10. The Village is exempt from payment of state and local sales and use of taxes on labor and materials incorporated into the project. If necessary, it is the Contractor’s responsibility to obtain a sales tax permit, resale certificate, and exemption certificate that shall enable the Contractor to buy any materials to be incorporated into the project and then resale the aforementioned materials to the Village without paying the tax on the materials at the time of purchase. In no event will the Village be liable for or pay any sales or use taxes incurred by the Contractor in performing the services under this contract.

11. The Contractor shall comply with all applicable federal, state, and local statutes, regulations, ordinances, and other laws, including but not limited to the Immigration Reform and Control Act (IRCA). The Contractor may not knowingly obtain the labor or services of an unauthorized alien. The Contractor, not the Village, must verify eligibility for employment as required by IRCA.
12. At any time, the Village may terminate this Contract for convenience, upon written notice to the Contractor. The Contractor shall cease work immediately upon receipt of such notice. The Contractor shall be compensated for services performed and accepted by the Village up to the date of termination.

13. No waiver or deferral by either party of any term or condition of this Contract shall be deemed or construed to be a waiver or deferral of any other term or condition or subsequent waiver or deferral of the same term or condition.

14. This Contract may only be amended by written instrument approved and executed by the parties.

15. This Contract and the rights and obligations contained herein may not be assigned by the Contractor without the prior written approval of Village.

16. The parties hereby state that they have read and understand the terms of this Contract and hereby agree to the conditions contained herein.

17. This Contract has been made under and shall be governed by the laws of the State of Illinois. The parties agree that performance and all matters related thereto shall be in Cook County, Illinois.

18. Contractor, its employees, associates or subcontractors shall perform all the work hereunder. Contractor agrees that all of its associates, employees, or subcontractors who work on this Project shall be fully qualified and competent to do the work described hereunder. Contractor shall undertake the work and complete it in a timely manner.

19. If any provision of this Contract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court of competent jurisdiction finds that any provision of this Contract is invalid or unenforceable, but that by limiting such provision it may become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

20. This Contract represents the entire and integrated agreement between the Village and Contractor and supersedes all prior negotiations, representations, or agreements, either written or oral.

21. This Contract will be effective when signed by the last party whose signing makes the Contract fully executed.

22. This contract calls for the construction of a “public work,” within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (“the Act”). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Department publishes the prevailing wage rates on its website at http://labor.illinois.gov/. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department’s web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor’s website. All contractors and
subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

23. The Contractor agrees to comply with the Illinois Substance Abuse Prevention on Public Works Projects Act.

SCOPE OF WORK

Intent: The Village of Tinley Park intends to have a qualified contractor paint fire hydrants within the Village’s retail water service delivery area.

Scope: The work to be done under this scope includes furnishing of all labor, material, transportation, tools, and supplies necessary to sandblast, prime and paint approximately 600 hydrants in FY2018. The objective of this scope is to provide the details of the expected material and workmanship necessary to produce a quality coating system. All painting work shall be implemented in accordance with the manufacturer’s instruction and shall be performed in a manner satisfactory with the Village.

Right to Change Scope of Work: Due to budget constraints, the Village reserves the right to add or delete from the contract, as required. No adjustments in contract unit prices or additional compensation will be made for alteration in the quantities or services from the contract. The quantities listed are estimates only, and may be altered.

Safety and Communication: The contractor shall be responsible for scheduling with the surrounding property owners where hydrant painting will require the temporary relocation of vehicles or other property in order to complete the refinishing.

The contractor shall construct a shield, or shroud, that will contain the overspray. Any damage to private property shall be the contractor’s responsibility for repair. In the event of such damage, it must be reported to the Village’s Public Works Foreman for Water and Sewer.

The contractor must be able to communicate with residents and business owners in a professional and courteous manner at all times.

The contractor shall pick up, collect, and dispose of all debris generated by this project.

The contractor shall conduct and abide in accordance with all local and state environmental rules and regulations pertaining to paint applications.

The contractor shall provide, and have in place, all worksite protection devices, men working signs, cones, etc., required to provide for safe passage or vehicles and pedestrian traffic during all phases of the work. All traffic control devices and procedures must be followed from the MUTCD IDOT manual (Municipal Uniform Traffic Control Device). If the Village finds the contractor at any time to be unsafe and unable to perform the above traffic control, a stop work order will be issued until the problem can be resolved or the contract will be terminated. The Village is not responsible for site safety. The Bidder is solely and exclusively responsible for construction means, methods, technologies, and site safety.

Work Hours: Work hours shall be 7:00 a.m. to 6:00 p.m., Monday through Friday. No Saturday, Sunday or holidays are to be worked unless prior approval is given by the Village. The contractor can only work on main highways between the hours of 9:00 a.m. and 3:00 p.m., to prevent morning and
evening rush hour delays, and to comply with Cook County, Will County, and IDOT rules and regulations.

The Village will provide a map and hydrant inventory for each work area. The inventory will list each of the hydrant locations and identification numbers that will need service. The contractor shall document on a work sheet: the hydrant number, date completed, as well as an “P” for the prime coat, “F” for the first coat of paint, and a “S” for the second and finish coat, noting the date and times each were applied. Worksheet is to be supplied by the contractor.

Coating System: All material shall be brought to the job site in the original sealed and labeled containers of the paint manufacturer and shall be subject to inspection by the Village. The contractor shall submit to the Village, immediately upon completion of the job, certification from the paint manufacturer indicating the quantity of each coating purchased was sufficient to coat all surfaces in accordance with the specifications and manufacturer’s recommendations. No substitutions for the primer or paint are permissible, without the disclosure to the Village for review and approval.

Surface Preparation: Before blast cleaning, visible deposits of oil or grease shall be removed by any methods specified in the Society for Protective Coatings SSPC-SP1 Solvent Cleaning procedure.

The awarded vendor shall supply the appropriate blast media that does not contain silica.

The contractor shall abrasive blast clean all surfaces to remove all rust, mill scale and existing paint on the entire hydrant in accordance with the Society for Protective Coatings Commercial Blast Clean for Steel procedure (SSPC-SP6), which includes containment and proper disposal of paint.

Prime Coat- PPG DEVGUARD 4360 PRIMER: Before any rusting occurs, the contractor shall apply one coat of PPG DEVGUARD 4360 Primer, or equivalent that is acceptable to the Village, to all surfaces to achieve a wet film thickness recommended by the manufacturer (listed on the primer specification sheet). All peaks in the surface profile shall be thoroughly coated.

1st Top Coat- PPG PITTHANE ULTRA GLOSS URETHANE ENAMEL 95-802 Safety Yellow: The contractor shall use PPG PITTHANE ULTRA GLOSS URETHANE ENAMEL 95-802 Safety Yellow, or equivalent that is acceptable to the Village. The contractor shall coat all surfaces to achieve a wet film thickness recommended by the manufacturer (listed on the paint specifications sheet). All hydrants will be painted yellow; the caps to the nozzle and steamer fittings shall be painted in the color that denotes the size of the water main the hydrant is attached to; a legend of the colors and corresponding water main size details will be provided before the commencement of work.

2nd Top Coat- PPG PITTHANE ULTRA GLOSS URETHANE ENAMEL 95-802 Safety Yellow: Apply a second top coat after the manufacturer’s recommended drying time to provide complete coverage, as needed. The need for a 2nd top coat will be determined by visual inspection and achieving the manufacturer’s recommended dry film thickness.

The contractor shall apply paint in strict accordance with the applicable manufacturer’s printed data sheet and container label outlining recommended minimum and maximum surface and air temperatures required for application. Paint shall not be applied to wet or damp surfaces and shall not be applied in rain, snow, fog, mist, or when the relative humidity exceeds 85%

No paint shall be applied when it is expected that the relative humidity will exceed 85% and/or the air temperature will drop below recommended levels within 12 hours after paint application. Dew or
moisture condensation should be anticipated, and if such conditions are prevalent, painting shall be delayed until certain that the surfaces are dry. Painting should be completed well in advance of the probable time prior to the formation of moisture on the surface.

The coating shall be applied at the specified thickness. If the specified thickness is not obtained, an additional coat(s) of paint shall be applied. Wet film thickness shall be measured in accordance with current ASTM D4414-95, “Standard Practice for Measurement of Wet Film Thickness by Notched Gauges”. Dry film thickness shall be measured in accordance with current SSPC PA2, “Dry Paint Thickness with Magnetic Gauges”.

Warranty: All work and materials shall be warranted for a minimum of three years from the date of acceptance. Any work proving defective within three years from the date of acceptance shall be redone without additional expense to the Village for labor and/or workmanship and the warranty on the material, primer, and topcoat shall be three years. The warranty shall cover peeling, adhesion, cracking and premature fading. Prior to final payment, the assigned warranty card shall be provided to the Village.

PREAMBLE

This Agreement is entered into by and between the VILLAGE OF TINLEY PARK (hereinafter called the "Village") and the METROPOLITAN ALLIANCE OF POLICE TINLEY PARK CHAPTER #192 (hereinafter called the "Union", or the "Chapter").

This Agreement has as its purpose the promotion of harmonious relations between the Village and the Chapter; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment. It is the intention of this Agreement to provide, where not otherwise mandated by statute, for the salary structure, fringe benefits and employment conditions of the police officers covered by this Agreement, to prevent interruptions of work and interference with the efficient operation of the Police Department, and to provide an orderly and prompt method for handling and processing of grievances;

THEREFORE, the parties agree with each other as follows:

ARTICLE I

RECOGNITION AND REPRESENTATION

The Village recognizes the Union as the sole and exclusive bargaining agent for all probationary and non-probationary Patrol Officers employed by the Police Department of the Village, excluding all department employees of the rank of Sergeant and above and all other Police Department employees and all other employees employed by the Village.

Probationary Patrol Officers shall be covered by the conditions set forth in this Agreement; provided, however, that any disciplinary actions, including suspensions or discharge, shall not be subject to the grievance and arbitration procedure set forth herein.

