In conformance with the State Statutes, a notice of Public Hearing was published in the newspaper on Tuesday, March 29, 2016, and the proposed budget has been available for public inspection at the Village Clerk’s office since March 24, 2016.

At this time, Trustee Maher asked Village Treasurer Brad Bettenhausen to present an overview of the 2017 Fiscal Budget. Treasurer Bettenhausen presented an overview of key capital items and initiatives included in the 2017 Fiscal Year Budget. He noted that the total General Fund expenditure budget is proposed at $51,794,396 and the total expenditure budget for all Village Funds, including the Tinley Park Public Library, is $146,110,116 (as corrected). public hearing and asked if anyone would care to address the Board. Peter Kroner stated his concerns about the Water and Sewer Construction Fund and when the water meters issue will be resolved. Mayor Seaman stated that this is an ongoing effort and the Water Superintendent is working on a methodology for this effort such that it is consistent with all residents who have had a problem. As soon as the methodology is in place, the funds are available to resolve the water meter issue. Mr. Kroner stated further concerns about Staff vacancies for the upcoming year. He asked that any Staff replacement issues be neutral to the budget.

In November 2015 the Village of Tinley Park initiated the process to review the feasibility of creating a Tax Increment Financing District, including the property commonly known as the Panduit / ABC Supply / Ridgeland Avenue project area. The Village has made available the Eligibility Report and Redevelopment Plan and Project documents for the proposed Tax Increment Financing District.
available for review on its website. This ordinance would call for scheduling a Joint Review Board meeting on Friday, April 22, 2016, at 3:00 p.m. in the Village Kalsen Center to review these documents. Additionally, this ordinance would set the Public Hearing for this Legacy Tax Increment Financing District on Tuesday, June 7, 2016, at 8:00 p.m. tentatively scheduled in the Village Board Room. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Maher, Grady, Vandenberg, Younker. Motion was made by Trustee Vandenberg, seconded by Trustee Grady, to remove from the table RESOLUTION NUMBER 2016-R-007 APPROVING A FINAL PLAT OF SUBDIVISION FOR BROOKSIDE MEADOWS PUD, PHASE II LOCATED GENERALLY NORTH OF LAPORTE ROAD AND WEST OF LONGMEADOW DRIVE AND WITHIN THE BROOKSIDE MEADOWS PLANNED UNIT DEVELOPMENT. Vote by voice call. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to waive first reading, adopt and place on file RESOLUTION NUMBER 2016-R-007 APPROVING A FINAL PLAT OF SUBDIVISION FOR BROOKSIDE MEADOWS PUD, PHASE II LOCATED GENERALLY NORTH OF LAPORTE ROAD AND WEST OF LONGMEADOW DRIVE AND WITHIN THE BROOKSIDE MEADOWS PLANNED UNIT DEVELOPMENT. This item was tabled at the March 1, 2016, Village Board meeting due to requirements of the Intergovernmental Agreement between the Village of Tinley Park and the Village of Mokena which required the Final Plat and final engineering to be approved by the Village of Mokena prior to consideration by the Village of Tinley Park. The Final Plat and final engineering were approved by Mokena at their March 28, 2016, meeting. Mokena is also a signatory on the Final Plat.

The Applicant, Crana Homes, represented by Ted Virgilio of Branecki-Virgilio & Associates, Inc., seeks approval of the Final Plat of Subdivision for the Brookside Meadows Planned Unit Development, Phase II. The preliminary plans for Phase II included a total of 15 buildings with a total of 58 single-family attached units (called “Townhomes” within the plan). A majority of the buildings contain 4 units, but 2 are proposed to contain 3 units. The Final Plat of Subdivision is consistent with the number of buildings and units proposed in the preliminary planning stages. The Brookside Meadows Planned Unit Development (45 acres) was approved in 2006 by the Plan Commission and Village Board. The Planned Unit Development approval provided the conceptual plat approval for the subdivision. The Village Attorney and the Village Engineer have reviewed the Final Plat of Subdivision for Phase II and find it to be acceptable. The Plan Commission reviewed the Final Plat at its February 4, 2016, regular meeting and unanimously recommended approval. The approval of this Plat required prior approval by the Village of Mokena. The developer is unable to schedule installation of electrical services with Commonwealth Edison until the Plat is approved and currently has several contracts pending for Phase Two units. Due to the delays and the time sensitivity for getting necessary electrical infrastructure installed, the developer respectfully requests the Board to consider waiving first reading. Mayor Seaman noted that this item was in its final adoption stage and asked if anyone cared to address the Board. No one came forward. Vote on roll call: Maher, Grady,
Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to overrule the recommendation of the Zoning Board of Appeals, place on first reading and direct the Village Attorney to draft **ORDINANCE NUMBER 2016-O-018 GRANTING VARIATIONS FROM THE REQUIRED SIDE YARD SETBACK AND FROM THE ALLOWABLE EAVE/GUTTER ENCROACHMENT TO ALLOW FOR AN ADDITION AT 16412 IRONWOOD DRIVE FOR PURPOSES OF A THIRD GARAGE AND LAUNDRY ROOM ADDITION (DANCA)**. The petitioners, Anthony and Jill Danca, have submitted a variance request that was previously not recommended for approval by the Zoning Board of Appeals (July 2015). The ZBA’s recommendation was not forwarded to the Village Board at the request of the petitioners. Mr. and Mrs. Danca submitted a new petition in February 2016. The proposed plans and variation requests did not change from the earlier petition, however additional findings of fact were provided. The petition requests two variations:

