In November 2015, the Village of Tinley Park initiated the process to review the feasibility of creating a Tax Increment Financing District, including the property commonly known as the Panduit / ABS Supply / Ridgeland Avenue project area. The Village has made available the Eligibility Report and Redevelopment Plan and Project documents for the proposed Tax Increment Financing District for review on its website. This ordinance would call for scheduling a Joint Review Board meeting on Friday, April 22, 2016, at 3:00 p.m. in the Village Kallsen Center to review these documents. Additionally, this ordinance would set the Public Hearing for this Legacy Tax Increment Financing District on Tuesday, June 7, 2016, at 8:00 p.m. in the Village Board Room. Motion was made by Trustee Vandenberg, seconded by Trustee Brady, to AWARD A PROFESSIONAL SERVICE CONTRACT TO FARR ASSOCIATES FOR ADDITIONAL PHASE II MASTER PLANNING FOR THE FORMER TINLEY PARK MENTAL HEALTH CENTER PROPERTY IN AN AMOUNT NOT TO EXCEED $28,200. In November 2015, the Village awarded a professional service contract to Farr Associates for a detailed Phase II Master Plan for the former Tinley Park Mental Health Center property. The original scope of service included engaging the community stakeholders, residents and developers in the creation of a formal design plan to meet the goals of the community and establish a marketable master plan for the redevelopment of the project area. After receiving input at the first public workshop, the Village finds it beneficial to expand the scope of services to provide a deeper market analysis and additional public meetings with the community so they are well-prepared to offer constructive feedback. The additional scope of service would include the expanded market analysis to consider a sportsplex, movie theater, hotel and office products, as well as two additional community workshops, and a youth workshop. This item was discussed at the Planning and Zoning Committee meeting on March 1, 2016, and recommended for approval. Mayor Seaman stated that this item was in its final adoption stage and asked if anyone cared to address the Board. Trustee Pannitto asked if it would be possible to separate the feasibility study and the workshop portions of the contract. Village Manager Niemeyer stated that this contract includes both the feasibility study and the additional workshops. Trustee Vandenberg stated that additional workshops will provide more availability to the public and the contract will also provide an expanded study of the ideas provided by the public at the first public workshop. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Brady. Nays: None. Absent: None. Mayor Seaman declared the motion carried.

Motion was made by Trustee Grady, seconded by Trustee Maher, to adopt and place on file ORDINANCE NUMBER 2016-O-009 AUTHORIZING THE FIRST ADDENDUM TO MABAS MASTER AGREEMENT. For several years the Village has been part of Mutual Aid Box Alarm System (MABAS) intergovernmental agreement. MABAS is an interagency agreement between public safety entities/agency to provide for mutual aid between departments when needed. Historically, mutual aid services have been provided without compensation between departments. MABAS has requested a change that would allow for compensation back to responding departments during instances of extended assistance (more than 8 consecutive hours). Under the proposed addendum, the responding/assisting agency may request reimbursement for their services provided to another department during the extended assistance, but it is not required. The proposed addendum outlines the parameters and recommended rates that MABAS agencies may charge for services. The proposed addendum also indicates that invoices for services should be issued within 30 days of the date(s) of service. As has always been the case, the Village also will retain its right to terminate participation in MABAS with 90 days notice. Mayor Seaman stated that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Ayes: Maher, Grady, Pannitto, Vandenberg, Younker, Brady. Nays: None. Absent: None. Mayor Seaman declared the motion carried.

Trustee Pannitto stated that he would like further discussion and study into this position before it is adopted. Cheryl Bono stated her concerns with the position of the Internal Auditor, including the cost. She asked if this Ordinance calls for an office or a single employee and how it could be independent of the Village if it is employed by the Village. Trustee Brady noted that this person would be supervised by the Village Board, not staff, and that it could possibly be a contracted position. Another citizen stated her concerns on this issue. Citizen Ken Shaw noted that he had sent information to the Village Board on this position and stated that this Ordinance needs additional study. At this time, a motion was made by Trustee Pannitto, seconded by Trustee Younker, to table Ordinance 2016-O-008 to the Village Board meeting to be held on April 19, 2016, for further discussion and study. The Ordinance will compel all Elected Officials and Village Staff to cooperate with the Sheriff’s Office in the investigation. Mayor Seaman asked if anyone cared to address the Board. Citizens stated concerns and comments regarding the following issues with this Ordinance:

1. The independence of the Sheriff conducting the investigation independently;
2. Who will be in charge of the hotline called for in the hotline? (This will be the Cook County Sheriff’s Office);
3. Who wrote the Ordinance? (The Sheriff’s Office approved the Ordinance before it came before the Village Board of Tinley Park);
4. The limitations of the Ordinance to just investigating the Reserve project;
5. The timeline of the investigation;
6. When will the findings be made public; and
7. Would Klein, Thorpe and Jenkins also be under investigation by the Sheriff’s Office? (Yes, Village Contractors would be included in the investigation.).