Whenever the male gender is used in this Agreement, it shall be construed to include male and female employees covered by this Agreement.
ARTICLE II

NO DISCRIMINATION

In accordance with applicable legislation, neither the Village nor the Chapter shall discriminate against any employee in a manner prohibited by law because of race, creed, color, national origin, sex, or union membership or activity.

Any alleged violation of this Article may be processed through Step 4 of the grievance procedure, but no further. Nothing herein shall be construed as a waiver or relinquishment of any employee’s right to file any commission or court charge or suit.

ARTICLE III GRIEVANCE PROCEDURE

Section 3.1. Definition of Grievance.

A grievance is a difference of opinion between an employee or the Chapter and the Village with respect to the meaning or application of the express terms of this Agreement, or with respect to the inequitable application of rules applicable to the Police Department which may be in effect from time to time.

Section 3.2. Chapter Representation.

The Chapter shall appoint an Employee Committee of not more than two (2) members to attend grievance meetings scheduled pursuant to Steps 3 and 4. The Chapter may appoint three (3) Stewards to participate in the grievance procedure to the extent set forth in Step 2 of the grievance procedure. The Chapter shall notify the Village Manager in writing of the names of employees serving on the Employee Committee and as Stewards.

Section 3.3. Grievance Procedure.

Recognizing that grievances should be raised and settled promptly, a grievance must be raised within seven (7) calendar days of the occurrence of the event giving rise to the grievance.
Step 1: Written to Immediate Supervisor. An aggrieved employee, (or a Steward or Union officer on behalf of the Chapter), shall file a written grievance signed by the employee on a form provided by the Village setting forth the nature of the grievance and the contract provision(s) involved. The immediate supervisor shall respond in writing within seven (7) calendar days of this discussion.

Step 2: Appeal to Commander. If the grievance is not settled in Step 1, the Employee Committee may, within seven (7) calendar days following receipt of the immediate supervisor's answer, forward the grievance to the Commander. The Commander, or whomever is the employee's next immediate supervisor in the Department's chain of command, shall give a written answer within seven (7) calendar days after receipt of the written grievance.

Step 3: Appeal to Chief. If the grievance is not settled in Step 2, the aggrieved employee, the Employee Committee may, within seven (7) calendar days from receipt of the Step 2 answer, appeal in writing to the Chief. The Employee Committee and the Chief will discuss the grievance at a mutually agreeable time, within seven (7) calendar days of the Chief's receipt of the grievance. If no agreement is reached in such discussion, the Chief will give his answer in writing, within seven (7) calendar days of the discussion. The Village may join the Step 3 and Step 4 meetings if it so desires, by having in attendance both the Chief and the Village Manager or his designee.

Step 4: Appeal to Village Manager. If the grievance is not settled in Step 3 the aggrieved employee, the Employee Committee may, within seven (7) calendar days after receipt of the Step 3 answer, file a written appeal to the Village Manager. A meeting between the Village Manager, or his designee, and the Employee Committee will be held at a mutually agreeable time within seven (7) calendar days of the Village Manager's receipt of the grievance. If no settlement is reached at such meeting, the Village Manager or his designee shall give his answer in writing within ten (10) calendar days of the meeting.

Step 5: Grievance Arbitration. If the grievance is not settled in accordance with the foregoing procedure; the aggrieved employee, the Employee Committee may appeal the grievance to arbitration by notifying the Village Manager within ten (10) calendar days after receipt of the Village's answer in Step 4. Within ten (10) calendar days of receipt of such request, the Chapter and the Village shall jointly submit the dispute to the Federal Mediation and Conciliation Service (FMCS) and request a panel of arbitrators, each of which shall be a member of the National academy of Arbitrators. If upon receipt of a panel of arbitrators from FMCS, the parties cannot agree on the selection of an arbitrator, the arbitrator shall be selected by having each party strike the name of an arbitrator from the panel until only one remains. First strike shall be determined by a coin toss. Each party retains the right to reject one panel in its entirety, and to request that a new panel be submitted. The arbitrator shall fix the time and place of the hearing, which shall be as soon as possible after his selection, subject to the reasonable availability of Chapter and Village representatives. The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of the agreement.
He shall consider and decide only the specific issue submitted to him in writing and shall have no authority to make any decision or recommendation on any other issue not so submitted to him. The arbitrator's decision shall be based solely upon his interpretation of the meaning or application of the specific terms of this agreement to the facts of the grievance presented. The arbitrator shall submit his decision in writing within thirty (30) days following the close of the hearing or submission of briefs by the parties. The decision of the arbitrator shall be binding on the parties. The fees of the arbitrator and that of a court reporter, if requested by either party, shall be divided equally between the Board and the Chapter. All other expenses shall be borne by the party incurring them.

Section 3.4. **Time Limits.**

No grievance shall be entertained or processed unless it is filed within the time limits set forth above. If a grievance is not appealed within the time limits for appeal set forth above, it shall be deemed settled on the basis of the last answer of the Village, provided that the parties may agree to extend any time limits. If the Village fails to provide an answer within the time limits so provided, such failure to answer shall constitute a proper denial of the grievance on the date the answer was last due and the Association may immediately appeal to the next Step or forego further processing of the grievance.

Section 3.5. **Investigation and Discussion.**

All grievance discussions and investigations shall take place in a manner which does not interfere with Village operations and at a time when the Grievant and the Steward or other Chapter representative(s) involved are not being compensated by the Village.

Representatives of the Chapter, previously accredited to the Village in writing by the Chapter, shall be permitted to come on the premises of the Village for the purposes of investigating and discussing grievances if they first obtain permission from the Village Manager or his designated representative; such visits shall not interfere with normal Village operations and such permission shall not unreasonably be denied.
Section 3.6. **Civil Service Commission.**

It is understood that matters subject to the jurisdiction of the Civil Service Commission such as certification, promotion, discharge, disciplinary suspension of more than five (5) days or a second suspension within any six (6) month period, all as per 65 ILCS 5/10-1-18, are not subject to this grievance procedure.

Section 3.7  **Application of Grievance and Arbitration Procedure to Discipline**

An Officer who is charged with a disciplinary infraction, or issued discipline, where the penalty may result in termination or suspension has the option of appealing such disciplinary action either before the Civil Service Commission or through the grievance procedure set forth in Section 3.3 above and subject to the procedure described below. An Officer must notify the Village within ten (10) days of receiving written notice of the charge(s) against him or her whether he or she will seek review of the imposed discipline through the grievance procedure or through the Civil Service Commission procedures.

If the Officer elects to appeal the discipline through the arbitration procedure in section 3.3, the following will apply:

1. Notice of intent to appeal will be filed with the Village Manager within ten (10) days of receiving written notice of disciplinary action.

2. The Officer and the Village may agree to extend the time period in which an Officer may file an appeal provided the extension agreement is in writing.

3. The Union and the Village will jointly request a panel of arbitrators from the Federal Mediation and Conciliation Service (FMCS). If upon receipt of a panel of arbitrators from FMCS, the parties cannot agree on the selection of an arbitrator, the arbitrator shall be selected by having each party strike the name of an arbitrator from the panel until only one
remains. First strike shall be determined by a coin toss. Each party retains the right to reject one panel in its entirety, and to request that a new panel be submitted.

4. The arbitrator shall fix the time and place of the hearing, which shall be as soon as possible after his or her selection, subject to the reasonable availability of all parties.

5. Each party shall be afforded the opportunity of an oral argument or briefs, and, as needed supporting witnesses before the arbitrator.

6. Either party may request the opportunity to submit a post-hearing brief to the arbitrator. However, no party shall submit a brief without the agreement of the other. An arbitrator’s award shall be final and binding, and any request for judicial review shall be exclusively under and in accordance with the Uniform Arbitration Act (710 ILCS 5/1, et seq.) and Section 8 of the Illinois Public Labor Relations Act (5 ILCS 315/8).

**ARTICLE IV**

**NO STRIKES/NO LOCKOUTS**

During the term of this Agreement, the Chapter, its officers and agents, and the employees covered by this Agreement agree not to instigate, promote, sponsor, engage in or condone any strike, sympathy strike, slowdown, speed-up, blue-flu or other concerted stoppage of work, or any other intentional interruption of operations or other concerted refusal to obey lawful orders of the Chief or other appropriate Village representatives. Any, a few, some or all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the Village, at the discretion of the Village. The Village will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Chapter.
ARTICLE V

MANAGEMENT RIGHTS

The Village shall retain the sole right and authority to operate and direct the affairs of the Village and the Police Department in all its various aspects, including, but not limited to, all rights and authority exercised by the Village prior to the execution of this Agreement, except as modified in this Agreement. Among the rights retained is the Village's right to determine its mission and set standards of service offered to the public; to direct the working forces; to assign overtime; to plan, direct, control and determine the operations or services to be conducted in or at the Police Department or by employees of the Village; to assign and transfer employees; to hire, promote, demote, suspend, discipline, or discharge for just cause, or relieve employees due to lack of work or for other legitimate reasons, subject to the statutory jurisdiction of the Civil Service Commission; to make and enforce reasonable rules and regulations; to train employees; to subcontract work; and, to change methods, equipment or facilities; provided, however, that the exercise of any of the above rights shall not conflict with any of the specific provisions of this Agreement.

ARTICLE VI

SENIORITY

Section 6.1. Definition.

For purpose of this Agreement, seniority shall be defined as an employee's length of continuous full-time service since the employee's last date of hire excluding time off due to layoff or any other unpaid leave of absence which exceeds thirty (30) consecutive days of absence unless otherwise agreed by the Village.
Section 6.2.  Seniority List.

The Village shall maintain a current seniority list. This list shall be made available to the Chapter within 30 days after the execution of this Agreement. Any alleged error in the list must be brought to the attention of the Chief of Police within 30 days after the list has been made available to the Union.

Section 6.3.  Termination of Seniority.

