This Resolution would allow for Cook County to change the assessment ratio for the aforementioned property from 25 percent to 10 percent for a ten (10) year period. Bruske Enterprises Inc. has operated a manufacturing plant at 7447 Duvan Drive for the past 29 years but has endured economic hardship over the past 8 years, and is requesting assistance. The owner currently employs 53 people, and has advised the Village of Tinley Park and Cook County that but for the Cook County Class 6B Sustainable Emergency Relief Incentive, the economic viability of maintaining staff and operations at the current location is at risk. Approval of this Class 6B SER Incentive with Special Circumstances is contingent upon Village approval. The Economic and Commercial Commission has recommended approval of this Resolution. Committee meeting held on January 20, 2015, and recommended for approval. President Pro-Tem Grady asked if anyone cared to address the Board. No one came forward. Vote by voice call. President Pro-Tem Grady declared the motion carried.

Motion was made by Trustee Seaman, seconded by Trustee Hannon, to waive first-reading, adopt and place on file RESOLUTION NUMBER 2015-R-008 DECLARING THE VILLAGE’S OFFICIAL INTENT TO REIMBURSE EXPENDITURES (TINLEY PARK MENTAL HEALTH CENTER TIF DISTRICT). On December 16, 2014, the Village of Tinley Park authorized moving forward with a feasibility study under the Tax Increment Finance (TIF) Act to determine if the area commonly referred to as the Tinley Park Mental Health Center (TPMHC) may be designated as a Redevelopment Project Area. As a result of the feasibility study, the Village is expected to incur expenses for TIF project costs which under the TIF Act would be reimbursable from TIF incremental revenues generated from the properties within the study area. The Village anticipates the reimbursement of professional service expenses, as well as property acquisition costs, as part of this reimbursement Resolution. It is recommended by staff that the Village Board consider waiving first reading in order to be eligible for reimbursement of all of the expenses related to the establishment of the TPMHC TIF. This Resolution was discussed and recommended for approval at the February 10, 2015, Committee of the Whole meeting. President Pro-Tem Grady noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Seaman, Hannon, Maher, Staunton, Jr., Grady. Nays: None. Absent: Zabrocki, Leoni. President Pro-Tem Grady declared the motion carried.

Motion was made by Trustee Maher, seconded by Trustee Staunton, Jr., to adopt and place on file RESOLUTION NUMBER 2015-R-004 AUTHORIZING ADOPTION OF THE COOK COUNTY MULTI-JURISDICTIONAL ALL HAZARDS MITIGATION PLAN. Beginning in 2011, the Tinley Park Emergency Management department, under the direction of Cook County Homeland Security and Emergency Management, began the planning and development for a Cook County Multi-Jurisdictional All Hazards Mitigation Plan (HMP). The plan is designed to prepare for and lessen the impact of specified natural hazards. The plan also allows for the pooling of regional resources and creation of a uniform regional hazard mitigation strategy. Completion and adoption of the HMP will allow all participating agencies, jurisdictions and partners to receive grant funds through the Hazard Mitigation Grant Program administered by the Federal Emergency Management Agency (FEMA). This item was discussed at the December 2, 2014, Public Safety Committee meeting and recommended for approval. President Pro-Tem Grady noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Motion was made by Trustee Staunton, Jr., seconded by Trustee Hannon, to waive first-reading, adopt and place on file RESOLUTION NUMBER 2015-R-009 (IDOT RESOLUTION 15-000000-01-GM ) REPEALING RESOLUTION 2015-R-001 AUTHORIZING AN APPROPRIATION OF UP TO $3,400,000 FOR THE 2015 PAVEMENT MANAGEMENT PROGRAM AND AUTHORIZING AN APPROPRIATION OF MFT DOLLARS OF UP TO $1,700,000 (IDOT RESOLUTION 15-000000-01-GM). The Resolution adopted on January 6, 2015, authorizing the appropriation of up to $3,400,000 for the purpose of maintaining streets and highways under the applicable provision of the Illinois Code from January 1, 2015, to December 31, 2015, is hereby repealed and replaced with this resolution to reflect only the anticipated MFT (Motor Fuel Tax) dollars being used for the IDOT program 15-000-01-GM or $1,700,000. This amount represents the projected maximum total expenditures paid from MFT funds which are restricted for use by the State for roadway related costs.
Tinley Park has traditionally used its MFT funds for resurfacing and maintenance under its Pavement Management Program (PMP). At IDOT’s request, the prior appropriation is being adjusted to show only the MFT dollars being spent on the PMP program. The projected total program cost is still $3,400,000 and actual expenditures for the PMP will be subject to the amount of funds available. Any additional funds necessary for the 2015 Pavement Management Program would be subject to approval by the Village Board and will be paid out of other non-MFT funds. Passage of this resolution will allow the Village to competitively bid the project prior to construction season in an effort to obtain the best possible unit pricing. If the Village Board does not authorize additional funding, the scope of the project can be reduced accordingly. This item was discussed and recommended for approval at the Committee of the Whole meeting held on February 10, 2015. President Pro-Tem Grady noted that this item was in its final adoption stage and asked if anyone cared to address the Board. Camille Tess, 7319 194th Street asked if this program includes the installation of traffic signals. Trustee Staunton, Jr. informed her that it did not. Vote on roll call: Ayes: Seaman, Hannon, Maher, Staunton, Jr., Grady. Nays: None. Absent: Zabrocki, Leoni. President Pro-Tem Grady declared the motion carried.

Construction will provide replacement of the existing pozzolanic base of the roadway as well as full replacement of the asphalt surface. Four (4) 12 feet wide lanes with median will be provided at both 167th Street and 159th Street intersections. Under the terms of the local agency agreement, the Village is eligible for reimbursement of 80% of the $125,000 preliminary engineering expenses. In 2006, the General Assembly passed the Retail Electric Competition Act that deregulated the State's electric utilities. The Village made a policy decision in 2007 to join the electrical cooperative, NIMEC (Northern Illinois Municipal Electrical Cooperative) consisting of over 100 municipalities that collectively bid their energy purchase to obtain better pricing. This bidding covers Village electric consumptions for water pumping, street lighting and other non-building uses. The Village's current electric contract will expire on May 31, 2015. As such, NIMEC will be entering into a bidding process for the Village's next contract over the next few months. As with our previous electrical agreements, the window of opportunity for the Village to sign agreements and take advantage of the lowest bidder is typically limited to less than 48 hours. By this resolution, the Village authorizes the Village Manager to sign a third party electrical agreement upon completion of the competitive bidding process. The resolution will aid in assuring that the Village will continue to be afforded the best possible electrical rates.