1. A three foot (3’) side yard setback Variation from Section V. Schedule II (Schedule of District Requirements) where the side yard setback requirement is eight feet (8’); and
2. A one foot, eight inch (1’8”) Variation from the allowable eave/gutter encroachment in Section III.H. (Permitted Encroachments in Required Yards) where three feet (3’) is the maximum encroachment permitted for eaves/gutters into the required side yard setback.

These Variations would allow the petitioners to construct a one-story addition to the existing home at a five foot (5’) setback from the north side property line and would allow the proposed eaves/gutters to be three feet, four inches (3’4”) from the north side property line. The property is zoned R-3 Single-Family Residential Zoning District and is located within the Tanbark subdivision. The ZBA voted 3 to 1 to not recommend the variations for approval. The Petitioners have requested that the Village Board consider overruling the recommendation of the ZBA and grant the requested variations. Mayor Seaman asked if anyone cared to address the board. Mr. Danca explained the project. Vote by voice call. Mayor Seaman declared the motion carried.

Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to concur with the recommendation of the Zoning Board of Appeals and direct the Village Attorney to draft **ORDINANCE NUMBER 2016-O-019 GRANTING A VARIATION FROM THE REQUIRED SETBACK FOR AN ACCESSORY STRUCTURE AT 17710 65TH COURT (LAWTON)** with this constituting first reading. The petitioner, Michael Lawton, is requesting a one foot, seven inch (1’7”) Variation from Section III.I.1.f. (Accessory Structures and Uses) where no part of the accessory structure shall be located closer than five feet (5’) to the rear lot line or to those portions of the side lot lines abutting such required rear yard. This Variation would allow the Petitioner to replace an above-ground pool with a new above-ground pool at the same location (a setback of three feet, five inches (3’5”) from the side property line at 17710 65th Court in the R-4 (Single-Family Residential) Zoning District and within the Whitney and Bishop’s Addition to Tinley Park Subdivision. The Zoning Board of Appeals voted unanimously (4 to 0) to recommend approval of the requested variation. Mayor Seaman asked if anyone cared to address the Board. Mr. Lawton explained his project. Vote by voice call. Mayor Seaman declared the motion carried.
Motion was made by Trustee Maher, seconded by Trustee Grady, to place on first reading
ORDINANCE NUMBER 2016-O-017 CEDING THE AGGREGATE REMAINING UNUSED ALLOCATION OF 2016 PRIVATE ACTIVITY BOND VOLUME CAP OF THE VILLAGE OF TINLEY PARK TO THE ILLINOIS FINANCE AUTHORITY AND THE WILL KANKAKEE REGIONAL DEVELOPMENT AUTHORITY. Tinley Park receives a direct allocation of Private Activity Bond Volume Cap every year based on population. The 2016 allocation is $5,728,000. By May 1 of each year, the Village must obligate the allocation to eligible local projects or cede the allocation for use by other agencies. Since January, no local projects have requested industrial revenue bond financing through this program. In order to support projects that will create jobs and expand the tax base in the region, this Ordinance will cede $2,864,000 to the Will Kankakee Regional Development Authority and $2,864,000 to the Illinois Finance Authority for the South Suburban Mayors and Managers Volume Cap Pool. Mayor Seaman asked if anyone cared to address the Board. No one came forward. Vote by voice call. Mayor Seaman declared the motion carried.

Motion was made by Trustee Maher, seconded by Trustee Grady, to place on first reading
ORDINANCE NUMBER 2016-O-021 AUTHORIZING AND GRANTING A FRANCHISE AGREEMENT TO NORTHERN ILLINOIS GAS COMPANY. In 2010 the Village of Tinley Park joined a consortium with several other Illinois communities for the purpose of negotiating an updated model franchise agreement with NICOR. Several of the communities in the consortium had old or even expired agreements with NICOR and were having difficulties getting NICOR to negotiate the terms and conditions of a new/updated agreement. The Village’s current agreement with NICOR was adopted in 1981 with a 50 year term. After several years of negotiation with the municipal consortium, the model franchise agreement has been completed and recommended for approval by the individual municipalities.

Highlights of the proposed agreement include, but are not limited to, the following:

1. Term of the agreement will be for 25 years;
2. NICOR will pay an annual franchise agreement to the Village;
3. The agreement is non-exclusive;
4. The agreement contains a “most favored nations” clause in favor of the Village for any future agreement that NICOR may enter into with another municipal government;
5. NICOR will be required to indemnify the Village related to their work/usage of the public right-of-way; and
6. The current franchise agreement with NICOR will be repealed in its entirety.