Seniority and employment shall be terminated when an employee:

6.3.1 quits; or
6.3.2 is discharged for cause; or
6.3.3 is absent for three (3) consecutive days without authorization by the Village; or
6.3.4 is laid off for a period in excess of twenty-four (24) months, or length of seniority whichever occurs first; or
6.3.5 is laid off and fails to report to the Village his intention to return to work within seven (7) calendar days after recall and to report for duty within two weeks after recall; or
6.3.6 does not report to work within seventy-two (72) hours after the termination of an authorized leave of absence; or
6.3.7 retires or is retired.

ARTICLE VII

HOLIDAYS, VACATIONS AND LEAVES OF ABSENCE

Section 7.1.  Holidays.

During the term of this Agreement, there shall be eleven paid holidays, as follows:

<table>

President's Day

Inasmuch as the employees covered by this Agreement must fill work shifts each day of the calendar year, remuneration for the above holidays shall be made by separate check which shall be paid on either the first or second Friday of December of each year.

Remuneration for holidays shall be based on eight-eight (88) hours of pay per year or a pro rata share thereof for the number of days sufficient to cover those holiday periods while employed by the Village. In addition, all covered employees shall receive twenty-five (25) hours of compensatory time on May 1 of each year, ten of which will be taken as compensatory time off, the balance of fifteen (15) being paid as holiday pay. Said compensatory time shall be utilized pursuant to the provisions of Section 10.3 of this Agreement. In addition, if a covered employee is ordered in to work on a designated Holiday, such employee shall receive two times his regular hourly rate of pay or compensatory time for all hours so worked.

Section 7.2. Vacation Schedule.

In accordance with applicable ordinances, Patrol Officers covered by this Agreement shall be entitled to a vacation as follows:

<table>
<thead>
<tr>
<th>Years of Continuous Service</th>
<th>Length of Vacation</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 year but less than 2 years</td>
<td>1 week</td>

</tr>
<tr>
<td>11 years but less than 15 years</td>
<td>4 weeks</td>
</tr>
<tr>
<td>15 years or more</td>
<td>5 weeks</td>
</tr>
</tbody>
</table>

In order to be eligible for full vacation benefits under this Section, a Patrol Officer shall have worked at least sixteen hundred (1,600) hours during the twelve (12) month period preceding January 1 of the vacation year except if unable to so work because of an on-the-job injury, or in the event that the Patrol Officer began employment during said twelve (12) month period, he
shall have worked a pro rata portion of sixteen hundred (1,600) hours. Any Patrol Officer with a continuous length of service with the Village of more than one (1) year who would be otherwise entitled to a vacation but who is not eligible for full vacation benefits because he has not worked at least sixteen hundred (1,600) hours during the twelve (12) month period immediately preceding January 1 of the vacation year, where such failure is not the result of an on-the-job injury, shall be entitled to a vacation of one (1) week so long as he worked at least one thousand (1,000) hours during the twelve (12) month period immediately preceding January 1 of the vacation year.

Insofar as practical, vacation will be scheduled at the times requested. It is understood, however, that because of the nature of the work, it may be necessary to limit the number of Patrol Officers who are authorized to take vacation during any particular period of time or on any particular day. Vacation must be approved by the Division Commander and shall be scheduled in accordance with the procedures set forth herein below.

7.2.1 During the month of January, all Patrol Officers will submit their vacation requests to their respective Division Commanders.

7.2.2 No vacation shall be allowed in excess of three (3) consecutive weeks unless the Chief of Police determines that there are extenuating circumstances and grants approval. Vacations may not be taken in time periods of less than one-half (1/2) of a full day.

7.2.3 All vacation days must be taken prior to the end of the calendar year unless a vacation starts prior to the end of the calendar year and extends into the next year.

7.2.4 Requests for vacations submitted in January shall be honored based upon seniority. The senior officer assigned to each shift/watch shall take his first
choice, all officers by seniority shall follow. This procedure shall be repeated until all then desired vacation weeks/days have been requested. The vacation weeks/days requested in January pursuant to this procedure shall be submitted to the Division Commander for approval by February 1 of each year. The Division Commander shall review the requests and post a vacation schedule on or before March 1. Once the list is posted, any floating vacation as provided in 7.2.5 below shall not be used to bump scheduled vacation time regardless of seniority. On or before May 31, of each year, every employee covered by this Agreement shall have committed no less than the following amounts of vacation: (a) employees with two weeks entitlement, one week, (b) employees with three weeks entitlement, two weeks, (c) employees with four weeks entitlement, two weeks, (d) employees with five weeks entitlement, three weeks. Once committed and approved by the Division Commander, the committed vacation will be added to the posted vacation schedule. Any floating vacation shall not be used to bump scheduled vacation time regardless of seniority. Nothing herein prohibits an officer from taking a vacation between January 1 and March 1. A request for such a vacation must be submitted no later than the first day of the month preceding the month in which the vacation is to be taken.

7.2.5 Vacation weeks or days not selected in January or not committed by May 31 shall be floating vacation. Floating vacation shall be taken on a time-available basis. Requests for one day of floating vacation must be submitted to the Division Commander no less than three working days in advance provided, however, that the Division Commander may in his discretion for extenuating circumstances
grant requests without such notice. Requests for two or more consecutive days of floating vacation must be submitted to the Division Commander no later than the 1st day of the month preceding the month in which the vacation days are to occur. These vacation requests may be approved on a first requested basis provided that conflicts which arise in vacation requests submitted on the same day shall be resolved based upon seniority. All floating vacation weeks/days must be requested no later than November 1 of each year. Floating vacation not requested by that date will be lost and no longer available.

7.2.6 In the case of extenuating circumstances as determined by the Chief of Police, the Division Commander may cancel and reschedule any or all previously approved and scheduled vacation. In the event that a previously approved and scheduled vacation is canceled by order of the Chief or Division Commander under this subsection, then the Village shall reimburse the officer for any forfeited travel/lodging/tour or like deposits or expenses that the officer has paid. The reimbursement shall be made upon request of the officer and presentment to the Village of proper verification that the officer has incurred and paid the expense.

7.2.7 An officer may request to cancel and reschedule vacation. To do so, a written request to cancel and reschedule vacation must be submitted at least 18 days prior to the start of the scheduled vacation. These requests will not be unreasonably denied but in no event shall such requested change conflict with a scheduled vacation of another officer assigned to the same shift.
Section 7.3. **Personal Leave Days.**

All officers shall be granted three (3) days of leave for personal business during each year of this Agreement (May 1 through April 30) without loss of pay. Request for this leave must be made to the appropriate supervisor as far in advance as possible but not less than 48 hours prior to the commencement of the leave. Use of personal leave shall be subject to the same limitations as are applicable to use of vacation time. Unused personal business leave does not accumulate, provided, however, that those employees with less than seven (7) years of continuous service may accumulate unused personal business leave to a maximum of four (4) days. Newly hired officers will be entitled to the use of one personal leave day immediately upon being hired, and will be entitled to three (3) days on the following May 1.

Section 7.4. **Funeral Leave.**

When a death occurs in an employee's immediate family (i.e., employee's mother, father, mother-in-law, father-in-law, spouse, brother, sister, child or grandparents, step mother, step father, step child), an employee covered by this Agreement, upon request, shall be excused for up to three (3) days for the purpose of mourning; when a death occurs to an employee’s grandfather in-law or grandmother in-law, that employee shall be excused for up to two (2) days for the purpose of mourning; one (1) day of funeral leave shall be granted for mourning some other member of the family. An eligible employee shall be paid his normal daily rate of pay for any day or days on which he is excused and but for such excuse would have been scheduled to work. An otherwise eligible employee will not receive funeral pay when it duplicates pay received for time not worked for any other reason e.g. funeral leave is available only for scheduled work days and cannot be used in conjunction with any scheduled day off.
Section 7.5. **Military Leave.**

Military leave shall be granted in accordance with applicable law, and this leave shall not be charged against vacation or sick leave. The employee will be compensated by the Village for the difference between his/her military compensation and his/her normal salary, less normal payroll deductions, for up to two (2) weeks per year.

Section 7.6. **Combination of Leaves.**

Affected employees may combine the use of compensatory time, trade days, personal days and vacation days, provided that no employee may use combined leave days for a period in excess of 21 consecutive calendar days at one time.
ARTICLE VIII

INSURANCE AND DEATH BENEFITS

Section 8.1. Insurance.

Employees may elect to participate in any health and hospital insurance plan(s) selected and made available from time to time by the Village. Such plan(s) shall include dental coverage as selected by the Village and group term life insurance in the amount of $50,000. Each employee who participates in a Village selected plan must contribute toward the cost of such insurance in the monthly amounts set forth in APPENDIX A1. The parties acknowledge that the Union has agreed to contribute towards the payments of insurance premiums on a percentage basis commencing the Plan year 2016 as set forth in Appendix A1. It is further agreed that in no event shall the actual monthly contribution be in excess of $255 per month for calendar year 2017. For each subsequent calendar year, the Village agrees that the actual monthly premium contribution will be based on the percentage defined in Appendix A1. At no time will the actual monthly contributions exceed 8% of the prior calendar year’s monthly contribution rate.

The Village shall pay the remaining premium costs. The Village retains the sole right to select the health/hospital plan made available to employees. However, if during the life of this Agreement the Village intends to select a health/hospital plan that does not provide reasonably comparable benefits, it shall advise the Chapter and the parties will negotiate regarding the provision of this Section.

The parties agree that the Orthodontic Child Lifetime Benefit will increase WILL REMAIN $1250 at no additional cost to covered employees.
Section 8.2. **Health Insurance Review Committee.**

The parties shall meet a minimum of twice per calendar year to discuss issues regarding health insurance coverage and costs, unless both parties agree that such meetings are not necessary. Each party will create their own committee of up to two (2) persons, upon request of either party, a meeting shall be set on a mutually agreeable date, with a proposed written agenda for topics of discussion to be sent by the party.

Section 8.3. **Retirees Health Insurance.**

All full time police officers of the Village of Tinley Park hired on or before May 1, 2013, upon obtaining twenty (20) years of service with the Village’s Police Department and upon obtaining the age of fifty (50) years of age and who are retired, regardless of their age at the time of retirement, from the Tinley Park Police Department, and who are without the benefit of any group health and accident insurance coverage, whether public or private, shall be eligible upon retirement from the Village to apply for coverage under the Village’s group health insurance plan.

Retired full time police officers, who have become covered by health and accident coverage, whether public or private, other than the coverage offered by the Village, shall be eligible, without objection by the Village, to return to the current Village group health insurance plan, if allowed by the plan. However, it is understood that the retired full time police officers shall need to meet all of the following criteria, and obtain the approval of the Village’s health insurance carrier, to be eligible to return to the Village’s group health insurance plan:

1. The retired full time police officer must meet the criteria, as described in Ordinance No. 77-O-015, specifically being that he or she (1) has retired, regardless of age at the time of retirement, (2) has 20 years of credible service with the Village of Tinley Park; (3) has attained the age of fifty (50) years; and (4)
is without the benefit of any group health and accident insurance coverage, whether public or private;

2. The retired full time police officer must have had continuous health and accident coverage for the entire period of time he or she was not covered by the Village’s group health insurance plan or provide certificate of eligibility (physical). The Village reserves the right to request evidence of said coverage;

3. The retired full time police officer shall provide the Village six (6) months of advanced notice of his or her intention to return to the Village’s group health insurance plan when possible. The retired full time police officer must provide notice of his or her intention to return to the Village’s group health insurance plan a minimum of thirty (30) days when unforeseen circumstances have occurred. The notification of the retired officers intention to return to the plan shall be in writing and submitted directly to the Village Manager.

4. It is understood that the retired full time police officer, if allowed coverage by the Village’s insurance carrier, shall be provided the same coverage options as provided in the most current collective bargaining agreement between the Village and the Union. This includes the option to change coverage during open enrollment.

5. The retired full time police officer shall be required to pay the sum of one-half (½) of the costs to the Village to provide health and accident coverage to the retired full time police.

6. In addition, until the retiree is eligible for AARP coverage, the Village shall contribute, in addition to 50% of the premium cost, $60 per month toward the
retiree's cost for health insurance for those covered officers retiring with at least
20 years of service and 50 years of age.

7. When any such retired full time police officer is eligible for Medicare or
Medicaid or similar health and accident insurance programs, then such officer
shall not be entitled to any of the benefits of this Section 8.3, except for participation
in a supplemental plan as allowed by Ordinance No. 77-O-015.

All full time officers hired after May 1, 2013 are eligible to receive the benefits described in
Village Ordinance No. 2011-O-117 attached hereto and made part hereof.

Section 8.4. **Killed In The Line Of Duty Benefits.**

In the event that any police officer is killed in the line of duty or suffers a catastrophic
injury while on duty or in the performance of duty, or while performing a police function, the
Village shall pay to the officer or the officer's family all benefits as provided by current state law
including burial expenses up to $7,500.00 and provide his dependents including widow/widower
and all minor children who are without the benefit of health/hospital insurance, with the
opportunity to continue participation in the Village selected health and hospital insurance plan on
the same basis and under the same terms and conditions as would have existed had the officer
not been killed and continued in the employ of the Village, provided that such participation is not
prohibited by the terms of the plan. In the event that participation in the Village plan is
prohibited, the Village shall pay to the deceased officer's eligible dependents a sum equal to that
which the Village would have paid for dependent health/medical insurance had the officer not been
killed and continued in the employ of the Village.

"In the line of duty" or "while performing a police function" is understood to include the
performance of duty outside the officer's normal work shift and while not being compensated by
the Village, whether or not the officer is in uniform. These situations include, but are not limited
to, providing assistance in locating criminal subjects, motorist assistance, and providing additional police assistance when needed for the Village of Tinley Park.

**ARTICLE IX UNIFORM ALLOWANCE**

Section 9.1. **Uniform Allowance.**

A uniform allowance in the amount of One Thousand Two Hundred and no/100 Dollars ($1,200.00) per year shall be paid to the individual officers in the month of May of each contract year, as set forth below:

Patrol Officers shall use such funds to obtain among other items the following items which may be changed from time to time by the Chief:

- Plastic flashlight
- Badge
- Silver or gold hat cord
- Bullets
- Off duty holster
- Off duty star
- Sleeve shirt
- Sleeve shirt
- Trousers
- Jacket
- Baton
- 5 Star uniform hat
- Name tags for shirt and jacket
- Necessary repairs or alterations on required uniform apparel

- Tie
- Jacket (chill chaser)
- Rain coat
- Fur cap
- Garrison belt
- Holster Long
- Belt keeper Short
- Handcuff case
- Ammo magazine pouch
- Handcuffs
- Baton Ring
- Plastic whistle
- Rain cover
- Ticket book holder
Patrol Officers assigned on a continuing basis, to special duty, i.e., investigative services, crime prevention, support services, etc., shall not be limited to those items of purchase enumerated above.

In the event that during the term of this Agreement the Village requires a major uniform change for all officers to take effect on a date certain rather than at the time of when replacement would be necessary or should the Village require officers to obtain a new uniform item or equipment item not required in the Department prior to May 1, 1994, then the Village shall, in addition to the clothing allowance provided for herein, pay the cost of the ordered major uniform change or new item.

Section 9.2. Body Armor Vests.

The Village shall upon the request of an officer, provide said officer with a body armor vest of the officer's own choosing provided, however, that if the cost of any vest selected by the officer is more than ten (10) percent higher than the cost of a level IIA vest from the Village vendors, the officer shall pay the additional cost beyond ten (10) percent. The Village shall replace existing vests every five (5) years. Vests will be provided at the Village's expense to those officers making a request pursuant to this section. Officers obtaining vests pursuant to this section shall be required by the Village to wear said vests while on duty. Nothing herein prohibits management from ordering the wearing of body armor vests in any high risk situation.

Section 9.3. Purchase of New Uniforms.

The Village shall make a one time purchase of new uniforms for a newly hired employee as outlined in APPENDIX “G”.
ARTICLE X

HOURS OF WORK AND OVERTIME

Section 10.1. Work Period/Normal Workweek and Workday.

The Village established a regularly recurring period of seven (7) consecutive days as the regular work period for each Patrol Officer. The beginning date of this regular work period may be changed provided the change is intended to be permanent at the time that it is made. Within an established work period, the normal workweek shall consist of forty (40) hours per week subject to the last paragraph of this Section 10.1. The normal workday may consist of ten (10) hours, eight (8) hours, or some other combination as determined by the Chief of Police to be in the best interests of the Village and the Department. The normal workweek shall commence at the start of the first regularly scheduled duty day in any seven (7) consecutive day period (168 consecutive hours) which may begin on any day of the calendar week and enter into the next calendar week. Where there is a change in shifts and/or scheduled off duty days, the commencement of the first regularly scheduled duty day of the new workweek shall terminate the preceding workweek.

Preferred Division and Shift selection shall be offered to patrol officers by descending seniority until the designated divisions and shifts have been staffed to the proper levels. This does not preclude the right to adjust and balance the selections in this process based upon the levels of experience of the officers on a particular shift and/or division.

10.1.5 Ten Hour Workday.

Notwithstanding the paragraphs above, the Village agrees to maintain the current forty (40) hour work week based upon a four (4) day, ten (10) hour schedule for the duration of this contract. The four/ten (4/10) schedule will only be applicable to those divisions/units that operate on such a schedule on the date this agreement is executed by both parties. This language
does not apply to any division which operates on a different work schedule. Officers assigned to replace manpower shall work the zone assignment of the officer they are replacing, IF such zone assignment is already designated on the schedule at the time the replacement is made.

Section 10.2. Overtime Pay.

Each Patrol Officer covered by this Agreement shall be paid one and one-half (1-1/2) times his regular straight time hourly rate of pay for all hours of work in excess of forty (40) in a regular 7-day work period. Hours of work include all time that a Patrol Officer is required to be on duty whether scheduled or unscheduled provided, however, that time worked as the result of "trading time" pursuant to the provisions of Section 10.6 below shall not be considered hours of work for the purpose of overtime pay. Paid absences from work, excluding, however, sick leave, shall be considered as "hours of work" for purposes of calculating overtime pay. Unpaid absences are not "hours of work" for purposes of overtime pay.

Overtime assignments for which there is more than one and one-half hours’ notice shall be offered by seniority to covered officers. Any assignments not filled by a volunteer shall be assigned by reverse seniority. Nothing herein shall be construed to require the Village to fill any vacancy that may from time to time occur. The Village possesses the absolute right to assign overtime work and Patrol Officers must work overtime as assigned by the Village. The Village will not order a patrol officer to fill a vacancy created by the absence of a Sergeant. (These provisions are to implement the overtime assignment procedure in effect as of May 1, 1998).

Section 10.3. Compensatory Time.

A Patrol Officer may elect to have earned overtime credited to a compensatory time-off account rather than to be paid for such overtime. No Patrol Officer shall be allowed to accumulate over seventy-five (75) hours of compensatory time. Compensatory time shall be paid at the rate of one and one-half (1-1/2) hours for each overtime hour of work over 40 in any
regular 7-day work period. Compensatory time off may be taken only with the approval of the Patrol Officer’s supervisor based upon existing manpower needs. Requests for compensatory time must be made at least 24 hours in advance unless the supervisor grants approval without such notice. Requests for use of compensatory time may not be made more than six (6) months in advance of the dates requested for use. Requests for use of compensatory time off shall not be unreasonably withheld. Compensatory hours may be carried over from year to year.

Section 10.4. Court Time.

Time spent in court (including travel to and from court) pursuant to job duties shall be compensated in the same manner as scheduled on-duty time. Covered officers shall be compensated for a minimum of two (2) hours for time spent at the Bridgeview or Markham Court Houses. Covered officers shall be compensated for a minimum of two and one-half (2-1/2) hours for time spent at the Will County Court House.

Normal travel time to court in Joliet is 1/2 hour each way. Normal travel time to court at the Daley Center or 26th and California is 1 hour each way.

When a Patrol Officer is subpoenaed for a civil case and when such subpoena arises directly from the performance of job duties as an officer in the Tinley Park Police Department, the Patrol Officer shall be paid at the regular rate for all court time spent in response to the subpoena. It is understood that any extraordinary expenses incurred by the Officer will be reimbursed by the Village upon proper submittal of receipts documenting such extraordinary expenses, i.e., transportation costs, parking fees, etc. It is understood that reimbursement of expenses will be viewed in a limited manner and will not be extended to such items as meals or any other expenses that would normally arise in an Officer's performance of his duties. Further, it is understood that Officers will submit all witness fees to the Village that result from their participation in court-related matters. If such fees are not timely submitted, no court-time
payment will be made by the Village provided, however, if the subpoena fee exceeds the payment to be made by the Village, the Patrol Officer shall have the option to retain the subpoena fee in lieu of the payment provided for herein.

Section 10.5. Training Time.

Patrol Officers covered by this Agreement who are required to attend a training program shall be considered at work while engaged in such training and accordingly, they shall be compensated for such hours of training in the same manner as other hours of duty.

Section 10.6. Trading of Work Shifts.

Patrol Officers shall have the right to request trading of work shifts on a limited basis. A Patrol Officer may initiate unlimited trades, provided that the officer may not trade more than four (4) consecutive shifts with the same person. Responsibility for the trade is with the officer who is to work the shift. All such requests shall be made in writing and approved by both the Patrol Officer's Supervisors. The written request must normally be submitted no less than three (3) working days prior to the day upon which the first trade is to occur provided, however, that the Officer's Supervisors may, in extenuating circumstances, approve the trade without such notice. It is understood that these requests will be given due consideration by the Supervisors and denial must be based on legitimate departmental manpower needs. It is further understood that once a trade has been made, the party accepting the trade will be held totally responsible for covering the shift that he has agreed to cover. Trading of duty shifts under the provisions of this section is voluntary as between the Patrol Officers involved and is permitted for the benefit and convenience of the officers. The Village shall maintain a record of all such trades. Any shift traded hereunder may be paid back within twelve (12) months but in all cases, the day must be traded back no later than the last day of the calendar year in which the trade was initiated.
Section 10.7. **No Pyramiding.**

This Article is intended to define the normal hours of work, the regular work period and provide the basis for overtime calculation. It shall not be construed as a guarantee of hours of work per day or per week or per regular work period. Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement.

Section 10.8. **Call Back.**

A call-back is defined as an official assignment of work which does not continuously precede or follow an officer's regularly scheduled work hours. Employees who are required to work a call-back assignment shall be compensated at the officer's applicable overtime or straight-time rate of pay for all hours worked, with a minimum of two (2) hours compensated.

**ARTICLE XI GENERAL PROVISIONS**

Section 11.1. **Right to Join or Not to Join.**

Employees included in the appropriate bargaining unit set forth in Article I of this Agreement shall have the right to join or refrain from joining the Association. The Village and the Chapter agree not to interfere with the rights of employees to become or not become members of the Chapter and, further, that there shall be no discrimination or coercion against any employee because of Chapter membership or non-membership. Nothing contained in this Agreement shall be construed to prohibit individual employees from presenting grievances to the Village; provided, however, that the settlement of any such grievance shall not be inconsistent with the terms of this Agreement.

Section 11.2. **Personnel Files.**

Upon appropriate request, an employee may inspect his personnel file subject to the following:
A. Inspection shall occur at a time and in a manner mutually acceptable to the employee and the Village. Upon request, an employee who has a written grievance on file who is inspecting his personnel file with respect to said grievance may have an association official present during such inspection.

B. Copies of materials in his personnel file shall be provided an employee upon request if such materials are to be used in the processing of a grievance at the third step. The employee shall bear the cost of duplication.

C. An employee shall be provided a copy of the evaluation form used for the purpose of evaluating him at no cost to the employee.

D. Pre-employment information, e.g., reference checks and responses, or information provided the Village with the specific request that it remain confidential shall not be subject to inspection or copying.

Written reprimands shall remain in an Officer’s personnel file for the length of time commensurate with the offense as set forth in Appendix B. Written reprimands shall be removed based on the schedule attached hereto as Appendix B.

Section 11.3. Bulletin Board.

The Village shall provide, within the Patrol Officer=s squad room, twenty-four inch by twenty-four inch space for a Chapter-provided bulletin board to be used exclusively for the posting of official notices. Such notices, which shall be non-political and non-inflammatory in nature, shall be delivered to the Chief for his approval prior to posting. The Chief shall not unreasonably withhold approval of notices which are in compliance with this Article.

Section 11.4. Probationary Period.

All new employees and those hired after loss of seniority shall be considered probationary until they have completed a probationary period of twelve (12) months of work, excluding time spent in school. Time absent from duty that is not credited for seniority purposes shall not apply toward satisfaction of the probationary period. During an employee's probationary period, the employee may be suspended, laid off or terminated in accordance with procedures established by the Civil Service Commission, without cause at the sole discretion of
the Village. Such probationary employee shall have no recourse to the grievance procedure or to the Civil Service Commission to contest such a suspension, layoff or termination. An employee is not required to comply with the Village residency policy until the employee has completed the probationary period.

Section 11.5. **Light Duty.**

Covered employees suffering from a duty or non-duty-related injury or illness may be assigned to light duty pursuant to the terms and conditions of the existing Village of Tinley Park Modified Duty Policy. However, no covered officer shall be required to work a light duty shift other than that to which he/she was assigned prior to the injury or illness requiring light duty assignment, unless said officer voluntarily accepts said assignment.

Section 11.6. **Residency.**

All employees covered by this Agreement shall, as a condition of employment and continued employment, be required to reside within a thirty (30) mile radius of 183rd Street and 80th Avenue in Tinley Park within twelve (12) months of employment date. Employees who choose to reside within the Village limits will have the benefit of Project 75. Residency in Indiana is not permitted. Waivers to this requirement may be approved by the Village Board. If the Village waives the residency requirement for any other employee group after the effective date of this Agreement, it will waive it for the employees covered by this Agreement as well.

Section 11.7. **Part Time Officers.**

The Village agrees that all part time officers hired by the Village will be covered by the terms and conditions set forth in Appendix C, attached hereto and made a part hereof, for the
duration of this Agreement.

Section 11.8. **Community Service Officers**

The parties agree that Community Service Officer (CSO) shall be permitted to perform administrative duties and shall not be permitted to perform criminal investigations, criminal reports or traffic crash reports.

**ARTICLE XII**

**FAIR SHARE AND DUES DEDUCTION**

Section 12.1. **Dues Deduction.**

Upon receipt of lawful written authorization from employees covered by this Agreement, the Village agrees to deduct from their salary the regular uniform Union membership dues during the term of this Agreement. A copy of the dues deduction authorization that is to be utilized is attached hereto as Appendix D. Signing of the dues deduction authorization is voluntary with the individual employee and any dues deduction authorization which is signed shall be revocable at any time by the employee. The dues shall be forwarded to the individual designated by the Union to receive such deductions. The regular uniform Union membership dues to be deducted will be certified in writing by the Union to the Village.

Section 12.2. **Fair Share.**

During the term of this Agreement, Employees who are not members of the Metropolitan Alliance of Police shall, commencing sixty (60) days after their employment or sixty (60) days after the effective date of this Agreement whichever is later, pay a fair share fee to the Metropolitan Alliance of Police for collective bargaining and contract administration services rendered by the Metropolitan Alliance of Police as the exclusive representative of the employees.
covered by said Agreement, provided fair share fee shall not exceed the dues attributable to being a member of the Metropolitan Alliance of Police. Such fair share fees shall be deducted by the Village from the earnings of non-members and remitted to the Metropolitan Alliance of Police. The Metropolitan Alliance of Police shall periodically submit to the Village a list of the members covered by this Agreement who are not members of the Metropolitan Alliance of Police and an affidavit which specifies the amount of the fair share fee. The amount of the fair share fee shall not include any contributions related to the election or support of any candidate for political office or for any member-only benefit.

The Metropolitan Alliance of Police agrees to assume full responsibility to insure full compliance with the requirements laid down by the United States Supreme Court in Chicago Teacher Union v. Hudson, 106 U.S. 1066 (1986), with respect to the constitutional rights of fair share fee payers. Accordingly, the Metropolitan Alliance of Police agrees to do the following:

1. Give timely notice to fair share fee payers of the amount of the fee and an explanation of the basis for the fee, including the major categories of expenses, as well as verification of same by an independent auditor.

2. Advise fair share fee payers of any expeditious and impartial decision-making process whereby fair share fee payers can object to the amount of the fair share fee.

3. Place an amount reasonably in dispute into an escrow account pending resolution of any objections raised by fair share fee payers to the amount of the fair share fee.

It is specifically agreed that any dispute concerning the amount of the fair share fee and/or the responsibilities of the Metropolitan Alliance of Police with respect to fair share fee payers as set forth above shall not be subject to the grievance and arbitration procedure set forth in this Agreement.

Non-members who object to this fair share fee based upon bona fide religious tenets or teachings shall pay an amount equal to such fair share fee to a non-religious charitable
organization mutually agreed upon by the employee and the Metropolitan Alliance of Police. If the affected non-member and the Metropolitan Alliance of Police are unable to reach agreement on the organization, the organization shall be selected by the affected non-member from an approved list of charitable organizations established by the Illinois State Labor Relations Board and the payment shall be made to said organization.

Section 12.3. **Indemnity.**

The Chapter agrees to indemnify and hold the Village harmless against any and all claims, suits, orders or judgments brought or issued against the Village as a result of any action taken or not taken by the Village under any of the provisions of this Article, except if the Village initiates or prosecutes such action.

**ARTICLE XIII**

**WAGES**

Section 13.1. **Salary Schedule.**

The minimum monthly salary effective from May 1, 2016 through April 30, 2020, is as follows:

The Village will pay to each member a one–time, $500.00 payment in exchange for accepting Village Health Insurance payable upon ratification of this agreement.

Section 13.2. **Investigator Compensation.**

In addition to the above, all Patrol Officers assigned to the Investigative Division shall receive an additional stipend of $2,000.00 during each contract year of this Agreement. This additional remuneration will be paid on a bi-weekly basis and will be discontinued immediately upon the Patrol Officers no longer being assigned to the Investigative Division or when such Patrol Officer is on assignment to some other organization.

Section 13.3. **Service Longevity.**

For employees hired prior and subsequent to the effective date of this Agreement, salary and wage recognition will be accorded each such employee on the basis of service longevity independent of, but in addition to, that accorded as base pay or merit pay as follows:

Section 13.5. **Extra Compensation for Marksmanship Proficiency.**

Patrol Officers covered by this Agreement shall receive, in addition to any other payments, marksmanship proficiency payments payable as a lump sum payment on or before April 15 of each year for obtaining a verified shooting score annually under Village supervision as follows:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

This applicable course of fire shall be the “Illinois State Training Standard Qualification.”
Section 13.6. **Officer in Charge.**

When that employee is required to serve as an acting supervisor, the employee will receive additional pay equal to the existing low base pay for sergeants or 5 percent of the employee's base hourly rate, whichever is higher, provided, however, that when an employee is assigned to serve as an acting supervisor and does so serve for a period in excess of four consecutive weeks, the employee will receive additional pay equal to the existing low base pay for sergeants or 10 percent of the employee's base hourly rate for that period of time during which he is, without interruptions, so assigned to act as a supervisor, whichever is higher. Acting pay will be given only for hours worked as an "acting supervisor" and shall be calculated to the nearest full hour. Additional pay hereunder shall be accumulated and paid annually in the holiday payroll check as provided for in Section 7.1 of this Agreement. Officers in Charge shall be selected by the supervisor or designee reasonably taking into consideration the candidate’s seniority, overall experience and competency.

Section 13.7. **Field Training.**

A field training officer shall receive additional pay of five (5) hours at 12 times his regular rate of pay for each eighty (80) hours of time spent in field training another officer. Affected officers who work less than eighty (80) hours shall be paid for all hours worked on a pro rata basis. This additional compensation shall be paid as part of the officer's regular payroll check.

Section 13.8. **Canine Officer.**

The Village, the Village’s Police Department and the Union:

- have investigated the amount of time it takes an employee assigned to Canine or K-9 officer duties to provide daily canine care;
- have developed a reasonable estimate of the time reasonably required by a Canine or K-9 Officer to provide daily care for his or her assigned canine by analyzing
the actual amount of time per day it takes a Canine or K-9 Officer to feed, groom, exercise, walk, train and perform other canine care duties;

- and seek to memorialize the manner in which the Canine or K-9 Officer will be reasonable compensated for providing daily care for his or her assigned canine.

The Village and the Union agree and acknowledge that it takes one (1) hour per day for a Canine or K-9 Officer to care for his or her assigned canine. This care includes, but is not limited to, feeding, grooming, exercising, walking and training the assigned canine.

The Village and the Union further agree and understand that whenever practical, and subject to departmental needs, one (1) hour of each shift that the Canine Officer is on duty will be used for the care of the canine. This care includes, but is not limited to, feeding, grooming, exercising, walking and training the assigned canine, as well as maintenance of the vehicle and kennel assigned to the Canine or K-9 Officer. Emergencies and calls for service will always take precedence over this provision at the direction of the Canine or K-9 Officer’s supervisors.

The foregoing provision will also be in effect when the Canine or K-9 Officer is on any paid leave, including, but not limited to, compensatory time, vacation time, personal leave time or sick time, unless the canine is being boarded.

The Village and the Union further agree that the Canine or K-9 Officer will be paid one (1) hour at the Canine Officer’s current rate of pay for every non-duty day he is assigned as a Canine Officer. This payment is intended to compensate the Canine or K-9 Officer for one hour of dog care responsibilities during his or her non-duty day.

In addition to any normal recordkeeping requirements during on-duty time, the Canine or K-9 Officer will also keep a detailed log of all canine care activities and responsibilities that are carried out beyond his on-duty time, complete with dates and times the duties were performed. If the time required for such duties extends beyond the Officer’s normal duty day, or exceeds the one (1) hour allotted for off-duty dog care, the Village shall compensate the Canine Officer for
such time at his current rate of pay, provided that the duties were necessary and within the scope of the Canine or K-9 Officer’s assignment, and the Canine or K-9 Officer has tendered to the Village a detailed log outlining the additional canine care activities performed during that pay period. The aforementioned log will be submitted along with the Officer’s corresponding time sheet for that pay period.

In addition to the foregoing reasonable compensation, the Village and the Union agree that the Canine or K-9 Officer will be further reasonably compensated by the Village for canine care as follows:

a. provision of a specially equipped department K-9 motor vehicle which may be used to transport the canine to and from the Officer’s home and the Tinley Park Police Department, as well as any other locations necessary for the care or training of the canine;

b. provision of all gasoline, insurance, equipment and maintenance for the canine vehicle;

c. payment for any expenses related to the care of the canine, including but not limited to, veterinary care, necessary boarding or kennel fees, food, toys, canine equipment and training supplies;

d. payment for all expenses related to the necessary training and certification of the canine; and

e. provision and installation of a kennel at the home of the Canine or K-9 Officer for the care and convenience of the canine. This kennel will remain Village property at all times, and can be recovered or replaced at the Village’s discretion.

The Village and the Union finally agree and acknowledge that the assigned Canine or K-
9 Officer will be required to enter into a separate written agreement with the Village acknowledging and memorializing the foregoing Canine or K-9 Officer compensation package and the reasonableness thereof.

Pursuant to Section 7(p)(1) of the Fair Labor Standards Act, the Village administers the extra duty employment of bargaining unit members by certain separate and independent employers. A list of such extra duty employers is attached hereto as Appendix F. Extra duty assignments are performed solely at the option of the officer during off-duty hours. These extra duty assignments may include sporting events and extracurricular activities of those employers listed in Appendix F. Compensation for extra duty assignments performed by members of the bargaining unit is at the rate of $30.00 per hour. The Village shall bill the independent employers for service provided, and establish procedures for the officers to receive their pay through the Village payroll system. Officers wishing to work extra duty assignments may place their names on the extra duty roster from which extra duty assignments may be made. While on extra duty assignments, all officers are required to observe their normal standards of conduct and shall be subject to disciplinary action for their failure to do so. Members of the bargaining unit shall be offered at least fifty (50) per cent of all extra duty assignments offered by independent employers. Extra duty assignments will be offered (by seniority) to all bargaining unit employees who have placed their names on the extra duty roster. All Bargaining Unit members are entitled to work these extra duties.

Section 13.10. Retroactivity.

Those employees employed by the Village on the date the Agreement is signed by both parties, and any employee who shall have retired from the Village of Tinley Park during the term of negotiations, shall receive the wage increases described in this Agreement on a retroactive
basis to May 1, 2016. Retroactive wage increases will be paid to each eligible employee for all hours worked and compensated between May 1, 2016, and the date of the execution of this Agreement within thirty (30) days of the signing of this Agreement.

**ARTICLE XIV**

**EMPLOYEE DRUG AND ALCOHOL TESTING**

Section 14.1. Statement of Policy.

It is the policy of the Village that the public has the absolute right to expect persons employed by the Village in its Police Department will be free from the effects of drugs and alcohol. The Village, as the employer, has the right to expect its employees to report for work fit and able for duty and to set a positive example for the community. The purpose of this policy shall be achieved in such manner as not to violate any established constitutional rights of the officers of the Police Department.

Section 14.2. Prohibitions.

Officers shall be prohibited from:

(a) Consuming or possessing alcohol at any time during or just prior to the beginning of the workday or anywhere on any Village premises or job sites, including Village buildings, properties, vehicles and the officer’s personal vehicle while engaged in Village business, except as may be necessary in the performance of duty as authorized by the Chief or his designee.

(b) Possessing, using, selling, purchasing or delivering any illegal drug at any time and at any place except as may be necessary in the performance of duty as authorized by the Chief or his designee.

(c) Failing to report to the employee’s supervisor any known adverse side effects of medication or prescription drugs which the employee may be taking.
Section 14.3. **Drug and Alcohol Testing Permitted.**

Where the Village has reasonable suspicion to believe that: (a) an officer is being affected by the use of alcohol; or (b) has abused prescribed drugs; or (c) has used illegal drugs, the Village shall have the right to require the officer to submit to alcohol or drug testing as set forth in this Agreement. The foregoing shall not limit the right of the Village to conduct any tests it may deem appropriate for persons seeking employment as police officers prior to their date of hire, or upon promotion or reassignment to another position within the Department.

Section 14.4. **Order to Submit Testing.**

Within twenty-four (24) hours of the time the officer is ordered to testing authorized by this Agreement, the Village shall provide the officer with a written notice setting forth the facts and interferences which form the basis of the order to test. Refusal to submit to such test may subject the employee to discipline, but the officer’s taking of the test shall not be construed as a waiver of any objection or rights that he or she may possess.

Section 14.5. **Test to be Conducted.**

In conducting the testing authorized by this Agreement, the Village shall:

(a) Use only a clinical laboratory or hospital facility which is certified by the State of Illinois to perform drug and/or alcohol testing, or use a licensed breathalyzer operator who is not a member of the bargaining unit.

(b) Establish a chain of custody procedure for both the sample collection and testing that will ensure the integrity of the identity of each sample and test result.

(c) If a blood, urine, or hair test, collect a sufficient sample of the same bodily fluid or material from an officer to allow for initial screening, a confirmatory test, and a sufficient amount to be set aside reserved for later testing if requested by the officer.
(d) Collect samples in such a manner as to preserve the individual officer’s right to privacy while insuring a high degree of security for the sample and its freedom from adulteration. Officers shall not be witnessed by anyone while submitting a sample except in circumstances where the laboratory or facility does not have a “clean room” for submitting samples or where there is reasonable suspicion that the officer may attempt to compromise the accuracy of the testing procedure.

(e) Confirm any blood, urine, or other sample that tests positive in initial screening for drugs by testing the second portion of the same sample by gas chromatography/mass spectrometry (GC/MS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites.

(f) Provide the officer tested with an opportunity to have the additional blood, urine, or other sample tested by a clinical laboratory or hospital facility to the officer’s choosing, at the officer’s own expense; provided the officer notified the Village within seventy-two (72) hours of receiving the results of the test.

(g) Require that the laboratory or hospital facility report to the Village that a blood, urine, or other sample is positive only if both the initial screening and confirmation test are positive. The parties agree that should any information concerning such testing or the results thereof be obtained by the Village inconsistent with the undertakings expressed herein (e.g., billings for testing that reveal the nature or number of tests administered), the Village will not use such information in any manner or form adverse to the officer’s interests.

(h) Require that with regard to alcohol testing, for the purpose of determining whether the officer is under the influence of alcohol, test results showing an alcohol concentration of .020 or more based upon the grams of alcohol per 100 millimeters of blood be
considered positive (NOTE: The foregoing standard shall not preclude the Village from attempting to show that test results between .000 and .019 demonstrate that the officer was under the influence, but the Village shall bear the burden of proof in such cases).

(i) Provide each officer tested with a copy of all information and reports received by the Village in connection with the testing and the results.

(j) Insure that no officer is the subject of any adverse employment action except emergency temporary reassignment or relief of duty during the pendency of any testing procedure.

Section 14.6. Right to Contest.

If disciplinary action is not taken against an employee based in whole or in part upon the results of a drug or alcohol test, the Chapter and/or the officer, with or without the Chapter, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the order to submit to the test, the right to test, the administration of the tests, the significance and accuracy of the test, or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. Further, if disciplinary action is taken against an officer based in part upon the results of a test, then the Chapter and/or the officer, with or without the Chapter, shall have the right to file a grievance concerning any portion of the test if the discipline is not so extreme as to invoke the jurisdiction of the Village of Tinley Park Board of Police Commissioners. If the discipline is sufficiently extreme as to invoke the jurisdiction of the Village’s Board of Police Commissioners, then the Chapter and/or the officer, with or without Chapter, shall have the right to contest any testing permitted by this Agreement before the Board of Police Commissioners.
Section 14.7. Voluntary Request for Assistance.

The Village shall take no adverse employment action against any officer who voluntarily seeks treatment, counseling, or other support for an alcohol or drug related problem not involving or related to criminal activity because of the officer’s voluntary actions, other than the Village may require reassignment of the officer with pay if he is unfit for duty in his current assignment. The foregoing is conditioned upon:

(a) The officer was not under investigation for illegal drug use or abuse of alcohol, or in such a circumstance that such investigation was imminent.

(b) The officer agreeing to appropriate treatment as determined by the physician(s) involved.

(c) The officer discontinues his use of illegal drugs or abuse of alcohol.

(d) The officer completes the course of treatment and aftercare prescribed by the attending medical authority(s), including an “after-care” group for a period of up to twelve (12) months.

(e) The officer agrees to submit to suspicionless testing during hours of work during the prescribed period of treatment and aftercare discussed in (d) above.

Officers who do not agree to or act in accordance with the foregoing, or for whom there exists independent evidence of improper activity, shall be subject to discipline, up to and including discharge. This Article shall not be construed as an obligation on the part of the Village to retain an officer on active status throughout the period of rehabilitation if it is appropriately determined by the attending medical authority(s) that the officer’s current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property and safety of others.
Such officer shall be afforded the opportunity, at his option, to use accumulated paid leave or take an unpaid leave of absence pending treatment.

**ARTICLE XV**

**BILL OF RIGHTS**

All members of the bargaining unit are entitled to the rights provided by the Uniform Peace Officers Disciplinary Act (commonly known as Peace Officers Bill of Rights), 50 ILCS 725/1 et seq, provided, however, that this clause shall have no effect if said Act is repealed or declared invalid. Any alleged violation of this article shall not be subject to the grievance procedure unless and until the grieving and an authorized representative of the Chapter each voluntarily executes a binding waiver of any right to sue the Village in any administrative forum or court of law alleging a violation of Chapter 85 Section 2551 et seq., arising from the events giving rise to the grievance. It is the express intent of the parties that any alleged violation of the Peace Officers Bill of Rights be subject to determination only by one forum. In addition, all employees covered by this Agreement are hereby informed that they have the right to Union representation in any interview or interrogation that they reasonably believe could result in disciplinary action against them, commonly known as Weingarten rights.

**ARTICLE XVI ENTIRE AGREEMENT**

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Village and the Chapter, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees
that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

**ARTICLE XVII**

**SAVINGS CLAUSE**

If any provision of this Agreement is subsequently declared by legislative or judicial authority to be unlawful, unenforceable or not in accordance with applicable statutes or orders, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

**ARTICLE XVIII**

**TERM OF AGREEMENT**

This Agreement shall become effective as of the first day after it is signed by both parties, and shall terminate at 11:59 p.m. on April 30, 2020. Either the Village or the Chapter may give written notice to the other party of its desire to modify or terminate this Agreement and to renegotiate an agreement for subsequent years. Said notice shall be given at least ninety (90) days prior to the termination of the agreement. In the event that this notice is not so given, this contract shall be deemed automatically renewed for an additional year and from year to year thereafter until such written notice is given. This Agreement shall remain in full force and effect after any expiration date while negotiations or resolution of impasse procedures are continuing for a new agreement, or part thereof, between the parties.

Effective January 1 2017, the change will include a plan with a $500 deductible ($1,500 for family).

Out-of-Pocket Expense (OOP)

The OLD Village health insurance plan, along with a zero deductible, allows for $500 out of pocket expense.

The NEW $500 deductible increases this out of pocket expense to $1,000.

Plan design will remain the same with Blue Cross paying 80% of the cost and the Village paying the remaining 20% until the out-of-pocket expense has been met.

<tbody>
<tr>
<td><strong>What is the overall deductible?</strong></td>
<td>For In-Network $500 Individual/$1,500 Family For Out-of-Network $1,500 Individual/$4,500 Family</td>
<td>You must pay all the costs up to the <strong>deductible</strong> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <strong>deductible</strong> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <strong>deductible</strong>.</td>
</tr>
<tr>
<td><strong>Are there other deductibles for specific services?</strong></td>
<td>Yes. $300 deductible for Out-of-Network hospital admission.</td>
<td>You don’t have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.</td>
</tr>
<tr>
<td><strong>Is there an out-of-pocket limit on my expenses?</strong></td>
<td>Yes. For In-Network $1,000 Individual/$3,000 Family Out-of-Network $3,000 Individual/$6,000 Family Prescription Drug Expense Limit: $1,000 Individual/$3,000 Family</td>
<td>The <strong>out-of-pocket limit</strong> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.</td>
</tr>
<tr>
<td><strong>What is not included in the out-of-pocket limit?</strong></td>
<td>Premiums, balanced-billed charges, and health care this plan doesn’t cover.</td>
<td>Even though you pay these expenses, they don’t count toward the <strong>out-of-pocket limit</strong>.</td>
</tr>
<tr>
<td><strong>Does this plan use a network of providers?</strong></td>
<td>Yes. Visit <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call 1-800-892-2803 for a list of participating providers.</td>
<td>If you use an in-network doctor or other health care provider, this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network provider for some services. Plans use the term in-network, preferred, or participating for providers in their network. See the chart starting on page 2 for how this plan pays different kinds of providers.</td>
</tr>
<tr>
<td><strong>Do I need a referral to see a specialist?</strong></td>

- **Copayments** are fixed dollar amounts (for example, $15) you pay for covered health care, usually when you receive the service.
- **Coinsurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan’s **allowed amount** for an overnight hospital stay is $1,000, your **coinsurance** payment of 20% would be $200. This may change if you haven’t met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges $1,500 for an overnight stay and the **allowed amount** is $1,000, you may have to pay the $500 difference. (This is called **balance billing**.)
- This plan may encourage you to use participating **providers** by charging you lower **deductibles**, **copayments** and **coinsurance** amounts.

- Most coverage provided outside the United States. See [www.bchsil.com](http://www.bchsil.com)
- Non-emergency care when traveling outside the U.S
- Chiropractic care
- Private-duty Nursing

**Your Rights to Continue Coverage:**

If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the **premium** you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply. For more information on your rights to continue coverage, contact the plan at 1-800-828-3116. You may also contact your state insurance department, the U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-3272 or [www.dol.gov/ebia](http://www.dol.gov/ebia), or the U.S. Department of Health and Human Services at 1-877-267-2323 x61565 or [www.cciio.cms.gov](http://www.cciio.cms.gov).
Your Grievance and Appeals Rights:
If you have a complaint or are dissatisfied with a denial of coverage for claims under your plan, you may be able to appeal or file a grievance. For questions about your rights, this notice, or assistance, you can contact Blue Cross and Blue Shield of Illinois at 1-800-828-3116 or visit www.bcbsil.com, or contact the U.S Department of Labor’s Employee Benefits Security Administration at 1-866-444-EBSA (3272) or visit www.dol.gov/ebda/healthreform. *This is not a cost estimator.*

Don’t use these examples to estimate your actual costs under this plan. The actual care you receive will be different from these examples, and the cost of that care will also be different.

See the next page for important information about these examples.
Questions and answers about the Coverage Examples:

What are some of the assumptions behind the Coverage Examples?

- Costs don’t include **premiums**.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren’t specific to a particular geographic area or health plan.
- The patient’s condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network **providers**, If the patient had received care from out-of-network **providers**, costs would have been higher.

What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how **deductibles**, **copayments**, and **coinsurance** can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn’t covered or payment is limited.

Does the Coverage Example predict my own care needs?

- **No.** Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor’s advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

- **No.** Coverage Examples are **not** cost estimators. You can’t use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your **providers** charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

- **Yes.** When you look at the Summary of Benefits and Coverage for other plans, you’ll find the same Coverage Examples. When you compare plans, check the “Patient Pays” box in each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

- **Yes.** An important cost is the **premium** you pay. Generally, the lower your **premium**, the more you’ll pay in out-of-pocket costs, such as **copayments**, **deductibles**, and **coinsurance**. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

- **Copayments** are fixed dollar amounts (for example, $15) you pay for covered health care, usually when you receive the service.

- **Coinsurance** is your share of the costs of a covered service, calculated as a percent of the **allowed amount** for the service. For example, if the plan’s **allowed amount** for an overnight hospital stay is $1,000, your **coinsurance** payment of 20% would be $200. This may change if you haven’t met your **deductible**.

- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges $1,500 for an overnight stay and the **allowed amount** is $1,000, you may have to pay the $500 difference. (This is called **balance billing**.)

- This plan may encourage you to use participating **providers** by charging you lower **deductibles**, **copayments** and **coinsurance** amounts.

- Most coverage provided outside the United States. See www.bcbsil.com.
- Weight Loss (except when non-medically supervised)

**Your Rights to Continue Coverage:**

If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a premium, which may be significantly higher than the premium you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact the plan at 1-800-892-2803. You may also contact your state insurance department, the U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-3272 or www.dol.gov/ebsa, or the U.S. Department of Health and Human Services at 1-877-267-2323 x61565 or www.cclio.cms.gov.
Your Grievance and Appeals Rights:
If you have a complaint or are dissatisfied with a denial of coverage for claims under your plan, you may be able to appeal or file a grievance. For questions about your rights, this notice, or assistance, you can contact Blue Cross and Blue Shield of Illinois at 1-800-892-2803 or visit www.bcbsil.com, or contact the U.S Department of Labor's Employee Benefits Security Administration at 1-866-444-EBSA (3272) or visit www.dol.gov/ebia/healthreform. Additionally, a consumer assistance program can help you file your appeal. Contact the Illinois Department of Insurance at (877) 527-9431 or visit http://insurance.illinois.gov.

- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charges $1,500 for an overnight stay and the **allowed amount** is $1,000, you may have to pay the $500 difference. (This is called **balance billing**.)
- This plan may encourage you to use participating **providers** by charging you lower **deductibles**, **copayments** and **coinsurance** amounts.

**Your Rights to Continue Coverage:**

If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the **premium** you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

For more information on your rights to continue coverage, contact the plan at 1-800-828-3116. You may also contact your state insurance department, the U.S. Department of Labor, Employee Benefits Security Administration at 1-866-444-3272 or www.dol.gov/ebsa, or the U.S. Department of Health and Human Services at 1-877-267-2323 x61565 or [www.cchio.cms.gov](http://www.cchio.cms.gov).
Your Grievance and Appeals Rights:
If you have a complaint or are dissatisfied with a denial of coverage for claims under your plan, you may be able to appeal or file a grievance. For questions about your rights, this notice, or assistance, you can contact Blue Cross and Blue Shield of Illinois at 1-800-828-3116 or visit www.bcbsil.com, or contact the U.S Department of Labor's Employee Benefits Security Administration at 1-866-444-EBSA (3272) or visit www.dol.gov/ebsa/healthreform. Additionally, a consumer assistance program can help you file your appeal. Contact the Illinois Department of Insurance at (877) 527-9431 or visit http://insurance.illinois.gov.

Does this Coverage Provide Minimum Essential Coverage?
The Affordable Care Act requires most people to have health care coverage that qualifies as “minimum essential coverage.” This plan or policy does provide minimum essential coverage.

Does this Coverage Meet the Minimum Value Standard?
The Affordable Care Act establishes a minimum value standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). This health coverage does meet the minimum value standard for the benefits it provides.

## About these Coverage Examples:

These examples show how this plan might cover medical care in given situations. Use these examples to see, in general, how much financial protection a sample patient might get if they are covered under different plans.

### This is not a cost estimator.

Don’t use these examples to estimate your actual costs under this plan. The actual care you receive will be different from these examples, and the cost of that care will also be different.

See the next page for important information about these examples.

Questions and answers about the Coverage Examples:

What are some of the assumptions behind the Coverage Examples?

- Costs don’t include premiums.
- Sample care costs are based on national averages supplied by the U.S. Department of Health and Human Services, and aren’t specific to a particular geographic area or health plan.
- The patient’s condition was not an excluded or preexisting condition.
- All services and treatments started and ended in the same coverage period.
- There are no other medical expenses for any member covered under this plan.
- Out-of-pocket expenses are based only on treating the condition in the example.
- The patient received all care from in-network providers. If the patient had received care from out-of-network providers, costs would have been higher.

What does a Coverage Example show?

For each treatment situation, the Coverage Example helps you see how deductibles, copayments, and coinsurance can add up. It also helps you see what expenses might be left up to you to pay because the service or treatment isn’t covered or payment is limited.

Does the Coverage Example predict my own care needs?

🥇 No. Treatments shown are just examples. The care you would receive for this condition could be different based on your doctor’s advice, your age, how serious your condition is, and many other factors.

Does the Coverage Example predict my future expenses?

🥇 No. Coverage Examples are not cost estimators. You can’t use the examples to estimate costs for an actual condition. They are for comparative purposes only. Your own costs will be different depending on the care you receive, the prices your providers charge, and the reimbursement your health plan allows.

Can I use Coverage Examples to compare plans?

✔ Yes. When you look at the Summary of Benefits and Coverage for other plans, you’ll find the same Coverage Examples. When you compare plans, check the “Patient Pays” box in each example. The smaller that number, the more coverage the plan provides.

Are there other costs I should consider when comparing plans?

✔ Yes. An important cost is the premium you pay. Generally, the lower your premium, the more you’ll pay in out-of-pocket costs, such as copayments, deductibles, and coinsurance. You should also consider contributions to accounts such as health savings accounts (HSAs), flexible spending arrangements (FSAs) or health reimbursement accounts (HRAs) that help you pay out-of-pocket expenses.

APPENDIX C PART-
TIME OFFICERS

A. Minimum staffing requirements will only apply to Full-Time officers. Exceptions being if a Part-Time officer has signed up for unfilled posted street overtime in accordance with general order 3.1.3 (8)(b) as in effect on May 1, 2008. The Village agrees to make available first to Chapter members, the right to sign up for overtime postings of street patrol and special enforcement programs and details in which the Chapter members take the primary enforcement role. The Village also agrees to make available first to the Chapter members, details which are funded through governmental grant programs. Part-time officers will only be allowed to sign up for street overtime or full-time officers hireback slots after the posting has gone unfilled by full-time officers during the posting period (72 hours). Part-time officers shall be permitted to serve in a secondary role on the above details (i.e. traffic control, crowd control, or support function) in accordance with past practice.

B. Chapter members will be designated as primary enforcement officers at the outdoor music theatre and supported by part-time officers, as necessary. “Enforcement officer” shall be defined as those officers designated as an arrest team, concourse team, crowd control, and in the venue security office assignment. However, part time officers will be assigned traffic control, and parking duties, in addition to assisting full-time officers, as necessary. In the event that any slots for full time officers go unfilled, part time officers will be permitted to sign up for that assignment.

C. Pursuant to Police Department General Order 3.1.2-Allocation and Distribution of Personnel, the Village has established “Specialty Assignments” within the Department. The Village will not assign any part time officer to a “specialty assignment” except as provided in sub-paragraph D herein.

D. The Village retains the right to train and assign part time officers to supplement the full time officer staffing in the specialty of Bicycle Officer. Part time officers will only be assigned to bicycle patrol details involving bar checks, parades, festivals and other details which have been the responsibility of part-time officers as per past practice. Regular patrol duties of bicycle officers shall be limited to full time bicycle officers only.

E. Consistent with the Civil Services Rules of the Village of Tinley Park, part-time officers will not be eligible for attaining rank within the police department. Additionally, no full time officer shall be subordinate to any part time officer at any time, regardless of assignment or seniority.

POLICY 304 - OFFICER INVOLVED SHOOTING AND DEATHS

To committee
APPENDIX I

Global Positioning and Electronic Monitoring Software

The GPS system may ONLY be used to discipline an officer when a complaint or issue has been brought against an officer, or when an officer is involved in an accident.
(1) A policy will be developed to establish departmental meetings for the purpose of reviewing new policies, programs, etc., to allow for Patrol Officers input. These meetings will be scheduled on training days and will occur no less than twice each year. The Police Chief and all Supervisory personnel and all employees covered by this Agreement will attend these meetings. They will be scheduled for a timeframe of approximately 1-1/2 to 2 hours. The Village Manager will attend these sessions on an as needed basis. Nothing herein shall prohibit additional departmental meetings.

(2) A policy will be developed to provide for better Patrol Officer notification of job related training, seminars, schools, etc., and the policy will indicate that every effort will be made to free up time to attend these training sessions. Special attention will be given to paying for training sessions on off-duty time if the Patrol Officer is willing to go to school on his own time.

(3) As of the date of execution of this Agreement, the Village has no present intention to abolish or change the Village Ordinance that provides certain health plan benefits to retirees. Covered retired individuals shall also be entitled to maintain dental coverage following retirement, with the Village contributing fifty percent (50%) of the premium for said coverage. In addition, until the retiree is eligible for AARP coverage, the Village shall contribute, in addition to 50% of the premium cost, and $60 per month toward the retiree’s cost for health insurance for those covered officers retiring with at least 20 years of service and 50 years of age. The Village agrees that it will not abolish or change the Ordinance as to bargaining unit members without prior notice to and discussion with the Chapter.

(4) The Village has no present intention of changing the sick leave or disability leave benefits as they exist in policy as of May 1, 1998. The Village agrees that it will not change those policies as to bargaining unit members without prior notice to and discussion with the Chapter.

(5) The Chapter agrees that upon request of either the Chapter Executive Board or Police Administration, information sharing meetings will be held on a regular basis. The purpose of the meetings will be to communicate and discuss miscellaneous, non-bargaining issues, which arise between department meetings.

(6) The Department will require both full time and part time officers in field training to refrain from wearing his/her uniform in public unless on duty, in training or during an assignment by which the officer in training is in the company of another full time or part time officer as a partner.
